

CITIZEN SURVEY

DECEMBER 2023

RIVERTONUTAH.GOV

COMMUNICATIONS DEPARTMENT

The 2023 Riverton Citizen Survey has been conducted to aid Riverton City's elected officials in their strategic planning efforts and future policy and budget decisions for Riverton City. Questions were largely crafted around existing strategic priorities and/or to measure satisfaction for various city services.

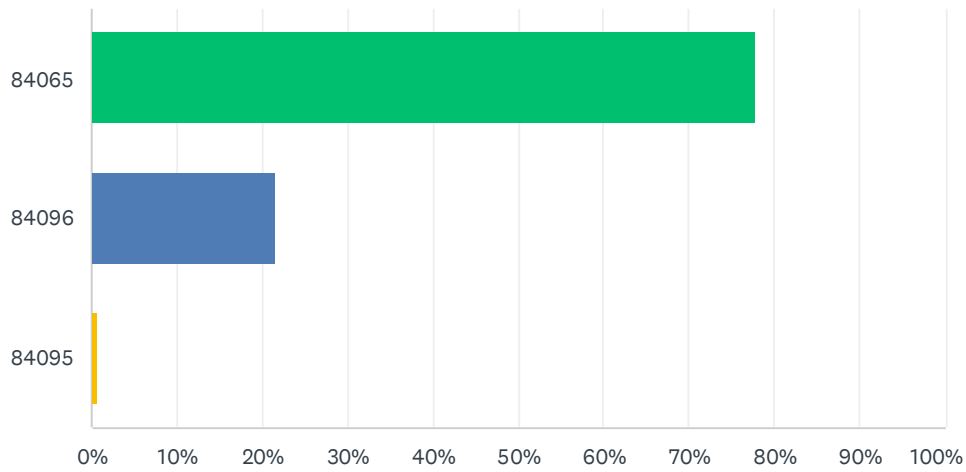

Question Design: Satisfaction questions used a “neutral” scale (an equal number of positive and negative answer options) and were written to not trigger a specific response. For example, a question about city services was phrased “Overall, how satisfied are you with the services provided by the Riverton City government?” rather than something like “Overall, how satisfied are you with the excellent and efficient services provided by the Riverton City government?”

Methodology: The survey was conducted online between Tuesday, December 26, 2023 and Thursday, January 18, 2024 using SurveyMonkey software. Riverton citizens were invited to complete the survey using several tools, including via email, text, and social media. A postcard was also sent to every Riverton household to ensure there was not a digital bias in responses received. The survey is unweighted, meaning there have been no statistical or data adjustments to account for specific characteristics of the actual population (age, gender, location within the city, etc.).

- Population Size: 28,756 (adult citizens)
- Total Respondents: 2,463 (sample size)
- Margin of Error: $\pm 2\%$ (The possible range of the “actual” sentiment of the population.)
- Confidence Level: 99% (The probability that the sample accurately reflects the population.)

1	I think the chance for calling 12600 S & Redwood Riverton's downtown and making it a "vital" part of the city left with the coming of Mountain View Village, the building of the condos on that corner, and moving the parade away from the area	1/22/2024 6:29 PM

44	I have no opinion on this subject	1/17/2024 1:40 PM
45	I am great with dining/retail/park amenities as long as there is access from Redwood Road AND 12800 S (so traffic doesn't cross through Nichols' Lane to Ranch Road to make a right on Redwood to access the facilities). We don't have sidewalks in that area.	1/17/2024 1:23 PM
46	That area is old and dated (and not in a cool historic way). I believe the redevelopment of the existing commercial business area should be a priority as well as bringing in new office and entertainment to support the business in that area. A Riverton City Amphitheater similar to what Sandy City has would be a great option for entertainment. Buy the land the vacant land if possible near 1300 W and 12600 s and use the park as overflow parking.	1/17/2024 1:04 PM

48	The roads are in poor condition, specifically Laurel Chase Drive.	1/17/2024 12:50 PM
49	Riverton City should not restrict private land owners with a zoning overlay. This makes it hard for private owners to sell their land when they want too, and is government over reach!	1/17/2024 12:49 PM
50	I would love to see the downtown area made more walkable, as the pedestrian crossings along Redwood and 12600 S feel dangerous. I always feel like I'm risking my life to cross either of those streets.	1/17/2024 12:48 PM
51	I don't live near this so I doesn't affect me much	1/17/2024 12:48 PM

57	I would hope it's a priority to still keep it a historic feel. Small community feel. That's why we love it here. Little things like the skeletons on the corner, what the city does for the community is awesome.	1/17/2024 12:31 PM
58	This is far from my home and has little impact	1/17/2024 12:26 PM

95	It isn't terribly important to me what the area is used for, but I think it would be nice if it looked like a downtown instead of a hodgepodge of businesses that are replacing historical buildings. Let's make it look classy, like it's been there for a hundred years instead of looking like a town that has torn down most of it's history.	1/10/2024 7:41 PM

134	Unless you are doing face-lift to existing buildings, I don't see a priority here. My only suggestion would be to keep the "small town" feel alive. Maybe even bring back more of the "historic" features.	1/9/2024 6:20 PM
135	We have plenty of fast food restaurants in the area. What we need is a sit down restaurant.	1/9/2024 6:19 PM

138	The little memorial park on the corner of 12600 & Redwood seems like a waste. It's too noisy and dangerous to use as a park, so it should just be a business.	1/9/2024 5:34 PM

6	Generally my experience has been good. However, please enforce noise ordinances especially on Redwood and 12600 S, since I regularly hear modified cars roaring down the street or revving their engines in the retail parking lots, just to make noise. I have been woken up by this in the middle of the night even with all the windows closed. Traffic noise is one thing, but broken mufflers and car engines popping and revving just for the sake of making noise is quite another. Please enforce noise violations. Thank you.	1/17/2024 12:48 PM
7	You have people enforcing city building code that don't understand it themselves and they don't know where to bend rules. If my building has to match my home but I don't have brick on my home then why do I need brick on the new structure. You need to update your policy's and give a little more flexibility to the people enforcing the rules. They come off as power hungry and unwilling to help and it ends up making them ad the city look dumb. Because I said so isn't a good reply anymore. When my contractor charges me additional for having to deal with Riverton City then you have a problem.	1/17/2024 12:45 PM

37	I've had no interaction, but I would like to see more restraints on pets. Too many dog owners allow their dogs off-leash in my neighborhood, and I've been attacked by dogs whose owners couldn't believe their dogs would do such a thing. Also, cats run rampant in my neighborhood, with no controls whatever. PLEASE do something about it! I don't want cats nor their feces in my yard. It's my home. If pet owners want pets, they should have them safely contained or restrained in a neighborhood.	1/7/2024 6:48 PM
38	Have never required their services.	1/7/2024 10:50 AM

42	My neighbor has a "permit" for 5 dogs. When neighbors complained, they were notified when code enforcement was coming and the other 5 dogs conveniently took a trip for a couple of hours. There has been at least 10 dogs and at least 5-8 cats. The house is destroyed and there was no way to enforce the law - they always skirted enforcement.	1/5/2024 9:16 PM

45	I feel that if someone asked if Riverton City had an animal control officer, citizens would say no. You never see her! Her presence is not in the city! Does she ever drive around or stop at parks? She told me that signage about the leash laws were posted at every park. Not true! I feel that she is on the side of pet owners and doesn't see that others might not like being approached by pets they are unfamiliar with. I want her to follow through and make signage that is at the Riverton City Park be at ALL parks. We have a leash law and she can no longer turn her head and ignore the law.	1/5/2024 6:01 PM

I understand it's government, but let's try to be less federal in our approach and consider lowering the taxes we have rather than try to get creative and spend the money we may not have to. 40	Quiet-ish	1/18/2024 6:40 PM
41	It's still a friendly place to live for the most part. However there is a huge problem with people exceeding the speed limits in residential streets. Can we petition for speed bumps in our streets?	1/18/2024 5:38 PM
42	This is home. I remember the days when it was a small town and it maintains a small town vibe in many ways, which I love.	1/18/2024 4:31 PM
43	I used to love that it felt more small town. Even though it's not anymore, I still appreciate the little things. I appreciate the paths I go walking on and parks for my kids to play. I think we have a great mayor also.	1/18/2024 4:19 PM
44	It seems that I'm more free here. And I enjoy the quality of neighbors that are attracted to the city.	1/18/2024 4:11 PM
45	Smaller community is great, but people are ruining that by moving in and by the city building high density housing.	1/18/2024 4:00 PM
46	Safety, easy access to freeways and shopping	1/18/2024 3:55 PM
47	Beautiful, safe, lots to do	1/18/2024 3:54 PM
48	Wonderful neighbors. Quiet environment. Fun activities always going on. Family central.	1/18/2024 3:41 PM
49	Quiet, relatively low crime rate, good neighbors,	1/18/2024 3:29 PM
50	Lots of parks and walking areas.	1/18/2024 3:26 PM
51	Very clean and safe.	1/18/2024 3:22 PM
52	no comment	1/18/2024 3:02 PM
53	Not too crowded, well organized and managed, community feel	1/18/2024 3:00 PM
54	The people are friendly. Besides that there isn't anything to rave about, Riverton city is out of control. The people of Riverton are over policed and over taxed. Then we are forced into gender neutral bathrooms making it unsafe for all women and children.	1/18/2024 2:37 PM
55	It used to be a nice place to live. It was quiet and had enough restaurants and fast food, grocery etc.. If more was desired we were close enough to other services in So. Jordan, Draper, etc.. without having to have the busy traffic here. Now it is ridiculous. I do not enjoy living here anymore. Too much high density housing. Too much traffic. Nothing to help with the traffic like Trax or bus.	1/18/2024 1:22 PM
56	Wonderful place to raise a family,	1/18/2024 1:15 PM

Riverton Citizen Survey - December 2023

57	A lot of amazing neighbors and for the most part its quite.	1/18/2024 12:39 PM
58	The events are fun but getting crowded. Would be so nice to do in on the same days as other cities so they weren't over crowded. Daddy daughter date is fun my daughter loves it, but I can take her on my own date its the same every year. It use to get switched up a little bit. Now it seems like the bare minimum. Friday fun nights is a blast and the entertainment line up is great! 4th of July is great and again the Entertainment is a good variety. I like that the scare rodeo isn't the same every year. It's a good time. Fall ball baseball is run smoothly and great to be able to play ball with my son. (Thanks to the city of providing the players with a hotdog and chips at the end of the season.)	1/18/2024 12:27 PM
59	1) Still has somewhat of a rural feel to it 2) Friendly neighbors 3) Most of my needs I can buy in Riverton	1/18/2024 12:25 PM
60	The events are fun and great. I wish they would change up the daddy daughter date a little indoor doing the exact same crafts food and pictures each time. I also wish that the public safety night was a thing and the police department would show up for more events and be present and interact with the residents like they use too. Especially the 4th of July it's a huge event and when they use to be there walking around talking to people, helping find lost children... you felt a lot safer.	1/18/2024 12:14 PM
61	Our family is close. Like parades.	1/18/2024 11:49 AM
62	Great location. Great for families. Awesome parks and events. Great neighborhood feel. Very clean and up kept well.	1/18/2024 11:25 AM
63	Community focus on families and being neighborly. Independence - less micromanaging. Away from high stress, super busy areas. But nice things close by and available.	1/18/2024 11:22 AM
64	It is a nice quiet community that is conservative and solid. It has a spiritual and religious background. We have mutual respect for one another and have a strong commitment to where we live. We have a city government that is asking us opinions and listening to the residents for input. We feel safe with low crime. Riverton is clean and well kept. We have a good mix of business's that proved food and entertainment and the needs of the community. A plan for sustainability, promoting fun events, and feeling safe. I appreciate the solid values that keep the community grounded.	1/18/2024 11:10 AM
65	Nice, safe community.	1/18/2024 11:05 AM
66	The people. Good mix of neighbors. Good schools. Commercial development and additions the past few years have been good.	1/18/2024 11:04 AM
67	Trust in my local neighborhood. Most people are nice and helpful.	1/18/2024 11:03 AM
68	It is safe and clean.	1/18/2024 10:57 AM
69	I like the effort the city council/government makes to keep the residents informed. I know it's a bustling city, but I wish it wouldn't be developed with so much high occupancy housing. May say growth is progress, but I wish to keep some breathing room within the city, so it's not so crowded.	1/18/2024 10:47 AM
70	Very safe neighborhoods	1/18/2024 10:38 AM
71	Safety and having everything we need within minutes of our house.	1/18/2024 10:23 AM
72	I can still have my horse.	1/18/2024 9:49 AM
73	Still has a small town feel. I don't want to see high rise office buildings in Riverton or hotels.	1/18/2024 9:42 AM
74	Safety and small town feel	1/18/2024 9:17 AM
75	Clean, organized, I also feel safe, every now and then I will see homeless people asking for money but not as much is it in downtown. A conservative mayor with conservative values, family oriented.	1/18/2024 9:02 AM
76	Quiet and clean	1/18/2024 8:57 AM
77	Riverton has a good variety of neighborhoods and a good balance of residential and commercial. We really, really love the main city park, the rodeo, the river bottoms and Jordan	1/18/2024 8:38 AM

Riverton Citizen Survey - December 2023

River trail, and we practically live in Mountain View Village. It has become a really wonderful city full of opportunities to live.

78	We continue to grow as a city, but several city activities (4th of July) bring back the feel of our small town roots	1/18/2024 8:32 AM
79	My neighborhood has been safe and quiet for the most part. Shopping and other services are close and convenient.	1/18/2024 8:31 AM
80	Quiet and financially secure city	1/18/2024 8:17 AM
81	Safety, clean city, nice people	1/18/2024 8:17 AM
82	Its people!	1/18/2024 7:52 AM
83	I love the convenience of things and the options we do have. There is a good feeling of community.	1/18/2024 7:51 AM
84	Safety MVV	1/18/2024 7:34 AM
85	I feel we are safe and a true community	1/18/2024 7:28 AM
86	We love the affordability of utilities, also the wide variety of parks and trails. We have loved the additional community events that have been added recently like the elf hunt. And other standing events like the pickleball league, safety night, Riverton 4th of July parade, etc.	1/18/2024 7:17 AM
87	Clean, organized, central, safe, lots of opportunities for community involvement, great variety of businesses.	1/18/2024 6:55 AM
88	Safety for my family, quality of life through businesses and amenities offered	1/18/2024 6:40 AM
89	Cheaper, safe, not as densely populated, planned growth areas well developed, many good community events/opportunities, good communication! I truly do enjoy living in Riverton!!!!	1/18/2024 6:34 AM
90	Good people and a well run city for the most part	1/18/2024 6:31 AM
91	Love the area for young families	1/18/2024 5:41 AM
92	Clean, safe, and family friendly.	1/18/2024 5:14 AM
93	Mayor is great. Sense of unity. City government listens to residents. Quiet, relaxing, and close to things we need.	1/18/2024 4:57 AM
94	I love how many community events Riverton does! It maintains the small town feel even while the city grows exponentially. I also love how clean it is, the effort put into Christmas decor and displays during that season, and RODEO TIME!!	1/18/2024 4:54 AM
95	The city holds good events for families and does well to communicate those events through the yearly calendar and social media.	1/18/2024 3:27 AM
96	The older part of Riverton has retained the old time feel without keeping proverbial heads buried in the sand (i.e. widening of Redwood Rd.). The newer developing areas of Riverton have not been afraid of modernizing--with restraint. We don't have dumpy businesses like low end used car dealers. We seem to have a good mix of business to homes. Riverton town days is always great. The Riverton 1/2 marathon and I have a love/hate relationship; I love it until I am in the middle of it, then I hate it, but it comes at a good time in the year and is a good start to the running events season.	1/18/2024 3:06 AM
97	Walking paths, parks and security.	1/18/2024 3:03 AM
98	Everything. It's not perfect, but it's sure close. Once we got the new leadership in after Applegarth left, it's been amazing in every way.	1/17/2024 11:49 PM
99	Caring neighbors.	1/17/2024 11:44 PM
100	close proximity to parks, fire station close by. city building close by, and library.	1/17/2024 11:31 PM
101	It has felt relatively safe, but I'm not convinced the #1 objective of our police department is our safety. It's convenient. Close enough to work. Appreciate any genuine efforts that don't have strings attached. Better than living in southern Texas, but not as nice as living in Northern, Ca, lol, except the politics are better here (I'm a UT native, so, no worries). I do genuinely	1/17/2024 11:25 PM

Riverton Citizen Survey - December 2023

appreciate all you do to make things right and do things right. We need to increase integrity everywhere. Let's all be that solution.

102	The small town conservative feel. It is great and safe place to raise a family. Riverton is in a great location within the valley. People who live in Riverton generally express they feel fortunate to be here. Riverton does a great job bringing people together on July 4th and with food trucks and movie nights in the late summer.	1/17/2024 11:18 PM
103	I love the community events held throughout the year.	1/17/2024 11:10 PM
104	A small town feel with a dash of urban	1/17/2024 11:01 PM
105	Small town feel. Open areas and clean.	1/17/2024 10:52 PM
106	Good for small businesses. Great residents. Thanks for all you do!	1/17/2024 10:46 PM
107	Quite, safe, good people.	1/17/2024 10:39 PM
108	1. Low crime. 2. Verity of business. 3. Friendly people	1/17/2024 10:36 PM
109	Our neighborhood has a great feeling of unity and service for the most part. We have really enjoyed our friends and neighbors here. Lately there has been a little more trouble than when we first moved in, but I expect that as the population rises. I'm not a huge fan of all the high-density housing that has been plaguing Riverton and Herriman...	1/17/2024 10:32 PM
110	Most of my favorite aspects of why I moved here have disappeared unfortunately.	1/17/2024 10:26 PM
111	a smaller city feel. Lots of great community events.	1/17/2024 10:13 PM
112	For the most part, clean, nice neighborhoods. Like the development of more shopping areas. Not liking all the apartments/condos that are rents and leases. Prefer owners that are willing to keep neighborhoods kept up.	1/17/2024 10:12 PM
113	Great people willing to help each other. I love our summer events and the addition of teen events like the Easter egg hunt, which have really helped us get to know our city better.	1/17/2024 10:11 PM
114	I feel like we are the best of rural and city (do not loose the rural) - still small enough that we are a huge city	1/17/2024 10:10 PM
115	People are great	1/17/2024 10:07 PM
116	The amenities within a close distance. The safe environment.	1/17/2024 10:01 PM
117	Riverton is family friendly!	1/17/2024 10:01 PM
118	Safe, clean,, affordable, control of high density housing although I'm starting to see more and more going up.	1/17/2024 9:59 PM
119	Still quite open in our area. Not crowded with apartments.	1/17/2024 9:58 PM
120	Rural feeling. Not high density housing, and the high density that we have are in reasonable areas around commercial zones. The people!	1/17/2024 9:46 PM
121	Even though our city has grown, it's maintained some of its small town feel. I enjoy community events like Town Days.	1/17/2024 9:41 PM
122	Parks, clean, safety, new business	1/17/2024 9:41 PM
123	It still has a small town, close knit feel. I like the shopping opportunities available.	1/17/2024 9:38 PM
124	Riverton is a good mix of suburban neighborhoods mixed with retail space.	1/17/2024 9:35 PM
125	The people. We have great citizens living in this community, who have lived here their whole lives and who care about our community and work hard to make it a great place to live.	1/17/2024 9:31 PM
126	It's been a great place to raise our family.	1/17/2024 9:21 PM
127	Community and the people all willing to help	1/17/2024 9:04 PM
128	Good variety of options for shopping, eating (actually those are in south Jordan for us) and medical.	1/17/2024 8:58 PM
129	No HOA It's peaceful Great utilities	1/17/2024 8:43 PM

Riverton Citizen Survey - December 2023

130	The people. Nice parks	1/17/2024 8:41 PM
131	I feel safe living in Riverton.	1/17/2024 8:27 PM
132	Young, growing families	1/17/2024 8:24 PM
133	I feel safe here and it is clean.	1/17/2024 8:20 PM
134	Good mixed use and Mountain View village has been a great new area with lots of options. Safe and clean and good community for my kiddos	1/17/2024 8:14 PM
135	Family Friendly with lots of community activities.	1/17/2024 8:14 PM
136	The family environment that the city has. Overall som great people who are always willing to help when needed.	1/17/2024 8:10 PM
137	Beautiful views, nice people	1/17/2024 8:08 PM
138	Keep up on the decorative street lamps and sign posts. If you want to keep some prestige, don't downgrade them for cheap.	1/17/2024 7:55 PM
139	The small town feel, the great people, the social neighborhoods. The activities, especially the cheap to free- in order to help bring more people out to them (things like the fireworks and the tours for Halloween Decor and Christmas). These let more people get out and do and see Riverton. I think we should include the local stores in these items too. Store front decore, hot cider and cocoa, and voting.... stuff like that. Or even the city decorating.	1/17/2024 7:47 PM
140	Small town fell but access to lots of big city things.	1/17/2024 7:45 PM
141	It used to have a small town feel to it, but with all the massive apartments going up it has lost that appeal	1/17/2024 7:42 PM
142	Nice place to live.	1/17/2024 7:35 PM
143	Quiet, safe neightborhood.	1/17/2024 7:35 PM
144	Having space in my own yard	1/17/2024 7:22 PM
145	Yeah pill safe to live here. It's not a great big town. It feels like home.	1/17/2024 7:18 PM
146	Animal rights in some area and not too crowded yet.	1/17/2024 7:12 PM
147	Safe, clean, convenient	1/17/2024 7:09 PM
148	The walking trails are fantastic in my neighborhood. The city bills are very reasonable and I like how many parks and other areas open greenspace is available.	1/17/2024 7:03 PM
149	The community of people are down to earth	1/17/2024 7:03 PM
150	High commercial base and good utilities/costs.	1/17/2024 7:02 PM
151	Safe place to raise my family.	1/17/2024 7:01 PM
152	The proximity of so many services, numerous parks. There is not one area of Riverton that I don't feel safe in, that can't be said about many communities. The lack of roundabouts, people simply don't know how to use them.	1/17/2024 6:59 PM
153	It has a good community feel, safe, good schools, and good shopping and good location	1/17/2024 6:58 PM
154	Hmmm I've been here 26 years. The reasons I liked it then don't apply these days, but it's still a good place. I like the fact that riverton has added more retail and restaurants out west... that brings good \$\$\$ to the city, and allows residents to shop closer.	1/17/2024 6:56 PM
155	Open spaces. Family friendly. Access to the corridor and Bangerter.	1/17/2024 6:55 PM
156	I like the parks and fireworks show.	1/17/2024 6:51 PM
157	Schools are great, and the location between SLC and Provo is awesome.	1/17/2024 6:46 PM
158	Doesn't feel overcrowded. Still has a small town feel.	1/17/2024 6:45 PM
159	It is close enough to everything I need and want but seems far enough away that it isnt a big city.	1/17/2024 6:22 PM

Riverton Citizen Survey - December 2023

160	Proximity to shopping, basic necessities, etc.	1/17/2024 6:20 PM
161	Quiet neighborhood, central to business and transportation.	1/17/2024 6:05 PM
162	Close to everything.	1/17/2024 5:57 PM
163	Small town feel and community but access to big city amenities.	1/17/2024 5:56 PM
164	It's growing but it's not so busy that I feel like I'm in too big of a city which is nice. I like that there are parks and would love more of them. I like that there are 2 Harmons, 2 costco's, Target, and 3+ shopping areas that are all close to my house.	1/17/2024 5:46 PM
165	It has been the small town way of life. Rodeo 4th of July stuff.	1/17/2024 5:45 PM
166	Riverton officials have been smart about thinking ahead to the future. Keeping the roads systems up to handle the massive traffic problems.	1/17/2024 5:40 PM
167	Great community with leaders that care	1/17/2024 5:35 PM
168	It's a wonderful community. I love so many of the different aspects of living here. It has the small town feel but with big city living.	1/17/2024 5:34 PM
169	Quiet, no homeless weirdo's, lots of shopping and eateries	1/17/2024 5:31 PM
170	Still close to the city and amenities but no high rise buildings.	1/17/2024 5:29 PM
171	close to everything, still feels like a smaller city	1/17/2024 5:22 PM
172	-	1/17/2024 5:20 PM
173	Quiet.	1/17/2024 5:19 PM
174	N/a	1/17/2024 5:16 PM
175	Safe Homogenous	1/17/2024 5:07 PM
176	I enjoy being in walking distance to the library, coffee shops and parks and we can walk to from car maintenance if needed.	1/17/2024 5:03 PM
177	Everything I need is within a 3 mile radius	1/17/2024 4:58 PM
178	I think Riverton is a safe great place to live and raise a family.	1/17/2024 4:58 PM
179	Community feel, easy access to everything, open areas.	1/17/2024 4:56 PM
180	It's not Herriman. Riverton has limited growth potential. So it's accessible. Herriman is grossly inaccessible and way too many people	1/17/2024 4:55 PM
181	I love that we have lots of parks. Love the events we currently have and business.	1/17/2024 4:47 PM
182	We have a beautiful wide street, with a park. I wish the park would get updated. We have another park across the street that is under construction that i am not sure what they are putting in. Wish I knew.	1/17/2024 4:46 PM
183	We love that Riverton still has a bit of small town feel to it. We don't want to live in a big city or have train lines into our city. Keeping it quiet and small is our preference. The community events are fun for the whole family. There are lots of parks to play at. We appreciate that taxes are kept low. We love how safe we feel.	1/17/2024 4:37 PM
184	Great Place to live and raise a family	1/17/2024 4:37 PM
185	I love the small town feel of living in Riverton. I also love all of the activities there are during the summer at the park. It is a fun, safe place to raise a family. I also LOVE that we don't have tons of high density housing here, like the neighboring cities.	1/17/2024 4:36 PM
186	As we grow keeping things not to overcrowded. Not allowing the trend of the time take over our city. For example rentable units being built on lots. This changes the look and feel of our city.	1/17/2024 4:33 PM
187	I have loved living in Riverton. We have raised our family here.	1/17/2024 4:31 PM
188	I love the community feeling in Riverton! It's so much better than any other place I've lived. I love how everyone watches out for and serves each other and how it still has a country feel.	1/17/2024 4:29 PM

I've lived seeing the signs the city puts up that day things like "Thankful" "Blessed" "Family" "Hope" and "Peace"

197	I think the Christmas Choir is fabulous!	1/17/2024 4:11 PM
198	The Christmas Concert, the kind people especially elderly people, Petersons grocery store, the secondary irrigation, horse properties ie. big lots with animal rights, the "country" feel, the local government that protects liberty and traditional values, the community, the signs that say things like gratitude, family etc.	1/17/2024 4:06 PM
199	I love the park and mt view village	1/17/2024 4:05 PM
200	Parks are what I use the most	1/17/2024 4:00 PM
201	it used to be a small town feel with good people now its busy with entitled assholes from out of state and trying to change riverton to california or salt lake city is wrong nobody from old riverton want that	1/17/2024 3:59 PM
202	The people in our neighborhood are great. Not too many high density housing areas. Wide residential streets. Secondary water system. Lots of shops and restaurants nearby.	1/17/2024 3:55 PM
203	Safe Parks Walmarts!	1/17/2024 3:54 PM

210	Clean, Safe and Mountain View has been a great add.	1/17/2024 3:32 PM
211	Friendly community.	1/17/2024 3:32 PM
212	I love that Riverton still has small town and newly built areas. The city park is large and always kept clean. I feel safe in my neighborhood living in the old town area of Riverton, the new area by mountain view is modern and updated with cool hip restaurants that give the downtown vibes without having go drive to SLC. The police and fire departments are great keeping our community safe.	1/17/2024 3:29 PM

216	nice and quite neighborhood (getting busy)	1/17/2024 3:20 PM
217	It feels like a small town, with small own values, but is actually a city with all of the amenities of a city.	1/17/2024 3:10 PM
218	in 1994 when we moved here from Sandy it was a wonderful, small town atmosphere. It has been mostly positive, but when Bangerter went in, everything went down hill fast. Now it's a traffic nightmare everywhere. The noise is awful from all the cars, pickem' up trucks and semi's, not to mention the stinky smell of diesel from those things. Other than that it's all great!	1/17/2024 3:10 PM
219	Peaceful. Taken Care of. Great community of people	1/17/2024 3:05 PM

229	Quiet comfortable living, located close enough to most amenities.	1/17/2024 2:49 PM
230	We love Riverton! We hate how much the area has grown and the traffic it has brought but we do love how well Riverton City is run. We especially appreciate the Veteran programs that are held at the Cemetery and how well kept that property is. Thank you!	1/17/2024 2:48 PM
231	Local theatre production that included the residents of Riverton	1/17/2024 2:48 PM
232	I love living in Riverton. I feel like I live close to many parks, the library, the town center, and a retail center. I like feeling close to these amenities, while at the same time living in a beautiful neighborhood community. I think Riverton does a good job with community events.	1/17/2024 2:43 PM
233	Quality of neighborhoods and close access to major roadways.	1/17/2024 2:36 PM
234	It's a great place to live. The best part about it is the transparency from our government officials. It's surveys like this that make you feel like your voice is heard. I also really appreciate how the city has not sacrificed the identity and character of the city in the name of progress. I understand progress needs to happen, but let's do it in a intelligent way that makes sense for the city as whole	1/17/2024 2:32 PM

239	I like the feel of a smaller town, but with plenty of options.	1/17/2024 2:21 PM
240	There really aren't any anymore. Your allowing way to many developers to come in and buy up the land and taking away open spaces in neighborhoods and cramming all these new looking homes that don't ever match to look of the existing neighborhood. I am talking about the old Riverton. The library is nice and so is the senior citizen center but that is all I have good to say about a city that I used to love and raised my kids in.	1/17/2024 2:19 PM
241	I believe Riverton is a great place to live. There is still the feeling of living in a rural community, there are several parks, and most people own homes. There seems to be enough activities to satisfy most people and the city does a good job keeping up with maintenance and public services.	1/17/2024 2:18 PM

247	Riverton City is a great city to live in, they always do fun activities in the summer, with vendors, food trucks, live entertainment etc. There is always something fun to do with the kids around each and every holiday! we love it!	1/17/2024 2:05 PM

265	Small town feel.	1/17/2024 1:48 PM

Riverton Citizen Survey - December 2023

276	Quite & clean neighborhood	1/17/2024 1:23 PM
277	There are still open spaces/large lots in the downtown neighborhoods where I live. There is access to most everything within a 15 minute drive (but since I live on the east end I usually go to Draper/Sandy instead of fighting traffic to west Riverton). There are still ties to rural life, such as the Rodeo and 4th of July celebrations.	1/17/2024 1:23 PM
278	More laid-back way of life. Fun community activities. Good access to major roads and freeway.	1/17/2024 1:22 PM
279	Feels like a safe, nice neighborhood except for the speed down Batula especially right when school is getting out at Rosamond and I wish I could eat places in Riverton instead of going to South Jordan	1/17/2024 1:22 PM
280	I live in East Riverton, so I have close access to I-15 and Riverton City Park. Those are the two biggest "plusses" of my living in Riverton. I wish there were more walking-friendly activities and locations in the "downtown" area, because I hate contributing to traffic problems. I love being able to walk to Riverton City Park for summertime activities, and wish there were more activities at the park year round. I honestly feel East Riverton is the best part of Riverton because it suffers from the least amount of traffic congestions, has access to the City Park, and has quick access to other nearby cities and attractions (Little Cottonwood Canyon, American Fork Canyon, Living Plant Aquarium, South Town Mall, Rio Tinto Stadium, Thanksgiving Point, etc.). Every city can't have everything - so East Riverton is a great "Hub" for a lot of things. West Riverton is too congested with traffic and too many unnecessary businesses, and I avoid traveling west of 27th West I can.	1/17/2024 1:22 PM
281	Chinese dual immersion program in the schools. Without it, we wouldn't live here.	1/17/2024 1:20 PM
282	Riverton still has a bit of a feeling of smaller town, but with amenities close by of a city. There is still a sense of community on Riverton. The community support for things like Silver Rush is great.	1/17/2024 1:15 PM
283	i feel safe and they take care of the roads.	1/17/2024 1:12 PM
284	Living close to urban, suburban and rural.	1/17/2024 1:12 PM
285	Riverton used to be a quiet bedroom community with low density housing, large yards and very family friendly. I miss that. There are way too many high density housing now and too much traffic. No open space.	1/17/2024 1:11 PM
286	Finally, fast internet is available. Very glad to see fiber here. Love how quiet it is generally. Glad we have a Costco so close now. I like the general direction of the Mountain View development.	1/17/2024 1:11 PM
287	Small town feel. Clean and safe.	1/17/2024 1:10 PM
288	still had retained some of its small town flavor	1/17/2024 1:07 PM
289	I live it here great city. I grew up in La Mirada, CA and I think living in Riverton reminds of it. It clean and nice but the one thing that I don't like is the high density housing here it's to much and too many people I left CA 12 years ago because of the increased population and growth it's a problem here in Utah that needs addressing and needs to stop or the quality of life in this city and state will be like California. Thanks for listening.	1/17/2024 1:06 PM
290	Small town feel with the convenience of services I need like shopping, medical care, and library. I really enjoy the Town Days celebration and the fireworks.	1/17/2024 1:05 PM
291	In the past, I have loved the smaller city feel; however it no longer feels that way. Cramming as many people on to roads, living spaces, activities is horrible. I don't want to participate anymore.	1/17/2024 1:05 PM
292	Good city to raise a family in. Feels safe. Good community with generally good people. The city has a couple really good community events (4th of July and Christmas). The main city park is great! The other parks are pretty basic, but they are good enough to serve small areas.	1/17/2024 1:04 PM
293	I like the sense of community and activities for people	1/17/2024 1:03 PM
294	Riverton park is great and the events are pretty good.	1/17/2024 1:01 PM

297	Quite town with easy access to nice amenities. Nice parks and schools.	1/17/2024 12:58 PM
298	Very family friendly- lots of parks, good security/policing, good schools. No weird political/ideology pressure, just focused on a good quality of life.	1/17/2024 12:51 PM

300	Farm animals	1/17/2024 12:49 PM
301	Low cost of living. Secondary water, country atmosphere in a suburban city, low taxes	1/17/2024 12:49 PM
302	It's mostly nice and quiet. We have good grocery stores and other good services in the city.	1/17/2024 12:49 PM
303	The residents have a feeling of belonging and are generally very friendly and happy.	1/17/2024 12:48 PM
304	I like the city park and city center and I like the civic events they host, like the independence day parties and parade.	1/17/2024 12:48 PM
305	I love my home. I love the location I live. The revitalization of downtown Riverton area is not needed. Riverton wants to clean up the area and yes I agree the location at 12800 s Redwood is somewhat of a nuisance, however when driving up or down the main city streets Riverton does not try to revitalize the streets of weeds, cracked and crumbled sidewalks, gunk in the gutters etc. So revitalizing, where it just might make for someone to be able to take my home is nonsense. I clean my gutters, I have no weeds. I get tons of compliments on my home and how well it is cared for, as well of each of my neighbors behind me.	1/17/2024 12:48 PM
306	Charming Neighborhoods, and calm quiet nature of the residents.	1/17/2024 12:47 PM
307	It's been a wonderful place to live and raise our children for the last 20 years. No complaints except now the traffic is so crazy!	1/17/2024 12:47 PM
308	The community is not business heavy but more residential. The neighborhood is safe. Many of my neighbors walk around the neighborhood and feel safe doing so.	1/17/2024 12:45 PM
309	Small town feel with easy access to big city life, if desired	1/17/2024 12:45 PM
310	Still has a bit of the small town feel to it, at least east of Bangerter.	1/17/2024 12:44 PM
311	Close enough to everything, but still feels a little cozy and not too busy. A good sense of community and a neighborly feel. Mostly supportive of each other.	1/17/2024 12:44 PM
312	The new Mountain View Village shopping area is wonderful. The addition of many eating options is great.	1/17/2024 12:44 PM
313	Good neighbors. Being left mostly alone. Feeling safe wandering anywhere at anytime.	1/17/2024 12:43 PM
314	It was the small town feel but now it's huge crowded events and the housing living on top of each other is a SLAP in the face to all of us who wanted to live in a small suburb town.	1/17/2024 12:42 PM
315	Lot size	1/17/2024 12:42 PM
316	Quiet city.	1/17/2024 12:42 PM
317	Surrounded by decent people who are pretty normal.	1/17/2024 12:42 PM
318	I love that I don't have to travel far if I need something because Riverton has a good variety of everything. The shopping center in Mountain View, Costco, the Riverton Hospital, all the doctors offices and the variety of food choices are of such convenience. I also love how well maintained the parks are.	1/17/2024 12:42 PM
319	Even with the growth of the community, Riverton seems to be a peaceful and safe place to live.	1/17/2024 12:41 PM
320	We enjoy the small town feel and that we can get almost anything in our area and help Riverton's tax base.	1/17/2024 12:41 PM

330	I like the spirit and feel of this community.	1/17/2024 12:32 PM
331	Friendly caring neighbors	1/17/2024 12:32 PM
332	The city is growing. That's expected. But PLEASE keep the historic small town vibe alive. I think Riverton City is AWESOME. I have convinced 2 family members to move out here from the East Sandy Bench. The business access, but still small town somewhat country feel combination is fantastic. My kids are grown, age 9, 13 and 15 but still love the skeletons and ask me to drive by to see them. Fourth of July festivities and the rodeo are our favorite events. Proud to be a Riverton resident.	1/17/2024 12:31 PM
333	Access to everything business I need	1/17/2024 12:30 PM
334	Relatively safe and quiet well maintained residential neighborhoods.	1/17/2024 12:30 PM

345	Safe neighborhood, reliable police force & fire department.	1/17/2024 12:21 PM
346	The people, businesses,	1/17/2024 12:21 PM
347	I am happy with what is offered in Riverton	1/17/2024 12:21 PM
348	Ease of access, safety, good city management, other than a few one-off rough experiences with the city office.	1/17/2024 12:20 PM
349	Quiet ish	1/17/2024 12:18 PM
350	I like the good balance of people between wealthy and poor. High density housing is nice for profits, but needs to be balanced with the rest of the community. You can only help so many people in an area. Overall life is good in Riverton.	1/17/2024 12:17 PM
351	The Water is much better now than we used to have. I have had good interactions with city officials, utilities, etc. The rules for RVs, Trailers, etc. are much better than South Jordan. Overall good and not too intrusive.	1/17/2024 12:17 PM
352	Beautiful city	1/17/2024 12:16 PM

358	The small town feel but with the bigger town amenities. I love the older homes, larger lots, and mature landscaping. I appreciate that there aren't apartments on every corner and there are more single family homes than multi-family.	1/17/2024 12:13 PM
359	Well it used to be the small town feel. Now I am not sure.	1/17/2024 12:13 PM

383	relatively quiet, crime "free", manageable traffic (although that is becoming more problematic with each passing year)	1/17/2024 10:51 AM

402	We love all the community events. Would like to see better organization of those events. It just seems disjointed. The arrival of Santa this year with the ropes was an improvement! Keep improving every year. Also, we need to make sure we are only providing these events for Riverton residents. Seems as though in recent years several other communities are coming too.	1/16/2024 9:44 AM
403	Still have somewhat of that small town felling.	1/16/2024 2:42 AM
404	Lots of good people, a lot of great businesses. The parks and areas close to Main Street are great. Those of us closer to Herriman boundaries don't have as many amenities or events.	1/16/2024 1:29 AM

418	I think the Riverton City Park it a real jewel of the city. It is well maintained and well used. I do miss the Sunday evening concerts though. I know you have concerts in the park on Friday but it has a different feel, with so much confusion and party like atmosphere. 453	Riverton park is excellent, fees and costs reasonable, and there still appears to be pride in ownership throughout the city. Also, I have appreciated over the years that the city has not allowed super high density building like Herriman. Further, changing the zoning around the JRT was an excellent move to avoid residential encroachment on that absolute gem of a trail.	1/13/2024 11:47 AM

Riverton Citizen Survey - December 2023

630	Open spaces, larger homesites... please do not approve multi family development and tight lot lines with less than 10' setbacks. The overcrowding in this valley is not sustainable for infrastructure or quality of life. Do not approve rehab/halfway houses to be integrated into our neighborhoods.	1/10/2024 4:27 PM
631	The space! Not so "city" oriented.	1/10/2024 4:19 PM
632	Safety!	1/10/2024 4:12 PM
633	proximity to I-15	1/10/2024 4:03 PM
634	The amount of apartments in townhouses are ridiculous it's horrible out here now I wish i'd never moved here I told everybody I know don't come out here it's too crowded already you guys did not think this through allowing so many people to move here	1/10/2024 4:01 PM
635	Access to major shopping and roads. Safe neighborhoods and great neighbors.	1/10/2024 3:19 PM
636	History - Riverton has a history steeped in community. While change is inevitable, it is best to honor history when making changes.	1/10/2024 3:18 PM
637	I like the close proximity to Bangerter and I 15. I also like that pretty much everything I need is on 12600 So. Petersens is probably my favorite little surprise when I moved to Riverton from Bluffdale. I love the small town feel, with all the conveniences of a big city. Home Depot is probably my next favorite feature, closely followed by the city. I in-fact just got off the phone with someone at the building department, knowledgeable, kind and fast! If I need anything I stop in and ask. Its excellent to talk to people and feel welcome. When the city redid the building department, with what seemed to exclude the public and make us feel like we must be trying to attack them, that was non-welcoming. But at least the employees were still nice. All the protective glass seems judgemental and like you don't really want us to talk to you. I also really like Riverton park and all the activities there.	1/10/2024 3:17 PM
638	Well run city with decent levels of service provided	1/10/2024 3:15 PM
639	Clean and friendly. Feels safe.	1/10/2024 3:00 PM

643	Good family community. Convenient to hospitals, schools, parks.	1/10/2024 2:18 PM
644	I love the sense of community I feel here. There always seems to be something that we can get involved in. It's a great place to live.	1/10/2024 2:17 PM
645	Low key place that functions well for the most part.	1/10/2024 2:09 PM
646	Community, cleanliness, neighbors	1/10/2024 2:08 PM
647	It is a safe and good place to raise my family. I like that it still feels less crowded and less chaotic than larger cities. I hope it stays that way by limiting the number of packed in townhouses and apartment complexes. I want the "small city" feel, while still being fairly close to certain businesses (grocery stores, basic services, hardware stores, movie theaters, restaurants). I don't need the large shopping districts in Riverton. If I want to go to those, I can travel outside the city.	1/10/2024 2:05 PM
648	Still feels like a country setting, although many city conveniences. Even though we are growing, it still has a somewhat small town feel to it. I do like being close to clinics, restaurants & various stores, although I'd like to see a few more within walking distance of neighborhoods.	1/10/2024 2:05 PM
649	The amount of quality parks within walking distance.	1/10/2024 2:03 PM

663	Lots of space. Not too many cars or traffic due to mostly single family homes and not too much construction going on.	1/10/2024 1:06 PM
664	I think that Riverton offers so many opportunities to be involved with this community, we have loved raising our family here. I also love the people who work for the city they are the best at what the each individually do.	1/10/2024 1:01 PM

676	Everything we need is basically within a 10-minute drive.	1/10/2024 12:16 PM
677	Room for residential growth and development.	1/10/2024 12:12 PM
678	City is clean and feels safe. Lots of dining options within close proximity.	1/10/2024 11:51 AM
679	It was the small town feel. Still is nice but the amount of apartments is destroying that.	1/10/2024 11:46 AM
680	Still has some what of a small town feel.	1/10/2024 11:37 AM
681	Still has somewhat of a rural feel with larger lots in areas. Able to quickly get to good entertainment activities and restaurants. Still does community activities even as we have grown.	1/10/2024 11:33 AM
682	Love it here	1/10/2024 11:32 AM

690	It has small town charm while still having easy access to shopping and freeways	1/10/2024 10:41 AM
691	The best aspects of Riverton is the country feel with city amenities. The roads, parks, stores, and restaurants are never too busy (until you get close to the Herriman boarder). The people are polite for the most part and the outdoor spaces are clean.	1/10/2024 10:39 AM
692	Clean, safe and quality living	1/10/2024 10:31 AM

705	Good community, great mayor and city council	1/10/2024 9:36 AM
706	Safe place	1/10/2024 9:36 AM
707	Riverton dominates retail in the southwest end of the valley. This increases tax revenue and therefore reduces tax burdens and fees on the residents.	1/10/2024 9:31 AM
708	Nice mix of rural areas and businesses, wide streets, sense of community, feelings of safety, competency of government officials	1/10/2024 9:28 AM
709	I love that Riverton has striven to maintain low taxes while providing high quality services. We have managed to keep the small town feel. Keep it up!	1/10/2024 9:28 AM
710	Great new development, clean, safe. Plenty of community events.	1/10/2024 9:25 AM

714	I have been a resident of Riverton for 17 years after moving here from Draper. I am very comfortable with the quality of life and amenities. 	nice and maintained.	
717	small town community feel and feeling of safety	1/10/2024 8:58 AM
718	Nice water department. Easy to work with. Nice selection of restaurants to choose from. Not too commercialized. Love the carnival each year and July activities/festivities. Love the Halloween decor on the corner of Redwood and 126000 S. It's the BEST!	1/10/2024 8:54 AM
719	It's just far enough away from slc city not to have some of the same problems it has.	1/10/2024 8:54 AM
720	Peaceful, good location, good sidewalks	1/10/2024 8:52 AM
721	I feel safe here,for the most part. Most people keep up their yards. Children and TEENS usually are respectful. Like we have choice of a small Wal-Mart and larger one too! Like the Petersons store! Glad Walgreens and Discount tires are here and close!	1/10/2024 8:52 AM
722	I enjoy the schools my kids attend and their quality of education. I appreciate the city government and their attention to matters that matter to me such as effectively managing and improving the budget, ensuring the things that should be working are, in fact, working as they should (e.g. parks are cared for, city events are well organized and funded, services such as water, streets, sanitation, timely response to issues, etc)	1/10/2024 8:46 AM
723	Location (close to the freeway and lots of food and shopping options).	1/10/2024 8:45 AM
724	To date the fact that we have minimal homelessness and wonderers. We fear that with expanding immigration this may change.	1/10/2024 8:40 AM
725	Safe community that is not overcrowded	1/10/2024 8:37 AM
726	SMall town community feel	1/10/2024 8:37 AM
727	We have good neighbors. We have limited high density housing. High density housing translates into long term problems both economically for the city and increased social problems like schools and crime.	1/10/2024 8:37 AM
728	The houses mostly have space around them (large average lot size) and I don't feel like I live in a large city. I don't like all the increased density housing projects popping up everywhere all over the valley and the increase in traffic congestion that they bring. I do love having a Costco and I like some of the things at the Mountain View shopping area. I feel like I never have to go downtown, which is nice. Neighborhood is friendly and people generally keep their yards up and looking good.	1/10/2024 8:36 AM
729	I love this City, but I also feel like there is room for Improvement. I love the small town feel and how nice people are.	1/10/2024 8:36 AM
730	We love how close we are to everything. We love the down to earth people here. We feel relatively safe. In our neighborhood there are car break ins a few times a year but other than that we are safe. We like the current mayor.	1/10/2024 8:21 AM
731	Smaller Town Feel but that is starting to go away. The people mostly seem to be nice.	1/10/2024 8:18 AM
732	I love the balance of high density to single family housing. The events are fun to go to.	1/10/2024 8:12 AM
733	It is hard to say, I feel like we are getting a lot more rowdy crowds in now due to the Medium Dense Residential. Seems like Riverton City is Zoning areas to allow these Condos and Townhomes or rentals and it is bringing in a rough crowd or a crowd that doesnt care about the city like the owners do. I would say I loved how quiet it was and how friendly it was but I dont think the city is doing a great job at managing the growth.	1/10/2024 8:11 AM
734	It use to be open space	1/10/2024 8:10 AM
735	Friendly people.	1/10/2024 8:09 AM
736	Retail choices, location	1/10/2024 8:09 AM
737	Close commute. Shopping dining. Movies. Great views	1/10/2024 7:58 AM
738	I am not sure, I miss when it was not so large and I feel like if it is getting larger then we need more amenities and funds allocated to things like Public Events and Activities and Civic Entertainment to offset the stress of a larger city. I feel like the City Lacks in that.	1/10/2024 7:57 AM
739	It's still has the small community feel.	1/10/2024 7:44 AM

Riverton Citizen Survey - December 2023

740	small town feel	1/10/2024 7:39 AM
741	Google Fiber. Not too crowded (but we're getting there fast). Snowfall isn't nearly as bad as in the benches. Located between "Silicon Slopes" and SLC.	1/10/2024 7:37 AM
742	Even though Riverton as grown considerably over the years, it still has a small town atmosphere.The city government does a good job in engaging its citizens and providing community events.	1/10/2024 7:34 AM
743	I love the amenities, the community, and the schools.	1/10/2024 7:31 AM

753	I used to love it here more but too many people have moved out here.	1/10/2024 6:34 AM
754	Nice options	1/10/2024 6:32 AM
755	Safety, clean	1/10/2024 6:32 AM
756	Quiet, open space. Close enough to retail. I don't mind traveling to more developed retail and would rather do that then have more development near me. I'm off 1300 W and 13300 So.	1/10/2024 6:24 AM
757	Quiet. Small city	1/10/2024 6:16 AM
758	Parks, views, relatively good traffic compared to surrounding areas.	1/10/2024 6:05 AM
759	Small town feel	1/10/2024 6:01 AM
760	The city does a good job keeping things clean and safe and providing fun activities.	1/10/2024 6:00 AM

768	Close to work. Good area close to stores and entertainment.	1/10/2024 1:40 AM
769	The people!	1/10/2024 12:22 AM
770	I love the more rural feel of Riverton but being close to so many amenities. I especially enjoy the Jordan Parkway trail.	1/10/2024 12:12 AM
771	Good location, traffic isn't overwhelming even though it does struggle during certain high usage times (I'm concerned it will be a real issue in the near future), code and enforcement both have been fairly permissive, city is proactive about addressing expenses and looking for solid cost cutting measures. The library is a plus as well. Secondary water is a flat fee.	1/10/2024 12:01 AM
772	Concerned citizens and quiet, mostly safe - well cared for neighborhoods.	1/10/2024 12:00 AM

Riverton Citizen Survey - December 2023

773	Parks, I love the parks, and the fact we do have open spaces, I love biking around and being in the outdoors. Places like Taylorsville and West Valley are so dull they are just suburb as far as the eye can see. We at least have things to make stuff interesting, plus I think the old dome meeting hall makes a great icon for our city. I also really love Riverton City Park it's great! The Kindlands is also a really great Farmers Market in the City!	1/9/2024 11:47 PM
774	The people here are amazing. I also appreciate the efforts of city leadership to improve quality of life here. Particularly with the efforts of bringing Mountain View Village businesses/restaurants.	1/9/2024 11:46 PM
775	The community is very involved with eachother and eager to help eachother	1/9/2024 11:42 PM
776	Riverton has a great mayor, the roads are taken care of, close to everything, decent schools, view of the mountains	1/9/2024 11:39 PM
777	I like that it is still somewhat quiet. I don't want to feel like I live in Salt Lake City with all the mass transit! I don't like the UTA Trax trains and I refuse to use them. I like to run on my own time. I rarely take the train, too many weirdos on it. I DO NOT feel safe taking mass transit.	1/9/2024 11:37 PM
778	Safe with small town feel	1/9/2024 11:34 PM
779	Good hometown people who support youth through elderly citizens.	1/9/2024 11:33 PM

781	The people	1/9/2024 11:28 PM
782	I like the small town feel, that's why I'm concerned when I see efforts by the city council to bring in more businesses and higher density houses. If people want 'up and coming' I am happy to send them to Eagle Mountain or Vineyard--but I don't want Riverton to become that. That said--I still feel this is a great place to raise kids, and I like that I feel safe within my neighborhood.	1/9/2024 11:14 PM
783	Safe area Way better than Herriman and Bluffdale. Be more like South Jordan but a "South Jordan Lite"	1/9/2024 10:53 PM
784	Great people, great kids. It's a growing area but still feels like a community of shared lifestyles and values.	1/9/2024 10:42 PM
785	Feels like a small town, but with conveniences.	1/9/2024 10:40 PM
786	Overall I am very pleased with living in Riverton. I love the parks and the closeness of many of the areas for shopping. I do believe we need to provide areas of interest for our youth where they can play basketball, baseball, tennis, pickle ball etc. I also enjoy the arts. Areas to walk around and I love the programs that are put on at City Park.	1/9/2024 10:39 PM
787	I have liked the mayor, Trent. We have good parks. We live near Herriman within walking distance of the Rec Center, but can't get a discount. We never go. What I like about living here is we moved here long ago so our mortgage is less than what people are paying now.	1/9/2024 10:33 PM
788	The Riverton 10+ years ago when the parks were actually fun to go to.	1/9/2024 10:26 PM

795	Not a lot of high density housing. Feel safe here and I believe the city government and police do care about the city and its residents.	1/9/2024 10:04 PM
796	It's a safe, developing, and involved community. We love the efforts made during the holidays with the skeletons and decorations on the light posts. We love the town days and the efforts the city makes to create opportunities for people to come together.	1/9/2024 10:03 PM

995	I like that it still feels like the "Hometown" I remember it being as a kid. I wish I lived in a more rural part of the city, but it is still nice to be able to see open fields with animals while driving around town.	1/9/2024 4:43 PM

1013	The people and businesses are run by honest decent folks that care about others! I needed some quarters for the laundry mat. I went to IFA to see if I could buy some with my credit card. They wouldn't let me. They just gave me a \$10 roll of quarters. After I used the quarters I went to Peterson's to buy some quarters to repay IFA & they wouldn't let me buy them either. They gave me a \$10 roll of quarters! I took that roll to IFA to repay them and then I had to repay Peterson's, which I did a few weeks later:) I almost started to cry that I live in such a place! Who does things like this? Riverton folks do!!	1/9/2024 4:24 PM
1014	I really like where I live and my neighbors	1/9/2024 4:23 PM
1015	Clean, low crime.	1/9/2024 4:23 PM
1016	I still love the small town feel. As you travel around the valley it disheartening to see all the apartment and multi housing being built and the issues that it brings such as traffic, street parking increases and the lack of green space/parks that inevitably puts a strain on surrounding communities. Such as our Riverton Park I have talked to people on multiple occasions at the park that are hosting parties or events that are not even residents of Riverton.	1/9/2024 4:23 PM
1017	The rural feel of the community	1/9/2024 4:21 PM

1026	Quiet and peaceful.	1/9/2024 4:16 PM
1027	Great neighborhood. Stop building townhomes, apartments and condos. Single family homes only! Too many people moving in and out and not respecting our culture and values. Crime happens when people know they are only staying for a little time. And it's killing our streets.	1/9/2024 4:16 PM
1028	In my neighborhood all of the open space and parks. Great response from non emergency line police when I've had to call to report something.	1/9/2024 4:15 PM

1036	Family friendly. There aren't a lot of apartment buildings.	1/9/2024 4:10 PM
1037	The mountain View Village shopping area is a real asset to Riverton. It was well designed and thought out. I hope all future expansion takes in the same amount of planning and effort. Adds to the city, versus what many other cities (Draper, Sandy) have done with just adding tons of business without any real planning.	1/9/2024 4:10 PM
1038	That it's not too big, and not too small. Relatively low crime rate.	1/9/2024 4:10 PM

1054	Still small enough to feel small town	1/9/2024 4:06 PM
1055	Quiet suburban country feel still	1/9/2024 4:05 PM
1056	One must say the Recreational Events. No other town I'm aware of has such great events EVERY. SINGLE. MONTH. From date nights, skeletons, hidden elves, the legendary Town Days, to Santa's Arrival to Riverton and that's not even half of what the city offers! I'm so so impressed!!! That Sheril definitely deserves a raise for all she does!	1/9/2024 4:05 PM

1062	It used to be a nice place but the high density housing has lowered the quality of life and increased crime, traffic, and the quality of the schools. Please stop all future high density housing so we can save what quality of life we have left.	1/9/2024 4:03 PM

1090	Lots of parks and trails for walking	1/9/2024 3:55 PM
1091	I appreciate a smaller feeling community, which has access to larger amenities in neighboring cities. I understand tax revenue is needed, so smaller business establishments are best in my opinion. Office space is also OK. Large retail businesses that drive lots of traffic to a single location at all hours of the day are not preferred, please and thank you.	1/9/2024 3:55 PM
1092	The feeling of community and safe neighborhoods. Cleanliness of the city.	1/9/2024 3:55 PM

1129	Riverton is a great place to live. In my own experience, it seems that city government leaders have made a conscious effort to keep governmental interference to a minimum. I appreciate that very much.	1/9/2024 3:03 PM
1130	Riverton has always strived to stay "small town" as opposed to the city neighbors Herriman and South Jordan. Growth and change are inevitable but living in this city for as long as I have is partly because of the fewer amounts of condos and apartment complexes in my community.	1/9/2024 2:50 PM
1131	Safe, quiet, low traffic, affordable	1/9/2024 2:07 PM

Riverton Citizen Survey - December 2023

1142	Fairly safe although we've had some crime in the neighborhood in the last couple years. Out of the way city and was always close to work.	1/9/2024 9:29 AM
1143	Quite peaceful neighborhoods	1/9/2024 9:17 AM

1145	Everything I need is right here	1/9/2024 5:50 AM
1146	Low crime rate and a very professional dedicated police department.	1/8/2024 11:45 PM
1147	I have a shorter commute to work. When I retire, I am leaving to live in a small town somewhere where we aren't stacked on top of each other, where there is open space (and decent air to breathe), and there isn't wall to wall traffic regardless of the time of day.	1/8/2024 10:42 PM
1148	Riverton still has the small town feeling, yet it still provides the modern services & businesses with new shopping malls, new theaters, great internet service via Google Fiber, the fees are reasonable (especially compared with our neighbor cities). I love it here.	1/8/2024 10:35 PM

1150	I love the community events—the Fourth of July, the Christmas community choir/orchestra, the Easter celebrations. We also love Riverton park.	1/8/2024 9:57 PM
1151	The best aspect of living in Riverton for me is still having the small town feel here. When dealing with most businesses here we're still treated like neighbors and friends. While out and about people, for the most part, are quite friendly and easy to talk to as well. We've lived here for nearly 30 years and really hope that small town feeling never goes away. Also, our neighborhood is very close. People in our neighborhood are indeed fantastic!	1/8/2024 9:48 PM

1156	There is still a relatively effective Small-town feel to the town even though there has been an immense amount of development in the past 10 years. There also isn't an elitest attitude like those holier-than-thou Daybreak folks. Daybreak is to Riverton as Eagleton is to Pawnee...	1/8/2024 7:14 PM
1157	Many, many great people to be around.	1/8/2024 7:05 PM
1158	Currently, we have a lot of trust in mayor Stagg And the visibility of our own police department	1/8/2024 6:51 PM
1159	Good location	1/8/2024 6:40 PM
1160	A safe place to live	1/8/2024 6:00 PM
1161	It's so well located and has many amenities that allow me to spend my time AND my money here, locally. If you can snag a Hobby Shop or Model Train store here in Riverton, I'd only leave one day a week for work! I'd completely shop only in Riverton.	1/8/2024 5:47 PM
1162	Quiet neighborhood. Police traffic enforcement.	1/8/2024 5:40 PM
1163	Relative peace and quiet but relatively proximate to major city amenities.	1/8/2024 5:20 PM

1381	A small town feel in the middle of a metropolis. I really appreciate the fiscal responsibility of our city government. Avoid debt and grow or improve at a pace we can afford now. I'm delighted with getting Google Fiber.	1/5/2024 4:45 PM
1382	Quiet, family friendly, good infrastructure. Nice parks, not too much high density housing and big shopping centers..I feel like we pay too much for schools and the money isn't used well fit good quality education.. I love the presence of the police in our neighborhoods. The garbage, snow removal, and other city workers are friendly and dependable. The city communicates well and lets us know what is going on with road construction and road closures. It's a great place to live.	1/5/2024 4:34 PM

1394	Quiet, safe community	1/5/2024 3:41 PM
1395	Smaller town feel - but losing it. Government better at keeping citizens informed. This survey - asking our opinions. Holiday lights encouragement by publishing those with abundant lights. Road maintenance. city encouragement of physical fitness via challenges and sports programs. Major hospitals in boundaries.	1/5/2024 3:40 PM

1423	Quiet. Peaceful. But with easy access to food and shopping.	1/5/2024 12:24 PM
1424	Riverton still had good "elbow room". It doesn't feel like we're packed in with high density unlike what we're seeing in the surrounding cities.	1/5/2024 12:15 PM

1427	The best aspects is community events. Suburbia and no homeless people. We generally feel safe. However if the city continues to build higher density housing then that will bring with it congestion, crime, homelessness, and an unsafe feeling. Please no high density housing.	1/5/2024 11:08 AM
1428	I feel safe living in Riverton.	1/5/2024 10:57 AM
1429	Pretty safe and the traffic is not bad compared to other cities. We have many grocery stores near by and good shopping options that are quick and easy to get to. Also it is important to me that we don't have a lot of multi family homes. I think that affordable single family homes should be more numerous and available for young families. I don't like the smart growth tall buildings going up around us in other cities.	1/5/2024 10:48 AM
1430	Clean, safe, family friendly, everything you need is nearby.	1/5/2024 10:44 AM

1435	It used to be safe. Now Riverton only cares about events where kids will get hit by cars. Half your police department quit. It's not because of the Chiefs. Stop blaming them. It's because of the City. The tax money spent to give your employees free stuff is ridiculous.	1/5/2024 8:55 AM

1530	Good blend of commercial and residential, small town feel	12/27/2023 5:58 PM
1531	Feels like a small community.	12/27/2023 4:36 PM
1532	I feel like we have just about everything we could want or need at our end of the valley. I hardly ever see any police since moving here in Sept 2022. Not sure if there aren't any, or if I just saw more where we lived before. I wish more left turn lights actually turned green. Most of them are flashing yellow, and traffic is heavy, so left turns are tricky. Love the splash pads, and community pride of those who are long time residents. Not sure how accepting long timers are of the new move ins though	12/27/2023 4:07 PM
1533	Single family neighborhoods and limited high density housing. High density housing leads to transient residents and lower sense of community.	12/27/2023 2:20 PM
1534	Safe, friendly community.	12/27/2023 11:26 AM
1535	Its nice and safe. Its Beautiful with the New high class buildings and Houses which have been Built. When I tell people I live in Riverton it makes me Proud to be able to say this is where I have lived for 46 years. And when I die I will be in Riverton the BCity Cemetery.	12/27/2023 10:58 AM

1544	Best Mayor in the state! Safety and great access to city parks. Keeping housing projects limited, especially over populating with condos and townhomes. Still get that small town feel, especially around the summer holidays.	12/27/2023 7:30 AM
1545	Small town feel with the amenities of a bigger city.	12/27/2023 7:12 AM
1546	Used to be a nice quiet farm town. Is it's like everywhere else with too many cars on the road all at once. This state needs to learn how to time traffic lights better to ease traffic flow. Too many times in heavy traffic do I see a light turn green and next one ahead turn red causing miles long backups. I've lived in 9 states in the last 20 years and Utah is the worst when it comes to traffic light timing.	12/27/2023 3:13 AM
1547	We do have a large variety of most anything needed, parks, food, shopping.	12/27/2023 12:51 AM
1548	Generally rather quiet, doesn't look as run-down as other parts of the valley. Plenty of shopping, don't feel like I have to go super far to get what I want/need. Housing is generally pretty decent and crime rate feels pretty low (generally speaking).	12/27/2023 12:31 AM
1549	Sense of community and all the things there are to do in the city	12/27/2023 12:27 AM
1550	There are a lot of people that care about Riverton and it feels like it is being taken care of the cleanliness and care of most neighborhoods is still at a fairly high standard.	12/26/2023 11:53 PM

Riverton Citizen Survey - December 2023

1551	I love living in Riverton but am very concerned about not having speed bumps that were taken out of neighborhoods that are a main entrance to the neighborhood I. It's bow unsafe for children and pets to play outside in the front yard.	12/26/2023 11:51 PM
1552	Great city park, clean, lots of retail and grocery options, good people, not a lot of high density housing, less crowded	12/26/2023 11:22 PM

1564	The community, the library, lots of parks and trails, Mountain View village is a great addition.	12/26/2023 7:54 PM
1565	Safe small community atmosphere	12/26/2023 7:36 PM
1566	Feeling of being a bit out of dense city & open space with views ...getting to be less and less with all the condos and apartments on every square inch of space & tall buildings blocking the views :(12/26/2023 7:34 PM
1567	It was nice until you got greedy and put in way too much high density housing...	12/26/2023 7:23 PM
1568	Safety	12/26/2023 6:42 PM
1569	It's a great city and we thoroughly enjoy living here and plan to forever. My parents were long time Riverton residents, one of the many reasons we moved here from South Jordan.	12/26/2023 6:23 PM

1583	Still has sort of a small town feel. Lots of parks close to homes.	12/26/2023 2:42 PM
1584	The nature and trails.	12/26/2023 2:25 PM

1588	The people are friendly and respectful of one another.	12/26/2023 1:59 PM
1589	It is still 'somewhat' rural (keep the green. get more empty spaces). I think we're losing that. Driving is fairly easy. Redwood Road was built well. Except for 126th & 13330 west of Redwood, and worse west of 2700 W.	12/26/2023 1:56 PM
1590	Peaceful, quiet, clean, safe	12/26/2023 1:16 PM
1591	Low utility costs, safety and Google Fiber!	12/26/2023 1:12 PM
1592	Love that the taxes haven't gone up, the city has been smart in bringing in businesses that are giving us a better tax base to work with. The parks are clean and well kept. We see a presence of law officials throughout the city helping us to feel safe.	12/26/2023 1:11 PM
1593	Safety and spread out suburban feel	12/26/2023 1:00 PM
1594	The country feel. Please stop big city encroachment. Stop gangs and be strict on crime.	12/26/2023 12:48 PM
1595	When I moved to Riverton, I wanted to live in a city that also resembles the tranquility of the country side...that is no longer the case, we are now in the middle to 2 counties...I just love living in Riverton. Easy access to freeway north, south, west.	12/26/2023 12:44 PM
1596	We have lived in Riverton for 22 years and have really loved it. We felt like we had everything we needed within a reasonable distance, but were still far enough away from the big city to experience a bit more of a country feel. And the traffic was very nice. But now with all of the high density housing, the traffic and noise is becoming much less appealing. I don't see how our infrastructure can possibly keep up with the growth. Can we slow down the high density?	12/26/2023 12:27 PM
1597	Small community feel.	12/26/2023 12:23 PM
1598	Low cost, yet high quality city utilities and maintenance.	12/26/2023 12:22 PM
1599	Safety, the people.	12/26/2023 12:15 PM
1600	It's a small town feel, but has a lot of amenities.	12/26/2023 12:10 PM
1601	I live in a nice quiet neighborhood. No high density housing except that Herriman and South Jordan keep adding high density.	12/26/2023 12:01 PM
1602	Quiet living with most amenities, like shopping nearby.	12/26/2023 12:00 PM

1606	Small town feel but we have lots of amenities.	12/26/2023 11:33 AM
1607	I like the sense of community here. The many activities that the city offers is amazing and the support by the community is incredible.	12/26/2023 11:33 AM
1608	We love the community events especially around the 4th of July. Our events are great!	12/26/2023 11:29 AM
1609	I have lived in Riverton for a long time and seen the city evolve to a well-balanced community. I think we have excellent schools ,wonderful emergency services. I like how the city is always trying to improve and do better. Being involved as a volunteer has given me many opportunities to meet people who work for the city they really are the very best and care so much about what they do. I do think we need to continue to invest in our youth and provide opportunities for them to serve to continue to make this such a great community . I think it's vital to continue to have a good police and fire station in good medical care. It's important to	12/26/2023 11:28 AM

continue to educate the community on things we need to do in emergency and also how to continue to help those in need .

1610	Great businesses and parks.	12/26/2023 11:14 AM
1611	We love living in this community. It is very well run by the major and the whole city team. It is family friendly, and has a small town feel with big city opportunities. There is a quality to everything the city does, but also a warmth.	12/26/2023 10:56 AM
1612	It is a very safe, happy place to live with a variety of events offered.	12/26/2023 10:49 AM
1613	Movies in the park , we have lots of fun family activites.	12/26/2023 10:48 AM
1614	Peaceful and beautiful organization	12/26/2023 10:47 AM
1615	Low crime, fairly safe. Good schools	12/26/2023 10:44 AM
1616	The people.	12/26/2023 10:42 AM
1617	Safe. Central location.	12/26/2023 10:36 AM
1618	That our leaders are focused on fiscal responsibility and conservative ideas and values for our future and country.	12/26/2023 10:35 AM
1619	The safety and family / community that Riverton has!	12/26/2023 10:30 AM
1620	Spacious neighborhoods	12/26/2023 10:28 AM
1621	Its not LA	12/26/2023 10:26 AM
1622	Living in a smaller community, although Riverton has grown so much since we moved in. Please keep the taller buildings and apartments to a minimum and put them out towards Mountain View corridor.	12/26/2023 10:22 AM
1623	Still a small town community feel with many convenient services like dining, parks, shopping... Riverton is wise with budgeting and planning and trusting our city government has been easy to do.	12/26/2023 10:21 AM
1624	Community with good amenities, services and residents.	12/26/2023 10:16 AM

Q28 Please describe something you believe could make quality of life better in Riverton:

#	RESPONSES	DATE
1	Visual police presence. Like Bicycle police near commercial properties.	1/27/2024 9:57 AM
2	Affordable horse property	1/26/2024 10:52 AM
3	Re building my home	1/25/2024 7:37 AM
4	1. Most of the east side of Redwood Road between the Bangerter overpass and 128th South is an eyesore. 2. The glass recycling site is not very convenient to access and is not well maintained. 3. I like Riverton Hardware for many reasons. Its appearance is not one of them!	1/24/2024 10:05 PM
5	City Orchestra, Arts Council, performing arts stage like Mid-Valley Performing Arts Center	1/23/2024 8:17 AM
6	More small town opportunities	1/22/2024 6:29 PM
7	I would love to see a neighborhood cleanup dumpster program, similar to the city where we used to live. Any resident of that city could schedule a neighborhood cleanup dumpster. It helped keep the neighborhood yards from getting junked up with things that are hard to dispose of without a truck. Having a dumpster also encouraged trimming trees and clearing brush.	1/22/2024 4:19 PM
8	Incentivize/penalize large industrial polluters (like US Magnesium) to drive better emissions scrubbing and provide cleaner air.	1/22/2024 2:56 PM
9	less Dog barking noise. other than that I can't think of anything.	1/21/2024 10:04 PM
10	Make Riverton the "clean city" by inviting all to make the streets clean of debris and having flowers, plants and other things to make Riverton a standout city.	1/21/2024 6:28 PM
11	more trails	1/20/2024 10:55 PM
12	You're doing pretty darn well.	1/20/2024 3:02 PM
13	NO MORE LOW INCOME HOUSING OR HIGH DENSITY. Especially low income. We will see more crime. LOOK AT ALL THE VENEZUELANAS in Walmart now. Most don't respect our city because they are 99% illegal!	1/20/2024 11:57 AM
14	More restaurants would be nice but I heard Riverton is almost built up. Not sure if there is room. Also a Riverton rec center would be nice. Thanks!	1/20/2024 9:51 AM
15	Keep the small town feel, don't over populate with high density housing	1/20/2024 12:07 AM
16	Discontinue the push for high density housing and bring back speed mitigation (speed bumps) in neighborhoods.	1/19/2024 7:55 PM
17	Make the city more walkable, and safer for pedestrians. Improve the cleanliness. Mainly trash on the sidewalks and streets.	1/19/2024 2:55 PM
18	The community events are so awesome, but too crowded. We don't enjoy going sometimes, because the lines are so long to see Santa, or the park is so packed at the 4th of July. Not sure how you can fix that. It's nice you have a lot of participation	1/19/2024 11:41 AM
19	If housing is to be built, only approve mid size single family homes. The townhomes are overly expensive and too small. On the inverse, any single family homes being built are overly large, with now yard space, and high priced. Also fast food places are not the be all, end all. If we get more restaurants, try to get locally owned ones here.	1/19/2024 11:34 AM
20	Less high density housing. It's going to ruin Riverton.	1/19/2024 11:20 AM
21	Farmers Market	1/19/2024 8:09 AM

Riverton Citizen Survey - December 2023

22	Manage growth.	1/19/2024 7:00 AM
23	Better roads to handle more people and have less traffic. Less high density housing.	1/19/2024 6:22 AM
24	I can't think of anything right now.	1/18/2024 11:43 PM
25	Rec center. All abilities park.	1/18/2024 11:32 PM
26	Timely snow removal on neighborhood streets	1/18/2024 10:58 PM
27	Please add a light on 12600 S at Harvest Springs Way. It's impossible to get out of the neighborhood at Rush hour. If you could at least paint "do not block" sections on the road it would possibly help with exiting the neighborhood.	1/18/2024 10:10 PM
28	I am in a difficult situation at the moment. I really need the option of using my property as a short term rental. The current ordinances are bit heavy and restrictive. I literally need to grant someone power of attorney in order to travel further than 1 hour away while it is occupied? That isn't very fair. Short term rentals are ideal because if there is a bad renter, the police can have them removed immediately if they are violating any existing city ordinances, and they won't be here long anyway. Long term rentals take months to evict a bad renter, so the are far less attractive. I would like to work with the council on revising them, if at all possible.	1/18/2024 10:09 PM
29	Lower the property taxes!! Add a community recreation center similar to the JL Sorensen rec center in Herriman.	1/18/2024 8:53 PM
30	it has a good combination of old, new, young, old	1/18/2024 8:53 PM
31	Planning, infrastructure, and less high density housing. The placement of schools in Riverton should not be constructed on major roadways - school starts at the same time as morning rush hour and the roads are impossible to access and use. Maybe Riverton should construct schools in neighborhoods such as Corner Canyon High School.	1/18/2024 8:45 PM
32	Better crosswalks. I love to walk around but it's like risking life and limb.	1/18/2024 8:09 PM
33	Finish aesthetics of Redwood Road from 12600 South to Bangerter. Right now it's an eyesore with all of the UDOT property left behind. The properties with weeds and dirt need to be landscaped properly so the city---especially that road where the city offices are housed--- doesn't look like a dump.	1/18/2024 8:06 PM
34	Fix the streets, so many cracks.	1/18/2024 7:57 PM
35	I really wish the company that takes care of lawns and weeds would do a much better job about pulling weeds and trimming around the trees. Most of the time the weeds are as tall as the trunks of the trees and they need to do a better job at pulling weeds in the rocks.	1/18/2024 7:53 PM
36	The city needs to purchase the property of the Midas Creek south of the Herriman border, next to the Midas Creek Elementary so that the city can maintain it. The current owners are not maintaining it appropriately and have to be given code violation threats constantly, which is causing the elementary kids to suffer. Code violations for street parking during snow also need to be more diligently enforced.	1/18/2024 7:24 PM
37	Less traffic	1/18/2024 7:23 PM
38	Dump Trent Staggs and his shady business background	1/18/2024 6:40 PM
39	Speed bumps in residential streets.	1/18/2024 5:38 PM
40	Food, shopping and recreation options	1/18/2024 4:31 PM
41	please no more high density housing. It is just crowding everyone out and making commuting awful. And the parking/ roads in mtn view village are horrendous. I do not like driving through there. Anything you could do to improve that would be much appreciated Thank you	1/18/2024 4:19 PM
42	Plow the roads in winter. City code says they will plow them if there is 4 or more inches of snow. That rarely happens unless it's many days later and then it's a one swipe plow that gets about half the road. Code should be changed to 2 inches and who ever is plowing needs to do a much better job. I've brought this up several times, but nothing has changed. Terrible service.	1/18/2024 4:00 PM
43	Walking trails, soccer nets at the retention basins	1/18/2024 3:55 PM

Riverton Citizen Survey - December 2023

44	A bigger library with more activities.	1/18/2024 3:41 PM
45	Less big box apartment buildings. Four Plex is over by the post office, fit in better with our residential community. Giant three and four-story apartment buildings do not. Residential Buildings too close to the road Create a crowded feel. We've let the businesses go in willy-nilly on 12600 south to the point it's starting to look like 33rd south in West Valley not good. A little cluttered, a little trashy.	1/18/2024 3:29 PM
46	Quit building so many apartments. There aren't enough schools for all the students to attend without over crowding.	1/18/2024 3:26 PM
47	New Mayor and town cou	1/18/2024 3:02 PM
48	Better pool management. The south county pool was unreliable last summer and very frustrating for my kids.	1/18/2024 3:00 PM
49	get a east west freeway and make an over pass on 2700 west and Bangerter	1/18/2024 2:54 PM
50	More basketball courts in the city parks. We live near the mini park on 2700 West and approximately 12700 south. That park has had a basketball hoop and court there for years but doesn't ever get used because the hoop needs to be replaced. It had been broken years ago and it was not fixed correctly. Rather than fixing and placing the hoop at the standard 10 feet it was just screwed back onto the backboard above the original screw holes. It would be nice if my kids could use it to play basketball before they grow-up. Its the closest park to us that already has a court and hoop. Centennial Park is right by us and only has softball fields. A Riverton Rec Center would be great too. If it is budgeted for appropriately and does not create a financial burden for the citizens.	1/18/2024 2:44 PM
51	Less police patrolling every neighborhoods and streets all day long.They need to go out and find some actual crime instead of being on the backs of regular up standing citizens. Stop raising taxes. I'm upset about the prices going up. Even for all the water and its not good or healthy water. and the water monitoring system on my property for secondary water. the list goes on you want to tout like riverton is this great city, but government over reach in the area is out of control. Schools are ridiculous, every cent we send in tax money is wasted and squandered for non important things. STOP with gender neutral bathrooms and LGBTQ agenda. I don't want to see any sexual perverse DEI anything pushed on my children anymore.	1/18/2024 2:37 PM
52	TRAX and bus lines. Stop issuing building permits	1/18/2024 1:22 PM
53	More parks, and walking/biking pathways,	1/18/2024 1:15 PM
54	cheap golf prices,lol	1/18/2024 12:39 PM
55	Fix the roads and potholes and make improvements on failing sidewalks and curbs in older neighborhoods.	1/18/2024 12:27 PM
56	1) Less construction of high density living units. Too many people moving in. 2) Better snow removal of all Riverton streets	1/18/2024 12:25 PM
57	The police stop sitting around and be involved more with the city and residents. What happened to the summer program where cops would come out to different neighborhoods just to meet people? Again what happened to more police presence at events? Feels like it's just a bunch of police (the ones giving them a bad reputation) on a power hunt instead of caring about the community. Citizens academy and community out reach things are what changes that reputation and makes a community feel safe like they can go to the police in a real time of need.	1/18/2024 12:14 PM
58	Less traffic. Too many people speed through neighborhood roads (specifically on 1300 West). Less town homes and apartments. No big signs that light up (Hate the one on Bangerter Highway).	1/18/2024 11:25 AM
59	That camera idea on the garbage and recycling is over the top. Don't like that "big brother" stuff at all. Animal control: when we lost our kitty, it was a bit difficult to consistently find the part of the website to post his picture and see what others have posted. We also heard rumor that that someone was trapping and killing cats in their yard. Two cats within that block disappeared within a week. We're hoping that is untrue, but with the info we have, we are afraid it is true.	1/18/2024 11:22 AM
60	Please limit the high-density housing to a minimum. I know that it creates growth and brings in tax dollars, but at what expense. If the housing is well planned out and done in moderations it	1/18/2024 11:10 AM

Riverton Citizen Survey - December 2023

	can add to the community and not over run it.	
61	I have no suggestions.	1/18/2024 11:05 AM
62	All of the good commercial development has been west side heavy (near Bangerter or west of Bangerter). It would be good to see some similar development on the east side of the city.	1/18/2024 11:04 AM
63	Stop messing with secondary water. Why after all these years are you now deciding to monitor?	1/18/2024 11:03 AM
64	Several things: Rain shut off detectors for city sprinklers- we waste so much water A rec center Sports programs for adults (coed softball) More diversity Access to public transportation hubs	1/18/2024 10:57 AM
65	Less high occupancy housing! More parks and land enrichment for people to enjoy. More space and less crowding is what people need these days.	1/18/2024 10:47 AM
66	More inclusivity	1/18/2024 10:38 AM
67	Better access to public transit Municipal fiber (UTOPIA) instead of just the existing providers would provide better service and pricing. Stop shrinking recycling bins when replacing them.	1/18/2024 10:37 AM
68	More single family dwellings. Less high density housing.	1/18/2024 10:34 AM
69	We love how many parks there are.	1/18/2024 10:23 AM
70	Keep out multifamily housing.	1/18/2024 9:49 AM
71	Having access to public transportation.	1/18/2024 9:42 AM
72	I like Riverton just how it is	1/18/2024 9:17 AM
73	Bigger skateparks. More family oriented events specially for kids where families can gather. More social activities for seniors. Riverton needs Mexican, Asian, Peruvian, etc. stores! For some reason small grocery markets are not available anywhere in Riverton.	1/18/2024 9:02 AM
74	Less high density housing	1/18/2024 8:57 AM
75	Transit. If there is any way to connect busses to the light rail in South Jordan, that would help, but not as much as simply extending that red line through west Riverton / Herriman and getting a whole bunch of us from the west side out of the city to work without putting us on 126th and 134th. Transit. Also: I love the idea of the old downtown revitalization. I love living in "new" Riverton, but I REALLY loved living in the old downtown (Riverton Peaks, by the park). EXCEPT, hard to walk in. That's a tough one, but anything you could do to improve the experience for pedestrians is going to matter most in the old downtown, Making that downtown special would be REALLY cool. OK I'll shut up now. :)	1/18/2024 8:38 AM
76	Just be mindful of more commercial construction and where it is at and do we have the infrastructure to manage increased traffic etc.	1/18/2024 8:32 AM
77	A good concert venue would be a great addition.	1/18/2024 8:31 AM
78	Fiber	1/18/2024 8:17 AM
79	Better east west roads to speed up traffic flow	1/18/2024 8:17 AM
80	Focus on the quality of your dirt at the Riverton arena. Work it regularly to keep it safe for the residents and their horses.	1/18/2024 8:00 AM
81	Less condensed housing.	1/18/2024 7:52 AM
82	Traffic is terrible. I live by Southland Elementary and while the elementary kids have crossing guards, there's nothing for middle and high school students or for me when I'm out walking/jogging out for my teens when they try to get across to go to maverik or a park. Cars don't always stop for people trying to get across. I wish the crosswalks had a button to push where a light would flash, indicating that someone is in the crosswalk. I had cars stop once during the school rush and I was going across and a mom flew into the median way in advance to get to the turn lane, thinking traffic was backed up and almost hit me.	1/18/2024 7:51 AM
83	More dining	1/18/2024 7:34 AM
84	More walking trails and parks- less townhomes	1/18/2024 7:28 AM

Riverton Citizen Survey - December 2023

85	I would to see more of our parks have restrooms if the funding ever allows for that.	1/18/2024 7:17 AM
86	Recreational sports offered, recreational theater productions	1/18/2024 6:55 AM
87	Revitalizing the older part of the city	1/18/2024 6:40 AM
88	None, already really great!! :)	1/18/2024 6:34 AM
89	We need more green space and less traffic	1/18/2024 6:31 AM
90	Advoid high density living communities	1/18/2024 5:41 AM
91	Green arrow turn signals at every intersection ONLY-no blinking yellow. Blinking yellow is a 'go ahead' for all the red light runners in this valley.	1/18/2024 5:40 AM
92	Less dense housing and commercial businesses.	1/18/2024 4:57 AM
93	1. Please re-stripe the streets so it's safer to drive in the rain! We can barely see where the lanes are when it rains 2. Traffic lights to be better synched during high traffic times (high school letting out, and rush hour from 3:45-6:45pm). 3. more walking trails would be awesome for us moms with kids who need to get out their energy. 4. Less high density housing like townhomes and more single family homes with yards. High density housing is wreaking havoc on the traffic in Riverton	1/18/2024 4:54 AM
94	Add better public transportation. Have buses that run east to west on each major road (126, 134) and north to south (Redwood). Utah/Salt Lake County wants to reduce our emissions to help with the inversion but doesn't provide any solutions to accomplish that. If there were usable bus routes that were reliable, I could take that to work. Have youth rec league sports, like t-ball and soccer. And promote them more on the west side of Riverton (area code 84096).	1/18/2024 3:27 AM
95	Keep Trax out! It will bring the homeless population to our community and all the problems that come with them, such as illicit drugs and the associated crime that goes with it as well as the nagging panhandling and "camping". I work in SLC and have seen the worst of them--I never saw them in Draper until Trax came there. High volume apartments are also an area of challenge--anytime you stack lots of people that closely there will be problems. Make it easy on your police and fire departments and keep big apartment complexes out. I realize those ideas don't make Riverton better, but keeping the quality of life the same will be great.	1/18/2024 3:06 AM
96	Focus on community social areas. After COVID and work from home. People need areas to socialize and interact. Social media is NOT a replacement for human interaction.	1/18/2024 3:03 AM
97	Rec center, indoor pool, indoor activities	1/17/2024 11:56 PM
98	Remove the antiquated rule of requiring a new outbuilding (shed, garage) to match the outer materials of the existing older home. No one sees these buildings in the back yard anyway, and if you want these to match the materials of totally new home and outbuilding construction, that makes sense, but stop creating such a hardship for existing homes.	1/17/2024 11:49 PM
99	Less traffic. Less dense housing.	1/17/2024 11:44 PM
100	more no parking signs to tell residents where they should or shouldn't park for school pick ups. It makes it dangerous for the walking students when parents crowd the streets by the Riverton fire station by centennial park. It's hard to see clearly when driving because kids are crossing right in front of cars and cars are blocking the view of traffic.	1/17/2024 11:31 PM
101	said in the above--plus having police respond to situations where there are cyber stockers, and stop pretending they don't know how to help with that--we deserve to feel safe	1/17/2024 11:25 PM
102	Get Google to finish the fiber project. I'd love to finally have a fiber option. Maintain the small town conservative charm and continue to build on bringing the community together through various events. Expanding the community trash/cleanup days would like be enjoyed by all.	1/17/2024 11:18 PM
103	Find more ways to improve east to west bound traffic. There's a lot of westbound evening traffic, probably because there's a lot of Herriman residents commuting home as well.	1/17/2024 11:10 PM
104	More sit-down dining options near historic downtown. Plenty of fast food options, but we generally go outside the city to find sit-down dining options	1/17/2024 11:01 PM
105	East west traffic needs to flow better.	1/17/2024 10:52 PM
106	We urgently need more main roads in the southwest portion; traffic is unreasonable in the case	1/17/2024 10:46 PM

Riverton Citizen Survey - December 2023

of an emergency. The secondary water dates have become too short; start earlier and end later. Please zone more single family housing and less high density housing. Please bring back the commuter buses that go straight to downtown. A large east-west freeway would make a world of difference as well. More roads. More boards. More roads. ;) Thank you for your consideration!

107	Widening Redwood Road to allow for an emergency lane. Right now Redwood (between 114th and 126th) runs right up against the sidewalk and it's scary to walk down the busy street.	1/17/2024 10:39 PM
108	Better quality secondary water. Lower rates on secondary water.	1/17/2024 10:36 PM
109	Get Google Fiber finished installing on my street and cul-de-sac! (They've had to fight the Bureau of Land Management and Jordan Water Conservancy District easements)	1/17/2024 10:32 PM
110	Quit zoning for high impact housing and allowing the larger lots to subdivide and cram new houses down the side and in back of the older house on a half assed make shift road that makes the city look terrible.	1/17/2024 10:26 PM
111	No to be like west jordan	1/17/2024 10:13 PM
112	Keeping the speeders moe under control, especially on 13400 South. Looking forward to the new roads on Bangerter getting done.	1/17/2024 10:12 PM
113	I believe that a few of the stop lights are problematic when turning left specifically. Turing left off of the 12600 onto 2700 is one where I have had to spend a lot of time waiting and through more than one cycle often.	1/17/2024 10:11 PM
114	Pressure of secondary water is problematic if you try to water in the summer in the evenings or at night. Please fix.	1/17/2024 10:07 PM
115	Less traffic, less multi-family housing, more open space and walking trails.	1/17/2024 10:01 PM
116	Less high density housing and more attention to the amount of traffic, especially on 12600 s.	1/17/2024 10:01 PM
117	Continue to manage infrastructure with growth	1/17/2024 9:59 PM
118	Better traffic on 134	1/17/2024 9:41 PM
119	I would like to see the neighborhood streets plowed better on the winter time. The neighborhood cul-de-sacs are never plowed, even days later	1/17/2024 9:35 PM
120	We raised our family here. They are all adults who like to come back and visit us. We just wish there were more things around Riverton for our family of all ages to do so we don't need to leave the area. We love to spend time outside. But going to the park can only happen in good weather. Some indoor as well as outdoor activity areas would be great.	1/17/2024 9:21 PM
121	Less traffic	1/17/2024 9:04 PM
122	On a fixed income and getting hard to afford the area because of property tax and other fees going up all the time.	1/17/2024 8:58 PM
123	Idk	1/17/2024 8:43 PM
124	More walking trails and development along the Jordan River. Like a nature park	1/17/2024 8:41 PM
125	More fast food. Most locations have really long drive thru lines.	1/17/2024 8:27 PM
126	None	1/17/2024 8:24 PM
127	Reduce cost of sewer and water.	1/17/2024 8:20 PM
128	Better connectivity especially for bikes and pedestrians to access the Mountain View village. The Mountain View corridor and 134000 south roads are not safe for users. I would love to have a separated path for bikes/peds to use to areas of interest around Riverton. Too many burger and fried chicken and not healthy places being brought in. We need healthier food options.	1/17/2024 8:14 PM
129	I would love to see a dog park in Riverton. We have to travel to another city to go to a dog park so my dog can play off leash safely. We have so many great parks & we could designate an area that is not being used for safe dog play.	1/17/2024 8:14 PM
130	All is good. They city is doing well in the quality of the life aspects	1/17/2024 8:10 PM

Riverton Citizen Survey - December 2023

131	Address aggressive driving and road rage - we plan to move away in the next few years for this sole reason. We live on a busy street and the speeding and road rage are horrific and affect our quality of life. My son cannot walk to school 0.7 miles away because I worry he will be ran over as several children were in Utah last year.	1/17/2024 8:08 PM
132	There are several stop signs in the Monarch Meafows Rosecrest shaggy peak Lewiston peak area that ate onscured by trees. Your streets department is lacking in traffic engineering requirements of the MUTCD. Trim or remove trees in the park strip. Many trees have beaches that hit you in the face while using the sidewalk. Trim them UP please! They also make sight distance at intersections difficult. Police need to enforce rampant stop sign and speeding violators and red light running is horrible.	1/17/2024 7:55 PM
133	Fix the roads, keep up the street/corner lights (not traffic) and hire some police that don't have attitude, but actually do want to Protect and Serve.	1/17/2024 7:47 PM
134	Traffic going west, recreational facility and a performing arts center in the southwest valley for dance recitals and theatre.	1/17/2024 7:45 PM
135	Stop building high density housing.	1/17/2024 7:42 PM
136	More sit down restaurants in downtown Riverton.	1/17/2024 7:35 PM
137	PLEASE plow the side roads and cul de sacs more often! I have lived here for 9 years, and I can count on less than 2 hands the number of times I have seen a plow in front of my house. Just last week we had 6 inches, and we had slush/ice until it melted. All of the main roads were cleared, but not any of the roads in my neighborhood, including through streets, were plowed. We got 2" after that, still not cleared. We pay the same taxes as people who live on other roads, but do not get the same service.	1/17/2024 7:35 PM
138	The roads are AWFUL! They are almost failing and need a lot of work. Better secondary water and unmetered would be better as well. The current mayor and counsil are going against everything that was promised when secondary water was put in - try keeping promises of elected officials!	1/17/2024 7:22 PM
139	A recreation center, With a swimming pool. The one like South Jordan has.	1/17/2024 7:18 PM
140	Keep the city less crowded by minimizing high density housing.	1/17/2024 7:12 PM
141	Continue to improve road efficiency, more bicycle paths and mountain bike trails,	1/17/2024 7:09 PM
142	However, the walking trails needs more maintenance. The goat head thorns are a persistent issue. I like that trees are planted along these trails, but then it seemed abandoned (overgrown and not maintained). Please consider maintaining the trail system along with grass. Is it possible to have a police presence on Mountain View Corridor. Often, I can hear cars/motorcycles racing on this freeway after midnight.	1/17/2024 7:03 PM
143	A rec center in Riverton close to the city hall or main park. Making an indoor pool next to the county pool. We need swim team options that are all seasons!!!!	1/17/2024 7:03 PM
144	We live on the west side of Mountain View Corridor. More attention from the city to parks, walking trails and neighborhoods on this side of town.	1/17/2024 7:02 PM
145	East, west traffic is a bit of a nightmare!	1/17/2024 7:01 PM
146	More Bike paths. I will say, the 4 way stop at the mountain view shopping area near TJ Max is not very user friendly. No one can determine safely who has the right a way with 3 lanes. I avoid that intersection when at all possible.	1/17/2024 6:59 PM
147	Transportation? Traffic? Is there a way for the county or state to force bluffdale to have an east/ west route btwn mtn view and redwood, meaning farther south than 13400? I realize that this is kind of a herriman/ bluffdale issue, but it affects traffic and safety of riverton.	1/17/2024 6:56 PM
148	If people would stop running red lights.	1/17/2024 6:55 PM
149	More single family homes developed that are affordable and not rentals.	1/17/2024 6:46 PM
150	More community parks / pool / slides / summer activities for kids.	1/17/2024 6:45 PM
151	Better traffic control.	1/17/2024 6:22 PM
152	Plow local roads (e.g., residential neighborhoods) when it snows.	1/17/2024 6:20 PM

Riverton Citizen Survey - December 2023

153	Pay more attention to the condition of neighborhood roads. A section of road in my neighborhood (Laurel Chase Road, just north of 12600 S.) has been in bad shape for several years.	1/17/2024 6:05 PM
154	Better fencing along parks to reduce noise and damage from the soccer games.	1/17/2024 6:03 PM
155	Christan Way west of Redwood road should not be used as a heavy haul route and main access for Richins Constructions main yard located at the end of the dead end to the east. The road is being worn out. There are huge potholes and degraded road surface on the east end. Dirt gets tracked down the road and not cleaned up. A significant amount of truck and/or trailer traffic every day of the week and frequently. Semi truck loads with heavy equipment and dump trucks also frequent this route. Garbage stored in the property is a haven for rats that are showing up in the neighborhood. Also how did they get approval to widen the irrigation ditch running on the west side of their property into a 12 foot wide by 5' deep canal? Need some code enforcement here with this landowner.	1/17/2024 6:00 PM
156	Build less high density housing. Work with neighboring cities to have main roads repaired, add sidewalks along main roads.	1/17/2024 5:57 PM
157	??	1/17/2024 5:56 PM
158	Regularly discussing safety at school, home, neighborhood watch type of things, etc. Making sure there aren't many dark corners and there is ample lighting throughout the neighborhoods and streets. Maybe a lit up path for walking.	1/17/2024 5:46 PM
159	Getting a mayor that cares about us not trying to further his political career	1/17/2024 5:45 PM
160	I wish that I wasn't so close to the Herriman border. We have been experiencing crime and other issues and it's all happening in the neighborhood across the street which is Herriman.	1/17/2024 5:40 PM
161	Streets taken care of better and plows actually do neighborhoods	1/17/2024 5:35 PM
162	I feel we need to put a halt on the new residential building. Kamas did it! We're should do it too! Every square inch doesn't need to be filled with people. It's okay to have green space. Plus, with the state being a drought state, adding more people and housing that need water is not helping that situation.	1/17/2024 5:34 PM
163	ENOUGH IS ENOUGH-STOP BUILDING	1/17/2024 5:31 PM
164	City support of school activities. The city can support what is already happening there instead of creating additional events that just cost money and take people away from what is happening in schools. Schools are where people meet and where they interact for many different things.	1/17/2024 5:29 PM
165	no theft	1/17/2024 5:22 PM
166	-	1/17/2024 5:20 PM
167	Plow my street...	1/17/2024 5:19 PM
168	It would be nice where we could have some quality food and stores in the east side of Riverton so our TAX dollars do not go to Draper or south Jordan.	1/17/2024 5:16 PM
169	More trees planted in Riverton. Make businesses pay for infrastructure instead of the citizens. If a business wants to be in Riverton, they pay for all road construction and installation of the underground infrastructure.	1/17/2024 5:09 PM
170	1300 West (12600 S south) being redone as a decent road to drive-on	1/17/2024 5:07 PM
171	With the increased commercialism and box stores, all my favorite bike ways are gone. I used to ride to from 2200 W up Rose Canyon and back, or ride a loop to the mine. 134th west of 2700 W has become far too dangerous for peds and bikes. We now choose to pack our bikes and ride in Herriman or Draper, but at least we can still access the JRP safely. Perhaps bike pathways could be considered for our future.	1/17/2024 5:03 PM
172	I think the city is doing a great job	1/17/2024 4:58 PM
173	Stop building high density housing.	1/17/2024 4:56 PM
174	Enforce good laws. Get rid of speed bumps. Get rid of bad or unenforceable laws.	1/17/2024 4:55 PM

Riverton Citizen Survey - December 2023

175	Would like better playgrounds, more walking trails, walking areas at the park, more events, better cellular service at big events, lots of trees that provide shade at the parks and/or structures that provide shade, and transparency.	1/17/2024 4:47 PM
176	Update summerhill park.	1/17/2024 4:46 PM
177	We'd love pet friendly businesses. If you've ever been to San Diego, nearly every place you can eat has an outdoor option so you can bring your pets with you, without needing to go inside. We could do this for at least a few months of the year. Haha.	1/17/2024 4:37 PM
178	Minimize multi unit housing.	1/17/2024 4:37 PM
179	I wish there were bigger lots available to build on for future residential.	1/17/2024 4:31 PM
180	I would love to see more opportunities for youth to be involved! Theater, community service, choir, sports, music and art classes etc.	1/17/2024 4:29 PM
181	Update the community pool. It's pretty pathetic compared to other city pools.	1/17/2024 4:28 PM
182	Primarily concerned about our ability to manage growth with the infrastructure we have. Lack of an east-west thoroughfare is proving to be a bigger and bigger issue as growth takes place to the west. Traffic congestion is getting worse. Need to balance growth with the infrastructure necessary to support it. We would also love to have a rec center that is for Riverton. There is demand for it. Going to JL or Draper is not ideal.	1/17/2024 4:25 PM
183	Don't forget those of us in the peninsula of district 1. We feel forgotten when it comes to plowing the roads in our neighborhood.	1/17/2024 4:25 PM
184	No big apartment buildings like Herriman	1/17/2024 4:24 PM
185	More trails and parks	1/17/2024 4:24 PM
186	More community things	1/17/2024 4:20 PM
187	Get rid of Peterson's fresh market	1/17/2024 4:17 PM
188	Keep open spaces and less dense housing. Let the surrounding cities do the dense housing.	1/17/2024 4:16 PM
189	More dinning options, busing for more children to school, library and/or community programs in the arts.	1/17/2024 4:11 PM
190	Better animal shelter or else be part of Salt Lake County	1/17/2024 4:11 PM
191	A soccer program	1/17/2024 4:06 PM
192	We need a crosswalk between Redwood Rd and 1300 on 12600. It would revitalize historic downtown if the area were more pedestrian friendly. And the drag racing on 12600 is dangerous for kids trying to get to the skatepark.	1/17/2024 4:05 PM
193	I wish the sidewalks of parks would be maintained in the winter. I find it insane that residents are required to keep our sidewalks clear, but by the parks or paths in parks never get shoveled. I almost fell several times so far this winter due to the ice that formed from them not being shoveled.	1/17/2024 4:00 PM
194	it used to be a small town feel with good people now its busy with entitled assholes from out of state and trying to change riverton to california or salt lake city is wrong nobody from old riverton want that	1/17/2024 3:59 PM
195	Better traffic flow for all of the Herriman commuters. Limit high density housing.	1/17/2024 3:55 PM
196	More inside kid experiences. I.e. classes, fun activities, fun zones, etc	1/17/2024 3:54 PM
197	Recreation center	1/17/2024 3:51 PM
198	More parks and more recreation	1/17/2024 3:49 PM
199	The side roads rarely get plowed in the winter. I think in the 20 years I have lived here my culdesac has been plowed 3 times.	1/17/2024 3:47 PM
200	Roads are getting too busy (crowded). Moved to Riverton to get away from traffic. Seems Riverton and Herriman are now over populated so that the traffic congestion is quite bad and getting into a sit down restaurant is difficult.	1/17/2024 3:41 PM

Riverton Citizen Survey - December 2023

201	I think the building codes are too strict with regard to outbuildings. The city controls the color, style, and height. As it is, we have to match the house and be under a certain height in order for a future shop/garage out back to be approved. There are more affordable options out there for us that we could build if we didn't have to meet these requirements. I also wish there weren't animal restrictions in zone RR22 for pigs. I do love, however, that the city loosened up on the chicken policy making it possible for more people to have their own backyard chickens.	1/17/2024 3:36 PM
202	To build our own rec center! It's frustrating paying fees at our rec center because Riverton doesn't have their own.	1/17/2024 3:35 PM
203	Dont create more parking lots like Mountain View Villiage and remove the new 'No U-Turn' sign along 13400 So and Sentinel Drive.	1/17/2024 3:34 PM
204	Having Riverton have services available to HOA's as well. I am aware that they are private streets but not providing some of the basic services that all other Riverton residents can receive is shorting those residents.	1/17/2024 3:32 PM
205	Walkable business/eating/activity areas. Would be great to walk around and meet more residence in a central congregation spot, that is what I think of a downtown for a community our size.	1/17/2024 3:32 PM
206	Having a recreational indoor/outdoor pool would be great. We only have the small outdoor pool near the golf coarse. It would be nice being able to go in the winter to an indoor pool without driving to Draper or Herriman. It would also be nice to have a bar in our city instead of driving out to Herriman to go to Redemption.	1/17/2024 3:29 PM
207	Keep the homeless out. More sit down restaurants.	1/17/2024 3:29 PM
208	Stop cars from speeding.	1/17/2024 3:25 PM
209	There isn't enough off street parking for events and activities. The streets get so crowded and congested. The water tastes strange and is sometimes cloudy.	1/17/2024 3:24 PM
210	improve traffic	1/17/2024 3:20 PM
211	More walking trails and paths.	1/17/2024 3:11 PM
212	I want more small, local restaurants and shops. We have enough chains. It's the small personal places that are unique and rare that I look for in a shopping experience. I want relationships with store owners who care about this town as much as I do.	1/17/2024 3:10 PM
213	start vigorously enforcing a vehicle noise ordinance to quiet the noise a lot.	1/17/2024 3:10 PM
214	The snow removal for non-busy residential streets is pathetic and someone needs to be held accountable when it's 4 days after a storm and the inlets still aren't cleared. Nom it is not my HOA's responsibility. The plows clear the main neighborhood roads and do not come to the inlets. I am the last house and sick and tired of digging myself out and driving over concrete poky snow days later, sharp enough to puncture tires.	1/17/2024 3:10 PM
215	I'd like a nicer area of town. I don't need a mayor that tries to make a splash or a memorable name for himself.	1/17/2024 3:05 PM
216	N/a	1/17/2024 3:04 PM
217	Better quality water and less hard water, drinking. Stronger water pressure, too.	1/17/2024 3:00 PM
218	Better traffic flow on our major roads	1/17/2024 2:59 PM
219	Quit putting in High Density Housing and approving any projects in the surrounding areas that would increase more traffic. The amount of traffic on 126th and 118th has gotten out of control. Our current infrastructure can't support the amount of traffic. To get out of our neighborhood to turn East on 126th is ridiculous. We either need lights to get out of residential neighborhoods or we build more roads because what is being allowed is unsustainable.	1/17/2024 2:58 PM
220	Less High Density housing	1/17/2024 2:56 PM
221	More cohesiveness between the old and new areas of Riverton.	1/17/2024 2:56 PM
222	Do not over build with apartments or low income housing.	1/17/2024 2:55 PM
223	No real community except for family things. No adult activities for just adults. No events that	1/17/2024 2:51 PM

Riverton Citizen Survey - December 2023

aren't "country" related town days, 4th of July... Christmas stuff is kid centered. Parks programs are kid centered, parks themselves are kids sports centered. Do adults live here? I have 3 kids, they need stuff, but what about the adults?

224	Recreation center with swimming, exercise area, outdoor courts.	1/17/2024 2:51 PM
225	More community activities for children	1/17/2024 2:50 PM
226	Please continue the mailed information to older seniors who might not be tech savvy. More information on senior activities (for my parents) Flow of traffic especially for those of us in the Herriman cut out.	1/17/2024 2:48 PM
227	Bring back the live theatre productions so that the children of Riverton can perform here rather than go to other towns.	1/17/2024 2:48 PM
228	I would like to see more investment in bicycling infrastructure. Riverton is not the safest to bike around, especially with kids. It would be great to have more painted bike lanes around the city. It would be amazing to see a dedicated bike lane on 1830 W, which is narrow to bike on. Or at least painting symbols on it that show that bicycles can take up the entire lane. It would also be amazing if we could get dedicated bike lanes with a concrete barrier on the busier streets, particularly 12600 S and Redwood Road. Provo did a lot of work to their bicycle infrastructure, particularly on Cougar Blvd. I would love to see something like that in Riverton. I would like to see more pet waste stations that include a garbage can. I would also like to see recycling come more often. It would fit my lifestyle better if trash came every other week and recycling came every week. It would be nice to see more options for glass recycling in Riverton.	1/17/2024 2:43 PM
229	Limit high density housing	1/17/2024 2:36 PM
230	I wish there was more code enforcement in neighborhoods. More specifically with on road parking and running a commercial business from your home.. like an auto repair shop. In my neighborhood, we have violations like the example above, but instead of fixing the problem, the resident just pays a fee and continues to run their business out of their home which degrades the overall value of the neighborhood. At some point I wish the city would come in with a bigger and stronger stance on these obvious code violations rather than unlimited fines	1/17/2024 2:32 PM
231	1. Green waste cans picked up at least bi-weekly. 2. Access to dumpsters for disposal of items that won't fit in our garbage cans.	1/17/2024 2:30 PM
232	Try to fix the traffic situation going east/west on 134th south and 126th south west of Bangerter Highway. Trying to get out there during the evening rush hour is a nightmare. I'm not sure what could actually be done. Hopefully the Bangerter overpass on 134th will help a little, but probably the only other thing would be overpasses on MountainView which would probably fall under UDOT, not Riverton City.	1/17/2024 2:27 PM
233	East and West traffic is very difficult.	1/17/2024 2:23 PM
234	Less apartment style and high density housing going up. Riverton is becoming heavily overpopulated.	1/17/2024 2:22 PM
235	Riverton is growing too much. I use to love going to all the activities with my children, but now it is so crowded I don't go. All it is now is waiting in lines.	1/17/2024 2:21 PM
236	Care about what the people who have lived here over 20 years and beyond and built Riverton. Listen to what they say. More housing is not always the right thing to do. Most of us moved out here a long time ago for the quiet neighborhoods and the surrounding farm life and the council has ruined that. Everyone used know everyone but that hasn't been the same for years.	1/17/2024 2:19 PM
237	I believe the secondary water system costs too much for what I receive. Pressures/volume at times are minimal in my area. Traffic congestion is of concern and having to park on roadways also concerns me. It's not uncommon to wait at a red light for over one minute any time of day, and last week with the snow fall, 1630 west south of 12600 south was jammed with parked cars on both sides due to no parking within the apartment complex. This is also an issue near the post office and JATC. Perhaps reevaluating traffic flows and requiring apartments to provide better parking would help to bring a better quality of life.	1/17/2024 2:18 PM
238	Taller trees. Less wind. ;)	1/17/2024 2:17 PM

Riverton Citizen Survey - December 2023

239	We have had an influx of people move into the area. Prioritize education, roads and infrastructure to ease congestion due to increased population. Preserve green spaces and parks so people will utilize them. Add some more pickleball courts.	1/17/2024 2:17 PM
240	It's love more opportunities for children to participate in the community.	1/17/2024 2:14 PM
241	Having it be like it was 50 years ago	1/17/2024 2:10 PM
242	Shouldn't have to pay for secondary water if we do not use it.	1/17/2024 2:08 PM
243	Improve the condition of the secondary roads.	1/17/2024 2:07 PM
244	Please crack down on the short term rentals. Right now we have a long term rental behind us, and a short term rental across the street and its brining in crime and unwanted activities in the neighborhood. These unconditional use permits are being approved by the planning department without any concertation of the neighbors that have to deal with it on a daily / weekly basis. Also when the rules are broken and the neighbors report it to the planning department, nothing is done by Riverton City, so all our concerns / rule breaking falls on deaf ears!	1/17/2024 2:05 PM
245	A rec center	1/17/2024 2:05 PM
246	Extend Dutchman lane to Old Liberty way sooner rather than later. Have more police presence for speeders on Dutchman lane.	1/17/2024 2:04 PM
247	More support for Theater	1/17/2024 2:04 PM
248	We need a Recreation Center like West Jordan, South Jordan, Herriman and Sandy City have.	1/17/2024 2:03 PM
249	Stop over building	1/17/2024 2:03 PM
250	Control the amount of people who drive recklessly and have loud exhaust systems on their cars	1/17/2024 2:03 PM
251	The big splash pad is way too big and laid out rough. No close bathrooms. I wish they would've gone a titch smaller on the splash pad park and put one more set or bathrooms.	1/17/2024 2:00 PM
252	Some more sit down (not chain) restaurants	1/17/2024 1:59 PM
253	Not go over the residents headed to push through your own agenda. ie, Costco next to an existing neighborhood. Residents didn't get to choose if they wanted to live next to the biggest of all 'big box stores'. Finish projects in a timely manner. (After repaving our neighborhood roads, the crosswalk lines are still not painted, and it has been years) we live near a couple parks and the road (4570, again because of Costco) is extremely busy.	1/17/2024 1:59 PM
254	More recycling- we would like green recycling and glass recycling. Green recycling containers at each home would be great. Glass recycling bins at city parks.	1/17/2024 1:55 PM
255	I wish the high school and community were more connected. The only time of year that it happens is Silver Rush. I don't think the hs students support each other in their different activities. I wish football/basketball games, etc were something the whole community got excited about.	1/17/2024 1:54 PM
256	more community dumpsters available	1/17/2024 1:53 PM
257	Crime has sky rocketed west of Mountain View. More patrols in the area. Kids roaming the streets at all hours of the night. There have been multiple car break ins in my neighborhood of Autumn Hills. It's not safe to leave a vehicle on the street. More animal control enforcement, especially for breeding in people's backyards.	1/17/2024 1:53 PM
258	When I report a problem, I need it fixed. Example: I reported a drain clog, a few weeks later a was notified that the problem was fixed. Nothing was fixed all the garbage and leaves were untouched and still clogging the gutter.	1/17/2024 1:52 PM
259	Less pay day loan, vape and smoke shops.	1/17/2024 1:51 PM
260	More public transportation, better bike lanes. Affordable commercial space to encourage small businesses in the area. Mountain View Village is wonderful, but it's full of chains because commercial property is prohibitively expensive.	1/17/2024 1:51 PM
261	Continue to plan for growth and build for the future. fix the traffic issues of the herriman population driving through riverton - do not allow more high density housing than can be	1/17/2024 1:51 PM

sustained by the in place infrastructure. If a developer wants to build HDH, then force them to include part of the infrastructure development as part of their build.

262	1- we need better quality secondary water. There are so many weed seeds that I am turning garden beds into lawn in order to keep the weeds down. 2) senior programs for active seniors. ie. Tai Chi, yoga and Pilates. Maybe even some cycling options. 3 did I mention the weeds in the secondary water?	1/17/2024 1:50 PM
263	Less apartments and high density buildings. More local food options.	1/17/2024 1:48 PM
264	More Affordable housing	1/17/2024 1:45 PM
265	Not sure	1/17/2024 1:44 PM
266	a park in every neighborhood	1/17/2024 1:41 PM
267	I believe that Riverton needs to increase the frequency in which they maintain the asphalt of our roadway surfaces. In the years I have lived here I have seen many of the asphalt surfaces deteriorate due to lack of maintenance (i.e. crack seal, slurry coat, resurfacing), and have seen a significant decline in the integrity many of these assets.	1/17/2024 1:40 PM
268	Rec Center	1/17/2024 1:34 PM
269	The drinking water smell needs to be improved. My family has had bad smelling water.	1/17/2024 1:33 PM
270	Enforce houses with more than two Dogs, more than X amount of cars on road due to multi family homes, junk homes need to be cited, fight against HOA communities from being built, copy daybreak concert series, bid for a ice rink to be brought here since they will need more for the upcoming Olympics and the county wants to expand their rinks anyway.	1/17/2024 1:30 PM
271	safety	1/17/2024 1:23 PM
272	Remove vape shops. We have so few restaurants in downtown Riverton - the vape shops are trashy. Since I live near the area of 12600 S/Redwood I love that the City Council is focusing on how to improve that downtown/historic area. It could be really nice to make it an extension of the city office buildings and parks, connecting the 2 with decent sidewalks. I would love good sidewalks in my neighborhood. I also would love for the city to have youth soccer and basketball so we can play with kids in our schools and not have to drive to Draper/Herriman/South Jordan. Our secondary water pressure is super low. We live on an acre and have 16+ watering stations. We put in commercial grade filter and it has improved our water pressure but it's still a struggle. There are large debris we filter out.	1/17/2024 1:23 PM
273	Date night activities for adults. More forested passive parks and trails.	1/17/2024 1:22 PM
274	Keep things maintained and the way they are so we don't have to keep raising taxes to add new parks or something we've spent the money we need to spend for new fountains and corner parks let's make safety of a priority	1/17/2024 1:22 PM
275	Improving Traffic!! Make things more walkable. There are way too many traffic lights too close together in many areas of the city. Too many traffic light means more congested traffic, and when too many businesses cram into one area, cities always add MORE traffic lights, with exacerbates traffic congestion!	1/17/2024 1:22 PM
276	Better walking paths between neighborhoods (including crossing canals)	1/17/2024 1:22 PM
277	Improve all the parks, not just the big city park. The smaller neighborhood parks need attention too. Do something to get rid of the gophers- the holes are dangerous for anyone walking/running in the grass, and the mounds everywhere make our city look trashy.	1/17/2024 1:15 PM
278	I wish we had a rec center with a indoor pool for my kids to play in in the winter. I could also go exercise there.	1/17/2024 1:12 PM
279	Make the traffic signals automatically adjust to changing traffic conditions and pa e.	1/17/2024 1:12 PM
280	Save some open space for parks. No more huge housing projects.	1/17/2024 1:11 PM
281	It would be nice to see more kids activities in Riverton. Right now I have to sign my kids up for soccer in South Jordan or Sandy. We have a great park, but no programs that seem to use it. The splash pad there is boring at best and so we end up going to Bluffdale or South Jordan again. I really wish we had an indoor pool that I didn't have to drive 20 minutes to get to.	1/17/2024 1:11 PM

Riverton Citizen Survey - December 2023

282	less mass development. I miss the small town feel of Riverton. development has taken over much of the open spaces.	1/17/2024 1:07 PM
283	I would like to see better bike accessibility on the roads. I miss the Tour of Riverton as part of the Town Days celebration.	1/17/2024 1:05 PM
284	4 press button crosswalk lights on 2700 W near the 3 schools I would feel safer crossing the street and or driving down 2700 w after a high school football game and not hitting students running across the road. They may be in the crosswalk but it's hard to see them with all of the commotion of kids and cars pulling out. Also please get rid of the feral cats in my neighborhood.	1/17/2024 1:05 PM
285	Another really good park or two would go a long way in making Riverton's park spaces amazing long term (This feels like an act now before all the land is gone type of situation). More investment into sports fields. There are tons of kids! We need more sport fields soccer, baseball, lacrosse, etc to accommodate them. Indoor sports fields would be a huge benefit to this area!	1/17/2024 1:04 PM
286	Better planning for pedestrians and community walkability. The road to the library from the south is treacherous.	1/17/2024 1:01 PM
287	I would like to see the main streets (12600, redwood, 2700) better kept. Businesses occupying now empty buildings, weeds pulled, fresh paint, maintained laws enforced to keep our town looking nice in "downtown" Riverton. I also would like to see roads repaired and city street lights repaired rather than broken and paint peeling.	1/17/2024 1:01 PM
288	If there were more side walks on 1830 W. It's such a small road and there's always people walking on it.	1/17/2024 1:01 PM
289	Current sidewalks and other walking paths clear from debris and over-growth. Install sidewalks on 2700 west. (13400 to Bangerter) Sidewalks on 13400 south. (2700 W. to 2400 W.) Home Owner Incentives for tree planting. Reduce the number of residential properties that look like junk yards.	1/17/2024 12:58 PM
290	I wish there was another options then 134th and 126th..	1/17/2024 12:52 PM
291	LOWER TAXES! I have discussed property tax with friends and family throughout the Wasatch area and always feel frustrated afterward by how much MORE property tax we pay in Riverton. Like more than double in many cases and that is taking into account the size of the property, size and age of the home. As soon as our kids are all graduated (one more year) we will be looking to move out of Riverton based on this issue. Why isn't something being done about it?? If we are looking to bring new business to Riverton, let's bring in whatever type of business that would bring our property taxes down.	1/17/2024 12:52 PM
292	Continued focus on public schools- keep them good for everyone to be able to benefit from.	1/17/2024 12:51 PM
293	Road conditions. It makes it seem like a low quality area. It also causes damage to cars.	1/17/2024 12:50 PM
294	more dog friendly places to gather and bars	1/17/2024 12:49 PM
295	City sponsored events should be planned out better to limit crowd control. I no longer enjoy going to the Easter and Christmas events at the park. Too crowded and the small games for kids have long lines down the sidewalks. Needs to be thought out better for the growing size of our city.	1/17/2024 12:49 PM
296	Probably more places to good takeout food.	1/17/2024 12:49 PM
297	Our own fire department and police department.	1/17/2024 12:48 PM
298	Fewer auto body stores, fewer generic strip malls, fewer car washes, less ornamental turf that is useless and wastes water (sports fields are fine), enforcement of noise violations. I'd love to live in a dark sky community without so much oppressive outdoor lighting from homes and businesses--businesses should turn off their bright signs and displays at night when they're closed.	1/17/2024 12:48 PM
299	To keep downtown Riverton a place that we all can keep as alot of us are longtime Riverton residents.	1/17/2024 12:48 PM
300	A Salt Lake County Recreation center with and indoor swimming pool.	1/17/2024 12:47 PM

Riverton Citizen Survey - December 2023

301	More parks and open space.	1/17/2024 12:46 PM
302	The widening of Redwood road destroyed that area of Riverton. The sidewalks along Redwood Road do not feel safe anymore and they are very loud. I realize this may not be a city issue but the safety on the sidewalks probably are.	1/17/2024 12:45 PM
303	Keep on keepin' on	1/17/2024 12:45 PM
304	We moved here about 18 months ago from New Mexico. We love the area but it's a challenge finding out about city facilities. I hope they exist but I don't know who to contact. For instance, I would really like to start a modular model railroad club for teens and adults but I don't know what facilities are available for us to work on the railroad on a monthly basis and setup for public display maybe also on a monthly basis. (We would need a large meeting room.)	1/17/2024 12:45 PM
305	Better Code enforcement. COVID is over, it's time to take down and the wind feathers at business and enforce sign ordinances so it doesn't look like we are driving into a carnival. If they are left up, make sure they are in good repair. We should take more pride in where we live and how we represent ourselves to visitors and travelers.	1/17/2024 12:44 PM
306	For me personally, more help with the invasion of the phragmites.	1/17/2024 12:44 PM
307	More and safer routes. I would love to utilize my bike for errands, but I don't feel safe doing so. Planning for mitigation of East/West traffic. Planning for growth. Better access and connection to UTA Trax routes. Creating a solution to the four-way stop in the Mountain View Village shopping area. That stop is too dangerous and very hard to navigate at night because the lighting is so dim. Additionally, it creates backups in traffic. While the shopping is amazing, access to it was not well thought through.	1/17/2024 12:44 PM
308	Better bike access. North-South has reasonable routes, East-West is problematic. Need E-W bike lanes somewhere. 12600 is scary without em. Neither 11800 or 13400 are viable options either.	1/17/2024 12:43 PM
309	Stop allowing developers to ruin our town. Tiny homes for outrageous prices. Stop with the small homes	1/17/2024 12:42 PM
310	We need a Rec Center with exercise options and space for classes	1/17/2024 12:42 PM
311	Our streets are very dirty with weeds and garbage. Especially on 12600 S. Neighborhood streets need repaving. Lots of uneven roads and pot holes.	1/17/2024 12:42 PM
312	Pretty minor... Clean up the weeds growing around all of the concrete medians on our major roads. I'll take low crime over cleaner medians though!	1/17/2024 12:42 PM
313	Maybe more indoor places to play Pickleball and tennis. Maybe an indoor, swimming pool recreational facility to take our families too.	1/17/2024 12:41 PM
314	More walking trails and green spaces	1/17/2024 12:41 PM
315	More sit down restaurant's in the Historical area have been needed for years. Provide assistance to long time businesses like Golden Tree, to upgrade their space with other loyal long time businesses. They could be given a HISTORIC or some other notable title and honored with a decent size plaque to post outside their business to recognize their long time loyalty to Riverton. Then mention these business each quarter and urge residents to visit all of these honored businesses. New business is also important. But it is nice to recognize those business that have stuck with Riverton for the longest time.	1/17/2024 12:41 PM
316	More Health and fitness options including a spa.	1/17/2024 12:41 PM
317	Do not build anymore condos or apartments! Keep the tree space! It will get too over crowded!!	1/17/2024 12:40 PM
318	Complete the side walk on the east side of 1300 West from 13200 South to Lloyd Lane.	1/17/2024 12:39 PM
319	The property taxes in Riverton seem to be on the higher side. Would be nice if those could reduce or maintain where they are, especially with the high cost of living on practically everything.	1/17/2024 12:38 PM
320	More limits on high density apartments/housing.	1/17/2024 12:36 PM
321	Stop growing... lol	1/17/2024 12:34 PM
322	Better restaurants	1/17/2024 12:33 PM

Riverton Citizen Survey - December 2023

323	I pay taxes just like everyone else does. Yet because I live in a large curved circle I don't get my street plowed for the snow. Last winter was horrible, as of January this year we are back in the same circumstance. When I called the city. The plow came. If you would like to call it help. He barely made a slight swipe through the circle. You could tell the tire marks, and the plow blade was a half attempt. Pathetic when I pay taxes and I can't get city services because I live in a circle. Stop allowing builders to design circles if you don't plan on providing services. We had to dig out several UPS, Amazon and Fedex trucks along with the older mail lady. Due to the city not scheduling plows for low traffic areas. Dapple Gray Circle is not a small 4-5 house circle. LESS APARTMENTS and lower income areas. Multi-housing units. If our city can't keep up with plowing circles, our secondary water is being abused, how can we support additional multi-family housing units. I loved growing up in Riverton. The rural area. Now its an apartment, multi-housing area. Improve the rodeo grounds.	1/17/2024 12:33 PM
324	not sure	1/17/2024 12:32 PM
325	Keeping Tawny McKay out of the mayors office!	1/17/2024 12:32 PM
326	Nothing	1/17/2024 12:32 PM
327	Stop high density housing.	1/17/2024 12:31 PM
328	More funds allocated to snow removal and ice melting within the neighborhoods.	1/17/2024 12:30 PM
329	Better surface street maintenance (ie: 2700 west is not good) and better access to public transit (convenient bus and light rail access).	1/17/2024 12:30 PM
330	Catch the teenagers that roam at night and steal things out of peoples yards.	1/17/2024 12:29 PM
331	Build an underpass for regular traffic at 12600 and mountain view. Morning and evening traffic are congested there. At the intersection of western hills drive and 12600s (1 Street West of the mountain view corridor intersection at 12600) traffic is getting dangerous as traffic causes backups out of the communities and people are making dangerous left turns into and out of the community. I do also see very dangerous lefts being made from the Garage restaurant. Of which I suspect some people are driving under the influence.	1/17/2024 12:26 PM
332	Dedicated bike lanes!	1/17/2024 12:25 PM
333	Additional trash dump days.	1/17/2024 12:25 PM
334	It is great!	1/17/2024 12:24 PM
335	Better maintained roads 11800 S has too many potholes	1/17/2024 12:23 PM
336	snow removal	1/17/2024 12:23 PM
337	Easement of traffic congestion & growing population.	1/17/2024 12:21 PM
338	Create small parks , focus on technologies	1/17/2024 12:21 PM
339	Our street 4260 West (north of 12600 S). Our street was completely disregarded with the development of the subdivision directly south of us. We have no safe way to exit our street to go east. We were told that the exit/entrance of that subdivision south of 12600 would be closed once the development was complete. That has not happened and we are screwed because of that turn lane constantly being used by the other subdivision(south of 12600).	1/17/2024 12:21 PM
340	The Mountain View Village is a very poorly designed shopping center. Not many people follow the 4 way stop sign laws. That intersection really needs to be a light. The parking lot is a nightmare to park in and drive through. I will drive farther and go to The district because it is safer and more pleasant to drive through. The Mountain View Village really needs to be redone.	1/17/2024 12:21 PM
341	More restaurants. We keep adding auto stores and car washes...which we have too many of both. Too much of 12600 S. is wasted space with duplicate businesses. MVV is what the city tries to hang its hat on, but honestly, that feels much more like it's in Herriman than in Riverton.	1/17/2024 12:20 PM
342	Tawnie McCay resigns	1/17/2024 12:18 PM
343	Any government can do better with how they use funds. Wasting money is very common in government. I would like the city to look inward first before asking for more money. Live within	1/17/2024 12:17 PM

their means. Sometimes you have to say no to new parks or amenities to balance budget. Bigger is not better.

344	There are a few really trashy houses that need attention. I am concerned about so much building of new residences without the roads, schools and water we need to support so many more people. The upgrades to Bangerter are probably needed but very inconvenient.	1/17/2024 12:17 PM
345	Making getting out of our neighborhood safe. 12600 S 4300-4400 W. Our poor neighbors who live on 4260 W and 12600 compete with the new neighborhood to the south and it is very dangerous . I feel we are a forgotten part of riverton . The only little patch of riverton west of bangerter and north of 12600 so	1/17/2024 12:16 PM
346	Better entertainment and park resources	1/17/2024 12:15 PM
347	More walking trails.	1/17/2024 12:14 PM
348	Do not put so many high density housing everywhere	1/17/2024 12:14 PM
349	More affordable housing for my kids. Housing is to the point now that you have to be rich to even rent, let alone buy a place.	1/17/2024 12:13 PM
350	I would love brighter side street lamps. Also, the color green is old looking- paint them black!!	1/17/2024 12:13 PM
351	Stop putting in all of this commercial building that is devaluing the area. We don't need more fast food.	1/17/2024 12:13 PM
352	Keep it "Small" feeling	1/17/2024 12:12 PM
353	Reduce development that is crowding Riverton, making roads much too busy, lessening the sense of community, hurting other things like travel time and access to the great amenities the city has to offer.	1/17/2024 12:12 PM
354	Sidewalks are in disrepair. My son is a wheelchair user and prefers to wheel in the road vs using uneven sidewalks.	1/17/2024 12:12 PM
355	A few more activities	1/17/2024 12:11 PM
356	More local restaurants. I wish many of the events were less commercial. More opportunities to have a chill night at a park that isn't Riverton City park. Maybe something like a local band/event at a different neighborhood park throughout the summer.	1/17/2024 12:11 PM
357	More sit down restaurants and bike parks or trails.	1/17/2024 12:10 PM
358	A lot of the smaller neighborhood parks only have slides- no other activities for kids and totally unusable in the summer because they are too hot.	1/17/2024 12:09 PM
359	Plowing of even side streets throughout the city	1/17/2024 12:09 PM
360	Affordable housing options	1/17/2024 12:08 PM
361	Better traffic control	1/17/2024 12:08 PM
362	Better programs and opportunities at the Senior Center.	1/17/2024 12:07 PM
363	rec center	1/17/2024 12:07 PM
364	Rec Center	1/17/2024 12:07 PM
365	Less high density housing	1/17/2024 12:07 PM
366	I think that something needs to be done with 12600 s. The traffic going east/west gets really back up during peak times. We live off of 12600 s and just west of Mountain View and it gets really hard to exit our neighborhood during peak times due to the traffic being backed up. It gets really frustrating and time consuming.	1/17/2024 12:07 PM
367	Smiths grocery store. Recreation center would be great.	1/17/2024 12:05 PM
368	More entertainment for kids including food places with playgrounds.	1/17/2024 12:04 PM
369	More police officers that are treated with respect	1/17/2024 12:03 PM
370	Only 1 road gets snowplowed in my entire neighborhood. I would like to see more roads get plowed, not just one.	1/17/2024 12:03 PM

Riverton Citizen Survey - December 2023

371	More rec programs and/or indoor rec center.	1/17/2024 12:02 PM
372	Better splash pads and outdoor activities	1/17/2024 12:02 PM
373	Unsure	1/17/2024 12:01 PM
374	Public transit options	1/17/2024 12:01 PM
375	The drainage on the road in front of my house is insufficient. Every few years there is a big enough storm to threaten flooding in my house and my neighbors.	1/17/2024 12:00 PM
376	More paths and Trails	1/17/2024 11:58 AM
377	I don't care for the tap water, watching the white cloudy nature of it when cooking is not appealing, the taste is not great, and I really notice a difference when showering elsewhere on vacation. I would also really enjoy being able to go to a grocery store that was reasonably priced in Riverton. Harmon's and Peterson's are very expensive. It would be so exciting to get something like an Aldi or another smaller store known for having cheaper options, just to have more to choose from.	1/17/2024 11:23 AM
378	Better city services - street cleaning, leaf removal (should be every other week during the fall - paying to dump bags of leaves at the trans jordan landfill is expensive and labor intensive - in my last city we simply placed the leaves in the street and every other week a large vacuum truck came by and sucked them up and they were gone), better snow removal (we had a plow come through 3 days after the snow event and by then the normal traffic had rendered its effectiveness to nearly zilch!).	1/17/2024 10:51 AM
379	Make green waste cans available as an option. During the summer months I often have no room in the trash can for household trash because it's filled with grass clippings. It would also be nice to have 2 recycle right days per year.	1/17/2024 8:20 AM
380	Not sure.	1/16/2024 10:25 PM
381	A rec center!!!	1/16/2024 9:27 PM
382	Conserve water better. Re-landscape unused grass, plant native plants, etc.	1/16/2024 8:45 PM
383	Repurpose the land east of the post office that used to be a charter school and then was a nursery plant retailer.	1/16/2024 7:30 PM
384	Eliminate fireworks in neighborhoods.	1/16/2024 7:28 PM
385	Fewer residents, haha!	1/16/2024 4:21 PM
386	Fewer people!	1/16/2024 4:16 PM
387	I would love to make Riverton more walkable. Add some bridges? I would also love to beautify Riverton. 12600 is our main thoroughfare and it just looks run down. It's not a very impressive entrance into the city. 10600 S & 11400 S in South Jordan are lovely, well maintained thoroughfares.	1/16/2024 3:59 PM
388	Midas park flood control, Regular grooming of the Equestrian arena to improve the footing and connecting existing foot paths along Midas creek.	1/16/2024 3:00 PM
389	Nothing. Love living in Riverton	1/16/2024 2:16 PM
390	SECONDARY WATER SYSTEM needs to be (1) metered to reduce waste and charge usage appropriately and (2) filtered to be free of junk that commonly clogs home irrigation, like aquatic shells and pollen/seeds (it does not need to be potable).	1/16/2024 2:07 PM
391	Stop letting dirt bikes hot lap the neighborhood streets. I've called police about dirt bikes on 2200 west and it's still an issue during good weather. Young kids, bad when school is out, I never see license plates on them either! It's almost newsworthy in my opinion.	1/16/2024 1:28 PM
392	na	1/16/2024 1:23 PM
393	More transparency from City government officials.	1/16/2024 12:55 PM
394	Better financial accountability with fire department. More transparency within city departments.	1/16/2024 11:52 AM
395	more sit down restaurants	1/16/2024 9:44 AM

Riverton Citizen Survey - December 2023

396	Bring back the buses	1/16/2024 5:48 AM
397	No large complexes,condos,apartment buildings. I love about 1mile or so from a store. Back when 5 min to the store. Now around 15 min. Traffic has become a joke.	1/16/2024 2:42 AM
398	Snowplow circles More green space	1/16/2024 1:29 AM
399	Police taking my situation seriously of a man attempting to kidnap my kids on several different occasions. I haven't seen police patrolling my street once even though they have had to be called to my house over 4 times now for this problem. I lost count how many times we have seen this man and new signs of him trying to enter my home.	1/16/2024 1:16 AM
400	Keep up the care and appearance of parks.	1/15/2024 7:55 PM
401	More single-family homes instead of townhomes or apartments.	1/15/2024 5:21 PM
402	Less building permits	1/15/2024 3:32 PM
403	Keep it small, clean, well maintained.	1/15/2024 3:23 PM
404	Sound reduction enforcement. Streets are loud due to modified mufflers (cars and trucks).	1/15/2024 2:09 PM
405	More public transportation options. More bus stops. UTA on demand to pick up at your house instead of nearest corner because for some it is difficult to walk to the nearest corner. Stop wasting water on the grass strips down Redwood Road and most businesses. The grass strips should be pulled out and add cement to widen the sidewalk on Redwood Road from Bangerter to 11800.	1/15/2024 12:38 PM
406	I'm not generally opposed to secondary water, but this water seems to be doing my lawn no favors.	1/15/2024 12:24 PM
407	More cultural things and higher end, nicer restaurants. More options than fast food for east side residents.	1/15/2024 11:22 AM
408	Less theft	1/15/2024 10:34 AM
409	Stop building so many apartments and town homes. Build more houses on property.	1/15/2024 10:05 AM
410	I would love to have a Rec Center located in Riverton. Currently we must travel to Herriman or Draper for facilities. A local rec center (say near City Hall) would greatly benefit Riverton and Bluffdale residents.	1/15/2024 9:20 AM
411	I think more walking trails in the old downtown area. With more sit down cafes and restaurants and farmers market. Refer to South Jordan markets on Redwood and (approx) 11000 South. Very enjoyable to sit on the patio tables with music and good food options.	1/15/2024 8:36 AM
412	I like the idea of more walking trails	1/15/2024 6:33 AM
413	Not so much dense housing! There's too many people	1/15/2024 12:33 AM
414	google fiber deployed everywhere	1/15/2024 12:11 AM
415	Keeping Riverton a small town feel - we are losing it to too much business.	1/14/2024 10:21 PM
416	better east west travel and no more multi family dwellings. we are dying out here by the village not just during rush hour, but almost all day!	1/14/2024 8:36 PM
417	Better trash pickup on roads, schools and parks	1/14/2024 5:42 PM
418	Events or things to do as a family	1/14/2024 4:42 PM
419	Improved cycling routes, and biking options.	1/14/2024 3:41 PM
420	I don't know.	1/14/2024 3:37 PM
421	I would love to see more opportunities for our parks to be used by putting amenities like pickleball courts in corners are portions of some of the smaller parks. Not large groups of courts but a few maybe in more locations. Just ideas to give people reasons to get outside.	1/14/2024 2:01 PM
422	Make more bike paths and jogging paths. Have Riverton city park bigger. Work on better cleanup of streets of garbage. Have more recycling. Complete sidewalks in older neighborhoods.	1/14/2024 12:53 PM

Riverton Citizen Survey - December 2023

423	Trails completed and connected. Also existing trails in good repair. Ability to get around the city without having to be on 126 or major roads. Better traffic management during road construction so we can get in and out of neighborhoods with only access to the major roads.	1/14/2024 12:37 PM
424	Target and Trader Joe's	1/14/2024 12:33 PM
425	In the area east of bangerter there needs to be more dine in restaurants instead of multi-family housing units. Also more grocery stores besides Walmart.	1/14/2024 11:54 AM
426	Filter the secondary water more.	1/14/2024 11:12 AM
427	We need a rec center! It's time Riverton got It's own!	1/14/2024 10:34 AM
428	The traffic on 12600 is a nightmare further west as it heads into Herriman. Plus, there is often some type of construction going on that makes it worse. Turning left out of streets at night is deadly. There have been so many car accidents west of Bangerter and no one seems to care. Also, Riverton does not plow dead end streets. Not even when they are done with big streets. I get it's a pain, but then I live on a skating rink for weeks.	1/14/2024 9:56 AM
429	More Adult entertainment options. If you want to get out without children it usually means traveling outside the city.	1/14/2024 9:24 AM
430	Less traffic heading to Herriman and Saratoga Springs through Riverton.	1/14/2024 7:33 AM
431	Bike paths	1/13/2024 10:36 PM
432	Utilizing law enforcement to reduce noise on 126th and Redwood mostly caused by modified mufflers on trucks and cars.	1/13/2024 9:06 PM
433	We would like an updated library , more activities for the kids at the library. More splash pads in Riverton and restaurants in east Riverton.	1/13/2024 7:35 PM
434	I do miss the small town feel that it had when we first moved here. I know there's a housing crisis, but the density and setbacks the lack of big trees and country vibes kinda suck.	1/13/2024 7:29 PM
435	I'm not liking the new payment system for utilities through the city. You should be able to still do equal pay based on your last 12 months of payments.	1/13/2024 7:25 PM
436	Better air quality, though not a Riverton unique problem.	1/13/2024 4:54 PM
437	A bookstore	1/13/2024 4:45 PM
438	Parks and recreation facility improvements.	1/13/2024 4:33 PM
439	Less traffic, but I know that's impossible with the growth of Herriman Flower boxes or hanging plants throughout historic downtown Riverton like so many small towns have	1/13/2024 2:36 PM
440	I believe the quality of life in Riverton could be better by improving infrastructure maintenance of existing streets and landscaping around our high traffic retail and restaurant locations. I also feel that if given the opportunity, I would shop local. I currently have to travel to Sandy and Draper to have my cars maintained at the Honda and Toyota dealers. Also, I typically travel to South Jordan or Sandy for my entertainment and favorite restaurants. I would love to spend my money and tax dollars here in Riverton. Thank you.	1/13/2024 2:32 PM
441	We often go out of the city to eat because of lack of sit down restaurants. I'd like my money to stay in Riverton. There aren't many options, and the ones that are here, have a 2 hour wait to eat. It's quicker to go somewhere else. Traffic going east and west is challenging also.	1/13/2024 2:17 PM
442	Not such sense housing	1/13/2024 1:47 PM
443	A rec center with a nice pool and a separate pool for lap swimming that the high school could use during swim season.	1/13/2024 1:14 PM
444	More public pickleball courts, please!	1/13/2024 1:01 PM
445	Note on cars parking in narrow streets during snow events. Constant problem.	1/13/2024 12:45 PM
446	Less high density housing	1/13/2024 12:45 PM
447	Neighborhood streets cleared of snow a little more often. Provide clearing of long stretches of neighborhood sidewalks	1/13/2024 12:19 PM

Riverton Citizen Survey - December 2023

448	less high density housing	1/13/2024 12:14 PM
449	Most city expansion/improvement was done on the Riverton-Herriman border. Please focus resources now on the historic downtown area for the benefit of those that live on the east side of Riverton (12600 and Redwood area). More dining options, not necessarily chain restaurants, would be ideal. Perhaps providing an incentive to smaller "mom and pop" eateries over chains.	1/13/2024 11:47 AM
450	Support the police officers	1/13/2024 11:26 AM
451	I feel that efforts should be made to attract more diversity in the population, including racial/ethnic/cultural, income levels, and religion. Prioritize our physical, mental and financial health over revenue.	1/13/2024 10:47 AM
452	Dont build apartments here. This feels so family connected.	1/13/2024 9:56 AM
453	keep us more rural. getting tired of high density housing (apartments, condos, etc.) more 1/2 acre 1 acre lots. life isn't always about real estate money! tired of real estate people buying houses and making them rentals. the quality always go down.	1/13/2024 9:26 AM
454	Trials and bike paths Free of thorns. Right now the goat heads that are invading the existing paths are out of control. We are out of control and the community members can't ride their bikes. We need to link up trails with neighboring cities so all trails connect.	1/13/2024 9:19 AM
455	Continued focus on family home developments with sit down restaurants after that.	1/13/2024 8:59 AM
456	Nothing just worry about keeping taxes low	1/13/2024 8:36 AM
457	Just a few more social activities.	1/13/2024 8:32 AM
458	We need more medical care facilities. We need cleaner secondary water. I hate that I have to pay so much for secondary water that kills my plants and trees.	1/12/2024 11:01 PM
459	Snow plows on residential streets a little sooner. But certainly not at the expense of larger streets.	1/12/2024 10:02 PM
460	Done sit down restaurants closer to Redwood. There is a lot my Mountain View, but the choices are slim on the East side of Riverton.	1/12/2024 9:42 PM
461	More options for adults in East riverton. Actual enforcement including accumulating civil fines for barking dogs.	1/12/2024 8:49 PM
462	Sow down the building of high density housing.	1/12/2024 8:45 PM
463	Control of speed on main roads and neighborhoods! How do you get neighborhood traffic to slow down? Some drivers treat the neighborhood like it's a raceway!	1/12/2024 8:29 PM
464	No high density housing	1/12/2024 8:20 PM
465	Option to opt out of secondary water. More parks like the new Bluffdale park located near the Riverton Hospital area of Riverton.	1/12/2024 8:12 PM
466	The City Council members listening to their constituents, would be nice.	1/12/2024 8:11 PM
467	Trying to get from Huron onto 126, left turn, is a nightmare.	1/12/2024 8:01 PM
468	It's unreasonable that I not only have to pay for secondary water that I don't use, but then I am forced to have a backflow inspection EVERY year which costs me \$100. Did I mention that I don't ever use the secondary water?!	1/12/2024 7:44 PM
469	Keeping the federal government away from Riverton.	1/12/2024 7:31 PM
470	Bathrooms open longer and in good working order.	1/12/2024 7:21 PM
471	Pretty satisfied how it is	1/12/2024 6:53 PM
472	More classes and activities at the local library for kids after school hours.	1/12/2024 6:52 PM
473	Better sidewalk snow removal.	1/12/2024 6:48 PM
474	A	1/12/2024 6:35 PM
475	Fine as is just don't start charging secondary by the gallon	1/12/2024 6:25 PM

Riverton Citizen Survey - December 2023

476	Getting rid of half of the people that live here now	1/12/2024 6:24 PM
477	More restaurant options	1/12/2024 5:38 PM
478	12600 S between Bangeter and MVC is a SAFETY ISSUE! Solution suggestions: cement curb in middle of road (cars should not be turning left onto the road) similar to curbing at 12600 and 2700 W. It is CRAZY DANGEROUS to pull out of our big neighborhood there- and impossible at times. I don't even care if people are mad you wouldn't be able to turn left anymore, something has to change!	1/12/2024 5:34 PM
479	Not putting a bridge over 138th south to connect Herriman and Riverton. This would destroy our neighborhood and cause insane amounts of traffic. There's no need for it.	1/12/2024 5:08 PM
480	Noise control along Bangeter Highway Better hiking, walking & biking trails. Lower property taxes. Better snow plowing of dead end circle & side streets. Cleaner secondary water.	1/12/2024 4:46 PM
481	STOP building apartments and condos....houses only please.	1/12/2024 4:30 PM
482	More gatherings of community for music for farmers markets for activities would be so good	1/12/2024 4:23 PM
483	A recreation center with classes and indoor activities to keep the kids busy and developing and the parents in shape and engaged	1/12/2024 4:20 PM
484	There are way too many people living in Riverton now. All this high density housing sucks. And I hate all the traffic. A lot of the people are jerks and horrible drivers.	1/12/2024 4:10 PM
485	I am in a tiny corner of Riverton, I do wish we received services in a more timely manner, ie snow removal. I do feel we're last on the list.	1/12/2024 4:07 PM
486	I would love to expand and update our library.	1/12/2024 3:50 PM
487	Rec center	1/12/2024 3:40 PM
488	Keep it a small town feel. I don't want to be a big city piled on top each other. I moved here because of the open spaces and nice size single family homes and lots.	1/12/2024 3:35 PM
489	decreased cost of living.	1/12/2024 3:15 PM
490	Better code enforcement in regards to neglected/ trashy/ eyesore yards. Adopt stricter laws against parking/storing cars, equipment or junk in front yards. Build new roads and developments with adequate parking. It's too common that roads are not wide enough that cars can park on both sides and still accommodate two-way traffic.	1/12/2024 3:12 PM
491	I do occasionally wish we had a few dedicated biking trails to make riding a safer and cleaner option. Better for the environment and better for the rider who wouldn't have to inhale the exhaust of traffic as they ride.	1/12/2024 3:12 PM
492	I think the intersections along 13400 are a mess, there is no policing of running red lights especially at 13400 and Monach Meadows, that is a scary intersection and something needs to be addressed.	1/12/2024 2:44 PM
493	Riverton is home to a lot of good people who work hard to keep it family friendly. Stop high density housing and go back to single family homes on 1/4 acre minimum, or larger lots. This will keep the people of Riverton who make this place safe and family friendly want to stay. (The GREEDY developers hide behind the term "affordable housing", when most of these condos are selling for more than existing homes on regular size lots.) Bottom line high density homes, apartments and condos invite crime! Please! Don't let our beautiful city turn into a Herriman or a Day Break!	1/12/2024 2:37 PM
494	More tennis courts	1/12/2024 2:21 PM
495	Better snow removal of side streets, especially in cul de sacs.	1/12/2024 2:10 PM
496	Start code enforcement for neighborhoods. It is nice not to have a homeowners association, but without it code enforcement needs to be diligent about addressing issues.	1/12/2024 2:08 PM
497	A few more restaurant choices would be great!	1/12/2024 2:07 PM
498	Better crosswalk safety signals.	1/12/2024 1:57 PM
499	More restaurant options and more bike paths.	1/12/2024 1:57 PM

Riverton Citizen Survey - December 2023

500	Banning fireworks.	1/12/2024 1:54 PM
501	More youth program's, keep our kids and parents busy with great social activities.	1/12/2024 1:51 PM
502	Although an extremely difficult task, there needs to be more east/west corridors between the mountains on the west and I-15.	1/12/2024 1:23 PM
503	Reduced taxes for senior citizens.	1/12/2024 1:21 PM
504	Keeping the rural atmosphere	1/12/2024 1:10 PM
505	By stopping builders and the other companies from building cramp shopping malls Neighborhood Housing apartments and condos that are too crowded and don't have enough parking that you can't even drive down the road because people are parked on the street cuz they have nowhere else to park and please stop planting all the trees and bushes in the Parkways because people can't see when you're trying to turn left or right out of a neighborhood or store because there's a stupid Tree in Bush in your way so you just kind of take a chance and hope you don't hit another car or a person	1/12/2024 1:09 PM
506	Infrastructure. Infrastructure. Infrastructure. The formula being used to determine the financial impacts on businesses, how to properly allocate tax dollars, and the direct impact to the community is clearly flawed. The inability to have adequate infrastructure in place first, then build the high-density housing, schools, or retail spaces that these roads are supposed to support.	1/12/2024 1:05 PM
507	Please stop adding more high density living areas.	1/12/2024 1:05 PM
508	More walking paths!	1/12/2024 1:04 PM
509	More dine in restaurants and better road and carpark layout at Mountain View Village!	1/12/2024 12:59 PM
510	1 - Reduce noise Pollution. - We are all responsible to identify, monitor and/or eliminate sources of pollution. Some are easier to control than others. In the case of Loud motor vehicles, law enforcement can act. A hot line could be created to citizens to report. - At night police patrol can identify the EPA noise violators and enforce compliance. 2 - Air pollution. incentivize public transportation. Take part on a broader State initiative to minimize it. Work on solutions to reduce congestion. 3 - Water conservation efforts. - Proactively implement innovative system to conserve.	1/12/2024 12:56 PM
511	A rec center with a pool	1/12/2024 12:42 PM
512	Traffic: Enforce ticketing neighborhood street parking, install traffic cameras that ticket speeding and red-light running.	1/12/2024 12:36 PM
513	Stop putting more tire shops, quick pay lenders, 'jiffy lube' type of businesses. Bring in places where a bit more 'quaintness' can be added to our town. There really is no 'downtown' area. We just have too many fast food places, car repair shops etc.	1/12/2024 12:32 PM
514	Better representation of residents that do not fit the outdated views of Riverton and Utah - we're more diverse but still our elected officials refuse to acknowledge the residents that do not fit in the traditional conservative bucket.	1/12/2024 12:31 PM
515	It used to be the fact that it was not overly crowded, but that's not the case anymore. Everything revolves around money and I don't feel much consideration is given to the fact that we should slow the growth for a while. Everywhere you go anymore, you can't avoid the heavy traffic and crowds. Growth is good to a point but not just for the fact that someone is going to make a lot of money off of it.	1/12/2024 12:26 PM

518	Time/sync the traffic lights better - east bound/west bound on 134th is ridiculous at times during the day. Also, please adjust the lights on 134th so that they are not thrown out of whack any time there is some snow on the ground. Packing cars at each traffic light during rush hour (AM) for no reason does not make much sense while it's snowing.	1/12/2024 12:01 PM
519	Traffic control along corridors. Also, some code enforcement in my neighborhood in the Laurel Chase area.	1/12/2024 11:58 AM

521	The roads are getting so congested. No more multi family housing.	1/12/2024 11:52 AM
522	reevaluate property taxes for 55+ who don't have kids utilizing the schools	1/12/2024 11:51 AM
523	More UTA on demand options. My daughter isn't able to drive and she spends a lot of time waiting on the side of the road in the dark waiting to be picked up. Also she is expected to cross busy streets to be picked up which is unsafe. I would also like better police patrol in areas where speeding and red light running happens frequently. 12600 S and 13400 S specifically.	1/12/2024 11:48 AM
524	More independently owned restaurants in the area. More entertainment venues examples (top golf, k1 gocarts, ect. More or any Book story's like barnes n noble, books a million ect. A indoor shopping mall.	1/12/2024 11:47 AM
525	Plow the roads in the neighborhoods. Our street never gets plowed. I hear that same thing from others as well.	1/12/2024 11:46 AM
526	I miss the community theatre we had prior to 2020.	1/12/2024 11:43 AM

528	Better air quality	1/12/2024 11:42 AM
529	Try to maintain and conserve our greenspaces. Less high density housing.	1/12/2024 11:33 AM
530	Stop building all the high density housing	1/12/2024 11:33 AM
531	In the neighborhood where I live (1 acre near 3600 West) the lots have become junk ridden with old rusty cars, cargo containers and any old equipment you can think of. It is has gotten to be like a junkyard in most backyards. There should be ordinance enforcers looking for this and giving warnings. This promotes vermin and hazardous hoarding. I shouldn't have to snitch on my neighbors. This should be recognized by the city ordinance enforcers and be dealt with in a timely manner.	1/12/2024 11:30 AM
532	Just keep doing what's been done	1/12/2024 11:26 AM
533	Less traffic	1/12/2024 11:25 AM
534	The drinking water needs to be better and the building department needs to be easier to work with.	1/12/2024 11:24 AM
535	Riverton had very poor planning in the past. Telcom center offices in the center of town pull down the town now. Redwood is old with a lot of rundown houses I wish were replaced with quality retail. Not apartments.	1/12/2024 11:23 AM
536	Now that Google Fiber has been installed, I can't add anything here.	1/12/2024 11:21 AM
537	Maybe a place where we can have live music and some alcoholic beverages. Seems like a lot of other places have concerts and sell alcohol.	1/12/2024 11:17 AM
538	Information on youth and teen options in the area. I see the efforts to improve parks and trees so the other areas of concern seem to be in the plans of Riverton.	1/12/2024 11:17 AM
539	Recycling in Rose Creek Riverton to weekly instead of biweekly	1/12/2024 11:16 AM
540	More sound barriers walls on Bangerter.	1/12/2024 11:13 AM
541	I would love to see more classes for children and adults at the city buildings. Ideas I have are RAD kids and RAD systems for women, art classes, classes to help kids with depression and anxiety. I would even be happy to pay for my children to attend these classes. But I think it would be a great addition to our community, especially to offer the RAD self defense classes.	1/12/2024 11:12 AM
542	I would love to see better walking and cycling infrastructure, as well as increased public transit service.	1/12/2024 11:08 AM
543	Less construction because it's too congested.	1/12/2024 11:01 AM

551	Sports for kids options (basketball) Splash pad!!!! A cool one... like Draper or sandy... not too big like Bluffdale	1/11/2024 11:30 PM
552	Leash laws enforced. No car idling laws enforced. Cleaner neighborhoods, yards, and streets. Overgrown yards and weeds are unsightly. Old non-functioning cars and other junk on properties is very unappealing.	1/11/2024 11:12 PM

558	More diversity and activities created with all abilities in mind.	1/11/2024 8:13 PM
559	More arts opportunities	1/11/2024 7:09 PM
560	Better east to west traffic flow with wider streets and more lanes! I'm on the edge of Herriman by Mountain View and getting home during rush hour is a nightmare some times, cities in this valley have not planned well and there's only going to be more development westward which will just create more issues in the future. Also, less high density housing please and make lot size requirements larger for developers on new home construction.	1/11/2024 6:56 PM
561	improve issues re traffic & safety around high school	1/11/2024 6:44 PM

Riverton Citizen Survey - December 2023

575	More trees. More walking paths. Less high density housing. Riverton city doesn't seem all congruent. SoJo/ Draper for example all seems to have a city wide flow to it. Riverton seems like parts and pieces. New and old. Entry into Riverton west on 12300s is a forgettable eyesore! Could be a gem but undeveloped Jordan river is a buzzkill. Everywhere in SL County Jordan River bottoms are developed (ie. SoJo) Not Riverton. Why?? Opinion: Develop it into a usable open area! A bird refuge! Anything but Russian olives and fox tail weeds. I'm told years ago there was a horse track, but now it's where noxious weeds grow. Shame	1/11/2024 2:33 PM
576	Enforcement of leash laws.	1/11/2024 2:07 PM
577	Having more opens to play here, such as a county rec center	1/11/2024 2:02 PM
578	I think some kind of public transportation that makes it easy to arrive at a Trax station would be helpful.	1/11/2024 1:21 PM
579	It will be MUCH better when the two interchanges at 134th and Bangerter and 2700 West and Bangerter are completed. So thank you for getting it started, finally, and HURRY!	1/11/2024 1:07 PM
580	Snow removal in courts :-).	1/11/2024 12:02 PM
581	Nothing I can think of	1/11/2024 11:16 AM
582	Lower property taxes. I'd like it if the property tax reflected the things I actually use in Riverton.	1/11/2024 10:28 AM
583	We have had thefts in our neighborhood in recent years, so maybe something more can be done to combat those? I also would love to see a slide put in at the South County pool! (Not sure if that's Riverton's city jurisdiction?) I would also love to see some community theater come back to Riverton and maybe some improvements to the Lloyd center. Thank you!	1/11/2024 9:58 AM
584	A dog park and less townhomes	1/11/2024 9:48 AM
585	Less high density housing projects. Larger lots for more space between homes. Keep the rural feel.	1/11/2024 9:34 AM
586	Less dense housing and more homes with an actual yard. We like being a small town and don't need 5,000 more people moving in. Traffic cameras at each intersection that mails a ticket for every red light being ran. It's getting ridiculous how many people are now running the red red lights.	1/11/2024 9:27 AM
587	We don't have a park close to us. We have to walk our dog over to the church parking lot to let her run around in an open space. 3600 W and 12280 South area	1/11/2024 8:46 AM
588	.	1/11/2024 8:41 AM
589	More options for dine in restaurants	1/11/2024 8:18 AM
590	Stop building higher density housing. We were attracted to Riverton due to the "town" feel that it gave. No one wants to have neighbors breathing down their neck with houses 10ft apart from each other or sharing walls. I know there's a need for housing, but lets build it in a way that keeps our small town feeling. Hopefully the changes made to Bangerter highway will help ease the already packed area of 134th/bangerter exchange. Higher density housing will only put more stress on our roadways and we haven't planned for the future enough to make our side streets not effected by the increase in residents. Lets keep our low density housing and draw people in with quality of living in Riverton rather than quantity living in Riverton.	1/11/2024 8:16 AM
591	Covered playgrounds during the summer months	1/11/2024 8:04 AM
592	Transparency! Plow our roads including cul de sac's Enforce city codes such as parking on street	1/11/2024 8:03 AM
593	I think the recycling pickup program could use improvement. Most cities offer recycling pick up with trash every week. However, as we are on a bi-weekly pickup schedule, many items we have that could be recycled end up in the trash because we run out of room. I'd be willing to pay a little more for weekly pickup, too.	1/11/2024 7:59 AM
594	There are many events centered around running. Maybe some other events. Christmas in Riverton was lacking this last year.	1/11/2024 7:45 AM
595	The traffic congestion has become unbearable and is something that needs to be figured out.	1/11/2024 7:08 AM

597	More outdoor recreational areas.	1/11/2024 2:27 AM
598	Community recreational fitness center	1/10/2024 11:53 PM
599	More walking paths	1/10/2024 10:57 PM
600	No more apartments or condos, or cramming people in tiny houses or cluster homes.	1/10/2024 10:44 PM
601	More entertainment options.	1/10/2024 10:12 PM
602	STOP the approval of high-density housing developments in the city. Everyone on the council lives here and can see it first-hand everywhere you look and drive in the city but yet they chose to ignore it. Why??? We do not have the infrastructure to manage the traffic now let alone what you are approving for the future.	1/10/2024 9:57 PM
603	Widening 12600 s or doing flex lame like 5400 s. It's so crowded during rush hour times.	1/10/2024 9:26 PM
604	Get the road in connecting 13800 South to the road leading to Mountain Ridge High School. So many kids at risk being forced to walk around and through canals.	1/10/2024 9:22 PM
605	An amazing playground. The gutters/curb areas in my neighborhood constantly have sitting water.	1/10/2024 9:21 PM
606	UTA bus routes on the main roads 126 and 134 connecting to Daybreak trax. More should be done considering how congested the local roads are	1/10/2024 9:06 PM
607	Less traffic on 12600	1/10/2024 9:03 PM
608	More walking trails along canals	1/10/2024 9:00 PM
609	Less dogs!! It amazes me how many people have dogs that bark in the neighborhoods and also run after us when we are walking/running. No more Accessory Dwelling Units. It is ruining neighborhoods and has abolished zoning. It's ridiculous that they can be built without any say of the neighbors who build/bought based on zoning and what was already there. No more high-density housing!	1/10/2024 8:58 PM
610	I wish we had a smiths or another grocery store close in Riverton.	1/10/2024 8:56 PM
611	Eliminate the approval of high density housing! We are going to quickly loose the small home town feel.	1/10/2024 8:54 PM
612	At the end of our circle, (Melody Creek Cir), we do not have a storm drain on the south entrance of the cul-de-sac - and when it storms or when lawns are watered, a build-up of water or ice collects there. If it's summertime, the water gets slippery and grows algae, if it's wintertime, it turns into a sheet of ice, and I cannot tell you how many times people and kids have slipped and fallen there, while walking, jogging or bike riding. Could the city please put in a storm drain please? (Not to mention, we live right by Midas Creek, which means we are at higher risk from storms, so a drain is all-the-more important for our neighborhood.)	1/10/2024 8:38 PM
613	Slow down construction. Leave more green spaces.	1/10/2024 8:25 PM
614	Parenting classes	1/10/2024 8:18 PM
615	More bike lanes and walking trails that connect to amenities. Also a trax stop would be nice.	1/10/2024 8:02 PM
616	?	1/10/2024 7:59 PM
617	Less taxes	1/10/2024 7:43 PM
618	I think minimum house sizes should be done away with in the city code, so that people who want a small house can have the freedom to garden and a yard to play in without having to be rich or live in an oversized house.	1/10/2024 7:41 PM
619	If we are going to recycle trash, then pick it up every week. After all, we need to clean all the waste matter, do all the sorting, make sure the lid in on all the way, make sure Waste Management is happy to pick up. It all seems a waste of time to what benefit and to who's benefit?	1/10/2024 7:32 PM

622	Please meter the secondary water so that people will be more likely to conserve. Provide weekly recycling pickup instead of biweekly.	1/10/2024 6:19 PM
623	High density housing needs to be stopped! This place was beautiful farmland and now it's all gone.	1/10/2024 6:19 PM
624	Make a dedicated road (Preferably 13800) from I-15 to Herriman (Mountain View) with no exits in Riverton. Or a raised highway or tunnel again from I-15 to Mountain View with no exits in Riverton.	1/10/2024 6:05 PM

627	Pickle ball courts in neighborhoods and more walking trails	1/10/2024 5:45 PM
628	Noise Noise Noise Noise NOISE! These fart tube cars on bangerter and the corridor and in the neighborhoods are constant and VERY noisy. It's gotten much worse in the last 3-4 years. Am I the only one tired of having a peaceful walk ripped apart by Very loud cars ripping along miles away?	1/10/2024 5:20 PM
629	No more High Density housing.	1/10/2024 5:18 PM

633	fewer home rentals	1/10/2024 4:29 PM
634	Keep open and green spaces, add more if possible. Don't let big developers buy votes or get special use permits for shrinking lot lines or setbacks.	1/10/2024 4:27 PM
635	No more multi-family housing/apartments	1/10/2024 4:19 PM
636	Walking trails and beautiful outdoor areas, community dances, concerts, other events	1/10/2024 4:12 PM
637	I believe the city has been to generous is allowing basement apartments. in essence not enforcing the rental units turns a single family neighborhood into duplexes. The streets need maintenance. Density is increasing in a way where developer profit is taken...affordability is not a result of density.	1/10/2024 4:03 PM
638	More roads . better roads heading East and West Quit allowing people to build condos and apartments everywhere are property value decreases	1/10/2024 4:01 PM
639	Improve east/west traffic on 12600 S.	1/10/2024 3:59 PM
640	I love the idea of revitalizing the old downtown with small business retail and sit down dining options. So much of SL County is suburban sprawl with no personality. Having an actual Rivertown downtown district as a place to walk around, gather, and give our great city a real identity would set it apart and improve quality of life here.	1/10/2024 3:21 PM
641	I'm concerned about the rate of development, especially townhomes and apartments, and how that affects our city.	1/10/2024 3:19 PM
642	A recreation center with indoor pool or indoor pool at the high school with access for public use.	1/10/2024 3:19 PM
643	Trax stations!	1/10/2024 3:18 PM
644	Bike lines with clean roads:) I would love bike lanes with clean shoulders.	1/10/2024 3:17 PM
645	More East to West traffic corridors.	1/10/2024 3:15 PM
646	Need more small businesses and community entertainments.	1/10/2024 3:00 PM
647	Travel east and west. This will impact Riverton residents tremendously in the next couple of years with the construction on Bangerter.	1/10/2024 2:48 PM

Riverton Citizen Survey - December 2023

648	Traffic flow going east and west	1/10/2024 2:44 PM
649	Quality of life in Riverton is very good.	1/10/2024 2:18 PM
650	Road infrastructure and reducing traffic issues	1/10/2024 2:17 PM
651	Law enforcement needs to be willing to get involved with issues in neighborhoods such as cars parked in no parking areas, underage motorcycle drivers speeding up and down the streets with unlicensed off-road bikes with minimal mufflers, unlicensed underage drivers of golf carts on the road with no lights at night etc. These are dangerous situations. When neighbors are unwilling to control their children, police need to be willing to hand out tickets and fines. Currently the attitude of law enforcement is "kids will be kids". When one of them dies or is seriously injured, it will be sad. This was not a problem with the Unified Police.	1/10/2024 2:09 PM
652	I'm glad the city wants to sponsor events for the community, but I hate it when those events simply become a "display of commercial booths." I didn't care for the booths at Town Days, but I loved the breakfast, the music, and the kids games. I know those booths bring in money, but don't lose site of what can really connect a city and its people! Good, quality experiences are what matter more.	1/10/2024 2:05 PM
653	A trax line coming through the city, completely connecting to the east side & the rest of the metropolis. This would be a lifesaver for those who can't drive & also cut back on traffic & pollution. Also although UTA Via rideshare has improved lately, it still would be nice to have a few bus lines again, also bus benches, shelters & more walkable areas. There are still some areas that don't have connecting sidewalks. I'd also love to have a curbside BIG garbage pickup. I have no way to take things to the dump myself & paying someone to do it is costly, especially for those like me who are on a small fixed income. Since I can't drive & may family doesn't own trucks or trailers, it's hard to haul things to the dump or even to the dumpsters that are provided once a year. The monthly pickup that West Valley has helps their residents to keep their properties clean. But even if we had a bi-yearly or quarterly pickup, anything is better than nothing.	1/10/2024 2:05 PM
654	More variety in the parks in town. There are some spaces that are never really used for their intended purpose, and could be repurposed.	1/10/2024 2:03 PM
655	We think we need more food options and restaurants near the park and East side of Riverton. We hate having to drive to the far west side of Riverton to get decent food choices. We think it's ridiculous that we have rodeo grounds and only host one weekend of a rodeo. Why do we not host a rodeo more often? The rodeo always sales out. I think more weekends offered would be nice. Or at least give priority to actual Riverton residents to purchase tickets before the general population.	1/10/2024 2:02 PM
656	Keep it a small town feel and don't allow overcrowding. Stop condensed housing	1/10/2024 1:58 PM
657	I think having a dog park out here would be excellent. I would love to see a Catholic church out here. It would be nice if there were more local playgrounds for the little kids in the area. I would also love to see some bike trails in Riverton to make traveling by bicycle a bit more safe for those of us that are not professional cyclists.	1/10/2024 1:54 PM
658	We could use events and spaces in Riverton that draw the community together. Daybreak is a good model. We could use a rec center and more community classes for kids.	1/10/2024 1:53 PM
659	I live on 13400 South between Redwood and 2700 West. There needs to be a speed limit sign at the light going east on Redwood and another at the light at Redwood going west. People go down this street like bats out of heck--often over 50 miles an hour. One family moved because their children were not safe because of how fast cars are going. I have almost been hit just bringing in my garbage cans. I have asked about this before and have been ignored.	1/10/2024 1:31 PM
660	keep the small town atmosphere	1/10/2024 1:26 PM
661	Less apartment buildings and houses.	1/10/2024 1:26 PM

I have a down syndrome grandson and this opening is a big problem like him getting down to the creek or a dog biting him. 683	Spring/Fall Clean Up like they do in Sandy. One week in the spring and one week in the fall you can pile things on the curb and then the city comes around and picks it up and hauls it off to the dump free of charge.	1/10/2024 11:47 AM

686	More availability of Trax and other transportation options. Also, keeping affordable housing and not too much high density housing. I realize those seem opposing but maybe smaller lots to keep housing more affordable and not as many apartments, townhomes and condos as have been going in lately. Maybe more green space with apartments/townhomes/etc. so they don't seem so dense. 696	Simplified website and ability to contact various departments	1/10/2024 10:31 AM

699	Less people lol.	1/10/2024 10:25 AM
700	I generally think main roads never adequately consider growth. The city tends to limit width and add medians - only to have to expand width and turn the median into a lane. It creates a lot of churn, upset people (especially in an imminent domain situation), and additional costs. Please just build the roads right the first time to accommodate the growth.	1/10/2024 10:23 AM

705	In lieu of creating events that bring community together limited times annually, create spaces that will bring them together naturally. 706	Less high density apartment, living	1/10/2024 9:47 AM
707	The only thing I think the city needs to change is the merging lane on 12600 south headed west off of Bangerter. The merge lane ends at 4030 west. (turn to a right turn only) But it needs to be extended to 4150 west. (Far right lane is a turn and straight lane) There are so many cars trying to get from the left lane to the right so they can turn down 4030 and the cars coming off Bangerter trying to get left. It turns into a mess. There is already a lane in front of the church between 4030 and 4150 the pattern just needs to change. It will then allow people to merge over after 4030 west. Even with how the pattern is now the traffic opens up after 4030. I feel that once people learn they can go past 4030 to get over then that will loosen the congestion there and also increase the flow of the off ramp of Bangerter since it is a yield sign and not a stop. This will allow people to push up the far right lane that is currently empty most the time when I get off Bangerter.	1/10/2024 9:46 AM
708	There will be a time when I think we will regret not having the presence of public transportation. We should be a more open community. By not having public transportation, we are not allowing people without cars to live in our great community as they aren't able to commute to work or get around. This barrier to our city excludes socio-economic classes of people and closes the door on opportunity for growth and diversity. It's exclusive, biased, and short-sited. It also removes the convenience of transportation options for current residents.	1/10/2024 9:45 AM

722	Riverton has a good plan now, and little needs to be changed. Staying aware of upkeep and maintenance around streets, parks etc is what I would expect the city to do.	1/10/2024 9:11 AM
723	Maybe a little more affordable restaurants or a little more space at parks.	1/10/2024 9:01 AM
724	We need a neighborhood clean up (Dumpster Program) several times a year that is provided by Riverton City in our individual neighborhoods. We have friends and family that live in many different cities throughout the state and every single one of them get it through their cities. Many cities they live in are lower tax properties then ours. Also, the glass recycle dumpster area(by South Hills) needs to be improved. At least keep the area around the dumpster clean. There has been times that the parking lot is full of broken glass and it stays this way.	1/10/2024 9:01 AM

730	We fear that with the influx of people being placed in smaller towns and cities, rental homes will become spaces for multiple family units. We would want assurances that single family homes cannot be made into multiple family domiciles.	1/10/2024 8:40 AM

733	Low cost secondary water for garden spaces, higher costs for outrageous landscaping.	1/10/2024 8:37 AM
734	Having a farmers market that is accessible to anyone who wants to set up a table and sell something would be a great addition. My sister runs the Mapleton farmers market and hers is that way. They have a local band concert every Monday night starting in July and that's when the farmers market is also and it seems like the whole town shows up. Kids and adults sell everything from hand crocheted beanies to snow cones to farm produce to freeze dried candy and it's so much fun, and the kids learn about entrepreneurship. She does not charge a table fee to participate. When moved to Riverton in 2015 I looked into the farmers market here and it	1/10/2024 8:36 AM

Riverton Citizen Survey - December 2023

was prohibitively expensive (\$50/week!) for a kid to set up a table and sell homemade items. So I never looked into it again...not sure we even have a market anymore, but we should. It could be a great community event that wouldn't cost the city much and would provide some great opportunities for residents. If it weren't prohibitively expensive to participate.

735	I feel like not having these town homes and condos that are mostly being rented would make the quality of life better. Having more Cultural Arts and a plan for a performing arts center would benefit the city. Also, Having the Police Department be more active in cracking down on speeding in the city especially along 13400 and 12600 South and inside all the neighborhoods.	1/10/2024 8:36 AM
736	More trails for walking or biking and a healthy food store like trader joes. I wish there were better crosswalks for kids with flashing lights and orange flags to carry across.	1/10/2024 8:21 AM
737	Less Dense Residential. More culture arts and more places to be outdoors under trees and not always by playgrounds or splash pads.	1/10/2024 8:18 AM
738	Make it rural again!	1/10/2024 8:12 AM
739	Stop allowing these townhomes and condos to be built. Seems like we do not get a large tax base on it and I think I would rather have retail than this kind of residential. I feel like in the past few years the Police Department has been scarce. It was told to us that we would have more patrols when we switched but I do not see them at all. and even when they are patrolling they rarely are pulling anyone over for traffic offenses. The events in Riverton seem to have taken a downhill turn over the last few years, Seems like we are not adding new items to the events after Covid and the entertainment is stale. I would like to see new events added and new venues added for the community to enjoy. We used to have much better quality of bands and entertainments at the Friday Night Fun Nights several years ago and now it seems we have often the same things each time. I feel like Santa's Arrival can use a spruce up, it just almost seems like things are going stagnant there.	1/10/2024 8:11 AM
740	Less traffic	1/10/2024 8:10 AM
741	Limit the growth in Riverton, there has been too much, and its ruining our quality of life. Cut back on traffic congestion by increasing roads flowing East to West.	1/10/2024 8:09 AM
742	Stop building apartments and multi family dwellings. No more HOAs. Neighborhood streets are too narrow. Too many people.	1/10/2024 7:58 AM
743	More Events and better organized events. Parks with music playing in the background. Having the Police Department patrol and actually enforce speeding and running stop signs. Maybe have them park by stop signs in neighborhoods and observe from a distance instead of being right next to it. If they were to pull people over for traffic offenses and they were not seen it would be more effective.	1/10/2024 7:57 AM
744	Traffic could drive the speed limit on Redwood	1/10/2024 7:39 AM

747	Better snow removal.	1/10/2024 7:31 AM
748	Limit multi-family homes - townhomes, apartments, etc. single family homes with space is what has made Riverton great.	1/10/2024 7:22 AM
749	I have been asking for a crosswalk, for several years, at the intersection of Reeves Lane in Riverton and South Jordan.....I was told too much red tape. South Jordan city hall says it is Riverton's responsibility, Riverton says it is South Jordan's responsibility. No help from the city council member. I would be happy to take a can of paint and do it myself (my neighbors have also volunteered to help) You know what they say "If you want something done, do it yourself!" Our neighborhood sees the South Jordan police department patrol more than the Riverton police department. We will see "our" police department once a year, with a drive by..we are always in awe when they come through. Suggestions: How about more of the Community Policing style, getting to know and taking ownership of a neighborhood! How about a bike patrol on the Jordan River Parkway (with other agencies)	1/10/2024 7:11 AM

755	It would require working with the cities around us, but I think a noticable easy way to affect the population would be to enact a dark sky policy. If we just chose to have lights that cast light down instead of out and up, we could see stars and the milky way. 761	Need to have speed monitors on 4560 west between 12600 and Costco. With the new addition of Costco, the rental homes and the shopping places it is a problem. Would like speed traps and have them pay for speed bumps! Also have issues with battery powered bikes in the neighborhood. Tearing up the park, walkways and going on the sidewalks with pedestrians at HIGH rates of speed! Thank you	1/10/2024 6:32 AM
762	Green waste pickup in spring and fall. Heard a rumor in the future that our garbage cans cannot have anything past the lid. This is a major problem for us. We have a lot of green waste that cannot be put to the curb without it being over the top.	1/10/2024 6:32 AM
763	No more density development. It leads to More people, more taxes, less enjoyment. Work with homeowners on flipping strips. Get rid of park strips and don't allow with new buildings. Go sidewalk to gutter, add stamped concrete or color for variety. Can backflow water testing be adjusted to every other year or have the city do the testing or have the city lock down with tag. If cut there would be a fine. Multiple notices being sent out before you have a chance to schedule appt, is annoying and a waste of money. Is there a way to stop receiving printed utility statements?	1/10/2024 6:24 AM

774	Keeping the library. Putting in a sidewalk and possibly widening 1830 west just a bit. If there was a sidewalk on the east side of 1830 it would increase foot traffic to the library, or at least put a crosswalk somewhere. Also, I know there are things going at the city hall, but I never see an event list even when open to the public.	1/10/2024 1:51 AM

777	Offer suggestions and ideas to neighborhoods of how to organize neighborhood block parties / get togethers/ talent shows/ whatever.	1/10/2024 12:22 AM
778	I would like to see the city move away from a fireworks show and instead do a drone show. Many residents are sensitive to fireworks (military, autistic, etc) and a drone show instead of fireworks would be a welcome change.	1/10/2024 12:12 AM
779	Porch Pirates and juvenile crime (egging, doorbell ditching, defacing property, etc.) are both higher than I would like. The occasional rash of outside vehicle break ins has also been higher than I would like. These are difficult things to control, but anything that could be done to decrease them would be a plus. Our school busing situation is also nuts. As taxpayers we'd spend less to run the buses than we would to run our individual cars to bring our kids to school. It would cut pollution, traffic issues and accidents, etc. It's a win all the way around yet we allowed the schools to cut busing. Public transit could also be improved.	1/10/2024 12:01 AM
780	better wi-fi options	1/10/2024 12:00 AM
781	Crazy thought, but have you considered running a tram down 12600 S? It could go from Herriman Downtown to the hospital, to Riverton High, Riverton City Park, the Riverton Downtown (Please do fix downtown this it looks like a soulless parking lot, honestly there is little reason to go there by foot), the mall, and could terminate at the Draper station! Where the blue line ends, you have a street that has everything you could want on it, you could just stop making a 8 lane stroad and make a street. (I know this would involve working with Herriman and Draper, but why not?) My main issue is as someone who likes using other modes of transit besides a car, EAST WEST TRANSIT is the WORST! for any other mode of transit besides a car! I've tried to do it it's so hard, If I could go from the Mountain View Bike Highway (next to mountain view corridor) to the Jordan River Parkway trail, I could go anywhere, but it is SO HARD to do that, because there is no good East West Bike infrastructure, or train or anything. The problem is, is that in order to go east west you have to use a major road, because if you don't you run into a canal. Yet none of the main east west roads have good bike infrastructure. Plus sometimes the bike lane just ends for some weird reason, it's not good at all. Also I would highly recommend to your city planners and engineers actually try biking on the infrastructure they make because I think you would realize why so much of it doesn't work. You seem to forget major parts of how stuff like this should work. For example if I'm biking East on 12600 and I want to go North on 2700 West. How do I do this? Do I cross 2 lanes of traffic and sit in a turn in a left turn lane that has no where for a bike to be? Do I just go to the crosswalks and use them? You seem to forget that bikes need to turn left! Also stop making bike trails with angles greater/less than 90 degrees to turn on to. Have you ever tried turning a bike 135 degrees to get onto another trail, it's not easy. Please don't ever do that. People don't walk like that, bikes don't go like that. They don't work! I don't care if they look pretty on a map. If a car can't make that kind of turn a cyclist can't either. Lastly I know that the Utah state legislative is working on a plan to give money to cities to put bike trails along the canals, this would be great, but over by Swenson Farms in the NW part of the city. If you do this, can you please put a bridge across the canal to connect it to the park. Because that would be really nice. Okay last last thing, the crossing buttons on Old Liberty Way and 126000 and at 13400 S and Market Center Drive don't work correctly, some of the buttons don't work, could you fix them please. Thank you!	1/9/2024 11:47 PM
782	I would love to get a rec center here. It would be amazing to have the amenities that a rec center provides (physical facilities as well as fitness and sports programs for all ages) that can be used year round. It is PAINFUL driving out to Herriman to JL Sorenson.	1/9/2024 11:46 PM

Riverton Citizen Survey - December 2023

there is snow storm. The main streets seemed to eventually get plowed but the neighborhoods don't get plowed enough. And we have to drive on ice for days before it melts. The city should put something on it to help the neighborhoods be a safer place in the winter. I have lived here for 14 years and my circle has only been plowed like 4 times in all though years. We pay plenty of taxes our road should be safe.

790	I know how hard people work to do things like the Riverton Town Days. But I stopped attending because parking is such a nightmare and the crowds just make it no fun. Is there any way to spread out the festivities a bit so the entire town isn't trying to park on one street.	1/9/2024 11:14 PM
791	Enforcement for dogs off leash	1/9/2024 10:57 PM
792	More street lighting (carry the nice lamp posts all the way up to Mountain View off of 12600 S. Replace bulbs with brighter white hue throughout neighborhoods	1/9/2024 10:56 PM
793	1-stupid to meter secondary water - problems from silt plugging meters is coming 2-Police service is a Staggs mistake (unified was better) 3- not enough bars or adult options---nanny state of mind (it hurts business) 4- planning commission is way to slow (not developer friendly) 5- to many new restriction ordinances starting to appear. 6-overhead power is ugly....you refuse to bury the lines when redoing old infrastructure. 7- Townhouse density is way slow to adapt ...dark streets....no chickens	1/9/2024 10:53 PM
794	A good football team at RHS! And promote the great teams and groups there and at other schools we could rally around and support and be proud of.	1/9/2024 10:42 PM
795	See 27.	1/9/2024 10:39 PM
796	Stop valuing my home higher and higher so you get more property taxes. Pare down your spending. Let us put food in the table for our families instead of so many amenities.	1/9/2024 10:33 PM
797	When replacing old playground equipment not makes the new equipment smaller, shrinking the number of swings, etc.	1/9/2024 10:26 PM
798	More walking trails and pickleball courts	1/9/2024 10:19 PM
799	Snow plowing needs improvement. We often do not receive a plow in our circle and have had to call days after a storm. Need more ordinances on trash, old auto storage, etc. Some neighborhoods are dumpy. Make sure future planning keeps the feel of the city and is not too dense.	1/9/2024 10:13 PM
800	Think seriously about preventing high density housing in the confines of the Riverton boundaries. Require adequate off street parking for ALL residential developments and then ENFORCE the agreed upon requirements. Getting cars, trucks, commercial vehicles, semi-trucks, double belly dumpers, trailers and their ensuing trash off of our streets. Extremely dangerous for pedestrians, bicyclists, and even normal automobile traffic. Parking underneath the Bangerter Highway overpass by Hamilton Park is totally unacceptable.	1/9/2024 10:13 PM
801	Skate parks further west, 3600 west etc. splash pads	1/9/2024 10:11 PM
802	I would like to see more police they bring a sense of safety and security to our community	1/9/2024 10:10 PM
803	I would like to see more dining options and a remodeled downtown. We don't want to keep dollars in Riverton and we want to look like a developing area, not one being left behind.	1/9/2024 10:03 PM
804	More quality events.	1/9/2024 9:58 PM
805	Feel safer.	1/9/2024 9:58 PM
806	Less high density housing and make improvements to curb growing traffic congestion especially during peak times.	1/9/2024 9:58 PM
807	More trails	1/9/2024 9:57 PM
808	A stop light on 12600 sand one blk west of Mountain view corridor	1/9/2024 9:41 PM
809	Decrease the number of townhouses. It is getting too crowded on the roads, stores and schools.	1/9/2024 9:35 PM
810	Introduce speed Warning check and add more pedestrian crossing for parks near by	1/9/2024 9:32 PM
811	Possibly a Trax station	1/9/2024 9:31 PM

Riverton Citizen Survey - December 2023

812	Fitness/ community center	1/9/2024 9:29 PM
813	More public walking trails.	1/9/2024 9:20 PM
814	Park benches Sidewalk on 1830 by city hall and the curb is and gutter is embarrassing. Widen street and add sidewalks. Snow plowing Enforce and ticket for winter parking on streets. Email reminders dont change bad habits.	1/9/2024 9:14 PM
815	There are so many play grounds that cannot be used most of the year because the playsets don't have shade over them so they get too hot to play on. Add pavilions or shade canvas over playsets so they can actually be used.	1/9/2024 9:14 PM
816	Weed removal in vacant lots.	1/9/2024 9:13 PM
817	Less population density.	1/9/2024 9:13 PM
818	N/A	1/9/2024 9:12 PM
819	Not building too much. It is already getting very busy.	1/9/2024 9:09 PM
820	Plowing our neighborhood streets in the winter! A lot of us are pretty frustrated with the new garbage rules, excessive monitoring and threats of fines, maybe reconsider that? Bulk garbage days offered more often and at more locations, remember those of us in the city West of Mountain View Corridor, we get overlooked.	1/9/2024 9:06 PM
821	Sidewalk lifting	1/9/2024 9:03 PM
822	Better roads heading east to west	1/9/2024 9:03 PM
823	Let us as neighbors help! I live on a culdasic and the snow blowers come to us later or never but we have a neighbor with a small snow shoveler and we could use him. Our little summerhill park needs help keeping safe and could use lights. We can help keep it clean and up kept if we knew what to do.	1/9/2024 9:01 PM
824	Weekly recycling.	1/9/2024 9:01 PM
825	Public transportation	1/9/2024 8:59 PM
826	I would love more city sponsored art events, things like community theater including opportunities for youth to participate, social dancing, a children's choir.	1/9/2024 8:58 PM
827	No HOA type regulations.	1/9/2024 8:57 PM
828	It's hard to say. I already like it a lot.	1/9/2024 8:55 PM
829	Keep it safe and clean	1/9/2024 8:54 PM
830	Plan more open spaces	1/9/2024 8:53 PM
831	Lower taxes	1/9/2024 8:52 PM
832	More single family homes would help provide needed housing; home ownership encourages accountability and improves quality of life.	1/9/2024 8:49 PM
833	Less congestion on roadways. Especially east to west	1/9/2024 8:48 PM
834	Drop the fireworks. It's intrusive and seemingly standard for so many events.	1/9/2024 8:48 PM
835	Trails, bike paths	1/9/2024 8:42 PM
836	I can't think of anything.	1/9/2024 8:40 PM
837	Buses for all citizens	1/9/2024 8:33 PM
838	Drinking water that was drinkable. Widen 126th to 3 lanes for cars.	1/9/2024 8:31 PM
839	Definitely need more high quality healthy dining options in east Riverton. Revamping of the old town Riverton area and the redwood road/126-11400 area	1/9/2024 8:29 PM
840	Installing pedestrian bridges over the corridors, 12600, 13200 south, and 13400 south. The city is not walkable for adults or students. It is very dangerous to expect school children or anyone to cross some of these roads to attend school or visit a shopping center.	1/9/2024 8:27 PM

Riverton Citizen Survey - December 2023

841	Access to a recreation center, and a few more dining options outside of fast food...or heading out to Mountain View Village	1/9/2024 8:25 PM
842	Finish 1300 West by making roadway width consistent and installing sidewalk all the way to the canal curve.	1/9/2024 8:24 PM
843	Not a lot of high density housing areas, continued support of small businesses	1/9/2024 8:24 PM
844	Fewer people. Less traffic	1/9/2024 8:23 PM
845	No more high density housing.	1/9/2024 8:22 PM
846	Allowing alcohol at community events such as the rodeo.	1/9/2024 8:19 PM
847	More walkable areas. Turn one city block (or half block) into a village, with walking paths, shops, restaurants, food trucks, live music, and so on, where people could just go and hang out.	1/9/2024 8:18 PM
848	Some affordable housing for the rising generation.	1/9/2024 8:12 PM
849	Repairing the intersection at entrance to River Bend golf course and county pool. It needs to be straightened out to prevent accidents	1/9/2024 8:11 PM
850	Weekly recycling pickup Adjustments to traffic light timing on 126 South with Liberty way and bangeter changes.	1/9/2024 8:05 PM
851	I know this is a state wide problem but the housing market is quite difficult right now. If we could somehow help to lower the craziness of buying a house that would be wonderful.	1/9/2024 8:02 PM
852	Reduce traffic along 12600 during rush hour, especially because lot of it is headed to Herriman.	1/9/2024 8:01 PM
853	Keep the small town feeling.	1/9/2024 8:00 PM
854	Less high density developments. As the farm land is being developed keep lots at least 1/3 acre lots. No more apartment/town homes or 55+ communities, no more HOA communities. Also I'd live if we could have a rec center like south jordan rec and Herriman rec. where our youth programs can stay local. I'd love to have a nice indoor pool to take our kids swimming. I would love to see an affordable movie theatre for families like the old Cinemark dollar theatre in Sandy.	1/9/2024 7:55 PM
855	More popular events like the carnival in the summer. Improve the 4th of July parade... something like that.	1/9/2024 7:54 PM
856	Options for winter entertainment. The local Vasa is very busy, I liked the proposed idea of a recreation center. As mentioned within the survey, I also think an accompanying indoor ice rink and gym, much like Salt Lake City's county facilities Steiner (downtown), Murray recreation center and Cottonwood would be a great fit.	1/9/2024 7:52 PM
857	PLEASE more localscapes/park strip incentives to help boost curb appeal and neighborhood cleanup. Optional secondary water fee	1/9/2024 7:50 PM
858	Carefully planned and placed high density housing. Riverton should do everything it can to avoid the "Daybreak" model. Herriman has so many townhomes and apartments, and Riverton should avoid this. Invest in business and entertainment, not high populous housing.	1/9/2024 7:44 PM
859	Less traffic and slower traffic. A better stoplight near schools and churches before some kid gets ran over	1/9/2024 7:42 PM
860	More trails and pickleball	1/9/2024 7:41 PM
861	Better pool with slides etc for kids like Murray	1/9/2024 7:36 PM
862	This is a hard one... Myself being more involved within the community would increase my quality of life and improve our community by myself (and others) more involved.	1/9/2024 7:33 PM
863	Regulate basement apartments and businesses being ran out of homes. Follow up when reported multiple times. New homes that are built, bring back the third acre rule.	1/9/2024 7:33 PM
864	Less high density housing	1/9/2024 7:29 PM
865	More restaurants and dining options.	1/9/2024 7:28 PM

Riverton Citizen Survey - December 2023

866	Improve the roads to match all the new housing.	1/9/2024 7:28 PM
867	More restaurants and business if possible. But it's a balance as to not loose what makes Riverton unique.	1/9/2024 7:26 PM
868	12600 South west of bangater to 4570 West needs to be addressed. Traffic is horrendous! South Quail Lake Drive SHOULD NOT have access to 12600 south. We were told it would be temporary then closed off. It is still open. They were supposed to access that development farther South. I want it fixed. My whole neighborhood wants it fixed! Please fix it!	1/9/2024 7:25 PM
869	Less government.	1/9/2024 7:24 PM
870	Incentivising more local, non chain, businesses and restaurants. It's very depressing to look around and see the exact same stores and restaurants everywhere I go. Increased public transportation or more focus on carless areas. I'd love to be able to walk or ride a bike around a no car shopping center full of various locally own businesses.	1/9/2024 7:18 PM
871	I would really love a nice dog park.	1/9/2024 7:16 PM
872	Places for children to bicycle separately from traffic	1/9/2024 7:15 PM
873	More walking or hiking trails. More parks that aren't just open grass fields, but have quiet natural areas. St. George has an amazing network of trails that connect to parks. That would be so nice to have here.	1/9/2024 7:14 PM
874	Divert Heriman and dense housing west of Riverton traffic away from going through the city.	1/9/2024 7:14 PM
875	Rec center!!!!!!	1/9/2024 7:13 PM
876	Lower crime rates	1/9/2024 7:10 PM
877	Would it be possible for Police, Fire & Rescue and City Government representatives to periodically walk through neighborhoods and business areas? Objective is to see and know each other, especially ahead of any emergencies which might occur.	1/9/2024 7:09 PM
878	Build a community fitness center	1/9/2024 7:08 PM
879	I've noticed that South Jordan is very active on their social channels, alerting residents of safety and quality of life issues. It would be great if Riverton followed suit.	1/9/2024 7:06 PM
880	Less high density housing	1/9/2024 7:03 PM
881	Preserving current infrastructure and preventing excess development that leads to overcrowding and lower quality of life for residents.	1/9/2024 7:03 PM
882	Mass transit	1/9/2024 7:03 PM
883	I live close to the historic part of Riverton so I'd love to see it revitalize or given a "face lift". Development in the south western area of Riverton was beautifully done but I dont frequent that area as much as its so far from my home.	1/9/2024 7:01 PM
884	Marked trails, better parks/playgrounds, and a rec center that offers swimming, sports, and artistic classes for adults and kids!	1/9/2024 7:01 PM
885	N/a	1/9/2024 6:58 PM
886	less high density housing.	1/9/2024 6:56 PM
887	Lower property taxes	1/9/2024 6:53 PM
888	For our street alone, make W Creek Meadow Rd for residents only-No Commercial vehicles to or from Lowe's, DI, etc. Too many speeders...	1/9/2024 6:51 PM
889	Trax	1/9/2024 6:51 PM
890	Speed bumps to slow down the racers	1/9/2024 6:51 PM
891	Random Police patrols around neighborhoods	1/9/2024 6:50 PM
892	A rec center over by south county pool. Extended hours at south county pool	1/9/2024 6:48 PM
893	Street repair	1/9/2024 6:48 PM

Riverton Citizen Survey - December 2023

894	No more multi unit housing	1/9/2024 6:48 PM
895	Bike paths, especially running north and south (potentially along canal roads similar to the Murdock Canal in Utah County) and linked east/west to the Jordan River Trail to allow for increased bike traffic. It is currently dangerous/impossible to ride along Redwood Road north of 12600 South. A trail along the nearby South Jordan Canal or the Big Canal would increase the possibility and safety of north/south bike traffic.	1/9/2024 6:47 PM
896	There would be more a sense of community with theatrical productions to come together for.	1/9/2024 6:46 PM
897	Less high density housing	1/9/2024 6:45 PM
898	Enforcement of code to keep yards nice and uncluttered. A general push and enforcement of good clean tidy neighborhoods. Enforcement of off-leash dogs at parks (signage would be a good start).	1/9/2024 6:40 PM
899	Air quality, which I know is a larger statewide problem. Also more walking trails away from roads. I know we're landlocked, but it's a dream... And how about a dog park?	1/9/2024 6:37 PM
900	Less high density	1/9/2024 6:36 PM
901	Sit down dining in historic downtown	1/9/2024 6:33 PM
902	Stop woodburning fireplaces.	1/9/2024 6:25 PM
903	Less dense development	1/9/2024 6:21 PM
904	stop high density housing, pull the permits.	1/9/2024 6:21 PM
905	County recreation center	1/9/2024 6:21 PM
906	Please keep high density housing to the LOWEST possible minimum. Please	1/9/2024 6:20 PM
907	Cracking down on the sports cars racing up and down 12600 S. at all hours of the night. I wish we could outlaw straight piping cars, but I know that's not possible. Stopping the annoying kids from racing would be a good start!	1/9/2024 6:20 PM
908	fix more potholes	1/9/2024 6:19 PM
909	Traffic access to the freeway	1/9/2024 6:17 PM
910	Less congestion in traffic on 11800 S and 12600s	1/9/2024 6:17 PM
911	Parking enforcement in public neighborhood. Limit amount of rented	1/9/2024 6:17 PM
912	Children's choir	1/9/2024 6:16 PM
913	More entertainment	1/9/2024 6:16 PM
914	More sit down restaurants and bars on the east side.	1/9/2024 6:14 PM
915	Cleaner neighborhoods. Code enforcement could do a better job in our area by getting the cargo/shipping containers out of the area due to they are not supposed to be in the area. There are alot are hidden but i have never heard or seen an officer enforcing the code to not have that containers in the area.	1/9/2024 6:14 PM
916	Re-paving surface streets more frequently. Main roads seem to be taken care of well.	1/9/2024 6:13 PM
917	Putting up dogs on leash signs around ALL city parks would make the quality of life significantly better. Also, NOT allowing TRAX stations to come to Riverton. I have ridden TRAX for over a year at one point in my life and all it attracts is homelessness and crime. The secondary water has so much mineral deposit in it that it can kill most plants, I am not sure if the city can do anything about that though. Mandating larger parking stalls in shopping centers would also be nice.	1/9/2024 6:11 PM
918	Our government needs to listen to their constituents rather than whatever the developers say and what they think is best for the people.	1/9/2024 6:10 PM
919	Keep costs low and reduce condensed housing	1/9/2024 6:09 PM
920	More green space, walking trails, parks etc.	1/9/2024 6:08 PM
921	Better performance theater	1/9/2024 6:06 PM

Riverton Citizen Survey - December 2023

922	Less traffic.	1/9/2024 6:04 PM
923	Cleaning up 12600 and Redwood Road. The aesthetics are important and some of the businesses and buildings are shabby and look run down. We need this area to be upbeat and to have businesses that people want to shop and spend their time and money in.	1/9/2024 6:02 PM
924	Keeping the streets clean and the trees groomed. Including trimmed from around the street lights. Insuring that the sprinklers in city strips are working properly. Removing garage sale signs within one day of ending the sale. (People are lazy)	1/9/2024 5:59 PM
925	Better clarification on adding additional renters in a single family home basement and building code explanation or education prior to hiring a contractor so the owner is knowledgeable what is allowed and acceptable to code	1/9/2024 5:58 PM
926	I wish there was something we could do about the traffic that has increased going east-west, but I know a large part are Herriman residents. I also don't like that my immediate neighborhood has turned into single family homes being rented out as multi family units. Even though code says they can't rent to two different families, they do. Multiple homes within eye shot of my home rent out the upstairs and downstairs as separate units. The houses and yards get trashed, and there are too many cars parked on the street in front of neighbors homes. I also don't like the slurry that was put on our neighborhood roads a few years ago. It's just loose pebbles all the time, it's hard for animals to cross on, gets stuck in their paws. It's not smooth for Riding bikes, or using skates. And it just looks terrible.	1/9/2024 5:57 PM
927	More city sponsored classes for all ages	1/9/2024 5:54 PM
928	Stop the building.	1/9/2024 5:53 PM
929	Not so many apartments.	1/9/2024 5:51 PM
930	Bike lanes on 2700 W frequently blocked by parents dropping off / picking up students, defeating the purpose of the bike lane.	1/9/2024 5:50 PM
931	We're very residentially dense, so not great bus options between main streets; perhaps it's assumed that everyone will have a car, but if public transportation were more easily accessed, it might bring people into housing (like basement apartments). Along those lines, with all the homes, we have to work our way out to any services or retailers and there are certain companies where Riverton seems like a dead zone (can't think of the ones we've searched for recently sorry). But it is okay, as we value that neighborhood feel, right? So, that's just observations. But the one idea I thought could potentially be quite useful, since plowing snow is troublesome in such a high resident area, what if roads had a side designated for street parking during snow events while the other side would stay clear so that the majority of streets could still be plowed. And I guess cul-de-sacs are just out of luck, even when no cars park on the street. We've called out before but no one comes. We understand it can get too busy, but cul-de-sacs are extra hard to get out of and on the way anywhere if they don't get some city assistance.	1/9/2024 5:50 PM
932	Note that the water has improved, I can't think of anything.	1/9/2024 5:46 PM
933	Clogged roads make it impossible to turn out of my neighborhood.	1/9/2024 5:40 PM
934	More trees	1/9/2024 5:40 PM
935	Refrain from catering to newcomers and those that look like they have a lot of money. Every citizens' voice counts.	1/9/2024 5:39 PM
936	Stop building high density housing	1/9/2024 5:39 PM
937	More snow plows! Keep Trax out!	1/9/2024 5:37 PM
938	More walking/biking trails. More community parks.	1/9/2024 5:36 PM
939	Pickleball courts (and perhaps more parking) at Centennial Park would be nice. We currently go to the ones in Bluffdale.	1/9/2024 5:34 PM
940	More sit down establishments	1/9/2024 5:33 PM
941	Stop building homes	1/9/2024 5:33 PM
942	No more development. We are already over developed. Considering moving to a new city that	1/9/2024 5:32 PM

Riverton Citizen Survey - December 2023

	is not over populated.	
943	Enforcing existing codes and laws related to street parking	1/9/2024 5:30 PM
944	Better drinking water.	1/9/2024 5:29 PM
945	Safer streets. I have put up slow down signs in our neighborhood but people don't pay attention. We have many drivers that speed.	1/9/2024 5:24 PM
946	Less people! Starting to see a lot more crime in the south end.	1/9/2024 5:23 PM
947	Block off Herriman residents from driving through	1/9/2024 5:23 PM
948	Having dumpsters available more often. Similar to south jordan?	1/9/2024 5:22 PM
949	public transportation - there are no bus routes along major routes like Redwood Rd and 12600 S	1/9/2024 5:21 PM
950	Enforcement of ordinances that relate to front yard care (no weeds/landscaped) and visual offences (storing of junk or discarded stuff) in the front or sides of a home.	1/9/2024 5:21 PM
951	Walking/biking trails and more activities for little kids	1/9/2024 5:20 PM
952	Street light by our lane - it was promised but hasn't been installed for several years now - stop overwatering cemetery - do something about the elm trees & the elm seed bug infestation that is plaguing us	1/9/2024 5:20 PM
953	More public transit	1/9/2024 5:19 PM
954	More trails, especially interconnecting with adjacent cities.	1/9/2024 5:19 PM
955	Maybe list ways people can volunteer more in Riverton	1/9/2024 5:17 PM
956	Several roads in the Riverton area need attention. They are like driving through a mine field. The drinking water has always been bad.	1/9/2024 5:17 PM
957	Taxi Service for Handicap Individuals, A Riverton Bus Service.	1/9/2024 5:16 PM
958	I think improving the Riverton aesthetic on 12600 south and Redwood Rd. would greatly improve Riverton's image and pride of residents. I recently moved from South Jordan, and still go there to grab a casual dinner or enjoy a summer night. Hopefully the plan is to make it more pedestrian friendly with higher quality restaurant options and walkability to library, post office small businesses and green space.	1/9/2024 5:14 PM
959	Riverton Farming/Holiday Markets in that case better Holiday events cause ours are actually pretty boring and lame and some actually cost like Night Out With Monsters they don't do anything that's worth paying for it. Herriman Howl is much better Halloween Event and it free plus they have Holiday Markets and more. Do something with that Rodeo Arena open it up for shows,concerts,magic acts ,movies whatever just something cause what is the actual point for it just sits empty and only open two days of the year sorry that's stupid. Open it up come on think of the money it would probably bring to Riverton.	1/9/2024 5:14 PM
960	Rec center	1/9/2024 5:13 PM
961	I do not believe the new codes/laws on trash are going to be good. I live by a school and do not have control what people throw into my trash and recycling cans. We have more recycling cans at our home that trash but I frequently find food in my recycling and not placed by my family and am afraid we will be charged and fined this year. Education in the community and schools is what needs to happen instead. Also more smaller kids friendly playgrounds and splash pads would be fun.	1/9/2024 5:13 PM
962	More accessible walking and bike paths. Improving secondary water system.	1/9/2024 5:13 PM
963	Walk ways in the older neighborhoods	1/9/2024 5:11 PM
964	More local theater productions that my kids can participate in and we can attend.	1/9/2024 5:11 PM
965	TRAFFIC! getting east to west through riverton is difficult. Non riverton residents are the problem traveling through riverton	1/9/2024 5:11 PM
966	Special Needs equipment at more parks. Add bus routes for elderly people	1/9/2024 5:11 PM
967	re-instate buses	1/9/2024 5:09 PM

Riverton Citizen Survey - December 2023

968	Maintain long term slow growth and avoid cramping the city with residencial explosion. Don't let developers mass produce unoriginal cookie cutter homes.	1/9/2024 5:09 PM
969	cut traffic flow	1/9/2024 5:08 PM
970	Indoor Rec center for community & school use- Wrestling, winter soccer training, swimming. More sit down restaurants. Mtn View Village parking & traffic flow is terrible & dangerous.	1/9/2024 5:07 PM
971	Riverton needs to coordinate with S.Jordan and Herriman to solve the East-West traffic between Mountains View and I-15. Development should not be the city's only priority.	1/9/2024 5:06 PM
972	Better quality water	1/9/2024 5:05 PM
973	More entertainment and sit down dining options near "downtown" area would be great. Dress up yhe plaza's there are and build new next to downtown. Eliminate hige complex style houseing projects.	1/9/2024 5:05 PM
974	Mess multi dwelling developments	1/9/2024 5:03 PM
975	A rec center. More housing and retail development on the east half of the city.	1/9/2024 5:02 PM
976	My husband and I like to go out to nicer non chain restaurants for a nice sit down dinner, so more options like that would be great, but we also know that fewer people actually take the time for that, so it may not be ideal for a restaurant owner.	1/9/2024 5:01 PM
977	Fewer smoke/vape places, improve some of the roads (redo them, not just recover them), do NOT put in a train/trax down 12600.	1/9/2024 5:01 PM
978	There is way too much traffic! Stop building so many high density houses, town homes and apartments. Also, the lights around Mountain View Village need to be timed better.	1/9/2024 4:59 PM
979	More speed signs that tell you how fast you are going.	1/9/2024 4:59 PM
980	Better streets. I live in a cul de sac and it feels like we're never thought about.	1/9/2024 4:58 PM
981	The feeling of community and safety. The personal and collective responsibility the residents feel seems to make that possible.	1/9/2024 4:58 PM
982	more sit down dinners	1/9/2024 4:57 PM
983	Better traffic flow	1/9/2024 4:55 PM
984	Trash cleanup on bangeter.	1/9/2024 4:55 PM
985	Fitness amenities/rec center Downtown area needs better beautification efforts. Turf on park strips is ghetto.	1/9/2024 4:55 PM
986	Prioritize single family dwellings. Back off of all this multi-tenant crap. We are swimming in traffic. Its always rush hour now.	1/9/2024 4:53 PM
987	Improved west bound traffic on 134th south and 126th south (too many cars)	1/9/2024 4:53 PM
988	Provide the Riverton Arts Council with necessary funding to allow them to become a viable entity that can produce quality theatrical productions and provide opportunities for actors in the community. Compared to Draper, Sandy, Herriman, etc. we are behind the curve. BTW - The multipurpose facility near city hall is not a good facility for productions.	1/9/2024 4:53 PM
989	Improve/Complete the sidewalk on east side of 2700 West between Bangeter and 13400 South.	1/9/2024 4:52 PM
990	Lower property taxes. Give an exemption or discount to all veterans, regardless of their disability	1/9/2024 4:51 PM
991	More Restaurants	1/9/2024 4:51 PM
992	More community recycle days thru-out the year.	1/9/2024 4:50 PM

994	Adding more spaces for small businesses in the heart of Riverton, not the Riverton/Herriman area.	1/9/2024 4:49 PM

Riverton Citizen Survey - December 2023

995	Our own recreational facility. tired of going to South Jordan rec center. We also need to build a larger outdoor swimming pool. Put the speed dumps back in our neighborhood.	1/9/2024 4:49 PM
996	Stop building. We don't need all our land/space use for more dentist & soda shops. JMO	1/9/2024 4:48 PM
997	More classes on life aspects for up and coming future generations	1/9/2024 4:48 PM
998	Less sardine style housing. It used to be a nice quiet city and now we are just trying to cram as many people in every piece of land you can find.	1/9/2024 4:47 PM
999	Less high-density development. More AFFORDABLE housing.	1/9/2024 4:46 PM
1000	A recreation center and health club	1/9/2024 4:46 PM

1006	Either implement major enforcement of current speed limit on 12600 South or lower the posted speed limit.	1/9/2024 4:44 PM
1007	I am right on the Riverton/Herriman border. I like the way that Herriman hosts many activities at their parks. (I live near the Crane Park) Their is a large electric sign right on 13400 S that displays upcoming activities and events. Maybe Riverton has similar things that I do not see. (Sometimes it feels like our little peninsula of Riverton is forgotten. I live near Monarch Meadows park) I really enjoyed the Quarantine Car Show Parade and Monsters in the park they had a couple years ago.	1/9/2024 4:43 PM
1008	I would love to see a community theater program in Riverton	1/9/2024 4:40 PM
1009	Continue to keep growth of multi family dwelling residences to a minimum, more running trails.	1/9/2024 4:39 PM
1010	fix 1300 west. dont allow structures that do not conform with the architecture of the area. Plow ALL of the streets/neighborhoods in the city at least once before doing multiple passes on every other street in the city.	1/9/2024 4:39 PM
1011	More open space, recreation and better restaurants	1/9/2024 4:36 PM

1015	Upkeep of baseball fields	1/9/2024 4:34 PM
1016	Low taxes and small govt. don't do woke stuff. We love friendly police and obeying the law. Ban wind chimes	1/9/2024 4:34 PM
1017	Speed bumps on 12800 S in front of the park and rodeo arena. I live on 128th and people fly through here all the time.	1/9/2024 4:34 PM
1018	Better east-west traffic arteries. Better public transit.	1/9/2024 4:32 PM
1019	I don't have any suggestions.	1/9/2024 4:31 PM
1020	Someone to answer 911 calls	1/9/2024 4:27 PM
1021	Better water pressure More dining options	1/9/2024 4:27 PM
1022	Bring in a grocery store close to Bluffdale. It's ridiculous we have so many homes and no store nearby!	1/9/2024 4:26 PM
1023	STOP THE WIIND!! :)	1/9/2024 4:24 PM
1024	There is too much building and our roads are not able to handle the traffic.	1/9/2024 4:23 PM
1025	I think the development or building of a rec center in the city, possibly where the current city	1/9/2024 4:23 PM

Riverton Citizen Survey - December 2023

	pool sits by the golf course.	
1026	More affordable housing	1/9/2024 4:20 PM
1027	Our city officials and administration are offensively pushing their religious beliefs.	1/9/2024 4:20 PM
1028	Public transportation is clunky at best and non-existsnt at worst Need a dog park. Riverton should have a rec center	1/9/2024 4:19 PM
1029	police force doesn't respond very quickly and doesnt ticket riverton citizens that cause damage to people's property	1/9/2024 4:18 PM
1030	The roads. Traffic is ridiculous, especially in the 13400 area - there are not enough ways to get out to bangerter or other streets - if there was an emergency and we had to be evacuated we would be absolutely screwed. Holiday and weekend traffic is a joke.	1/9/2024 4:17 PM
1031	More police enforcement of the laws.	1/9/2024 4:17 PM
1032	Less traffic	1/9/2024 4:16 PM
1033	Build only single family homes, put god back in our courts and life and stop building Riverton bigger. It's ruining it, not making it better	1/9/2024 4:16 PM
1034	At Canyonview Park the park is VERY DARK AT NIGHT, even with the street lights, which makes it feel unsafe. Maybe try swapping out bulbs in each street light for the brightest LED lights, it would hlep light up the park and the street more. There are always people at the park at CANYONVIEW and it is scary that it is so very dark and the street lights don't do much to light it up, especially in the back corner of the park near the stone retaining wall. What if some solar lights were added. There's also a street light that was hit that is down and needs to be replaced or added still.	1/9/2024 4:15 PM
1035	More sit down restaurants.	1/9/2024 4:14 PM
1036	Lower property taxes.	1/9/2024 4:14 PM
1037	Bigger lots. More open space.	1/9/2024 4:13 PM
1038	More sit down restaurants and entertainment that's affordable	1/9/2024 4:12 PM
1039	Not a fan of Air BnB in a single family dwelling and having to pick-up after the party or event, as home owner is not present.	1/9/2024 4:11 PM
1040	Christmas around the park. Bringing back the old Halloween activities and Easter	1/9/2024 4:11 PM
1041	Keep showcasing positive examples of Riverton residents who show community loyalty and good citizenship.	1/9/2024 4:10 PM
1042	No construction of apartment buildings. Single family homes will keep it family oriented.	1/9/2024 4:10 PM
1043	Parks.	1/9/2024 4:10 PM
1044	Limit new commercial development.	1/9/2024 4:10 PM
1045	Better quality drinking water would be appreciated. We have to filter it all. Were fairly close Redwood and 12600 S.	1/9/2024 4:09 PM
1046	More sit down restaurants and better neighborhood snow removal	1/9/2024 4:09 PM
1047	better traffic law enforcement.	1/9/2024 4:09 PM
1048	Faster rollout of Google fiber	1/9/2024 4:09 PM
1049	The last time I met with Riverton planning and zoning any of their utility people they made me feel like they thought they were better than I	1/9/2024 4:09 PM
1050	Traffic enforcement. I have witnessed so many cars run red lights that I don't feel safe driving	1/9/2024 4:08 PM
1051	Better road planning, traffic is out of control.	1/9/2024 4:08 PM
1052	Better Internet.	1/9/2024 4:07 PM
1053	I would like to see a heart of Riverton, like a downtown. A place that is easy to catagorize as Riverton. Some of Riverton is easy to mistake for other neighboring cities.	1/9/2024 4:07 PM

Riverton Citizen Survey - December 2023

1054	Less Traffic	1/9/2024 4:07 PM
1055	Open space, love the small farms and farm animals. Give them an incentive/ tax break etc. Not to sell out to builders, this is coming from a builder!	1/9/2024 4:06 PM
1056	Obviously the growth is the south/western section of the city and it seems like that is always the focus for new businesses, restaurants and facilities. Being a resident of the "original" portion of Riverton I find that the traffic and congestion to get to these newer areas is discouraging and therefore we travel to Sandy or South Jordan for most of our social outings. I would like our sales tax dollars to be going to our city, but the nightmare of traffic and large crowds of people deters us from wanting to go to these newer areas.	1/9/2024 4:06 PM
1057	More effort towards long time residents and not so much about getting more people to move here.	1/9/2024 4:06 PM
1058	Open space, love the small farms and farm animals. Give them an incentive/ tax break etc. Not to sell out to builders, this is coming from a builder!	1/9/2024 4:06 PM
1059	Encouraging more volunteerism by implementing more activities/events to solicit more volunteer opportunities. When organizations encourage and secure volunteering efforts, citizens pride, engagement and activism will grow and deepen.	1/9/2024 4:06 PM
1060	Stop building high density housing.	1/9/2024 4:06 PM
1061	rec center	1/9/2024 4:05 PM
1062	We would really love more grocery options, Petersons just doesn't cut it. Would love to see a Smiths and a Target come to Riverton!	1/9/2024 4:05 PM
1063	More community productions - plays, talent shows, musicals, etc. Those were foundational in my youth and want the same for Riverton's kids!	1/9/2024 4:05 PM
1064	Less noisy traffic. More snow plowing	1/9/2024 4:04 PM
1065	Higher commercial tax base and reduce residential property taxes	1/9/2024 4:04 PM
1066	Stop with building apartments and condos.	1/9/2024 4:03 PM
1067	Code enforcement on single family homes	1/9/2024 4:03 PM
1068	No more high density housing	1/9/2024 4:03 PM
1069	Rec center, more availability of walking trails besides the Jordan trail	1/9/2024 4:03 PM
1070	Continued traffic and road maintenance	1/9/2024 4:03 PM
1071	Too many loud cars and a lot of street racing going on. Aerial Exploding fireworks should not be allowed to respect our veterans and pets. Non exploding non aerial fireworks are much more enjoyable. Leave the aerals to the professionals.	1/9/2024 4:03 PM
1072	No more housing	1/9/2024 4:02 PM
1073	Stop building. This town is better small. Building the community by packing everything together is bringing in the wrong crowds.	1/9/2024 4:01 PM
1074	Better dining & entertainment options near 12600 S Redwood	1/9/2024 4:01 PM
1075	More money put into maintaining existing roads	1/9/2024 4:01 PM
1076	Much less high density housing!!	1/9/2024 4:00 PM
1077	N/a	1/9/2024 4:00 PM
1078	If the traffic wasn't so horrible from 3 to 7 every day. I make a point to stay home because between all the school traffic and the commuters the roads are SO crowded all the time.	1/9/2024 4:00 PM
1079	Have a community rec center	1/9/2024 4:00 PM
1080	The traffic congestion caused by our neighboring communities is having a severe impact on Riverton. All of this Multi Family housing is putting WAY too much pressure on Riverton's access street	1/9/2024 4:00 PM
1081	Rec center.	1/9/2024 3:59 PM

Riverton Citizen Survey - December 2023

1082	Slow down with building apartment complexes. The busier the streets, the worse you'll make it living here.	1/9/2024 3:59 PM
1083	No more high density housing and preserve more public space- more walkable city	1/9/2024 3:59 PM
1084	Stop focusing on historic/downtown Riverton. The majority of residents live further west. Bring business and activity west of 3600w!!	1/9/2024 3:59 PM
1085	More grocery stores	1/9/2024 3:59 PM
1086	Stop further high density housing!!!!'	1/9/2024 3:59 PM
1087	The ever increasing cost of property taxes.	1/9/2024 3:58 PM
1088	Stop building condensed housing.	1/9/2024 3:58 PM
1089	A rec center	1/9/2024 3:58 PM
1090	Less people	1/9/2024 3:57 PM
1091	More concerts in the park	1/9/2024 3:57 PM
1092	Plow my residential streets. We live on the border near Herriman, and our Riverton roads are always icy and not plowed. Street overnight parking rules in winter is not unforced and it's so icy and snowy. As soon as we turn onto Herriman streets they're always salted and plowed. We are on wild mare way in the western springs neighborhood	1/9/2024 3:57 PM
1093	Trax and rec center	1/9/2024 3:57 PM
1094	Fix the traffic issues at 12600 S and Mtn View Corridor.	1/9/2024 3:56 PM
1095	More reasonable zoning codes. There are some zoning codes that have no impact on fire safety and as well no impact on my neighbors. There is no reason for these codes. The codes should be reviewed and adjusted accordingly.	1/9/2024 3:56 PM
1096	Better water Less 5G towers	1/9/2024 3:56 PM
1097	E-W traffic control, especially with the development going on in Herriman.	1/9/2024 3:56 PM
1098	A live Theater location where community events could be performed, not Sandra Lloyed Center, but a place with theater seats, good sound and semi-professional productions could be performed.	1/9/2024 3:56 PM
1099	Less apartment complexes and townhomes.	1/9/2024 3:56 PM
1100	Putting gates up on the entrances to the walking trails. There are too many motorized vehicles on the trails--golf carts, ATVs, etc. There are signs posted but people don't follow the signs.	1/9/2024 3:55 PM
1101	Community Recreation Center! I've thought for a long time that a partnership between Riverton, Bluffdale, and/or the county to build a nice rec center is needed and could be very beneficial. Either on the land behind Wardle Fields in Bluffdale (county owned) or on the 40 acre lot at 13400 S. 2700 W. (privately owned). This of course would be a large investment, but it's very needed for this part of the county.	1/9/2024 3:55 PM
1102	Connected walking/biking trails through the city. A rec center.	1/9/2024 3:55 PM
1103	Need to get rid of all parking under the via-dock at Bangerter and all on Hamilton rd	1/9/2024 3:55 PM
1104	Less people allowed to join secondary water. The pressure is terrible	1/9/2024 3:54 PM
1105	Don't approve large apartment complex or building of way too many homes squished into small areas. Keep urban sprawl to a minimum. Keep the feel of a smaller town, much more neighborly and nice that way. More family restaurants (not chains), more small business or family business similar to Kinlands Farm.	1/9/2024 3:54 PM
1106	Enforcing dog leash laws	1/9/2024 3:54 PM
1107	More child entertainment options	1/9/2024 3:54 PM
1108	More community events	1/9/2024 3:54 PM
1109	Follow Herriman's lead. They have a really nice rec center, skating rink, more options for	1/9/2024 3:54 PM

Riverton Citizen Survey - December 2023

children's sports, a bigger library, overall better community events and ways to bring the community together. Mountain view is awesome but it is in closer proximity to Herriman than most of Riverton. Riverton does have a better firework show.

1110	Keep Riverton awesome and on the DL.	1/9/2024 3:54 PM
1111	Plow Circle Streets. We pay taxes just the same as thoes not living on a Circle.	1/9/2024 3:53 PM
1112	Stop building apartments	1/9/2024 3:53 PM
1113	Dog park	1/9/2024 3:53 PM
1114	With Mountain View Village here, it has helped the city tremendously with all the shopping and food options here.	1/9/2024 3:52 PM
1115	Traffic is getting horrendous - we need to have better traffic planning as the area continues to grow. Also, there are a lot of chronically barking dogs and I've had little success in getting city support in quieting/controlling them.	1/9/2024 3:52 PM
1116	More green to clean the air. Embrace the Urban Forest, plant trees like a forest with pathways on City properties - start by lining all park sidewalks with massive trees on the park side (not park strip) massive enough to shade sidewalk and part to half road. Every pavilion, play structure, and bench under a tree canopy. Keep lawn for sports actives but replace extra lawn with wood chipped walking paths through flower, art, pollinator, and butterfly gardens. Public WiFi in every park and city building (outside too) Maybe start a driverless shuttle around the City Hall Plaza, that could later be expanded to Mountain View Village or other Riverton areas (Monarch Meadows, etc)	1/9/2024 3:52 PM
1117	Traffic cams to ticket people for running red lights. It is getting very dangerous and people are dying. people need to be held accountable. We as residents deserve clean drinking water no PFAS should be allowed in any amount in our drinking water. High density housing is terrible for the climate in Utah. Why shove more people in a desert where water becomes an issue with sustaining life because there is not enough. Destroying ego systems is not the way to go about making money and shoving as many people as you can into a city. It is getting so miserable.	1/9/2024 3:52 PM
1118	Better road maintenance & more consistent plowing in the winter. At least 3/4 of storms our street never gets plowed. I understand that it's likely in the lowest category to get the service, and that's fine. But never getting the service at all is unacceptable when I'm paying the same as everyone else in the town whose roads are regularly plowed.	1/9/2024 3:51 PM
1119	Less high density housing.	1/9/2024 3:51 PM
1120	Dramatic need on 3600 W between 12600 S and 11800 S to add speed bumps, traffic circles, or AT LEAST to lower the speed limit to 25mph. Enough with the constant trucks and the earthquake-producing manhole covers. The new approx 4000 W North South connectors from 13400 S to 10400 S can much better accommodate all this thoroughfare traffic than the residential neighborhoods along 3600 W.	1/9/2024 3:51 PM
1121	It would be so nice to have a Recreation Center. I really feel like Riverton misses out by not having one.	1/9/2024 3:49 PM
1122	More walkable city for shopping and restaurants.	1/9/2024 3:49 PM
1123	Would love more pickleball courts or a recreation center of some sort	1/9/2024 3:49 PM
1124	More community events	1/9/2024 3:49 PM
1125	Walking trails and a rec center.	1/9/2024 3:49 PM
1126	Less housing on small parcels of land. We aren't sardines.	1/9/2024 3:48 PM
1127	Cleaning of sidewalks running along mountain view corridor. I feel safer riding my bike on the sidewalks but there are many rocks and road debris and I worry about flats.	1/9/2024 3:48 PM
1128	Our own fire department. UFA is no good	1/9/2024 3:48 PM
1129	Getting out of Salt Lake County and Jordan School District	1/9/2024 3:47 PM
1130	Do more things that get businesses involved in the community.	1/9/2024 3:47 PM

Riverton Citizen Survey - December 2023

1131	Salt the roads after smallish snowstorms and don't take so long to plow the neighborhoods. Eliminate Trent Staggs as mayor cuz he's a political hack that's more worried about his political career than Riverton.	1/9/2024 3:46 PM
1132	Bike friendly lanes	1/9/2024 3:46 PM
1133	Rec center with swimming pool and other amenities.	1/9/2024 3:46 PM
1134	control speeding on roads. Noise ordinance	1/9/2024 3:46 PM
1135	Better roads	1/9/2024 3:46 PM
1136	.	1/9/2024 3:46 PM
1137	No more housing or useless building.	1/9/2024 3:45 PM
1138	Less Traffic on roads	1/9/2024 3:45 PM
1139	Balance between amenities on the east and west sides of the city.	1/9/2024 3:42 PM
1140	Update schools, better road care, faster plowing in winter	1/9/2024 3:33 PM
1141	Bring more businesses to Riverton.	1/9/2024 3:03 PM
1142	Hiring more police officers and retention of all levels in the police department.	1/9/2024 2:50 PM
1143	I'm always having to drive to draper or South Jordan for shopping and dog parks.	1/9/2024 2:07 PM
1144	More dog parks	1/9/2024 1:58 PM
1145	Less grass and more native plants at parks Multi-family housing More diversity of people, cultures, and economics	1/9/2024 1:22 PM
1146	Musical theatre opportunities	1/9/2024 1:03 PM
1147	I think we should pull the weeds off the traffic islands on the streets. We don't want to look like Salt Lake.	1/9/2024 12:50 PM
1148	Speed bump on my street that people seem to think is a raceway. No more apartments. Just calm down with that.	1/9/2024 11:44 AM
1149	If we somehow didn't have to have residents from other cities commuting through Riverton every day.	1/9/2024 11:33 AM
1150	Parks, trees, open space, trails	1/9/2024 11:15 AM
1151	More and better bike paths! Make areas more friendly to pedestrians and bikes and not just cars! The best cities make all forms of transit viable, not just one! Mixed use zoning to make better use of shrinking available land	1/9/2024 11:06 AM
1152	More entertainment options, better use of park/dome	1/9/2024 11:02 AM
1153	Speed Enforcement on all major roads, we live at 13087 South 1300 West.... speeding is getting worse. We never see police officers writing tickets or enforcing the 30 mph speed limit on our street.	1/9/2024 10:45 AM
1154	Too much traffic. Avoid high density housing. Soehow route traffic away from riverton for those living in herriman. Their housing problems are causing riverton residents traffic congestion. More crackdown on porch package thieves.	1/9/2024 10:24 AM
1155	I'd like to see fireworks restricted. The city does a very nice show every year. That should be enough. I despise the month of July. Personal fireworks are out of control. Last year, our neighbor shot one off that barely missed our garage door and a dry evergreen and scorched the spot on our driveway where it landed. Why do the pyromaniacs have more rights than the rest of us? Aerials, etc. do not belong in densely packed neighborhoods. And what about digital fireworks? Riverton could be a trendsetter by switching.	1/9/2024 10:08 AM
1156	I wish the air quality was better but a state issue. Better roads to the expanding communities west and south of Riverton. Our roads are inundated with commuters from Herriman and Bluffdale now.	1/9/2024 9:29 AM
1157	Flow of traffic in and around Mountain View Village. I avoid that area most of the time do hard	1/9/2024 9:17 AM

Riverton Citizen Survey - December 2023

access or time to just drive a short distance. Also, more entertainment or activities for citizens in evening/night. Everything looks like a "ghost" town by 8 PM even on weekends.

1158	Less high density housing	1/9/2024 7:10 AM
1159	Sorry but there is a small list: We have grown too much. There should be more ag land. The fact that pigs are not allowed The ag use of land is not encouraged Stop making me pay for the secondary water system I don't use You get the picture. I miss riverton the way it was 20 years ago	1/9/2024 6:00 AM
1160	Less high density housing. Herriman is loaded with Venezuelan refugees in many of their high density housing. They are driving cars unlicensed and many uninsured.	1/8/2024 11:45 PM
1161	Less traffic and less high density housing.	1/8/2024 10:42 PM
1162	Riverton is missing hospitality businesses (hotels).	1/8/2024 10:35 PM
1163	A recreation center state of the art with indoor/outdoor pool fitness center etc. something like the Kearns rec center, or Provo rec center. Something we can can family memberships too at discount prices because it's in our city.	1/8/2024 10:00 PM
1164	Keep public park bathrooms unlocked and functional in the winter months—and at the very least the fall/spring months.	1/8/2024 9:57 PM
1165	More quality sit down restaurants! And develop them in the old downtown area! And to keep Riverton better, NO additional large shopping centers or malls. Particularly, NO MORE strip malls! We need no more. Enough already!	1/8/2024 9:48 PM
1166	Let businesses advertise outside their businesses. That really does help them draw business.	1/8/2024 9:29 PM
1167	Improved parks and recreation availability. Current parks need better upkeep. Would love to see a Riverton rec center.	1/8/2024 8:40 PM
1168	There are many traffic issues that beg for improvement.	1/8/2024 8:27 PM
1169	I wish we had a "do not block intersection' painted on the street at the entrance of the Canyonview Park neighborhood	1/8/2024 7:19 PM
1170	Less high-density residential development.	1/8/2024 7:14 PM
1171	Sometimes the houses are too close together. The utility boxes in the front yards should be on the property lines and not obstructing access to the side yard.	1/8/2024 7:05 PM
1172	Running and biking trails not sidewalks	1/8/2024 6:51 PM
1173	Future planning with the Point to handle traffic. Perhaps look into public transportation to/from the Point	1/8/2024 6:40 PM
1174	Fix traffic problems. East west traffic is so terrible	1/8/2024 6:00 PM
1175	I would like to see curbside pickup of trash twice a year (or even once) rather than providing dumpsters at a location such as a park. Some of us don't have trucks to haul large items to dumpsters or the landfill.	1/8/2024 5:54 PM
1176	I think a historical, pioneer and/or western themed main street would be awesome. Could include small bistros or shops. An example would be downtown Fredericksburg, VA. It's got a lot of history, because it's on the East Coast, but it can be similar here in Riverton, to attract tourists.	1/8/2024 5:47 PM
1177	Every winter 12600 S. passing through the river bottom gets shut down because it iced over and cars can't drive up the hill.	1/8/2024 5:40 PM
1178	Access to compost. Lobby for county to restart the green waste services at the Trans Jordan landfill.	1/8/2024 5:20 PM
1179	Pave the roads next to the canals for more biking / walking options	1/8/2024 5:08 PM
1180	Monthly curbside large trash collection.	1/8/2024 5:03 PM
1181	My family loves to ride bikes. We'd love to see more bike paths - both paved trails and trails for mountain biking. I've also heard rumors of an off leash dog park at Wardle fields. We would love that too!	1/8/2024 5:00 PM

Riverton Citizen Survey - December 2023

1182	No comment	1/8/2024 4:59 PM
1183	More Pickleball Courts. Not just at Riverton Park. So many people come from other areas to play.. it really sucks.	1/8/2024 4:53 PM
1184	Affordable housing. Which is needed everywhere in Utah these days. Also, a Museum so people can observe the farming community we used to be. Great people made this town. Cleaner streets. More people more garbage. I've noticed more trash along the roads.	1/8/2024 4:52 PM
1185	I would like more sit down restaurant options near the downtown area or on the eastern side of the city. The new development near Mountain View corridor is nice but a little too far and too much traffic for me to enjoy that area.	1/8/2024 4:50 PM
1186	Rugby Field	1/8/2024 4:42 PM
1187	More retail and dining options. If there is any way of having the town days parade continue traveling down 13400 S rather than turning onto 2700 W, that would be much more pleasant. There is a lot more shade and grassy areas west of 2700.	1/8/2024 4:09 PM
1188	Update skatepark and add pump track. More trees and greenery. Fix roads and make them smooth. Put in a Riverton Healthfood store.	1/8/2024 3:11 PM
1189	Goodness, if traffic wasn't such a universal issue! Little things... I liked that contest where you submitted a receipt from a local business for a gift card drawing. Was fun. Felt involved. Oh, stop people driving through Petersons PARKING LOT because they're too lazy to use the roadway! For safety sake! (Everyone's done it!)	1/8/2024 2:48 PM
1190	More access to public transportation to reduce traffic	1/8/2024 2:24 PM
1191	I don't see a good recreation center in Riverton yet. More park area and trails should be provided. Also, more retail/dining shop would be beneficial to residents.	1/8/2024 2:20 PM
1192	A weekly farmer's market during the summer season would be fantastic! Also - a Riverton city rec center would be great. If it were built more towards the center of town, that would bring a lot more people into the city center. Every community surrounding us has one. Residents are able to participate with no or very low costs incurred. This would be great for the senior citizens to be able to walk, swim, or do light exercises inside and without feeling pressure to hurry as the young people want to hurry in and out.	1/8/2024 1:58 PM
1193	There's a hole of mud and standing water at the bottom of Margaret Park from spring to fall. You you please move one of the grates nearby so the mud hole doesn't form every year? The park is the only way I have to exercise my dog, and it ruins my day when my dog gets wet and muddy. Plus, that standing water is probably a breeding ground for mosquitos. Thank you!	1/8/2024 1:17 PM
1194	A community symphony or stage band.	1/8/2024 12:45 PM
1195	Family fitness center	1/8/2024 12:23 PM
1196	Decrease of noise from loud pipes on cars and trucks.	1/8/2024 12:20 PM
1197	Well if everything were free that would be great.	1/8/2024 12:17 PM
1198	Forward thinking traffic planning to plan for and accommodate growth rather than trying to play catch-up and falling behind the curve. Also, aggressive consistent traffic enforcement is needed to mitigate the contentious, selfish and almost combative attitude on our public streets.	1/8/2024 12:16 PM
1199	Provide good quality water in the secondary system. The current secondary water system has extremely poor quality water and I'm forced to pay for an inferior product that I don't even use. Let me be clear, I think the secondary system works fine and the employees in the water department are top-notch, however nobody (MAYOR and CITY COUNCIL) has put in the effort to secure a water source that is not toxic to plants. Fixing this problem should be the (MAYOR and CITY COUNCIL'S) highest priority. I've had the current secondary water tested and it came back 2% salinity. That kills plants. I can take you through my neighborhood to prove it.	1/8/2024 12:13 PM
1200	I would love to see more festivals and markets. Also more consistent snow plowing in the winter. We live a block away from city hall and never know if or when our road will be cleared. We've had to miss work for multiple days because we couldn't get out. Our neighbor happens to have a truck and will take care of it on occasion, but depending on him to be home or up to clearing it is frustrating. Especially when we see the roads on either side of us get plowed.	1/8/2024 11:41 AM

Riverton Citizen Survey - December 2023

1201	intersection coming out of our neighborhood is the worst I've ever seen it as far as traffic and constant accidents. We've called and talked to riverton/herriman, they came to look at it, but Herriman keeps saying it's riverton's responsibility and vice versa. Nothing gets done and it just keeps getting worse.	1/8/2024 11:20 AM
1202	Encourage home owners to clean up their yards.	1/8/2024 10:45 AM
1203	Less building of houses. Traffic is horrible. I live on redwood and the motor cycle racing is a huge problem that no one seems to care about. There are multiple serious accidents every summer.	1/8/2024 10:39 AM
1204	I wish we had our own rec center so we didn't have to go to other cities.	1/8/2024 10:35 AM
1205	Weed out the old city staff that harbor entitlements or "good ole boy," systems. Parks and recreation need help!	1/8/2024 9:23 AM
1206	I believe there are locations that could be developed to create opportunities for archery.	1/8/2024 9:04 AM
1207	Upgrade the street lamp posts. They're falling apart in my neighborhood on Lampton view Drive!	1/8/2024 8:41 AM
1208	Better food places. The management seems awful at most food places in old Riverton.	1/8/2024 7:44 AM
1209	Better master planning Force better infrastructure for Herriman etc. we have too much congestion as they pass through Riverton	1/7/2024 10:55 PM
1210	Not have firing that chief	1/7/2024 10:38 PM
1211	Satisfied as is.	1/7/2024 10:36 PM
1212	I would love trails for mountain biking. Even though we don't have mountains with in the city, great trails could be made. Riverton High has a large mountain bike team but there are no good trails within the city.	1/7/2024 10:03 PM
1213	Decrease in petty crimes. We don't suffer from this a lot in our area but I do know other subdivisions do	1/7/2024 9:50 PM
1214	Safe Walking Routes for kids walking to and from school. Stop Signs, and crosswalks, sidewalks installed/added.	1/7/2024 9:05 PM
1215	Less high density housing	1/7/2024 8:08 PM
1216	A rec center with a pool, fitness and classes for all ages. In the historic downtown area.	1/7/2024 8:03 PM
1217	Bringing seasonal dumpsters to neighborhoods.	1/7/2024 7:49 PM
1218	Having oversized trash pickups on the curb for tree branches, Christmas trees, etc.	1/7/2024 7:39 PM
1219	Community performing arts center. A new mayor	1/7/2024 7:37 PM
1220	Higher end stores in the historic areas if it can support it as well a better local eating options ex farm to table not chain restaurants	1/7/2024 7:30 PM
1221	Winter time services, street and sidewalk clearing and salting of roads other than the main thoroughfare also clearing circle in a timely manner	1/7/2024 6:59 PM
1222	I would love to see more (shaded) walking paths and walking groups. I know there are Salt Lake County activities, but I would like to have more opportunities to interact with Riverton residents.	1/7/2024 6:48 PM
1223	NOT allowing the trax system to come. That increases traffic and deaths. Funds to support the abandoned trashed houses.	1/7/2024 6:40 PM
1224	Turning left out of neighborhoods on 12600 without a light is hard	1/7/2024 6:27 PM
1225	More common sense winter parking regulations. The current law leaves us with no place to park whatsoever and is frankly ridiculous. Also, more bars. I don't want to have to leave my city every time I want a drink outside the house	1/7/2024 6:12 PM
1226	More dinning options	1/7/2024 6:04 PM
1227	increase variety of sit down restaurants (Mountain View Village has helped lots!!)	1/7/2024 5:59 PM

Riverton Citizen Survey - December 2023

1228	Lower property taxes so I won't need to move.	1/7/2024 5:49 PM
1229	less light pollution	1/7/2024 3:49 PM
1230	I would appreciate having all types of hard plastics be something that Riverton recycling services would pick up for recycling. As it stands, with just plastic bottles and jars being accepted, I have to collect a lot of hard plastics like berry clamshells, salad greens containers, and tomato containers, and then take them all the way up to Park City's Recycle Utah periodically.	1/7/2024 3:46 PM
1231	Pickleball courts, more East and West road access to limit the increasing traffic, especially near 84096 zip code.	1/7/2024 3:41 PM
1232	Better east west corridors!!!! Get rid of mass building of crappy townhomes, condo, etc. There is no community recreation center	1/7/2024 3:28 PM
1233	Better traffic control (changing the entrance to schools to not be off a main road).	1/7/2024 2:00 PM
1234	better advertising for city amenities so residents (esp. new residents) know what is available. i.e. better children's and adult programs at the library. A community rec center would also be enjoyable for reduced price access to junior league sports, sports & fitness equipment, and children's summer activities.	1/7/2024 1:51 PM
1235	Nothing comes to mind.	1/7/2024 1:42 PM
1236	We desperately need public transportation. We need better snow plowing in cul de sacs. We need a dog park and a rec center.	1/7/2024 1:37 PM
1237	I live on 1300 w near 13200 s. I would love to see more speed enforcement such as speed bumps. The speed limit is posted as 25mph and we have vehicles traveling extremely fast. There is also no side walk in this area. I feel having speed bumps would make the road and my home more safe. And having a side walk would also be more safe to travel. Thank you	1/7/2024 1:10 PM
1238	With the popularity of pickle ball, it might be nice to have some more courts.	1/7/2024 1:10 PM
1239	More police presence in neighborhoods where juveniles and adults speed and drive recklessly. There is a lot of underage kids driving off road vehicles through residential areas.	1/7/2024 12:28 PM
1240	It's pretty good in most aspects.	1/7/2024 12:14 PM
1241	Recreation center	1/7/2024 12:12 PM
1242	With the revitalization push (which is a good thing) we need more sit down restaurant's and walkable retail!	1/7/2024 11:54 AM
1243	stop building more homes keep the population down to a min	1/7/2024 10:56 AM
1244	Better street lighting, trees on Redwood Rd. You know the second you leave So. Jordan. No junk cars, garbage, weeds in peoples yards, cleaner roads. Bring back Texas Roadhouse.	1/7/2024 10:50 AM
1245	Not sure	1/7/2024 10:46 AM
1246	Stop building so many places. Designate areas not for homes, apartments or townhouses, but rather open spaces like parks or just grassy fields.	1/7/2024 10:40 AM
1247	We need more access to swim pools this side of the valley. There are very few options for high school and age group kids to participate. Having to drive out of the city and share a pool does not seem like good long term solution.	1/7/2024 10:30 AM
1248	We need less high density housing, more trails, and dog parks.	1/7/2024 9:48 AM
1249	Keep better control of the people that sell drugs. Improve the smaller neighborhood parks.	1/7/2024 9:37 AM
1250	I would like to see more non chain non fast food restaurants. We hardly eat in Riverton because the selection isn't great.	1/7/2024 9:01 AM
1251	PLEASE improve the playgroud area *and* the tennis court (maybe convert to pickleball!!!) of the park in the rose creek neighborhood. Corner of Chamonix and Pyrenees. Please, it would greatly improve this area in Riverton!	1/7/2024 8:22 AM
1252	STOP SELLING OUT AND BUILDING MORE McMANSIONS!!!! Hate that you're allowing as	1/7/2024 8:19 AM

Riverton Citizen Survey - December 2023

many homes to be built as possible. All the land and habit for wild animals is gone. It's a disgrace. WE NEED GREENBELTS!!!! Let us legally walk the trails along the canals!!!

1253	As the Mountain View Village area continues to grow, I believe that the 13400S will not be able to sustain the continued growth and will need to eventually be expanded or remedied.	1/7/2024 7:20 AM
1254	Doing something about the street racers.	1/7/2024 7:08 AM
1255	I feel that Riverton has enough car washes With all our water problems we don't need to develop every square footage in to megaplexs.	1/7/2024 12:56 AM
1256	Arrest the person breaking into cars in our neighborhood.	1/6/2024 11:26 PM
1257	Bring the demolition derby back	1/6/2024 11:25 PM
1258	Improve transportation More entertainment More Restaurants	1/6/2024 11:12 PM
1259	Keep taxes low.	1/6/2024 11:00 PM
1260	Less people	1/6/2024 10:58 PM
1261	Reduce the number of multi-tenant residences added to the community. Ignore Federal guidelines that are intended to eliminate suburban style communities. Avoid increasing the population density.	1/6/2024 10:46 PM
1262	Improve the walkability and bicycle access of Riverton. We need more safe paths in order to reduce the need to drive cars everywhere.	1/6/2024 10:14 PM
1263	Roads improved and lit	1/6/2024 10:01 PM
1264	More tennis courts at public parks Weekly recycling pickup Better roads to handle traffic esp 13400 S Less speed traps on 4000 W between 12600 and 13400 S where there is nothing there yet the limit is only 35	1/6/2024 9:43 PM
1265	I would really love an annual or semi annual bulk clean up at the curb or dumpsters in the neighborhood.	1/6/2024 9:36 PM
1266	Open facilities which could be used for interest group gatherings, I.e. modular model railroad. And then letting people know how to reserve such facilities.	1/6/2024 9:08 PM
1267	12600 s traffic is horrible.i appreciate the work on bangeter but we need held on our inner main streets. Need a rec center. Need a passport office.	1/6/2024 9:03 PM
1268	Drinking water quality is bad More trash cans on trails and in parks Trader Joe's grocery store	1/6/2024 8:29 PM
1269	Stop building so many apartments and high density housing. Possibly do something along redwood road to improve it, like Spanish Fork or Lehi city. There is still a feel in those cities of what the history was. Even Heber City still has an awesome Main Street with all their growth.	1/6/2024 8:12 PM
1270	Accountability from elected officials (Mayor Trent Staggs) and transparency about high turnover with city managers and police chiefs. Big politics for a little town!	1/6/2024 8:08 PM
1271	Stop approving high density housing in Riverton!	1/6/2024 8:02 PM
1272	Get rid of the ridiculous "Yield to U turns" sign at Dunhammer and 12600. There's no way to tell if someone is making a U turn; people who make U turns there do it numerous ways so you never know if they are turning left or making a U turn. Fewer concrete curbs down the middle of 12600 and Redwood. It makes it impossible to access some businesses and it forces TONS of people to make U turns at Dunhammer and 12600. The intersection often gets blocked in the mornings because people block access to Dunhammer from 12600 or to 12600 from Dunhammer.	1/6/2024 7:52 PM
1273	Traffic flow improvements around Mountain View Village	1/6/2024 7:49 PM
1274	It's a great place to live, But in July I would like to see more restrictions, put on fireworks in residential areas	1/6/2024 7:40 PM
1275	More neighborhood watch programs in the neighborhoods. I encourage the City Council and Police Department to continue with promoting and supporting this program. It is successful.	1/6/2024 7:39 PM
1276	Needs a better Mayor. Too extreme right wing. City owned properties cleaned up. Parks better maintained.	1/6/2024 7:39 PM

Riverton Citizen Survey - December 2023

1277	Hard to fix but the traffic congestion	1/6/2024 7:14 PM
1278	N/a	1/6/2024 7:10 PM
1279	Stop allowing high density developments.	1/6/2024 7:06 PM
1280	No more high density housing	1/6/2024 6:53 PM
1281	Buses, a lot of people could benefit from them.	1/6/2024 6:49 PM
1282	More desireable community events- concerts in the park.	1/6/2024 6:38 PM
1283	More police presence	1/6/2024 6:25 PM
1284	NO MORE HIGH DENSITY HOUSING. BRING BACK 0.25+ acre lots and single family homes	1/6/2024 6:09 PM
1285	Police department	1/6/2024 6:00 PM
1286	Better early childhood education facilities Improved fitness centers	1/6/2024 5:54 PM
1287	Theaters, public arena for venues and sports.	1/6/2024 5:49 PM
1288	No more building condensed housing. More open space.	1/6/2024 5:23 PM
1289	Bringing a facility similar to the Sports Mall in Murray. Need to have more access to tennis In this areas with indoor court option. Could bring a tennis and pickleball facility similar to the one in Springville, this place has indoor and outdoor courts for both sports. Bike trails and walking trails. The roads are too busy to safely ride on them anymore. Would like to bike to a park instead of always driving. Stop filling the open space with homes, the infrastructure in the south valley is not setup for the high density housing.	1/6/2024 5:08 PM
1290	I understand the logic behind the construction of Bangerter all at once but it has made commuting difficult with both exits under construction simultaneously. I've witnessed driver's get confused with all of the cones and they do panicked maneuvers to make their turn. I think it would make the streets safer to add better instructions around lane closures. This is just the beginning. I'm very excited for the changes though.	1/6/2024 5:01 PM
1291	Improved and increased number of trails	1/6/2024 4:31 PM
1292	It is to late to stop the population growth and shopping mall because government leaders didn't listen to the citizens, they only were concerned about more money for the budget because they like big government. Besides emergency services, the one thing the city government should be doing is keeping the roads repaired and potholes filled. Not doing a good enough job because the streets are constantly being torn up for pipes, etc because of the all the high density housing. Next will need more water and waste water capability and so will need to increase my taxes because of all the new people we should have restricted such growth to single family homes.	1/6/2024 4:14 PM
1293	Stability with police administration	1/6/2024 3:57 PM
1294	Nothing comes to mind	1/6/2024 3:56 PM
1295	More events held at different parks. The main park is too far for people in the 84096 area	1/6/2024 3:48 PM
1296	It's frustrating that we don't have a rec center. We have to drive to Herriman, South Jordan, or Draper for extracurricular activities. We are lucky we have several close options but it would be nice to have our own. The South county pool has ridiculous hours which makes it practically unusable. It would be nice to have more bike trails. An amphitheatre would be cool for plays and concerts as well.	1/6/2024 3:44 PM
1297	Traffic control. Better Rec areas	1/6/2024 3:29 PM
1298	The design of mountain Veiw village is awful. The 4 way stop is terrifying to drive through. The parking lot was very poorly designed. I shop at the district because of this.	1/6/2024 3:29 PM
1299	Traffic safety is a major concern of our family. Almost every time we are driving around we see many instances of cars not stopping at red lights or slowing down when the lights are yellow. We always wait a few seconds when the lights are green to go because we see some car barreling the cross direction or turning because they ran a red light. The high density housing being built is also adding significant strain on roads. Congestion had already gotten much worse on 13400 and with all the new construction of high density housing this is only going to	1/6/2024 3:01 PM

Riverton Citizen Survey - December 2023

get worse. This is going to aggravate drivers and increase the traffic safety issue I highlighted above because they are so frustrated waiting at lights so they refuse to stop or slow down at yellow and red lights.

1300	I would love it if we had a rec center in Riverton. I don't understand why we are one of the few cities around here that doesn't have one.	1/6/2024 3:00 PM
1301	Air quality (that's a tough one to fix)	1/6/2024 2:56 PM
1302	Minimize or eliminate the construction of dense housing.	1/6/2024 2:54 PM
1303	More programs like this. Having citizens participate more in the decision making of the city.	1/6/2024 2:48 PM
1304	I feel quite safe in Riverton, but I'd like to have better lighting. I would feel very unsafe to take a walk after dark. Specifically lighting on 12800 South would be nice. I would also like to see more local shops and entertainment options.	1/6/2024 2:43 PM
1305	Slow growth, good roads and transportation	1/6/2024 2:42 PM
1306	Spending more on public spaces and public events	1/6/2024 2:40 PM
1307	The less development the better. No high density housing. Please keep public transit out of Riverton. Also it would be great if you could put an end to the all day reservations of the pickleball courts by the YSA stake in the summer. These are public courts and it's not fair for them to take up all the courts for 8 hours at a time.	1/6/2024 2:35 PM
1308	Sidewalks along BOTH sides of 1300 w	1/6/2024 2:09 PM
1309	Less traffic congestion.	1/6/2024 2:01 PM
1310	Better air quality control, stronger gun control laws and more gun free zones, especially around schools,parks, etc	1/6/2024 1:52 PM
1311	secondary water is stinky and clogs the filters. city planning seems none existent since there are no decent walking or biking paths and random neighborhoods are just placed without any forethought to the community that will be living there. I would like to see a decent walking path place along Midas Creek like we were promised years ago. It is just a weed infested mess.	1/6/2024 1:52 PM
1312	Enforce code. Enforce residents and businesses to keep their property attractive. Stop allowing residents to split their houses into rentals.	1/6/2024 1:49 PM
1313	Better and wider roads, especally on the west side. Please remove turn island on 134th and Monark Meadows Prk, the south side heading north bound trying to make the left. Drivers can't see oncoming traffic due to double turning lane to go east on 134th. Lanes don't match up and younhave to wait because we can't see traffic in the 2nd lane oncoming.	1/6/2024 1:46 PM
1314	Stop building apartment buildings and multifamily dwelling complexes. Keep the town more like a farming and country town versus like any other rural area. Keep open lands and fields. Minimize traffic and congestion.	1/6/2024 1:35 PM
1315	Riverton needs its own Rec Center. We have to travel to Herriman or South Jordan for these amenities.	1/6/2024 1:25 PM
1316	A better postal system	1/6/2024 1:21 PM
1317	Lower taxes	1/6/2024 1:17 PM
1318	1 - Reduce noise pollution. Loud motor vehicles and motorcycles aren't difficult to spot, especially at night. - Patrol should enforce EPA standards. Noise pollution is harmful, it causes stress and negatively impacts humans and wildlife. 2 - Promote public transportation, to reduce air pollution, and congestion. 3 - Lead and incentivize water conservation efforts.	1/6/2024 1:07 PM
1319	Better public transportation access from the neighborhoods	1/6/2024 12:48 PM
1320	Take care of the trees you plant. Don't leave them to die. Also plant the right trees for the space, not 25' trees only 2' from a walking trail.	1/6/2024 12:18 PM
1321	Following through with events that are planned and partially executed. Herriman & So. Jordan do a much better job of organizing events and then executing them. Their announcements and support by elected officials says a lot for how they believe in their own city events. Honest and true transparency with Elected officials.	1/6/2024 12:08 PM

Riverton Citizen Survey - December 2023

1322	Quit providing things to the community and charges taxes. If a concept can't stand by itself as a business it is not needed. People need to provide and pay fir there entertainment. Keep government small and unobtrusive.	1/6/2024 12:02 PM
1323	Better East/West traffic	1/6/2024 12:01 PM
1324	Sponsor a spring and fall cleanup where trimmings or debris are placed at the curb and picked up. Similar to why Sandy city does.	1/6/2024 11:57 AM
1325	More dining options so not having to drive outside of city for other options	1/6/2024 11:40 AM
1326	Limit high density housing.	1/6/2024 11:37 AM
1327	Less high density housing! I'm all for developing land into neighborhoods but the mass amount of people living in small areas is making it suffocating!	1/6/2024 11:14 AM
1328	More manufacturing jobs/businesses.	1/6/2024 11:06 AM
1329	Since I live west of Mountain View, I don't really feel I live in Riverton. I very rarely see police drive around our neighborhood.	1/6/2024 10:58 AM
1330	More single family homes. More possible entertainment venues. Would really like a rec center in our town. Being able to get a reduced fee because we live in a city is beneficial.	1/6/2024 10:52 AM
1331	Better recycling or large trash pickup days. I'm not informed enough about the e-waste drop off dates. I think recycling training needs to happen as now cameras in the garbage trucks being monitored but no clear rules.	1/6/2024 10:49 AM
1332	Maybe more police presence on 12600 South. People are always speeding. SO much traffic on 12600 South. Less high density housing in the area and west.	1/6/2024 10:39 AM
1333	Stop building all the high density housing, traffic is bad enough already!	1/6/2024 10:39 AM
1334	Stop charging me for all the development I don't want, take the damn meter off my secondary water. Why do I have to be punished for the state's lack of planning	1/6/2024 10:28 AM
1335	More focus on outdoor recreation space.	1/6/2024 10:08 AM
1336	To not allow additional multi family dwellings in the area. Mainly referring to the huge number of mid-rises popping up in so many areas.	1/6/2024 9:52 AM
1337	MT view Corridor turned into a highway. Lower property tax	1/6/2024 9:38 AM
1338	Less traffic. Less pollution. Less high density housing.	1/6/2024 9:31 AM
1339	No high density housing, more businesses, especially for children's entertainment	1/6/2024 9:28 AM
1340	Water taste could be better.	1/6/2024 9:16 AM
1341	Don't snow plow me in.	1/6/2024 9:13 AM
1342	If the secondary water billing remains unchanged in the future (based on lot size)	1/6/2024 9:12 AM
1343	Restrictions on building unattractive bunker apartments. Could be better in some areas. Beautify the downtown area.it has no attraction	1/6/2024 9:00 AM
1344	Keep the transient population out. Remove unnecessary grass in park strips (on Park Ave) and around the cell tower/fenced in electrical area at the Riverton City Park. There is so much water wasted. Install dog clean up stations and garbage cans on far south sidewalk of said park. Hopefully that will remind night time teenagers to throw their garbage in a can not in the parking lot. I do a lot of walking around that park and surrounding area and these are things I've noticed over the years.	1/6/2024 8:53 AM
1345	I would love to see walking paths & even a rec center, during the winter months I would still like to be active and not have to drive far. I would also like to see more indoor entertainment facilities like Boondocks, axe throwing, airborne etc	1/6/2024 8:40 AM
1346	Lower traffic levels. Get back on Express Bill Pay.	1/6/2024 8:29 AM
1347	More parks	1/6/2024 8:28 AM
1348	A roadway around Riverton, to Herriman. NOT thru the middle of town. Going home time is	1/6/2024 7:58 AM

Riverton Citizen Survey - December 2023

	troublesome.	
1349	I think that open spaces and large lots that have a farmy feel are really important to keep in Riverton to keep it's character. It's something that is kind of becoming a thing of the past with city growth... But I guess with the growth we end up with really high taxes on our larger lots which seems a little unfair because we bought our homes for much lower price a long time ago when it was affordable to buy them. It makes it so they can have unaffordable taxes. I think that's something that needs to be addressed. Not all of us are rich here. We just want a place with space... I think super high taxes on larger lots are unfair.	1/6/2024 7:52 AM
1350	More diversity in the population.	1/6/2024 7:45 AM
1351	More parks with playgrounds and splash pads for kids to play at.	1/6/2024 7:43 AM
1352	Wish we had more recreation options, better splash pad for kids, a better pool for swimming.	1/6/2024 7:24 AM
1353	The east to west traffic is problematic. I live off of 11800 south and it can be tricky just getting out of my neighborhood at certain times. Most of the traffic I think comes from the high density growth in herriman though as all those residents have to pass by my neighborhood. I'm hopeful 13400 once fixed with an exit will help	1/6/2024 7:20 AM
1354	Less high density housing it brings in crime	1/6/2024 6:51 AM
1355	Stop street racing late at night, properly and housing too expensive, SL. County taxes too high More car shows, in the shade	1/6/2024 1:46 AM
1356	Better traffic flow.... Lights being better coordinated. Less mass housing. More interesting and engaging community events. More programs in schools for students wanting more of a challenge, less focus on pointless testing.	1/6/2024 1:25 AM
1357	Not sure	1/6/2024 1:12 AM
1358	I meet friends for lunch often and find there's a lack of mid-range sit down restaurants. We've attempted to use bus transportation but between the lack of times available and multiple bus transfers it's not very useful. We tried Uber but it was \$50 to get to 3500 South and State, which is outlandish. This needs to be improved as the city gets larger.	1/6/2024 12:06 AM
1359	The Mayor is embarrassing and is known for his poor relationships. He is so busy trying to "build his kingdom" and get credit for everything that he has pushed out most of the great city employees. I wish we could disassociate with him. Getting his face out of the public eye would be the best thing for Riverton and would improve everyones quality of life.	1/5/2024 11:43 PM
1360	You have refused to explain why two police chiefs have been terminated and to address the corruption in the police force. This will hurt the mayor's chance of becoming a state rep, and make it so I will seek out the current council.	1/5/2024 11:08 PM
1361	More things to do for social outings(ie date night), water activities(paddle boarding, fishing, paddle boating), big-name music concerts, ice skating	1/5/2024 10:47 PM
1362	Prevent unauthorized solicitation, too many sales personnel knocking doors (already 3 in first 5 days of 2024).	1/5/2024 10:19 PM
1363	More revenue from business to lowered property tax. Less multi family housing units	1/5/2024 10:08 PM
1364	More places to keep us in the city, restaurants, shopping	1/5/2024 9:31 PM
1365	Less high density housing	1/5/2024 9:17 PM
1366	Would love more/safer walking & biking paths.	1/5/2024 9:16 PM
1367	Something I wish was better in my neighborhood (between Oquirrh middle school and the library) is becoming more strict with ATV usage on public roads. Many kids will drive mini motorcycles, 4 wheelers, etc way too fast down our street, and I've seen multiple times where traffic laws are not obeyed, and stop signs are ignored by the individuals on the ATVs.	1/5/2024 9:11 PM
1368	Express lane to I15 like what was placed on HWY 92 Point of the Mountain into Highland. World class entertainment that appeals to adults with out children at home. It seems many other cities have arranged better entertainment, Sandy has an Amphitheater and Hale Center Theater. West Valley City has the Maverick Center, Draper has an Amphitheater. Riverton has a park that by the sounds of it the city wants to put more money into.	1/5/2024 9:09 PM

Riverton Citizen Survey - December 2023

1369	A recreation center would be amazing!! Also, constant green arrows on 12600 on both 2700 W and 1300 west. Those are both scary turns. Especially when teaching teenagers and trusting teens on the road.	1/5/2024 8:53 PM
1370	Stop building townhomes	1/5/2024 8:29 PM
1371	No more high rise, no more people, Riverton not the same. Too many people. Too much traffic, it's horrible.	1/5/2024 8:27 PM
1372	Maybe a SLCO rec center	1/5/2024 8:03 PM
1373	More art and music classes, have exhibits at the Dome accessible on Saturdays.	1/5/2024 7:59 PM
1374	Affordable housing - yes, even if it means to rezone for high density townhouses and condos. If we want to have a city with families then housing needs to be affordable for families.	1/5/2024 7:37 PM
1375	Stop building high density housing. More parks or more low density housing.	1/5/2024 7:35 PM
1376	Better speed enforcement in residential neighborhoods!	1/5/2024 7:25 PM
1377	More sit down restaurants.	1/5/2024 7:24 PM
1378	Find ways to decrease tax dollars. Don't look for more ways to spend city revenue!	1/5/2024 7:22 PM
1379	Get residential green waste containers! Please! The community waste dumpsters throughout the year are nice, but it's a pain in the ass to lift the waste up into the dumpster. If you can't get residential waste containers, then maybe consider getting a front loader to load the waste into the dumpsters at the community event. I'm not a tall person and I can barely throw my stuff into the dumpsters. It's almost pointless to have the dumpsters if you're not going to allow us to walk into them or use a front loader to put the junk into them. I think the intersection at 13400 south and 3600 west needs right turn lanes in ALL directions. In fact 3600 west could use a right turn lane at 12600 south as well.	1/5/2024 7:06 PM
1380	Curb gutters where they are needed. Curb and gutters on the north side of one 12800 S. by the park	1/5/2024 6:58 PM
1381	Work out an agreement to create a paved walking and riding trails next to the canals.	1/5/2024 6:51 PM
1382	Youth educational programs.	1/5/2024 6:51 PM
1383	I would love more parks, or more specifically more amenities within existing parks. Pickle ball courts, soccer nets, etc	1/5/2024 6:50 PM
1384	Greater variety of dining options that are Not food chain restaurants. Avoid overcrowding and high density housing.	1/5/2024 6:49 PM
1385	We could really use a post office west of Mountain View.	1/5/2024 6:24 PM
1386	More pedestrian accessibility.	1/5/2024 6:20 PM
1387	A safer way to cross Redwood Road to get to Rosamond Elementary	1/5/2024 6:19 PM
1388	A city pool with a better design than the herriman rec center	1/5/2024 6:11 PM
1389	Enforce people trimming their trees that hang over their sidewalks or better yet, have the city just cut the low hanging branches down. I can't even walk 3 houses down before getting a tree branch in my eye while walking. Other cities are much better at enforcing this and taking care of neighborhoods in violation. If you want Riverton people to be neighborly, they have to be able to walk in their own neighborhoods. Do a fall and spring cleanup where you can leave out big trash items at the curb and they will take them away. Sandy City does this and it is awesome! Everyone takes more pride in their homes and landscaping with this. Cite homes that have weeds and are using their yards as junk storage. Too many areas are becoming eyesores. Have more Riverton Police patrolling neighborhoods. There are a lot of kids riding ATV's, golf carts, go-carts, motorcycles that are not licenced, don't know the rules of the road, are driving on the wrong side of the road, are passing cars going 25 mph, and are blowing past stop signs. They shouldn't be on the roads, especially the ones that are only 8-10 years old. Redwood Rd has become a street where people are drag racing. Officers need to patrol it in the early morning and late night hours and cite reckless drivers. Do an Earth Day event and get community, churches, schools, involved in cleaning up all the trash around the city. Bring in Theatrical Arts, Community Classes, and Rec Sports Leagues.	1/5/2024 6:10 PM

Riverton Citizen Survey - December 2023

1390	Do not allow high density housing options in Riverton.	1/5/2024 6:08 PM
1391	Require builders to make more appealing houses. All the houses and neighborhoods look the same. Daybreak offer a nice variety of houses that don't all look the same	1/5/2024 6:02 PM
1392	I don't want to fear being bitten by a dog at our parks. I want to be able to enjoy the parks and know that the leash law is enforced. Sometimes I have to turn around and leave the park because people pull up and their dogs jump out of their vehicles. I love the presence of our police force! I like seeing them driving through my neighborhood. It makes me feel that we are all trying to keep this city as safe as possible.	1/5/2024 6:01 PM
1393	Better access to public transportation	1/5/2024 5:55 PM
1394	We need public transportation and bus service. Please continue on working towards that. I would like to see a rec center for us, currently I have to go to Herriman or South Jordan to use their rec centers for classes and exercise. I would also like to see a dog park for us dog owners inside Riverton instead of having to travel to Herriman or South Jordan. Certain dog parks like Herriman will ticket people using parks in their jurisdiction if we haven't paid additional fees so it creates a burden for us who want to use the dog park.	1/5/2024 5:47 PM
1395	Better street maintenance for all residents not just city administrators streets. Better snow plow service.	1/5/2024 5:43 PM
1396	Need more protection for students crossing near the high school. Too many close calls with traffic. Even a police car didn't stop for the crosswalk. Traffic speeds need monitoring on 2700 W.	1/5/2024 5:31 PM
1397	Avoid high density housing	1/5/2024 5:28 PM
1398	Less traffic	1/5/2024 5:25 PM
1399	Not sure	1/5/2024 5:24 PM
1400	Less traffic/high density housing More walking trails	1/5/2024 5:23 PM
1401	Lower property taxes	1/5/2024 5:22 PM
1402	Enforce speed limit on Lampton View Drive. Please either put speed bumps back in or put a stop sign at the three way intersection at roughly 12200. We have clocked people going 50 mph- usually southbound. That is unacceptable.	1/5/2024 5:09 PM
1403	Be aware of and quick to respond to homelessness, crime and drugs. Be more able and willing to inform the citizenry as to what you are doing about homelessness, crime and drugs.	1/5/2024 5:04 PM
1404	Add More signals or road crossing signals where ever you have park next to it. either near south jordan parks or riverton parks.	1/5/2024 4:56 PM
1405	Community events at the city park are fun, but should last longer. They are usually too short with very long lines so not everyone gets to participate.	1/5/2024 4:53 PM
1406	The downtown area is rather dreary. The buildings look run down and there isn't much foliage. Sprucing it up would be nice. Street racing seems to be a common occurrence late on Friday and Saturday nights judging from the sound. I live near Redwood and 11400 and I regularly hear very loud cars that sound to be drag racing.	1/5/2024 4:45 PM
1407	Limit high density housing and overdevelopment.	1/5/2024 4:37 PM
1408	A city pool. We go to Lehi, provo or Taylorsville to swim	1/5/2024 4:33 PM
1409	Community gardens! Cities around us have them but we don't! I think Community gardens are becoming more and more important as housing density increases. And gardening classes would be awesome	1/5/2024 4:26 PM
1410	Access to a rec center for a better cost than VASA.	1/5/2024 4:26 PM
1411	keep the residential apartments away from the main part of the city	1/5/2024 4:25 PM
1412	Slow down on high density housing and if you build some, have more open/community space and parking.	1/5/2024 4:25 PM
1413	Lower speed limits on residential streets. Not allowing off road vehicles, kid driving golf carts and dirt bikes on public roads. I believe these activities are illegal and should be because of	1/5/2024 4:12 PM

Riverton Citizen Survey - December 2023

	the safety concerns these activities cause but A LOT of it goes on with our police intervention.	
1414	No more school taxes	1/5/2024 4:10 PM
1415	More walkable/bikeable access to and around businesses, restaurants, etc. Better access and service to and from mass transit.	1/5/2024 4:08 PM
1416	Rec center! And no more town homes	1/5/2024 4:08 PM
1417	More "run in to your neighbors" places	1/5/2024 4:03 PM
1418	Better neighborhood speed control	1/5/2024 3:52 PM
1419	Rec center	1/5/2024 3:41 PM
1420	Offering training of citizens for emergency procedures, cpr, etc.	1/5/2024 3:40 PM
1421	Family events, bike & walking trails kept up and added to	1/5/2024 3:34 PM
1422	More law enforcement is always a good thing in a growing area.	1/5/2024 3:33 PM
1423	Add more fast casual restaurants (chipotle, Cafe Rio, Zao). We don't need any more fast food in the city center.	1/5/2024 3:14 PM
1424	This sounds so bad, but quit bringing in people who don't contribute to the upward movement of quality of life here. It is really annoying. There are many people who seem to be subsidized by some government fund (our taxes) and they bring in crime and run the place down. Whether you like how it sounds or not, it's true and people who don't like that will leave and the people who are the problems will stay and take over.	1/5/2024 3:10 PM
1425	Patrolling the West side of the city where there are various laws broken. Ie unlicensed motorcycles rode on the streets. Would like to see a patrol car drive down the street more than once a year. Would like the streets sweeper more than once a year.	1/5/2024 3:04 PM
1426	More walking trails and a dog park. Riverton is a very Mormon city and generally things are done through that church. It would be nice if activities were not funneled through that church. Have a mayor that is committed to Riverton rather than continually running for another office. I have no confidence that what he is doing is for the good of the city. Rather, he is looking to try to win a different election. I don't believe that Riverton City includes folks that are not white and Mormon in their decision making. It would be nice if decisions were not made by Mormon white males. If that isn't possible, acknowledging that others exist would be nice and include their thoughts in your decision making.	1/5/2024 2:52 PM
1427	Better water - quality has improved but still not great. #1 concern is lack of planning residential construction. Constantly building without first having infrastructure such as roads in place to handle increased traffic demands. It is almost imposable to get onto 12600 South from my neighborhood west of Bangarter hwy. during rush hour and is very unsafe. A traffic light is very much needed, but we are told that we cannot have one since there is a light at the little used road by the fire station. Riverton should have never approved Canyon View subdivision without having safe access to 12600 South.	1/5/2024 2:49 PM
1428	More connected trail network, including connections to neighboring city trail networks. Trails should clearly lead from residential areas to community civic centers and shopping areas.	1/5/2024 2:32 PM
1429	more trail systems, bike park	1/5/2024 2:30 PM
1430	More, or expanded parks. More trails, Unusually fun things like a crazy splash pad, or do something with big trees that is memorable.	1/5/2024 2:20 PM
1431	Sponsoring a theater group with volunteer opportunities for both support and production. Something similar to the Christmas community choir.	1/5/2024 2:10 PM
1432	Pay more attention to the sidewalks and curb and gutters in the sub-divisions.	1/5/2024 2:07 PM
1433	More small parks 0.5 to 1.0 acre in areas where there is not a natural community/neighborhood gathering place... Just buy a house or two and make a park instead with a pavilion some grass and a small playground and a single pickleball court or something if there is enough space but just grab and pavilion would be fine	1/5/2024 1:52 PM
1434	Enforcement of speed limits and an ordinance on car muffler requirements.	1/5/2024 1:51 PM

Riverton Citizen Survey - December 2023

1435	Better transportation on 13400 s. With all the housing going in on the West (even in Herriman), unfortunately 134th can't handle all of the traffic	1/5/2024 1:47 PM
1436	Snowplow services in the cul-de-sacs. We can't get out of the cut-de-sacs when we have a big snow storm.	1/5/2024 1:38 PM
1437	Some sort of public transit to get downtown, or to Utah Valley.	1/5/2024 1:25 PM
1438	Stop allowing so many high density housing. We have enough now!	1/5/2024 1:11 PM
1439	more stability in the police force	1/5/2024 1:10 PM
1440	A stop light on 12600 by the Marcos pizza so those of us living in the country view area can get out safely. Another grocery store besides Peterson's do we don't have to drive so far for an option.	1/5/2024 1:06 PM
1441	More recreation options (pickle ball, trails, bike paths) and better maintenance and upkeep of city facilities and recreational areas.	1/5/2024 12:49 PM
1442	I really would like to see more walking paths or accessibility to parks and recreations areas or connecting to the Jordan river pathway. I live in an older neighborhood before cities planned/prioritized community parks. The closest parks to me are too far to walk to, especially with smaller children and they wouldn't be able to go on their own. I heard that there was a plan to be a park on my street and then the land was sold to make a street and to build two homes instead. I think I would have rather had the park that would have been in walking distance. If there is a home in need of repair in an older neighborhood, perhaps the city could buy the property and make a park...more smaller parks around the city. I do love the bigger parks and we will drive to several of them every so often, but I also love the idea of being able to go out for a short afternoon walk to a park.	1/5/2024 12:42 PM
1443	Realize a large chunk of your population is not LDS and they're just as respectable and responsible people that should be just as free to do the things they enjoy that others do. Having a drink isn't bad. It's normal and it is completely legal. More establishments that cater to those that enjoy that would be great. People who don't want that don't need to go. It isn't evil and it definitely isn't contagious.	1/5/2024 12:41 PM
1444	Snow plow the long circles in the city. Many of us live in circles that have 10-15 houses on them that don't get plowed or salted. It's different if you want to skip the tiny 4 house circles but our street is a street	1/5/2024 12:31 PM
1445	More frequent street sweeping and cleaning... Keeping roads clear of debris for cyclists.	1/5/2024 12:24 PM
1446	Continue bringing modern amenities in older neighborhoods, like what was done with Google fiber. Also adding better outdoor lighting that minimizes outdoor light pollution.	1/5/2024 12:15 PM
1447	Monitoring of high school parking lot for kids late at night...noise of screaming engines and squealing rubber. It would also be great if people wouldn't run red lights! I see at almost every intersection someone run a red light...I guess people don't care about anybody else's life of safety?	1/5/2024 11:35 AM
1448	No high density housing would make life better.	1/5/2024 11:08 AM
1449	Less close housing developments and less crowded streets.	1/5/2024 10:57 AM
1450	Stress affordable small single family homes instead of pack and stack housing. I agree that cities should keep zoning power local. The state should not have control over our zoning and housing. This should remain a local issue. I appreciate the city council's letter stressing the importance of housing and zoning remaining a local issue.	1/5/2024 10:48 AM
1451	Revitalize historic downtown to add retail shopping and sit-down dining. Start offering community classes like art, music, theater, etc.	1/5/2024 10:44 AM
1452	More entertainment options near the downtown area.	1/5/2024 10:16 AM
1453	Sensible growth. Riverton is seeing too much development too fast.	1/5/2024 10:13 AM
1454	Less apartments per acre	1/5/2024 9:03 AM
1455	See above. Stop focusing on events that west valley attends. No I'm in Riverton cares. We want safety.	1/5/2024 8:55 AM

Riverton Citizen Survey - December 2023

1456	Better city organization. Feel like the city is not very proactive, I always need to prod to get anything done.	1/5/2024 8:33 AM
1457	A few more sit down dining options.	1/5/2024 7:58 AM
1458	Weekly recycling pickup	1/5/2024 7:34 AM
1459	We should have Duplex zoning	1/5/2024 6:51 AM
1460	Coordinating city controlled traffic lights with county and state controlled traffic lights Mountain View Village was an amazing idea but the execution was botched. Traffic through MVV seems to have been an after thought and the city should have seen the traffic nightmare that was coming. Was there no oversight of the developer?	1/5/2024 6:35 AM
1461	Palm trees, beaches, lows of 70°, highs of 80°. Sunny skies.	1/5/2024 5:24 AM
1462	Improved street lighting in older neighborhoods.	1/5/2024 1:28 AM
1463	Lower taxes and fees	1/5/2024 12:16 AM
1464	Traffic congestion is the #1 reason I do not like living here. Trying to get through traffic signals east- or westbound on 12600 South at Mountain View Corridor adds up to days of my life I will never get back. More and more is being built west of Mountain View Corridor, and the roads already cannot handle the load. These lights need to be longer for east-west traffic. Trying to make a left turn from southbound Ft. Herriman Pkwy onto 13400 South there is only a 10 second left turn signal. That's not enough to let people get onto the main road from residential areas. I feel trapped in my own neighborhood the way the roads and traffic signals fail to work here.	1/5/2024 12:09 AM
1465	Stop approving so much housing and development we are overflowing.	1/4/2024 11:28 PM
1466	Improved restaurant/dining options - less fast food and more sit down restaurants. Improved traffic flow and roadway infrastructure.	1/4/2024 11:14 PM
1467	Code enforcement should talk to the residents instead of just leaving a note on their door. Seek to understand why there's an issue. Maybe help set-up a service project if they can't complete something because of a medical issue perhaps.	1/4/2024 11:12 PM
1468	Rec center	1/4/2024 11:08 PM
1469	Stop allowing high density housing in our neighborhoods, especially ones that do not run credit checks on their residents. They are brining increase crime and disturbances.	1/4/2024 11:00 PM
1470	Better snow removal on sidewalks on the main roadways. Redwood Road, 126th, etc....I run all year round and when the sidewalks are snow covered, it significantly reduces safety for not only me but for the kids who have to walk to school.	1/4/2024 10:36 PM
1471	A police department that serves the people of the community. Detectives that are committed and trained to do their jobs of investigating fraud. LEOs that aren't caught up in their 'power' with badges, handcuffs and weapons. Serve and be nice/friendly to community members who pay their salaries. The LEOs I've encountered are strutting around acting macho and arrogant. Remember: a clear majority of citizens in our community are not criminals!	1/4/2024 10:08 PM

1473	Traffic can we try to not have to hit every light through Riverton. Maybe less pollution. Air and water quality	1/4/2024 9:38 PM
1474	Utility prices decreased	1/4/2024 9:13 PM
1475	Please finish the walking trails in the Swensen farm area! We want to use them!!!	1/4/2024 8:49 PM
1476	Steps to improve air quality.	1/4/2024 8:35 PM
1477	Reduced traffic	1/4/2024 7:55 PM
1478	Less high density housing! No more auto body shops and/or automotive stores.	1/4/2024 7:22 PM
1479	A Target store near MVV. ;)	1/4/2024 7:00 PM
1480	Keep it small. Don't bring in the things that bring crime rates up like more multi-family housing and hotels/motels. Keep the police force in tact and in front of the public. I love the community	1/4/2024 6:59 PM

1481	Smoother roads on 1300 West.	1/4/2024 6:46 PM
1482	I would love to see a community theater and maybe a Rec Center in Riverton. We moved here from WVC and their rec center was really wonderful. I have noticed the the rec centers around here (Herriman and SJ) do not have some of the things I really liked about WVFFC; namely: the Edutainment Center, a hot tub. WVFFC had things for kids to do besides swimming. I would love to see a rec center that has more for kids to do while parents are working out. They also had a child care that gave 2 hrs of free child care for children under 5 to members, and charged \$2/hour for any additional time, or for non-members. That allowed parents to go to the gym and activities for the kids to do. Community classes at a fraction of the cost of private classes were a plus, too.	1/4/2024 6:43 PM
1483	Traffic is getting really bad, especially on 12600 S. Can't get out of Canyon View Park neighborhood during rush hour.	1/4/2024 6:33 PM
1484	Ironically, we can get to most of daybreak and Herriman safer and easier by bike and foot than we can get to anywhere in Riverton. With this in mind, I'd like to be able to have my tax dollars stay in Riverton and to do that I'd need better infrastructure in getting to commerical spaces in Riverton by foot or bike. I live less than a mile from Mountain View Village but rarely go there because the infrastructure to get there is so bad.	1/4/2024 6:22 PM
1485	Bring back the night before Christmas walk around you had the last couple of years. It was disappointing not to see it this year! Make it into a drive-thru Christmas display if you don't want to do a walk through again due to the cold weather!	1/4/2024 6:10 PM
1486	Less high density. Tired of all the people, traffic, higher crime, crowded schools, people who forget what a small town feels like.	1/4/2024 6:07 PM
1487	N/a	1/4/2024 5:50 PM
1488	Living West of Mountain View, we feel more apart of Herriman than Riverton. The boarders for the cities should be Mountain view. Where Herriman amenities, parks, government buildings are just right there for us. More family affordable restaurants dine in in mountain view. Are we Herriman or Riverton west of Mountain View? When you call abou5 the borderline roads they don't seem sure whose responsibility it could be. No more high density. They park on our single family streets! More single family neighborhoods with larger properties, these Itty bitty guys are not great. Turnover is high in them with the sale of homes.	1/4/2024 5:40 PM
1489	I'm not sure	1/4/2024 5:12 PM
1490	More traffic patrol. More park	1/4/2024 3:48 PM
1491	More speed enforcement and especially more distracted driving enforcement. I hardly see cops in the city and when I do it doesn't seem like they are patrolling.	1/4/2024 3:43 PM
1492	Less Crime	1/4/2024 3:31 PM
1493	More interconnectivity between neighborhoods. It is very hard to get between neighborhoods that are located between 3600 w and 2700 w and between 11800 s and 13400 s, especially west of the canal, or trying to cross the canal. This makes it difficult for walking routes and children/teenagers because it forces all traffic (both walking or vehicles) out to the major roads. This creates more hazards and congestion on the major roads. It also creates more division socially between neighborhoods rather than connection. Also, holiday events (like Easter and Christmas) have become so congested with long lines that it no longer enjoyable for our children. We have attempted multiple times to attend and usually end up leaving and letting the kids pick a treat at the store instead.	1/4/2024 12:14 PM
1494	The parks, especially the smaller parks, could have paved walking paths. West Fields Down park for example.	1/4/2024 12:02 PM
1495	Have clean up days that come to your neighborhood. I dont own a vehicle to bring stuff to dumpster days	1/4/2024 12:00 PM
1496	In the building area - keep the focus on homes and less on high rise or apartments.	1/4/2024 11:41 AM
1497	Not letting any more high density housing in!! That is the beauty of where I live- it's not crazy busy. Also keeping the crime low is very important. I feel me and my family are safe here.	1/4/2024 11:28 AM

Riverton Citizen Survey - December 2023

Keeping transients out. Not having trax or bus systems keeps outsiders out and the quality Riverton people here!!

1498	Better leaders in the city and police department	1/4/2024 9:04 AM
1499	Have more easy access on fitness and healthy lifestyle activities	1/3/2024 8:52 PM
1500	More cultural events or something like a Hale Center Theater. Otherwise excellent options!	1/3/2024 8:39 PM
1501	Recreational Center. Indoor swimming pool for all year use.	1/3/2024 4:48 PM
1502	Better care of the Jordan River Trail system	1/3/2024 4:12 PM
1503	It is wonderful as is!	1/3/2024 9:28 AM
1504	New residential developments and apartment complexes SHOULD have enough parking for residents and guest. It looks trashy when they have to park along city roads because their community has limited parking. Parking on roads within their neighborhood or complex is one thing but outside of it means the development is underbuilt or overpopulated. One example is along park ave area.. also around many apartment complexes and townhome neighborhoods where people park along the main roads due to limited parking at their residences or within the complex.	1/3/2024 9:08 AM
1505	Completion of the Bangerter intersections :)	1/2/2024 8:07 PM
1506	It would seem to me that attracting new car dealers would be an influx to the tax base. Other than real estates the biggest purchase that Riverton residents make is their car and we have to go to other cities and pay sales tax there. Not to mention that property tax associated with the dealership itself.	1/2/2024 4:11 PM
1507	Small retail shopping and sit down restaurants	1/2/2024 11:54 AM
1508	Stop building new homes and high density housing.	1/2/2024 3:23 AM
1509	Light pollution code put into place. Something like the noise pollution. So businesses have to turn off their bright lights at 10:00 p.m.	1/1/2024 10:54 PM
1510	We need a community theater again. It's sad that it was mismanaged but we need to allow others to step in and run it. I'm willing to help as long as you can guarantee that none of the old arts council members will be part of it or have any influence. (contact me at compukidmike@gmail.com)	1/1/2024 9:43 PM
1511	Please clean up the Jordan River Trail. I don't feel safe #1 lots of overgrowth where people can hide #2 no center line and bicyclists are NOT trained to yell, "on your left". They come up quickly and silently. The e bikes are the worst. Riverton Bike stores could educate when selling bikes and /or highlight proper bike etiquette on the trail.	1/1/2024 2:41 PM
1512	Please stop allowing airborne massive loud fireworks to be lit off in neighborhoods. Please ban them. And invite people to enjoy fireworks done by professionals at the city park. It is so scary for veterans and dogs. And so unnecessary. Please ban fireworks.	1/1/2024 12:42 AM
1513	Parks with swing sets and smaller area for toddlers to play Enforcing pet owners to pick up dog poop at parks and public spaces	12/31/2023 8:55 PM
1514	In single family homes on have one family. Not multiple	12/31/2023 7:49 PM
1515	A recreation center would be a nice addition	12/31/2023 4:03 PM
1516	Making sure that our police and our rescue people have the proper training. Mental and financial help the they need to be able to keep Riverton safe.	12/31/2023 12:20 PM
1517	There is a speed bump on 5200 W just north of 13400 S, near Rose Creek. Instead of being where the crosswalk is for the walking path, it is oddly on the other side of the bridge and does not encourage southbound traffic to slow down before approaching the crosswalk. Furthermore, when travelling southbound, the view of the walking trail is blocked by a fence and drivers are blind to people entering the crosswalk. Of particular concern is children on bicycles, coming downhill on the Rose Creek trail, not realizing that there is a street and colliding with a vehicle.	12/31/2023 10:39 AM
1518	Clean up trash from side roads, and help mom and pop start ups and not try and profit from compact housing and hotels that will be run down in 10 years and become homeless sanctuaries.	12/31/2023 7:34 AM

Riverton Citizen Survey - December 2023

1519	More police presence patrol neighborhoods and LESS commercial buildings, hotels, apartments, stores. Keep Riverton small! Traffic is horrible and major trash cleanup along bangerter and 126 must be done. Looking super trashy	12/31/2023 6:51 AM
1520	More walking trails away from the roads	12/30/2023 11:34 PM
1521	Reduce Traffic congestion and the Noise from traffic	12/30/2023 11:21 PM
1522	Multicultural events. Diversity in local ethnic food options. Remove Trent Staggs.	12/30/2023 9:33 AM
1523	Traffic continues to be the number 1 problem.	12/30/2023 9:30 AM
1524	Additional sit down restaurants that are affordable. Most of the new restaurants in mountain view are too expensive to frequent.	12/30/2023 8:24 AM
1525	Make the pool accessible year round	12/30/2023 8:22 AM
1526	No Herriman traffic haha	12/30/2023 7:08 AM
1527	More street lights in neighborhoods	12/29/2023 6:51 PM
1528	I am very unhappy about the garbage can and recycling bin program that is going to start in April. I just put a shower curtain rod in my can and the lid is not going to shut all the way. I looked down the street and no one's van was shut. (This was before Christmas.) I think it's ridiculous to charge \$5 if the lid isn't shut. Please consider reversing this decision.	12/29/2023 6:17 PM
1529	More pickleball courts and faster police response time.	12/29/2023 12:02 PM
1530	Dog parks & bike trails close to 1300 W. & 12600 S.	12/29/2023 11:21 AM
1531	Water. Both Primary and secondary sources.	12/29/2023 9:10 AM
1532	Less apartments and town homes	12/29/2023 7:21 AM
1533	Hold the 4th of July parade on Redwood Road please. I'm tired of seeing people darting to the middle of the road to get candy or not watching their kids. It'd be nice to see more floats. Limit high density housing. Discourage houses being turned into rentals.	12/29/2023 3:05 AM
1534	Unknown	12/28/2023 11:59 PM
1535	Put more retail/dining near the Walmart on 13th and 126th. I would love to see those weed fields gone.	12/28/2023 10:57 PM
1536	Stop building high density everywhere.	12/28/2023 10:31 PM
1537	With more young families moving into almost every neighborhood, I would love to see more activities and services targeted to children or young parents. We do have some fun options like the Easter egg hunt, family fun nights in August, and the town days activities, but I would love to see more!	12/28/2023 10:16 PM
1538	Less high density housing	12/28/2023 6:50 PM
1539	Please bring back the Riverton Arts Council. We miss it!	12/28/2023 5:37 PM
1540	More shopping and restaurants on the east side of town. Currently the east side residents are typically spending money on Draper due to Mountain View Village being so far and congested.	12/28/2023 4:09 PM
1541	Hmm, I'm sure there are always something, but can't think of anything for now.	12/28/2023 3:51 PM
1542	Fewer high density housing	12/28/2023 1:16 PM
1543	I wish we had a rec Center here	12/28/2023 10:10 AM
1544	The hospital grounds look horrible.	12/28/2023 9:26 AM
1545	Opening the gates on the canal trails so that they can become walking trails. It would be wonderful if Riverton City could purchase the land adjacent to city hall that is for sale and hold it for a future all-ability park, rec-center, or outdoor summer theater. This could help create a cohesive town center.	12/28/2023 9:03 AM
1546	The city is lacking in a community center and recreation center for gatherings. The JL Sorenson is over crowded and part of Herriman. The Herriman city center is what we need for	12/28/2023 8:38 AM

Riverton Citizen Survey - December 2023

Riverton. We need more space for activities for kids and families. More all abilities parks, more splash pads (we are called Riverton, why doesn't our main park have a cool river style splash pad?!))

1547	Less apartments or no more apartments, less people, better through roads to keep traffic moving and not backed up.	12/28/2023 8:15 AM
1548	More pickleball courts!	12/28/2023 8:10 AM
1549	NO MORE HIGH DENSITY HOUSING!!!!	12/28/2023 2:06 AM
1550	Trax/Light Rail would be great	12/27/2023 11:38 PM
1551	More tennis courts!	12/27/2023 8:59 PM
1552	Clean up broken down properties	12/27/2023 5:58 PM
1553	See above	12/27/2023 4:07 PM
1554	Better planning for residential and commercial development.	12/27/2023 11:26 AM
1555	Improve the Entrance into the city. Plant more trees where they have been removed. And make the corner intersection of 123rd and Redwood Road southwest corner nicer than just a Blue Riverton sign. I Love Riverton And want to have it feel like we are special to be able to live here.	12/27/2023 10:58 AM
1556	More gas stations	12/27/2023 10:40 AM
1557	Less High Density Housing	12/27/2023 9:54 AM
1558	No More housing	12/27/2023 9:49 AM
1559	I wish we had more local restaurants. Downtown Slc still has the best food but I hate going that far	12/27/2023 9:37 AM
1560	I'd like more focus on working with our large growth and less additional businesses. I've lived in this area my entire life and growth and loss of community makes me sad. The traffic makes me sad. I want to see focus on community over business growth. I'd love to the Riverton Library improve. We frequent the library a LOT and we avoid that library in favor of others. The employees aren't very nice or helpful. The events and activities are weak. The book selection there ain't as good. A strong library can be such a place of community connection and supporting learning and growth. I'd love to see it improve. I'd love to see more support to the homeschool community. It's a largely growing community here! Other nearby cities allow for use of empty buildings, hold events and host field trips and have generally tried to support homeschoolers. I don't feel that here at all. Lil Red was added but feels more like a business that serves a very tiny community. I couldn't even find much info on it or getting involved when I tried. We're a part of a recently developed co-op that is strong and doing amazing things- but had to move it to other areas (Draper/sandy/eagle mtn) because we couldn't find any affordable building rentals here. There are limited arts events to access. The library isn't great. I've never seen the city reach out or communicate with this greatly growing community in any way or offer any support. And the school choices in our own city are quite limited.	12/27/2023 9:05 AM
1561	Traffic, make more dedicated right turn lanes to keep Traffic moving	12/27/2023 8:44 AM
1562	A rec center and tennis courts.	12/27/2023 8:26 AM
1563	Move the town days parade back to Redwood Road. Keep old traditions alive.I can	12/27/2023 8:03 AM
1564	Refocus on single family dwellings and neighborhoods.	12/27/2023 8:01 AM
1565	Home and property taxes are getting ridiculously out of hand. Mine have tripled in the 7 years I've been in my new house.	12/27/2023 7:30 AM
1566	Walking trails	12/27/2023 7:12 AM
1567	East to west highway. 123/126th is a nightmare anymore. The once small town roads are now a backed up highway during peak rush hour commute times. The growth to the west of us has cause havoc on our east to west roadways. We need a highway option for everyone to get west.	12/27/2023 3:13 AM
1568	I live in the upper quadrant bordering Herriman. As I know you're aware of the crazy traffic up	12/27/2023 12:51 AM

Riverton Citizen Survey - December 2023

13400. If y'all could get together with Herriman city and figure out how to best make it a bit better that would be great. With all the building going in Herriman it's only going to get worse. We need more roads traveling east and west.

1569	Improved roads. There's still a lot of bumps/potholes in different areas. Bringing back What's Up in Riverton. That was a fun event that's just... Gone now. Dog park. Herriman has one, and it's really nice. It has a very small parking lot though. The City park is still great for taking dogs on walks leashed, but having a fenced off-leash park would be cool. Some more affordable housing. It feels like you either have to buy an old house that is wildly expensive, or a townhome/apartment with no in between. There aren't really any bungalow options for a single 25 year old like me. Housing in the area also isn't very affordable, with most houses being in the 500k+ range, where I can find houses in the newer areas of Herriman for about 400k.	12/27/2023 12:31 AM
1570	Elected officials actually caring about the City and not trying to promote their own self interests. Also, why do some elected officials feel so entitled to things? Like they are above the citizens and deserve special treatment.	12/27/2023 12:27 AM
1571	Slow down development! It's too crowded! I miss the farms! If you do have to build, build quality homes with yards, and nice sit down restaurants! No more chicken take out places and dentist offices! No more auto places! No more high density housing. Let's keep our town classy!	12/26/2023 11:53 PM
1572	Bring back speed bumps in the neighborhoods. Adding a rec center with a workout area and indoor sports.	12/26/2023 11:51 PM
1573	Collect green waste	12/26/2023 11:35 PM
1574	Minimize high density housing, put a dog park at the city park	12/26/2023 11:22 PM
1575	Maybe activities for older kids and older residents. There's plenty of family activities geared towards younger kids and families. A rec center would be wonderful.	12/26/2023 11:21 PM
1576	Pay a little more attention to the east side of the city. The focus is out west and it shows.	12/26/2023 11:00 PM
1577	Infrastructure built around walking and biking (humans), not just cars. More open natural places. A code to restrict the height of retail store signs, more trees. Big, high, wide, bright retail signs are just tacky and cheap and messy looking. We all know where everything is, and we have google maps. We don't need the eye sore.	12/26/2023 10:41 PM
1578	I hate the parking on streets! I pay for taxes and I feel I should have the right to park in front on my house or to have it clear but with a house next to me renting up and down. Cars are all over.	12/26/2023 10:22 PM
1579	City officials should want to work with small business more than large business. Our business was pushed out of the city by anonymous "complaints" about deliveries and employees supposedly visiting our home even though our home was no more than a office and a location for 2 or 3 vehicles to park at.	12/26/2023 10:12 PM
1580	I wish there was a place I could take my dog where he could run around off leash. My closest option is in draper.	12/26/2023 9:51 PM
1581	I want a better life for stray animals. Please come back to the partnership with salt lake county animal services to protect the animals in the city.	12/26/2023 9:37 PM
1582	More trees	12/26/2023 8:48 PM
1583	Stricter code enforcement for businesses. A lot of businesses in the city look run down or low quality.	12/26/2023 8:09 PM
1584	Stop building townhouses and apartments! Stop allowing homes to be built so close together! More bike parks throughout neighborhoods.	12/26/2023 8:06 PM
1585	Road improvements. The traffic is awful and there are way too many traffic lights everywhere. We need more open spaces and better parks like the Wardle park.	12/26/2023 7:58 PM
1586	Better animal control including code enforcement by officers, a dog park, more code enforcement for junky vehicles parked on the road or removal of cars when the snow storms come in.	12/26/2023 7:54 PM
1587	Pedestrian friendly downtown and more walking trails. Less high density housing.	12/26/2023 7:36 PM

Riverton Citizen Survey - December 2023

1588	Fix 1300 W from 13200 to the South. Very dangerous. Road is terrible, you need to put in sidewalks. Kids have to walk down that for school and people like to walk and ride bikes and it is a mess and dangerous. It is never a priority..	12/26/2023 7:23 PM
1589	Community events	12/26/2023 6:42 PM
1590	A community rec center would be a welcome addition. It's ridiculous that my family has to visit the Herriman and South Jordan rec centers.	12/26/2023 6:23 PM
1591	Slow down on building multiple family dwellings (ie: apartments)	12/26/2023 6:20 PM
1592	More agricultural activities.	12/26/2023 6:03 PM
1593	A Target. A Trader Joe's and a Chick-fil-A. Preferably closer to Redwood Road. Mountain View Corridor isn't the only place for Riverton residents.	12/26/2023 5:59 PM
1594	Better high end sit down restaurants, maybe an Outback Steakhouse? Ice Rink!! More Bakeries LESS FAST FOOD!!	12/26/2023 5:25 PM
1595	Better 2ndary water pressure, last year the installers did a great job making things worse by not taking proper precautions to keep people's systems from clogging.	12/26/2023 5:01 PM
1596	Better walking, biking paths.	12/26/2023 4:46 PM
1597	Better control of high density apartment areas.	12/26/2023 4:38 PM
1598	More parks, more mom and pop shops/local restaurants.	12/26/2023 4:34 PM
1599	No more high density housing. Preserve what little open space there is. Maintain walking trails especially through Midas Creek area.	12/26/2023 4:14 PM
1600	Walking distance restaurants for older neighborhoods	12/26/2023 3:59 PM
1601	I think a recreation center and indoor pool would add a lot.	12/26/2023 3:40 PM
1602	Eliminate taxes and fees	12/26/2023 3:26 PM
1603	Less high density housing	12/26/2023 3:20 PM
1604	More affordable housing.	12/26/2023 3:09 PM
1605	A dog Park	12/26/2023 3:06 PM
1606	The cars racing down 1300 w especially when school is out in the summer.	12/26/2023 3:01 PM
1607	The mayor is great, it really feels like he cares about the city. The rest of the city employees are the opposite.	12/26/2023 2:48 PM
1608	Recreation center with an indoor pool, so we're not throwing our money at Herriman or South Jordan cities.	12/26/2023 2:42 PM
1609	More apartments and hotels.	12/26/2023 2:25 PM
1610	Recreation center with indoor pool and LOTS of pickleball courts	12/26/2023 2:23 PM
1611	Better streets, less traffic, less high density housing	12/26/2023 2:22 PM
1612	Don't ever charge for pressurized irrigation usage	12/26/2023 2:00 PM
1613	Less high density housing	12/26/2023 1:59 PM
1614	Reduced population. We are growing to fast to maintain roads and the quality of living here.	12/26/2023 1:59 PM
1615	Lacking sidewalks. Many routes to home and school can be dangerous, especially with heavy snowfall where kids without a sidewalk are likely to choose the street. The Harmon's mall seems to benefit Herriman shoppers. I suppose that's good if we're getting their tax dollars. I often shop in South Jordan or Draper because the drive is easier. The Bangerter/13330 intersections sometimes fail. Perhaps the new interchange will fix that, but will that also fix the heavy traffic between Bangerter and Herriman? Perhaps Riverton could create its own commuter service (compete with UTA). Just the serious discussion with official planners in place to make it happen might light a fire under UTA's feet. Without removing existing green space, it'd be nice to have quality indoor shopping closer to the center of town. An indoor mall might be nice at the NW intersection of Bangerter and 126th -- IF the traffic is dealt with which	12/26/2023 1:56 PM

Riverton Citizen Survey - December 2023

is already a mess. Traffic is bad and sometimes appears to be failing west of Redwood Road and especially west of 2700 West. Bangerter to Herriman is bad.

1616	More restaurants, smoother paved roads	12/26/2023 1:12 PM
1617	Try to improve the east/west traffic issues we have. Living on the west end of Riverton makes it difficult to get to the east in a short amount of time. It seems that the streets are always torn up too for various reasons with lots of orange cones everywhere.	12/26/2023 1:11 PM
1618	Less desity condos, apartments etc. More affordable single home housing. Give more incentive to small businesses, no more extra fees like for over filling garbage cans etc.	12/26/2023 12:48 PM
1619	Give the chance to more retail family owned businesses, no more chain businesses	12/26/2023 12:44 PM
1620	Our elected leaders should avoid making statements on state and national issues as a city representative for issues that shouldn't be part of local level politics.	12/26/2023 12:43 PM
1621	Neighborhood road repair/ cleaning	12/26/2023 12:41 PM
1622	Less high density housing.	12/26/2023 12:27 PM
1623	KEEP OUT ANY MORE HIGH DENSITY HOUSING AND ANY FORM OF MASS TRANSIT!!!	12/26/2023 12:23 PM
1624	No short term rentals	12/26/2023 12:23 PM
1625	Big retail like Dillard's.	12/26/2023 12:22 PM
1626	Finish the Fiber for Internet in the entire city	12/26/2023 12:20 PM
1627	Bike paths and trails.	12/26/2023 12:15 PM
1628	I think a big, fun, all abilities playground would be wonderful. A Trader Joe's would be fantastic.	12/26/2023 12:10 PM
1629	No more high density housing and a ban on hedge funds buying housing. We are getting too crowded. People need space and we don't want to look like Salt Lake City. Also, I have seen what I think are illegal aliens in Riverton. Are they being settled here? We need to do everything we can to not have them use our resources.	12/26/2023 12:01 PM
1630	Consistency within the city government	12/26/2023 12:00 PM
1631	More police patrols...there are so many people who blatantly run stop signs and red lights.	12/26/2023 11:52 AM
1632	Theater??!! What happened to adult and children's musicals and plays? There is so much talent in Riverton and so much demand and so many volunteers willing to help, I don't understand why every other local town has this and we don't. Definitely don't want Bluffdale outshining Riverton.	12/26/2023 11:34 AM
1633	More sit down and take out restaurants that aren't burgers , more of a variety.	12/26/2023 11:33 AM
1634	I would like more patriotic music during the fireworks. It would be nice if we had a broken garbage can lid if they were just replaced and we didn't have to report it. It would be good if reserving Riverton City buildings were more flexible and customer service oriented. Hi	12/26/2023 11:29 AM
1635	I think, providing continued education for this community is important possibly a college or extension of other colleges would be awesome.	12/26/2023 11:28 AM
1636	Shooting range!	12/26/2023 11:14 AM
1637	Continuing to provide transportation options as the Southwest valley population grows. Thankful for the developments with the Bangerter Hwy overpasses, and hope that East-West routes can continue to be developed.	12/26/2023 10:56 AM
1638	Putting people on the city council because they can add value and diversity not just because they have spouses as state representatives. Remembering that not everyone in Riverton is a right leaning Christian so decisions that are made should reflect what is best for ALL citizens and not just that group. Working with UDOT to fix congestion issues on 12600 South and Mountain View (heading east/west). Also congestion issues getting in and out of the neighborhood at 12600 South and Western Hills Dr.	12/26/2023 10:52 AM
1639	Figuring out the traffic on 12600 So. What a nightmare it is to get out of my subdivision between 4:45-7 pm. It's such a joke! QUIT building so many apartments.	12/26/2023 10:48 AM

Riverton Citizen Survey - December 2023

1640	Please we need more parks and cultural activities	12/26/2023 10:47 AM
1641	Less high density housing but affordable housing. Not sure how to make that work though admittedly. Roads are getting too crowded	12/26/2023 10:44 AM
1642	Traffic control and light timing. I have lived on the far western side of the city for over a decade, and the last several years have become a nightmare regarding traffic. There are days that exiting and entering my neighborhood (126th and just west of the corridor), are next to impossible.	12/26/2023 10:42 AM
1643	Work with other cities and the governor to prioritize air quality. This is the one issue that is affecting my families health enough that we are looking to move out of the valley and state of UT in the next few years if it doesn't improve.	12/26/2023 10:36 AM
1644	All the new building going on we need more homes and not multi units like condo, apartment's etc	12/26/2023 10:34 AM
1645	Putting a Smith's grocery store near fat cats (redwood + bangeter). There is no easily accessible grocery store and Peterson's is way too expensive.	12/26/2023 10:30 AM
1646	Better East and West Travel	12/26/2023 10:28 AM
1647	Was nice and less traffic when we moved here 11 yrs ago. But I feel the west side of Riverton should be given to Harriman. I think we would receive better services from Harriman than being the "lost children" of the west end of Riverton. More major road need to be added since the major buildup of houses south of mountain corridor shopping mall. Going to be like driving in London England if roads are not expanded	12/26/2023 10:26 AM
1648	Bus and transit services.	12/26/2023 10:22 AM
1649	Continuing to finish Mountain View Village.	12/26/2023 10:21 AM
1650	Have the resident of Herriman fund an east, west corridor thru Riverton City,	12/26/2023 10:20 AM
1651	More community events which bring residents together. Emphasis on things like food trucks, live entertainment, arts-crafts events, service projects, DIY classes sewing, cooking, canning, blacksmithing, gardening. Also community ran sports programs for youth and adults.	12/26/2023 10:16 AM

Q29 Please describe anything you believe the Riverton City government could improve on:

Answered: 1,301 Skipped: 1,162

#	RESPONSES	DATE
1	Justice court using ODR, Online Dispute Resolution.	1/27/2024 9:57 AM
2	Filter weed seeds out of secondary water so I don't have to dump so many chemicals into the earth. Drinking water smells like chemicals. Bill for actual water use, not rounded up bills. This is criminal!	1/26/2024 10:52 AM
3	Put pressure on the state to clean up freeways and highways. The trash problem is a disgrace to the state and our community.	1/24/2024 10:05 PM
4	Parks and Recreation Department: very grumpy staff, need to care about people. Whenever I call there they seem grumpy that I want to use the auditorium, park pavilion or rent the dome. Recognize Community organizations and non-profit businesses and how they benefit the city. I've been running a non-profit for 10 years and it's been a fight to use city facilities, city employees are not helpful and don't seem to care about the benefits of bringing community members together in events that are not sponsored by the city. I was very disappointed to hear how the city treated Riverton Arts Council. It all seemed underhanded and vindictive. I think there needs to be staff running the Auditorium/stage rental that understand the theater and how to host productions.	1/23/2024 8:17 AM
5	Transportation. Can't figure out why we pay for UTA when we don't get to use it. I'm a senior citizen who doesn't drive and I have no way to get to appointments unless I beg someone to take me. I should be able to rely on public transportation when I pay for it with my taxes. If not, don't make me pay for it.	1/22/2024 6:29 PM
6	Website upgrade. The navigation is a bit '90s.	1/22/2024 2:56 PM
7	can't think of anything. I am very happy with the present administration.	1/21/2024 10:04 PM
8	Not changing the housing to dilute the single housing ratio.	1/21/2024 6:28 PM
9	Thank you for asking for our input. And driving the people.	1/20/2024 3:02 PM
10	Keep low income out. I know the city wants more money but at WHAT EXPENSE!!!! We are turning into West Valley. If you can't see that you need to look around. Nobody wants to live in WVC 2.0. SORRY THATS THE TRUTH! The immigrants coming in now are not the same from 5 years ago. I know! I'm from Venezuela and have lived here 25 years.	1/20/2024 11:57 AM
11	I like that there are a couple times of year where you can bring your garbage to dump sites locally. I think it would be awesome if we could do that more often. Thank you so much and Riverton is pretty great!	1/20/2024 9:51 AM
12	I would like a mayor more focused on Riverton and less on personal political aspirations.	1/20/2024 12:07 AM
13	Listen to residents. Attended several city council meetings in which the council just votes as they see fit regardless of input from citizens.	1/19/2024 7:55 PM
14	Snow plows on smaller neighborhood streets. My street is OFTEN not plowed at all during or even days after snow storms. I pay taxes too and feel this needs to be fixed.	1/19/2024 2:55 PM
15	You're doing a really good job from what I can tell.	1/19/2024 11:41 AM
16	Stop development of high density housing.	1/19/2024 11:20 AM
17	Building permit timeline	1/19/2024 8:09 AM
18	Thank you for your dedication!	1/18/2024 11:43 PM
19	Green waste pickup in summer. Additional fall cleanup similar to the spring cleanup where they	1/18/2024 11:32 PM

Riverton Citizen Survey - December 2023

	bring the dumpsters to the parks a couple Saturdays	
20	Parks and streets irrigation and landscape maintenance	1/18/2024 10:58 PM
21	Ease up on the short term rental ordinances.	1/18/2024 10:09 PM
22	Not sure.	1/18/2024 8:53 PM
23	Infrastructure, roads, traffic, less high density housing, and placement of schools.	1/18/2024 8:45 PM
24	Focus on landscaping Redwood Road 12600 south to Bangerter.	1/18/2024 8:06 PM
25	Please, don't print and mail the Riverton City yearly calendar. What a waste of money that is, I throw mine in the garbage.	1/18/2024 8:03 PM
26	More communication and availability to the public	1/18/2024 7:57 PM
27	Tawnie McCay. Empty chair would be better.	1/18/2024 6:40 PM
28	Unsure.	1/18/2024 5:38 PM
29	nothing comes to mind	1/18/2024 4:31 PM
30	Stop building high density housing!!	1/18/2024 4:00 PM
31	N/a	1/18/2024 3:55 PM
32	How about supporting more of the historic building preservation like the old house on Redwood.	1/18/2024 3:29 PM
33	More police force on the west side of Riverton. There is so much more traffic and people run the reds lights all the time or make a straight lane another turn lane and almost hit other vehicles.	1/18/2024 3:26 PM
34	New Leadership	1/18/2024 3:02 PM
35	Pool	1/18/2024 3:00 PM
36	Less policing!! Having police driving around all day, sitting around waiting for stay at home moms at noon on a Monday picking up their kids. Going 2 miles over the speed limit. There are too many, if every day they are sitting around waiting for something to do. Then they need to go. Riverton city is in my neighborhood driving around, watching every day. Why? do you not have anything else to do? seems like you have too much time on your hands and too many employee's. Lets cut down government and government involvement and let ordinary citizens live their lives. No wasting money on monitoring private citizens. such as the secondary water monitoring. Stop raising taxes, you have plenty of money. Stop DEI efforts Stop importing refugees into the area Stop implementing 15 min city's, or condensed housing. No gender neutral bathrooms. Keep them Men and women No LGBT whatever agenda anywhere in the city.	1/18/2024 2:37 PM
37	Secondary water prices and time we are allowed to use it. We are paying too much on a yearly basis for this water. It seems every year we are asked to wait longer to use it. First step fertilizer with pre emergent weed killer needs to be applied early but we don't have water to water it in without stretching a hose and using culinary water. When we first got secondary water I don't remember it even costing us. I was living in 84065 then. But even if we did pay it wasn't much. Price now is ridiculous for what we get. Stop issuing building permits and we will have enough water.	1/18/2024 1:22 PM
38	1. More non-sanctioned pickleball, cornhole, and tennis tournaments. 2. Better response for walk in citizens requesting information/assistance. Not everyone wants to look it up on line. 3. Better response in getting back with citizens concerns. I'm still waiting for one, and it's been over two years.	1/18/2024 1:15 PM
39	Spend money on improvements to the city. Not on cosmetic garbage that no one cares about. Fix the roads and things that service the community. We all know when we enter Riverton City.... Now let's fix things that people notice like bumpy road and not add more fluff that you drive past in two seconds.	1/18/2024 12:27 PM
40	1) Better snow removal of all Riverton streets - not just the main streets 2) Less focus on population growth in Riverton. Let's keep it a small town feel.	1/18/2024 12:25 PM
41	Spend money on fixing roads and sinking curbs and gutters and storm drains. Every time I pull	1/18/2024 12:14 PM

Riverton Citizen Survey - December 2023

into my house I hit the curb with my hitch because it's dropped so much. It's beyond just trying to lift it and road and storm drain have sunk too. And my whole neighborhood is like this. No one cares your repainting and re branding signs that we already paid money for! Fix the things that actually matter and stop wasting money on designers and re designing perfectly good things like the spirit corner that they community pitched in for. (High school and Newman construction) Also if you are doing to do this 😞 bring in some new designers bid it out and get other input. Seems like the same old boring designs(someone must have an in with the city.)

42	You are doing a great job. Keep up the good work.	1/18/2024 11:10 AM
43	Things seem to be be running well as they are.	1/18/2024 11:05 AM
44	City leaders need to focus on issues that can be governed at the city level and that directly impact city residents, and not trying to impose divisive federal and state issues at the city level.	1/18/2024 11:04 AM
45	Stop messing with secondary water. Why after all these years are you now deciding to monitor? Keep the homeless people living in their cars out of Walmart parking lot on 12600th and 13th.	1/18/2024 11:03 AM
46	We need to upgrade the city sprinkler systems to shut off during rain. We waste so much water. Conservation can't fall solely on the residents. I've wanted to bring this up but never know which city meetings would allow for public comment, so better informing residents about that would be helpful.	1/18/2024 10:57 AM
47	No nickel and diming the residents for every little thing. I agree it's important to serve the residents, but do so within a current budget that doesn't pain the taxpayers for as long as possible.	1/18/2024 10:47 AM
48	More events that bring the community together	1/18/2024 10:38 AM
49	We love the conservative spending. Throwing money at problems never is the solution.	1/18/2024 10:23 AM
50	The illegals that have invaded Riverton need to be sent back to where they came from!	1/18/2024 9:56 AM
51	Stick to governing Riverton, keep national politics out of it.	1/18/2024 9:49 AM
52	I would like to see Riverton City encourage participation in activities at Riverton High by posting their plays and activities associated with Silver Rush. I think that more people would support the high school if they knew what was going on there. Only people with kids at the school or those that drive past the school ever see anything. I don't see anything on your website about the Hope Walk that is usually held at the end of January. That is a great event to get people involved in.	1/18/2024 9:42 AM
53	Police service. Access to in person records retrieval.	1/18/2024 9:17 AM
54	More recreational parks where families can gather, have picnic, with skateboard, or bike tracks. South Jordan is clear full of bike tracks, I don't think there is any in Riverton.	1/18/2024 9:02 AM
55	It seems to me like the city is handling things well, and I'd have to credit that to city leaders and staff. Stay the course, ignore the naysayers, continue to grow. You're making the right decisions about what to promote, what to protect, what to preserve, and what to restore. You have been, anyway, in my opinion. Thanks for a well-run local government. I love my town. JH.	1/18/2024 8:38 AM
56	N/A	1/18/2024 8:32 AM
57	Just stay the course.	1/18/2024 8:31 AM
58	Slowing down traffic to posted speed limits.	1/18/2024 7:55 AM
59	Stop building townhomes	1/18/2024 7:28 AM
60	Advertise or make it more readily known the different ways citizens and be involved in community events.	1/18/2024 7:17 AM
61	None, already doing a good job!! :)	1/18/2024 6:34 AM
62	Advoid high density living communities	1/18/2024 5:41 AM
63	More communication from city council representatives.	1/18/2024 4:57 AM
64	Not sure, not very involved or knowledgeable with that aspect of Riverton.	1/18/2024 4:54 AM

Riverton Citizen Survey - December 2023

65	Have UTA provide a bus service to the city or stop paying for it.	1/18/2024 3:27 AM
66	Focus on keeping things simple.	1/18/2024 3:06 AM
67	Less parking lots, churches & apartment buildings. We need to bring people in individual communities together. With community improvement projects: gardening, trash clean up, reducing waste, reducing water usage. Our cities are built around cars, not people!	1/18/2024 3:03 AM
68	At the moment, nothing really. Hopefully no matter who is in office at the city level at any point in the future will continue down the fabulous path the city has been on since Staggs admin team took office.	1/17/2024 11:49 PM
69	Stop wanting to make us be a large city.	1/17/2024 11:44 PM
70	the above more experienced city workers--and they probably need more support more expertise stop overcrowding building and create SPACE thanks	1/17/2024 11:25 PM
71	Not overdoing high density development. It is understood that a balance is difficult and that people need housing and opportunities but the developments between Mountain View and Bangerter are an eyesore. The traffic from all the developments is quickly becoming as awful as predicted, but more than that, it is ridiculous how public streets have become parking lots for high density housing throughout Riverton. It looks and feels like developers are plenty happy to thoughtlessly build as many units as fast as possible with little regard to functionality or the community. This is a beautiful city with deep roots in community and small town charm, the city council should feel obligated to be extremely choosy about developer practices and future developments.	1/17/2024 11:18 PM
72	I'd like to see more traffic violations enforced. For example theres always so many vehicles speeding up/down 13400 S, west of Bangerter, near Mountain View Village. Also sooo many vehicles run the light at 12600 S and 2700 W. Almost every time I drive to that intersection someone is running that light. I've seen so many accidents there and it feels so unsafe.	1/17/2024 11:10 PM
73	Communication of areas citizen involvement is needed. It's hard to keep up on city council and planning commission. If you don't go looking for info, you aren't aware of what's going on. I shouldn't have to dig through the website to find agendas to sift through to find action items. Make them more public and get better notifications when items are happening around you.	1/17/2024 10:52 PM
74	Please don't waste money on unnecessary projects, like the signage for the Riverton rocks or metal Riverton signs on nearly every street. Please zone more single family housing and less high density housing. Thank you for the survey opportunity.	1/17/2024 10:46 PM
75	Take better care of our parks. PLEASE CLEAR THE SNOW OFF THE PARK SIDEWALKS. A lot of people use the park for exercise.	1/17/2024 10:36 PM
76	Please investigate the secondary water system. Each year it seems like we lose more pressure and have filthier water, often clogging the filters more often than when we first moved in.	1/17/2024 10:32 PM
77	Get us a TRAX line.	1/17/2024 10:07 PM
78	Controlling private building permits. Not allowing several large buildings in small private properties, that take away from the esthetic views of the neighborhoods.	1/17/2024 10:01 PM
79	After sitting in many city council meetings, it is clear that some council members listen to the people and others care too much about the money. We have been sad to watch as our neighborhood has been surrounded by high density housing after being told her years that it would be a 55+ community. We were lied to many times and continue to be disappointed in the decisions and lack of communication with the city. Developers are getting away with whatever they want because they change their minds over and over again. Please start looking more carefully at planning and hold these people to higher standards so this doesn't happen again.	1/17/2024 10:01 PM
80	Manage unkept properties and ensure roadsides are kept clean, free of weeds and garbage.	1/17/2024 9:59 PM
81	Sidewalks. They need to level them up. Solve the problems with the secondary water metering. I have two major errors on my bill, and I have called 3 times with no success. All three times they said that they would call me back, and they never did!	1/17/2024 9:58 PM
82	I was unhappy with a decision made by the city council earlier this year to open a road that has been closed. I understand the decision that was made but feel that the council members	1/17/2024 9:41 PM

had already determined their position before the public comments were heard. I didn't feel that the comments from the public were really listened to. Government is always improved when public servants truly listen to their constituents.

83	More medical facilities - PCP	1/17/2024 9:41 PM
84	It would be highly desirable for the sidewalks around the Western Springs Park to be maintained in the winter. They are rarely cleared and at times are very dangerous, or unusable.	1/17/2024 9:38 PM
85	I think we need to get rid of the recycling program. Most of our recycling is going to the landfill anyway. By sending our trash to the landfill it's less likely to make it into our oceans and other places. It's not worth the expense.	1/17/2024 9:34 PM
86	Get the weed seeds out of secondary water, bring back the option of having my bank send a payment for utilities.	1/17/2024 9:34 PM
87	Listening to the public. I have attended many meetings and sometimes it feels like the city council does what they want, regardless of what we say. They have made up their minds before we even get there. We voted them in. They should be representing us.	1/17/2024 9:31 PM

97	See above.	1/17/2024 7:55 PM
98	Not sure why I had a 25% increase in paying for water, when the water here is barely clean enough to clean in, it is not clean enough to drink, and when you need to it tastes terrible. If I have to pay \$100 more a year, is that because you decided to allow them to destroy Bangerter and let people fly right past the city on their way to Herriman or South Jordan? Or was it so that you could change the billing system.... without telling anyone? Meanwhile the streets in my neighborhood are still crumbling and sinking and the corner lights only work 1/2 the time.	1/17/2024 7:47 PM

101	The crosswalk in front of Riverton High School is pretty scary since there are no flashing lights that the user can initiate before they cross. I know these can be put in fairly inexpensively since they are all over the place. West Jordan High has one, there is one by Sprouts. There is even a small one in Riverton on a residential street by the park near 12600 south and 3400 west. The excuse that they cost too much is not valid. Hopefully nobody gets hurt before Riverton City actually acts and puts something there.	1/17/2024 7:36 PM
102	Patrol Redwood Road and 12600 South better, the speed on these roads are to fast. Also something needs to be done about the intersection of 1300 West and 12600 South there are too many accidents at this location. Thank you.	1/17/2024 7:35 PM
103	Things like the art show and quilt show have no Saturday or evening hours, so because I work full time, I am never able to attend. I know that adds cost, but would be nice for the residents who have to work for a living.	1/17/2024 7:35 PM
104	1. Improve the visability of police by having them actively patrolling all areas of the city and not just responding to calls. Reactionary police work is not productive policing. 2. Get the roads	1/17/2024 7:22 PM

back up to where they should be. Try having an active calendar of rehabing all the roads in the city over the course of a specific number of years. Planning makes it so you don't have to react - you will reduce the number of crises you have to respond to. 3. Have the city parks people looking at the parks every week during the summer months to check on broken sprinklers, misaligned sprinklers, etc. Often the grass is nearly dead before anyone bothers to look at it.

116	Please - Before talking about how Riverton City Government considers cutting taxes, take a good look at what services are not being provide that should be. There are many roads in need of repair. It costs a lot less to maintain a road than it does to properly maintain it. Failure to maintain an asset ALWAYS winds up costing more! I would much rather pay a little more in taxes and have the roads I drive on maintained in good shape than have a small reduction in taxes, only to have to pay for a wheel alignment (that cost several times more that a small reduction in taxes). Thank you.	1/17/2024 6:05 PM
117	No apartment permits, only single family homes. The area traffic is getting worse every day.	1/17/2024 6:03 PM
118	Christan Way west of Redwood road should not be used as a heavy haul route and main access for Richins Constructions main yard located at the end of the dead end to the east. The road is being worn out. There are huge potholes and degraded road surface on the east end. Dirt gets tracked down the road and not cleaned up. A significant amount of truck and/or trailer traffic every day of the week and frequently. Semi truck loads with heavy equipment and dump trucks also frequent this route. Garbage stored in the property is a haven for rats that are showing up in the neighborhood. Also how did they get approval to widen the irrigation ditch running on the west side of their property into a 12 foot wide by 5' deep canal? Need some code enforcement here with this landowner.	1/17/2024 6:00 PM

133	I'd like to see the commercial side contained to just our major roads, and keep the residential feel everywhere else. I know we needed the tax base since the 2000's, and trust me, we choose Riverton businesses first, but we don't want to end up living in strip mall alley like so many other towns. 146	We need to make the area around the park more walkable. I see a lot of kids and walkers j-walking at night because it's a long walk to the park, and cars drive much too fast on that street. 155	Doing well on keeping costs down. Less Tire/Auto/Carwash business on 12600 (Default Mainstreet) Do not let the Police force become a profit center. 156	Plowing the neighborhood roads in old town (12600 S & Redwood) near the park. Each year the main roads are always plowed and the neighborhood near the Walgreens/City Park area and never gets touched. We would appreciate it :) Also in the winter time, it could be cool to have the drive through christmas lights instead of the walkable in the park. All other activites in the park especially through the summer and fall time is amazing! Please keep the park as is, no other changes. Having the large areas of grass is amazing for us with families or pets wanting to do activites. 163	Listen to the people who pay their taxes. If you have ordinances that are in the bylaws live by them instead of bowing down to the state government above you. Neighborhoods are getting rundown here in Riverton. If you don't listen to the people and if you don't live by your own bylaws then why are those bylaws there? Not too pleased with the individuals who work in code enforcement. If they aren't going to do their jobs then help them find new jobs. Went to a council meeting a month ago and one of them lied about communication that I had directly with him. Not to pleased with this department.	1/17/2024 2:58 PM

library - I have go to Herriman for all of that. Can't we grow food for the public instead of grass in public places, people can eat the food at the park? What if we start a community front yard food program? Stop wasting the limited water on grass! Have a bigger budget to help people transform to low water landscape if it's not a garden or producing flowers (for pollinators) or food why are we watering it!?! Why are all the community resources at the far end of Riverton, when half the town is across Bangerter? Why not annex us to Herriman if you don't want to provide community for the whole town? The only running track is at the high school and it's locked to the public half the time and kids using it during the school year. Again with no shade or trees for cooling. We need community building that is inclusive and fun for people no matter their family status and for those who don't belong to the dominant Utah religion. (Like most of my neighborhood.) What we want is a real community, how can we transform Riverton to be a leader in Utah for inclusivity, water and eco consciousness, fun, and connection? Please, loneliness, isolation and no resources are the current pandemic sweeping Riverton, I hear it at the store, in social media, in the groups I'm a part of. We can make Riverton a place where we celebrate each others gifts and strengths and we connect in public places that make our community special. Where's the adult New Year's Eve party or the Halloween bash? Trunk or treat is great but the kids do that at school, at church, with their friend groups there is so much trunk or treat! Even real estate offices host trunk or treats now! (Realty Path in Riverton for example. Here's an idea, let the businesses of Riverton host a trunk or treat for kids / families and Riverton city host the adult only bash. We have enough space to do both. There have to be options to make a bit of space for adult community building and adult resources in the budget right? Couldn't the schools play host to the family parties - volunteers and businesses could run it. Just a thought

Work with the schools to use tax dollars to improve playing fields. If volunteer work needs to be done, designate a day in the spring to rally the citizens to help fill holes and make the fields smooth again. We've done small projects to help out in the past. 199	Listening and taking action. Seems like they ask for feedback, then do what they want anyway.	1/17/2024 1:51 PM
200	Our neighborhood is still waiting for help to make left turns safer and quicker when exiting Western Hills Drive onto 12600 S. My friends and I in the area just avoid the intersection when we drive our kids to school in Herriman. It is harder on icy days when those back roads haven't been plowed or salted. We understand it is isn't all up to you since it is a shared border with Herriman, but any updates or estimates for when we can look forward to an improvement would be appreciated!	1/17/2024 1:51 PM
201	Your new payment system is exclusionary and nothing has been said about how secure your systems are and how you are keeping my information safe. I'd rather pay through my bank. That way there are fewer points where my information needs to be secured and banking systems are safer than any city system I have familiarity.	1/17/2024 1:50 PM
202	Patrolling and giving tickets to drivers speeding and running red lights. I live on Redwood Road and the speed limit is 45 mph and only a small percentage of drivers obey the speed limit. I see the Riverton Police patrolling the side roads but hardly ever on Redwood.	1/17/2024 1:47 PM
203	Review sidewalks and street lights , especially walking routes to schools and bus stop locations and areas to and from community parks and baseball / soccer fields	1/17/2024 1:46 PM
204	Have Mayor Staggs be more of a team player when it comes to working with other cities, like South Jordan's Mayor Ramsey does. Have Mayor Staggs focus on our city and not running for Senate.	1/17/2024 1:44 PM

Riverton Citizen Survey - December 2023

206	I would like to receive more regular communications regarding City Council and Planning & Zoning meeting agendas. Over the term of my residency, I have signed up for these notices repeatedly. However, I no longer receive notice of these meetings and their corresponding agendas, even though to the best of my knowledge I remain subscribed.	1/17/2024 1:40 PM
207	Hours of operation. You should be able to get a hold of someone at 5:05 PM or 6:05 PM to at least forward calls to the right department, and/or person. I'm sure you have someone that would like to come in later in the morning and work later into the evening.	1/17/2024 1:34 PM
208	None.	1/17/2024 1:33 PM
209	Please enforce junk homes to clean up, monitor Jordan School District to ensure they aren't radicalized.	1/17/2024 1:30 PM

211	Communication with residents when a change/construction affects them.	1/17/2024 1:23 PM

214	Actually doing something with the "revitalizing downtown" project... NOTHING has happened in the 7 years I have been a resident in the downtown area.	1/17/2024 1:22 PM
215	City council members and mayor need to listen to ALL of their constituents, not just the ones giving them money. Make developers pay to put the correct infrastructure in before they can develop land.	1/17/2024 1:15 PM
216	activities in the park during the summer.	1/17/2024 1:12 PM
217	better traffic enforcement (speeding, racing, intentionally noisy vehicles on redwood road.	1/17/2024 1:07 PM
218	I liked having the South Valley Church help with Town Days but didn't like that at the Bingo event, you had to take the prize they had next in line. I'd rather choose my prize.	1/17/2024 1:05 PM
219	Please, please, please put some press button Crosswalk lights On 2700 W. Two at Oquirrh Hills middle, one by Southland Elementary, and one by Riverton High school. Year round these are highly used crosswalks outside of the hours of the school time especially in the early morning and at night. I know there are some of those crosswalks by the Rodeo grounds on 1300 W. So they are not a new concept. I'm sure it's used a lot during the summer, but I'm telling you the 2700 W crosswalks will be used all of the time. They should be a top priority. I have been asking about these for years.	1/17/2024 1:05 PM
220	The Riverton City building code specifically for commercial buildings seems dated!!! South Jordan has beautiful modern commercial buildings and Riverton seems to have old 90's style buildings (with the exception of Mountain View Village). Who is the person responsible for holding back better looking buildings and why? This needs to be a focus and it clearly can't be 1 or 2 people making decisions on what can be built in Riverton City. If we want a good redevelopment process in the downtown core or along 12600 s, we need a better and more flexible building code! Our commercial buildings lack character!	1/17/2024 1:04 PM
221	I've heard that people will be fined for trash cans when lid's aren't shut and I think that's ridiculous, especially with recycling because it's only picked up once. I also think there should be a landscape bin	1/17/2024 1:03 PM
222	Leave religion and religious beliefs out of decision-making. It shows a lot of ignorance on the city government's part to assume that isn't biased. I'm also not convinced that any of this will sway decisions that have probably already been solidified months ago.	1/17/2024 1:01 PM
223	We were told secondary water was going to be metered but not charged for extra just monitoring when meters were installed. As a resident of over 30 years we have always had water access and should be allowed grandfathered access to so many gallons per acreage, using past years monitoring, taking into account those of us who have had gardens, livestock, etc for decades. We need better communication and input. Also a radio tune in for 4th of July fireworks music would be great this year! Thank you!	1/17/2024 1:01 PM
224	Regulation to control Semi-trailer parking on the side of major roads. Perhaps even build a semi-trailer parking lot away from major roads and parks. More regulation around parking cars	1/17/2024 12:58 PM

on the residential streets overnight, especially around the higher occupancy areas. Incentives (both short and long term) for small business owners to come and open shop. Create a small business team that consults (freely) for services like; online services, facility design and support, shared maintenance options, finance and accounting, etc. Help the small guys compete with the big ones. Really drive options for sit-down dining. Owners willing to offer discounts to Riverton residents. Safer biking options for individuals and families. Drastically reduce the number of "cash" lenders. Essentially, legalized loan sharking. When I drive down the Main Street, it should be inviting, not repelling. No more Fast Food!

225	Code enforcement needs some sort of checks and balances. The code enforcement officers phone calls need to be recorded and reviewed by someone qualified to interpret the code. A specific process to remedy the reported violation would also be useful. I own a business and a home in Riverton and the interactions I've had with the code enforcement officer reflect poorly on the city. Filing a class B misdemeanor charge without giving notice or speaking with the property owner is a waste of prosecutor's and judge's time.	1/17/2024 12:56 PM
226	BRING IN BUSINESS THAT WILL LOWER OUR PROPERTY TAX! I have discussed property tax with friends and family throughout the Wasatch area and always feel frustrated afterward by how much MORE property tax we pay in Riverton. Like more than double in many cases and that is taking into account the size of the lot, the size, type and age of the home. As soon as our kids are all graduated (one more year) we will be looking to move out of Riverton based on this issue. Why isn't something being done about it?? If we are looking to bring new business to Riverton, let's bring in whatever type of business that would bring our property taxes down.	1/17/2024 12:52 PM
227	good budgeting and spending to keep taxes low.	1/17/2024 12:51 PM
228	Prioritizing what is important. I didn't think we needed a new Riverton sign. It worked fine and did the job. Work on more important things such as roads, water drainage, street light access.	1/17/2024 12:50 PM
229	Riverton City is known for being a hard city to build a home, or commercial building with. Redwood Road will never be developed with the way the city planners and planning commission shut every potential project or development down. When it comes to building or development within this city, there is way too much government over reach.	1/17/2024 12:49 PM
230	Better communication from our council representative.	1/17/2024 12:49 PM
231	Noise enforcement, safer pedestrian crossings, reduce exterior lighting at night especially the kind that produces light pollution, and less wasteful water use i.e. less ornamental turf and more drought-tolerant and pollinator-friendly landscaping.	1/17/2024 12:48 PM
232	Find a way to improve traffic on 13400 s	1/17/2024 12:48 PM
233	City sidewalks. Walking on the North side of 12800 S just east of the hardware store to almost the park. The sidewalks are horrible. I see moms with strollers trying to get to the park and having to maneuver back and forth. I watch our elderly trying to walk or drive their wheelchair on that sidewalk and see them stumble or can't make it so they have to go on the road, which is a hazard in itself because people DO NOT 25mps on that road. I see kids running to the park and fall due to the condition of the sidewalk. There are no sidewalks on the south side so it is Riverton's responsibility to make this safe for all their residents to visit the park.	1/17/2024 12:48 PM
234	NA	1/17/2024 12:47 PM
235	Are there policies on putting furniture on the parking strip in front of your house? I have observed this more lately and it really makes the neighborhood look trashy. Definitely not a priority but I know other neighborhoods where this would not be tolerated.	1/17/2024 12:45 PM
236	I can't think of anything	1/17/2024 12:45 PM
237	City road snow plowing. They usually come through but they don't plow the entire road leaving snow in front of our mailbox which may be the reason we didn't receive our mail yesterday. Has anyone thought about placing trackers on snow plows so the public can see where they are plowing?	1/17/2024 12:45 PM
238	Get people in government that want to help the citizens and the city and not just their own self interests.	1/17/2024 12:44 PM
239	Unsure.	1/17/2024 12:44 PM

Riverton Citizen Survey - December 2023

240	More outreach following and continuing past election cycles to both foster relationships and to keep residents updated and informed.	1/17/2024 12:44 PM
241	Likely out of local control, but better trax/rail access. Nearest station is ~5miles away.	1/17/2024 12:43 PM
242	Put in the speed bumps you removed. We already signed our petition to get them installed years ago. Now you took the time to repave the road but apparently our kids now don't mean anything to you or the city. We live by 3 schools and NO MORE SPEED BUMPS!!!! I have wrote many people and have been ignored over and over. Our neighborhood is so upset by this	1/17/2024 12:42 PM
243	More community kid sports options	1/17/2024 12:42 PM
244	Road clean up with weeds and garbage. Neighborhood streets paved to fix uneven road and pot holes.	1/17/2024 12:42 PM
245	You can never be fiscally responsible and conservative enough! Keep it up and do even more —thanks!	1/17/2024 12:42 PM
246	I love Riverton City and have lived here my whole life. Growing up I made so many memories attending the Riverton parade and I have felt very disappointed the last few years as the route isn't as easy to access for those that don't live in that specific area. I would like to see some other options that might create a broader area for Riverton City residents to find a space to enjoy the parade.	1/17/2024 12:42 PM
247	We need a real-time community board where a majority of people would see. Like Redwood and 12600 S. and Mtn View near the Village, etc. Resembling Herriman's marquee. It's effective and thousands see it.	1/17/2024 12:41 PM
248	None	1/17/2024 12:41 PM
249	I think it is ridiculous to have cameras on the recycle trucks! If recycling is a huge problem then the whole program should just be cut out. I would like to see the schools more protected. My granddaughter is in elementary and I would like her school to have either a retired military or police officer on duty at all times!	1/17/2024 12:40 PM
250	Provide information regarding traffic traveling east on 13200 South from 1300 West to Lovers Lane. How will traffic move when the horse farm is developed and the new sub- division further south on Lovers Lane. I believe city government could do a better job when it comes to allowing contractors to build in areas of the city. Not every open field needs to be developed. If the city continues to build where will the water come from. Someone needs to be concerned.	1/17/2024 12:39 PM
251	Stay on top of dead, dying and replacing park strip trees.	1/17/2024 12:36 PM
252	Please help us with appropriate East to west roads for additional growth out west	1/17/2024 12:35 PM
253	Nothing	1/17/2024 12:34 PM
254	Doing great.	1/17/2024 12:33 PM
255	Control on abuse for the secondary water system. My neighbor waters 2-3 hours per station. Some nights lets the front water all night long. Floods our entire circle. Water runs out of the circle and down the main road. (Dapple Gray Circle area) I am responsible with my watering and feel like it is a priority. I wished the city felt like it was a priority. It is upsetting when we are in drought conditions and need to be responsible.	1/17/2024 12:33 PM
256	not sure	1/17/2024 12:32 PM
257	Keeping Tawny McKay out of the mayors office!	1/17/2024 12:32 PM
258	Nothing	1/17/2024 12:32 PM
259	More funds allocated to snow removal and ice melting within the neighborhoods.	1/17/2024 12:30 PM
260	I appreciate their efforts to keep residents informed of city events and issues.	1/17/2024 12:30 PM
261	Trent Staggs for Senate.	1/17/2024 12:30 PM
262	Traffic, as I am sure this is the common answer. Herriman and the limited east, west corridors cause the Riverton community traffic headaches.	1/17/2024 12:27 PM
263	Taxes continue to climb, please find ways to remove unused programs. I would also like to see the park at 12600 and mountain view corridor add pickleball courts.	1/17/2024 12:26 PM

Riverton Citizen Survey - December 2023

264	Ground keeping- clean-up weeds near streets, better maintain landscaping around the city, and require homeowners to trim overgrown trees hanging on power lines (13400 s.).	1/17/2024 12:25 PM
265	Snow removal	1/17/2024 12:23 PM
266	Snow plowing on neighborhood streets.	1/17/2024 12:21 PM
267	increase signals and cross path walking signals.	1/17/2024 12:21 PM
268	Our street 4260 West (north of 12600 S). Our street was completely disregarded with the development of the subdivision directly south of us. We have no safe way to exit our street to go east. We were told that the exit/entrance of that subdivision south of 12600 would be closed once the development was complete. That has not happened and we are screwed because of that turn lane constantly being used by the other subdivision(south of 12600).	1/17/2024 12:21 PM
269	I run a very successful small business (Food Truck) and deal with City Governments in essentially every city from Payson to Ogden. After 4 years of this, we've come to find Riverton City is one of the hardest to work with and extremely inefficient in their practices. For as pro-business as Mayor Staggs is, the offices under him don't follow suit. The amount of red tape and excessive requirements we've had put up when we try to open up around town was mind blowing. We've actually opted to not attend Riverton City events or open up during the week anywhere in Riverton anymore because of the poor experiences in how events were run, entry requirements, how vendors were treated and the red tape put up by the city. As Riverton residents, it's unfortunate that we have much better experiences working with Draper, American Fork, Eagle Mtn, West Jordan, Sandy, etc. Just one example, we attend 8-10 "Town Days" across three counties each summer. Most are a 1 page application and some insurance info. Riverton requires a full RFP Packet and hours of paperwork. However, the Riverton Town Days staff are by far the hardest to work with, worst with communication and not much help at the event, hence we won't be returning as long as current organizers are present. We also attend 40-60 Food Truck League events across the Wasatch Front. Each city hosts them weekly and get HUGE turnouts. Riverton only hosts 4 per summer and we've basically been told it's because the City Events team are too lazy to host more, which is sad as every surrounding city has them weekly May-September (Herriman, WJ, Draper, Sandy, Saratoga, Lehi, T-Ville, Daybreak, etc)	1/17/2024 12:20 PM
270	The mayor is crooked af. Shady business background.	1/17/2024 12:18 PM
271	The main frustrating I have with Riverton is how the road construction is done. I don't have a problem with it being done, but on 11800 south they keep putting up cones and leaving them for months at a time with no construction. Then they take them down and put them back a month later. In our neighborhood last year their was construction in a small area for around six months with nothing done for most of it. A simple solution is clean up when your done, even if it's temporary. It currently feels like the roads are used as storage for the cones and not actually being used for construction.	1/17/2024 12:17 PM
272	utility and planning hours til 6pm would be nice.	1/17/2024 12:17 PM
273	Same as above. .	1/17/2024 12:16 PM
274	Nothing! Mayor Staggs has done an amazing job leading this city to what it has become.	1/17/2024 12:15 PM
275	Housing costs	1/17/2024 12:13 PM
276	Overall, I think they do a fabulous job keeping Riverton a small town while allowing it to evolve.	1/17/2024 12:13 PM
277	Work more with smaller locally owned companies. Quit trying to push hard working people out of the community.	1/17/2024 12:13 PM
278	Support Police in the community better, and be conservative about schools, education and inclusion, including elderly and non-politically driven inclusion of everyone, ALL lives matter, some are being over written.	1/17/2024 12:12 PM
279	Try to help Riverton retain an identity...growth and development (even though it surely increases tax revenue) simply makes the city feel like another section of the larger Salt Lake City (or county) rather than a separate community.	1/17/2024 12:12 PM
280	The mayor needs to focus less on his political ambitions and pay more attention to the city he is supposed to be running.	1/17/2024 12:10 PM

Riverton Citizen Survey - December 2023

281	Allow non LDS people to be in office, we need diversity, not just church members calling the shots.	1/17/2024 12:08 PM

284	Less road construction. Less taxes for things that don't impact everyone (i.e. charter schools)	1/17/2024 12:07 PM
285	The only thing is the traffic on 12600 south. Did that can somehow be fixed it would make things much easier. Other than that we are very pleased.	1/17/2024 12:07 PM

290	I received a picture taken of my recycling bin one week because it was full and the lid wasn't closed all the way. It didn't seem necessary to waste time and effort complaining about that. Now I recycle less just to make sure the bin isn't anywhere near full so I don't get an angry letter.	1/17/2024 11:23 AM
291	better city services - less money spent on "frills"	1/17/2024 10:51 AM
292	Not sure.	1/16/2024 10:25 PM
293	You guys are great	1/16/2024 9:27 PM
294	Less culture war nonsense, please.	1/16/2024 8:45 PM
295	Code enforcement. Some neighbors ignore local ordinances which then adversely impact the neighborhood. React quicker when you have multiple complaints come ng from a single area/hime.	1/16/2024 8:39 PM
296	Fireworks in our neighborhoods is a growing problem. Last July, we had a fire on our deck because of fireworks and we do not do fireworks. Our deck is still not fixed. People are setting off illegal fireworks and setting them off when they are not supposed to be setting them off. My number one reason for NOT like living in Riverton is the fireworks. In the month of July, I know I can never travel and walk my dogs. My biggest fear came true last July and thank heavens I was home or I would have lost my home. This has been a problem ever since I moved to Riverton and it continues to get worst.	1/16/2024 7:28 PM
297	Snow plowing in cul-de-sacs would be an improvement.	1/16/2024 6:11 PM

303	Better communication on upcoming projects, issues, and challenges.	1/16/2024 11:52 AM
304	Police need better training. Fire Department is top notch! They always stop for our lemonade stand! Sadly we haven't had one officer stop! Loitering by teenagers in parking lots... Example-VASA and KFC evening hours Over night camper set up in Jim's parking lot. Rotates to other parking lots, but we see him weekly at Jims.	1/16/2024 9:44 AM
305	A dog park, keep the city like a nice small town.	1/16/2024 2:42 AM
306	Quit allowing our city to be ruined by allowing so much high-rise housing to be put in.	1/16/2024 1:16 AM

Riverton Citizen Survey - December 2023

307	We own a business in our home where we have clients come and visit on a daily basis. We usually have to call the city to have our cul-de-sac plowed. We feel like since we pay for a business license, we should be able to conduct our business without clients getting stuck in our cul-de-sac or surrounding streets. Take the money from the downtown revitalization and buy more snowplows.	1/15/2024 5:21 PM
308	Less restrictions on building permits for height of a shop or outbuilding behind your house!! That is one of the reasons for buying bigger lots!	1/15/2024 3:32 PM

313	More law enforcement to reduce drag racing on 2700 west (this occurs around 11pm) and thefts.	1/15/2024 10:34 AM
314	Keeping sidewalks clear of both snow and overgrown foliage.	1/15/2024 10:16 AM
315	Quit giving so many building permits to town houses. Plan better. Not so much dense housing. Plan for houses.	1/15/2024 10:05 AM
316	Nothing, you're great!	1/15/2024 9:20 AM
317	Please put the brakes on development. We have the opportunity to preserve the feel without an avalanche of low income, affordable housing. Don't rape the city like Lehi and Herriman have. Respect the land and existing residents. You can't undo the harm that has been inflicted on the surrounding areas. I have not spoken with anyone that is so happy that their city crammed it thousands of people on a postage stamp area. Please be the city that is different than all the rest.	1/15/2024 8:36 AM
318	I don't currently have anything.	1/15/2024 6:33 AM

321	Not allowing people to rent their homes in spaces zoned for single family dwelling, now it's been turned into two separate homes, but many single people live there and the owner doesn't reside in the home. Makes for a trashy yard and cars coming and going at all hours.	1/14/2024 5:42 PM

If you observed a problem that needed reported to the Riverton City government, what would your most preferred method to report the problem be from the options listed? -text a report would be my answer	1/14/2024 12:33 PM
328	The website to pay the water bill could be more user friendly. Didn't have an issue until then.	1/14/2024 11:54 AM
329	One thing I noticed is the city trucks are top of the line trim levels. I think having good reliable trucks are important but, I don't believe they need to be high trim levels.	1/14/2024 11:12 AM
330	Help in getting a rec center built in Riverton! We need a rec center for our kids and other citizens.	1/14/2024 10:34 AM

334	Require developers to leave open space in their communities and have requirements for trees around and between houses. If you're gonna allow high density housing in an area you really should be less of a stickler about a longtime resident erecting a detached unit on their property. Especially if that unit will still provide more open space on the lot then you get in some of these tight neighborhoods	1/13/2024 7:29 PM

338	I live near the intersection of Bangerter Highway and 134th South and the intersection of Bangerter Highway and 27th West. I honestly feel both intersections need better maintenance. There are tall weeds and deteriorating islands and streets year round. It makes me sad for our city each time I drive by. I also feel the Walmart shopping center owner and the owner of the shopping center across the street need to do a better job of maintaining their parking lots and landscaping. The landscaping is usually full of weeds and looks very uninviting. If I were a large or small business owner, I would think twice about bringing my business to either of these locations. It also makes me sad when I see the poorly maintained business signage at the entrance of the Walmart shopping center. I am sure those businesses are paying monthly fees for their names to be displayed on the marquee and it looks terrible. It seems like there should be a city ordinance to maintain the business signage properly.	1/13/2024 2:32 PM

It seems like he's trying to build some type of political resume for higher office. But I still think he does a good job overall and the council and city manager and the various department heads and support staff do an excellent job.	1/13/2024 1:14 PM

It is CRAZY DANGEROUS to pull out of our big neighborhood there- and impossible at times. I don't even care if people are mad you wouldn't be able to turn left anymore, something has to change! 374	Over the years as more growth has happened I keep losing more and more pressure from my secondary water. To the point the several sprinklers won't even spray st times. This has been very disappointing. If there isn't enough pressure to support new growth it shouldn't be offered. I'm worried that in the future with the new meters we are going to lose our flat rate fee which we were given at the time we purchased our property. If metering starts being measured and charged per use. I feel very strongly that the long time residents need to be grandfathered in and allow to stay has it currently is.	1/12/2024 3:35 PM

Please don't allow the following note to distract from the importance of safe crosswalks. I have been wanting to come to a city meeting where I can discuss the traffic light turning south on 12600 south and 2700 west. There is a flashing yellow light that allows a driver to turn left, but it is at such a peril. There have been so many accidents at this particular intersection. I believe having a dedicated turn light going north bound and south bound would help. This survey has reminded me that 12600 South is State maintained. I will need to follow up with this.	1/12/2024 12:32 PM

445	The city needs to stop pretending there is any real heritage of Riverton City. I am hard pressed to find anything that has historic or cultural significance with a few exceptions. - The 2nd LDS Ward Building on Redwood and 12600th. It had a plaque showing date of construction. Unfortunately that was removed when it was renovated. - The city park rivaled Liberty Park in appearance and feel. So what does the city do? Cut down all the shade trees and build a monument to the "Old Meeting House". A church that was so poorly designed that funerals could not be accommodated. A building that was obsolete the day ground was broken, demolished less than 5 years after conducting the first service. - The Crane House. Yes, it was a beautiful example of Craftsman residential construction. Relocated to near the City Cemetery as a community center. I even helped with some of the early stabilization work. Does it still function as a community center? Does it even still stand? - Then there is converting the old Riverton Elementary School into the City Hall. Has the cost to update that structure to current standards (ADA, seismic, HVAC, etc.) and to maintain it to its period appearance been compared to razing it and build a new structure? It is time to stop spending seemingly endless dollars to pay homage to the decedent of the original 5 to 10 families that settled Riverton and build upon the traditions that are relevant today. - Expand the 4th of July celebration. - Keep the Halloween display at Redwood and 126th. It has become a local treasure. Perhaps expand it to Easter with bunnies and chicks. It could be expanded to a quarterly display. - Expand the Christmas street light decorations to the major commute routes. - Perhaps a paid employee DEDICATED to permantly enhancing existing events and bring other annual events into the city. The would also need a budget item for proper advertising.	1/11/2024 2:37 PM

I've been verbally told by a couple of city employees that the city won't start charging users for how much they use on Secondary and it will keep the flat rate schedule. I see the meters are a prelude to start charging for water used. 501	Take down all the protective glass and make city hall more welcoming. Is there a problem? Has the city been attacked? It reminds me of bars on windows. 553	The Western Springs park (and likely other parks) needs signs for keeping dogs on leash. I have not been able to locate any at Western Springs. I live near Western Springs and I see dogs off leash daily. My wife walks for exercise and she now avoids the park where dogs run loose. Its not a dog park, and people should not have to tolerate dogs approaching them, friendly or not. Everybody THINKS they can control their dogs off leash. I would support development of new, additional parks as designated dog parks.	1/10/2024 9:31 AM

562	My general sense is that most people take good care of their property. There are some properties that seem to be cluttered, neglected, or cars parked on the lawn and sidewalks. I don't want a heavy-handed approach, but rather a kind way of instilling an expectation of compliance, and a way to follow up on enforcement. The website is quite good. For some reason, I always have a hard time finding the trash pickup schedule. I start by searching under Departments, and Public Works as that seems to be the most probably department. But I end up searching for a while and eventually find it (and do it all again the next time I need it). Perhaps it isn't a commonly searched for item so it isn't as prominent on the website. But I would love to have it more accessible.	1/10/2024 8:46 AM

There used to be lights in the park and it seems that that was either not funded anymore or it went away. I think that the support from the City Council as a whole to channel funding to the community events like that would help a great deal in giving something back to the community that we could enjoy. Having a functioning arts program(s). The City has a few that they sponsor but I also feel like those ones are often over produced and under staffed. I get where the city wants to go with it but it seems that they fall short and I am not sure why. It would be nice to have a few annual large things that give the wow factor in the city. like a large Tree in the park that is lit up with Santa's Arrival, An Arts Festival, An area that people can walk around and enjoy the lights in the winter. Improve on the Concerts in the Park and maybe move them somewhere else and not at the park. The Main Park is great for large events but not so great for smaller ones. I think the City is doing a great job, I would just like to see things expanded on and funding directed to it. I know based on what I can tell that the Council has not directed funding to things like the lights at the park and other events and then it shows when we show up at these events. Our local government should stand up for this, it is not acceptable and profanity in public should not be tolerated.	1/10/2024 6:56 AM
585	Usually I am very happy with our town. This past Santa's arrival was dismal. I have gone to this for 12 years and this year was easily the worst. If you were driving by I don't know if you would even know something festive was happening. What happened to the night before Christmas boards? I know lights got distributed all over town, but that really watered down the festive feeling for this event. I will give it a try again next year, but if it is similar to this year it will no longer be something my family and I will be planning for.	1/10/2024 6:50 AM

I realize my secondary water bill is based on lot size and since we are over .50 (around .52), we pay more. I have neighbors that water everyday regardless of time, wind, or moisture content. It's hard to watch the water be wasted and conserve on my end. I don't believe the majority of people care what they use until it hits their pocket book. Also, perhaps getting volunteers and expanding events at two or three parks, especially Easter- I'm never going to an Easter activity again if that doesn't change. More parks would spread it out. City park, centennial park and Hamilton would be ideal.	1/10/2024 1:51 AM

602	Water Pressure. Being at the top of the zone, culinary has never been good for me. With secondary, it's necessary to find "off times" to run it or there's not enough pressure. The zone is oversubscribed. Given, it has a ton of pressure when it's not in use, but it's not sufficient to drive my impact sprinklers during high usage times.	1/10/2024 12:01 AM
603	stop letting less desirable businesses in - such as payday/loan places, vaping stores, etc.	1/10/2024 12:00 AM
604	Improve your bike lanes, also very few COMERCIAL AREAS (the older ones especially are really bad) have NO BIKE RACKS at all. I would also like to see the trails more connected, and better alternative modes of transit. Especially a way for bicycles to go from east to west, there is no good way to do it. I've tried, because you either have to bike on a major road, or you hit a canal. Primarily I would like there to be a safe efficient way to go between the Mountain View Corridor Trail, and Jordan River Trail, as there isn't a good way to do this. (Also while on the subject of bike lanes, I know that it's become very popular to put a bike lane going with traffic in either direction, but I would much rather prefer you put the bike lanes together on just one side of the street, going in both directions, it's so much nicer and easier to bike on. Because if ever you need to pass someone else using the bike lane, it's so much harder to pass someone when you literally can't go around them because there are cars in the way and you only have one lane, but if they were both together were on one side of the street, I have two lanes I can use, so I can go around people, it feels safer and it gives you more room yet takes up the same space on the road, as the two divided lanes, so it's much better in my opinion). Lastly I was going to mention I really wish you would finish the trail along Midas Creek near the South Mountain Community Church, but it looks like you are already doing that so GOOD JOB! Now if you could find a way to cross it to the other side of the Bangerter Highway that would be great, but I know that is probably very expensive. I would love if I could bike along the Midas Creek Trail all the way from Mountain View Corridor Trail to Jordan River Trail.	1/9/2024 11:47 PM

605	I would love to see Town Days reimagined/revitalized.	1/9/2024 11:46 PM

607	Continue to improve your communication with residents and be transparent.	1/9/2024 11:37 PM
608	Be more visible. It is wonderful to see government officials at High School games supporting the home team and emphasizing the fact that all players are from the city and community they represent. One team - One town!	1/9/2024 11:33 PM
609	Less car washes!, less townhomes, affordable single family living, more restaurant/shopping! Better internet/cell service at Mtn View!!!	1/9/2024 11:30 PM
610	1) As I mentioned before--please don't give up the small town feel in the name of supposed 'progress.' I already feel like it has lost some of its wholesome, down home feel over the last 14 years we've lived here and it makes me sad. 2) My biggest concern right now is the water supply. Back a few years ago there was that huge thing where the city switched our water supply for less hard water. It was great--for the first time I didn't have to use steel wool to scrub off the hard water stains around my faucet. I don't know what changed, but over the past year the water seems to have turned to its old ways and seems to be determined to make everything around my kitchen sink white with build up. It also seems that something in the water chemistry has changed because it seems to grow mold more quickly in places like the toilet bowls. We clean our bathrooms each week, but now within a few days we have a ring of black mold that develops. That should not be happening! It's like the ph changed or something. Could someone please investigate this? Where did our better water go? 3) And could you explain to the public what happened with the Riverton Arts Council and the new auditorium. I have heard the side of the Arts Council--how they were barred from the remodeled facility and control was given to someone the arts council did not approve of. I would like to hear the city's side of the story. Reserving indignation until I can weigh all sides--but it is concerning to me, especially since the city just spent a lot of taxpayer money on that remodel. Thanks for listening!	1/9/2024 11:14 PM
611	Tell Staggs that not everyone is a Mormon and quit shoving it down other peoples throats. Be progressive but allow a live and let live approach. 614	Many of your questions are hard for me to say because I enjoy our community, feel pretty safe, believe we have a great police force, and a great High School. I think our city officials are doing a great job.	1/9/2024 10:39 PM
615	Less spending. Less property taxes.	1/9/2024 10:33 PM
616	The few events we have been to have been way to packed and then the city stuff has been packed up before you can finish going though things. For instance the Easter event in 2023 we got there maybe 10 minutes into the event and maybe got to do half of the things before things were packed up and gone since most of the time we waited in lines to do the different activities. The little ones when bored of standing in all the different lines. Haven't bothered to go to event since.	1/9/2024 10:26 PM

619	You are doing a great job. Very nicely run city. Very comfortable to live here. Zoning law could use some enforcement, especially when it come to basement apartments in single family residential areas. Start enforcing the codes, particularly on street parking.	1/9/2024 10:13 PM
620	More engagement with constituents. I don't even know how city councilmen are identified. Are they selected by area? Do I have one from my area? If so, I don't know who it is? If I have an issue, who am I supposed to take that to?	1/9/2024 10:03 PM

Riverton Citizen Survey - December 2023

622	Keep Riverton safer	1/9/2024 9:58 PM
623	The first priority of government is public safety. That is police officers. The number of police officers needs to be increased. I have only seen a Riverton City police patrol my neighborhood once since the city police took over in 2019. I saw more of the Unified Police Department patrol my neighborhood. I see more stressed out driving on the major roads and excess speeds. I have not seen any officers patrolling around parks. There are about 35 officers, that does not seem like enough officers to patrol all the city area to me. The recent burglary at the State Liquor Store shows that Riverton is targeted. A year ago, there was a student at Riverton High School who was threatening others. With city growth of people and business -the police should grow as well.	1/9/2024 9:35 PM
624	Introduce speed Warning check and add more pedestrian crossing for parks near by	1/9/2024 9:32 PM
625	I would love to see a neighborhood cleanup program with free dumpster drops for refuse. Many people do not have access to a truck or trailer to haul away unwanted items or yard debris. I would like to see enforcement of nice landscaping I.e. green grass, mowed with no weeds, in front yards. All unregistered vehicles should be hauled away after 6 months beyond their registration expiration date. (They cannot just grow old sitting in peoples property. If people cannot driving them, they don't need them.) No living in campers, trailers, motorhomes etc. that's what campgrounds are for. No animals should be housed in people's front yard. Sidewalks should be managed and checked for hazards to keep them clear and safe. Homeowners should be forced to trim trees and bushes for visual clearance to both driveway and sidewalks. Kids should not be allowed to drive golf carts and motorcycles on city streets without a license. Warnings and tickets should be issued to all violators of city ordinances	1/9/2024 9:31 PM
626	Enforcement of city codes. We have a hoarder in our neighborhood and their property is a terrible hazard and it depreciates all the property around them.	1/9/2024 9:29 PM

We live in a cul-de-sac, so do MANY residents of Riverton and we are overlooked in the snow plow efforts of this city. We live near the border of Herriman and they do an EXCELLENT job of snow removal on the neighborhood streets, yes even the circles! Many Riverton Citizens are frustrated by the disparity of services in our city. We pay the same amount of taxes as our neighbors on straight neighborhood streets and we would love to see a plow truck when they do, which to be honest isn't as often as it should be either. Herriman delivers far superior snow removal to their citizens--just take a drive along the border streets after a snow storm and you will clearly see where Herriman ends and Riverton begins--we are covered in snowy streets, they are not!	1/9/2024 9:06 PM

637	Fix zoning to allow individuals to change their own lots and land regardless of neighbors. I own 1.29 acres and want to subdivide. But I can't because the whole neighborhood loses animal rights if I do. That's not fair to me or them. The city needs to change that zoning so the choice can be made individually. The neighbors should still have a say in it and impact fees can be assessed. But the owner should have the right to have a path to subdivision if that's their desire.	1/9/2024 8:54 PM

Riverton Citizen Survey - December 2023

639	The annual calendar seems to be expensive and not necessary. A lot of people complain about snow removal on the streets, but sometimes I think it is overdone - when clearing is done on a small snow fall or repeated shoveling where it has already been done. Also getting Salt Lake County to do a better job managing the swimming pool.	1/9/2024 8:49 PM
640	Nit but enforcing businesses to clear snow from sidewalks in the proper timeframe. I hate seeing pedestrians walk through snow that should have been cleared on major roadways like 13400 S	1/9/2024 8:48 PM
641	Enforcement of street racing, and loud vehicles. No fireworks. Work assertively with the state to implement sound reduction technology along Mountain View Corridor. There is a gap in the sound wall on the south bound side at about 13800 south. It funnels the sound through that space and there is little relief from it.	1/9/2024 8:48 PM
642	I appreciate that you're doing this survey and looking for ways to improve. The city is great and led by good leaders. I appreciate all that you do for the community and my family	1/9/2024 8:42 PM

648	Heavier enforcement of firework usage.	1/9/2024 8:25 PM
649	Lower the taxes. We are in the upper range of taxation in this county.	1/9/2024 8:24 PM
650	Enforcing the student parking restrictions around the high school neighborhoods - the high schoolers like to dump their trash next to their cars and the neighborhood has to clean it up. It is probably enforced a total of 6 times during the school year.	1/9/2024 8:24 PM

657	I'm not sure what Riverton's Historic Society does...do we even have one? If not we should. My family roots on my Father's side is in New England and I'm on their historical society's email newsletter list. It is AWESOME. They send out mini histories about people who settled there, historic events etc connected to the town. So interesting! They sponsor events, tell about historic happenings. I feel like I know more about that town, which builds pride, than I do about Riverton where I've lived over 40 years.	1/9/2024 8:01 PM

Riverton city should not be paying for this service that will only be used by select households, not all. and yes you are paying for it even if you reallocate government funds. those funds should have been used elsewhere not on google fiber.	1/9/2024 7:44 PM

Riverton Citizen Survey - December 2023

664	Riverton overall does a great job of managing the city. Keep Riverton for the people who live here. We don't need to "attract" outside money by adding something as dumb as Trac to our city. Doing so would destroy the safety we currently enjoy.	1/9/2024 7:44 PM
665	Nothing	1/9/2024 7:42 PM
666	Some of the building code and land code enforcement is ridiculous. My mother in law had to appear in court because there was some debris in the front yard of a house she was planning to restore. You know, to make the city better. Local governments do a poor job of teaching the right incentives. Think about the city you want to build and then enforce the code as such. I understand the code is the code. Sacrifice the pawn for a happier, more motivated people.	1/9/2024 7:41 PM
667	Nothing	1/9/2024 7:41 PM
668	None	1/9/2024 7:36 PM

670	Being more flexible with the application for zoning. Listening to residents.	1/9/2024 7:33 PM

674	Allow utility autopay with debit cards. Stop storing checking account information for autopay - security risk. Stop looking for ways to spend money you don't have.	1/9/2024 7:24 PM
675	As stated above, an increased focus on non car areas could bring a better feeling of closeness with the community. It's easy to get so abstracted with our community members when we all are just cars. The outlets at mountain view village would have been a prime location to make a more person oriented location. The entire center could have been cobblestone paths and paved walkways with a park in the center. Parking could have been on the field in the outskirts. To tackle the problem of having too many things to carry to the car there could have been trollies or hand carts. Imagine going there in the non winter months and it being green and alive with no wlugly parking spots or cars everywhere.	1/9/2024 7:18 PM
676	Get the new utility portal bug free. We had nothing but issues for months since the launch. It seems to have worked with our last payment after several phone calls and practically starting over from scratch.	1/9/2024 7:16 PM
677	Please focus on local problems that affect our lives like roads, parks, safety, and bringing in great businesses. I hate it when the mayor or our council members try to make ridiculous "statements" like making us a sanctuary city for the unborn... what you really make us is embarrassed.	1/9/2024 7:14 PM
678	Make money with our taxes, use gains to pay for items that are not majority requested.	1/9/2024 7:14 PM
679	As more and more higher density housing is built, please continuously look for ways to create open spaces connected by walking/biking trails.	1/9/2024 7:09 PM
680	All east and west travel in the city needs to have more lanes.	1/9/2024 7:09 PM
681	Stop the speed trap fishing holes	1/9/2024 7:08 PM
682	It would be nice to have more restaurant/bar options (no clubs though). We like to watch sports and would love a place where we can (safely and responsibly) have a beer and be able to take our kids along with us. We live in the old downtown area and it feels like we have very few options for decent restaurants or happy hour spots. There's also very limited shopping and far too many fast food restaurants.	1/9/2024 7:06 PM
683	Traffic flow thru city	1/9/2024 7:03 PM
684	Lowering taxes, looking at other alternatives to bring in tax revenue!	1/9/2024 7:03 PM
685	Overall I am extremely satisfied with Riverton City government and management.	1/9/2024 7:01 PM
686	Adjust road infrastructure on north/south roads to match growth. The traffic is too crazy. 12600 South needs expansion, as does 3600 West. Also school drop off and pick ups are SO dangerous! We need better systems for all of the schools to avoid accidents!	1/9/2024 7:01 PM

689	I like your clean up days but not everyone has a way to get rid of big stuff. I think it would be nice to do as some of the other communities in the area do and deliver the huge dumpsters to the neighborhoods.	1/9/2024 6:53 PM
690	I love that this is not a small city, but it has a friendly small town feel. When you encounter a police officer in public, they are always so nice and helpful. I also love that when you call a government office a human answers. We also got a response within an hour when there was a water leak in our front yard-on a Saturday, it was completely fixed within about 90 minutes.	1/9/2024 6:51 PM
691	Don't build anymore, especially condensed housing	1/9/2024 6:50 PM
692	I think sometimes the city council enforces their will on the residents rather than doing what the community wants. I'm not interested in the city tearing down more homes off of Redwood to build commercial properties. I moved here for the rural agricultural feel	1/9/2024 6:48 PM
693	No more multi unit housing projects	1/9/2024 6:48 PM
694	Keep theatrical productions happening even with the cultural Hall being renovated. Could do performances at the CR Hamilton clubhouse until done.	1/9/2024 6:46 PM

696	I think you are all doing a great job. I live on the outskirts... One thing I can say is that South Jordan snow plows show up before Riverton plows do....	1/9/2024 6:37 PM
697	Sticking to their commitments (zoning, 55+, not bowing down to developers because they feel things won't sell)	1/9/2024 6:36 PM

700	Honestly, I haven't had the time to really follow rivertons government specifically. I just hope we keep away from the rest of the salt lake counties decisions to over populate with high rise apartments. We need it to be sent and easy rather than hear about it later.	1/9/2024 6:14 PM
707	Enforce the codes that are in place. When I've reached out to that department I was told they really don't enforce many of the codes. Why? Doesn't make sense to me to have codes if anything goes. I didn't build a nice custom home to live next door to a shipping container. My neighbor runs a contractors business out of his home. He finally got rid of the shipping container and built an enormous garage too close to the property line. No one cares when you call and voice concerns. My other neighbor died and her son hasn't lived or taken care of property in over 10 years. The property is a dumping ground for trailers and cars that don't run. No one will do anything. House is empty no one lives there. Another huge eye sore of a garage was built recently in bradbury neighborhood. These garages need to not be within reason. When they are taller than houses it's an unattractive eye sore that isn't good for neighbors resale. Who wants to live by that kind of stuff. We aren't a small country town anymore and need to be better about what we allow to be built in it.	1/9/2024 6:13 PM

709	The policy that dogs need to be on leashes is not properly enforced in the city parks. There needs to be posted signage at all city parks. This is a major problem that the city needs to address because most people don't train their dogs and they will come after you.	1/9/2024 6:11 PM

734	Probably stop the growth and inflation on house prices. We are lucky enough to bought here many years ago, but my children's kids can't play in my driveway due to the traffic.	1/9/2024 5:24 PM
735	Make sure corruption is kept out of our city!	1/9/2024 5:24 PM

Riverton Citizen Survey - December 2023

736	The police department has been quite a mess. Obviously Chief barfuss was a huge mistake that nearly imploded the department. The new chief needs to be selected very carefully.	1/9/2024 5:23 PM
737	You guys are amazing ♡	1/9/2024 5:22 PM
738	Nothing else in particular.	1/9/2024 5:21 PM
739	Would like to walk on the sidewalks without the fear of putting my eye out with an untrimmed branch or twig nor tripping on a broken piece of cement.	1/9/2024 5:21 PM
740	Better snow removal in the neighborhoods!! We rarely see snow plows on our street after a storm, thus leaving our neighborhood an icy mess for days and days	1/9/2024 5:20 PM
741	Keep street gutters free of debris - don't overwater cemetary - fix the sprinkling system in cemetary	1/9/2024 5:20 PM
742	Nothing comes to mind	1/9/2024 5:19 PM
743	take care of the lawns on sidewalks- in the summer it is a night and day difference of how the grass is maintained and the area (on 118th across from the apartments on 3600) VS the SoJo maintained sidewalk and grass across the street! Make developers bury power poles (the Ivory neighborhood on 118th and 3600).	1/9/2024 5:17 PM
744	Anything that would help people.	1/9/2024 5:16 PM

746	Checking road work upon completion. Very it is compacted properly and a smooth transition. Hold contractors accountable for any bad patches	1/9/2024 5:13 PM
747	The smell of the secondary water! It is awful and smells like fish for a long time. Also the cost of living keeps going up for our small family keeping things affordable, not building too much that strains our resources and having community clean and taken care of is important to us. Thanks for all you are doing to make our community great.	1/9/2024 5:13 PM
748	Keep the direction that Trent Staggs has been leading the city in.	1/9/2024 5:11 PM
749	While the water is drinkable, the flavor could be greatly improved.	1/9/2024 5:11 PM
750	More consistency on growth planning and direction the city is moving. what is the longer term goal with open spaces and development.	1/9/2024 5:11 PM
751	Park rental fees should be lower.	1/9/2024 5:11 PM
752	Break away from the Jordan School District.	1/9/2024 5:09 PM
753	There's a missed opportunity to light the bridge at 2700w over 12600s. Also tree lined streets will make a long term investment in the city wide curb appeal. Makes neighborhoods stand out.	1/9/2024 5:09 PM
754	12600 South/ Redwood Road/ downtown area needs revitalized. Residence zoning cleared from main city access as many trashy looking homes & properties not kept up along the main road. Should be nicer commercial businesses. Or funds be made available to maintain properties. Would be great if police would help traffic flow in & out of schools- particularly elementary schools- Rosecreek Elementary- turning left to exit school safely. More sanitation services; * More frequent recycling pickup * Periodic dumpsters placed in neighborhoods for yard cleanup. * Option for Extra fee for extra garbage/ recycling pickup. The old	1/9/2024 5:07 PM
755	See comment above. However, Google Fiber is amazing.	1/9/2024 5:06 PM

763	Communication	1/9/2024 4:58 PM
764	Whoever the city hired to repair sidewalks is just trash. They "fixed" my sidewalk and curb by tearing them out, dumping concrete in the hole (without forming or grading it) and gave it a terrible finish job. Not sure they had ever seen concrete before. So now, I cannot edge my lawn because the concrete sloughed off under the grass. They put an edge in the top of the curb to make it look nice, but they left concrete under the grass there as well. Just terrible workmanship. It really stands out, people ask me about it. I have called the city for years, and no one ever returns my calls.	1/9/2024 4:53 PM
765	Improve west bound traffic on 134th south and 126th south, fix pot holes on city streets, be especially mindful of where high density housing gets approved.	1/9/2024 4:53 PM

771	I can't think of anything off hand. I'm sure there is something.	1/9/2024 4:48 PM
772	Stay our of politics. Stop taking positions on political subjects such as matters related to women's healthcare. It's reprehensible and none of the city's business!	1/9/2024 4:48 PM
773	Dont give criminals so many rights.	1/9/2024 4:48 PM
774	Stop with the big field on the intersection of 126 and redwood. It's an absolute waste of water and our money. Turn it into a xeriscape area with the flags and maybe put a statue there. We don't need the water to be wasted on an absolute waste of space grass square.	1/9/2024 4:47 PM
775	Listening to its citizens	1/9/2024 4:46 PM
776	Why was a large house approved to be built behind a small one on the same lot?	1/9/2024 4:46 PM

780	Traffic.	1/9/2024 4:44 PM
781	I realize that business and housing growth are financially beneficial to the community, but I would like to see more of the open spaces being preserved or have a moratorium placed on the "Cluster Housing" that is becoming so prevalent in all of Utah.	1/9/2024 4:43 PM

790	Better traffic enforcement in neighborhoods. WAY too many stop sign running idiots.	1/9/2024 4:32 PM
791	Keeping us Informed of road work and new I infrastructure	1/9/2024 4:26 PM
792	I don't know how to run a city government - you are under a lot of pressure. I hope you are able to accomplish what's needed without too much push back.	1/9/2024 4:23 PM
793	I feel like we could use more diversified commercial business. How many Auto related businesses three Tire repair shops (Discount Tire and two Big O's) four auto shops (Matson's Point S, McNeil's, Master Muffler, and Diagnostic Automotive) four auto parts stores (AutoZone, O'Reilly, Advanced Auto, and Napa) also the auto emissions and auto windshield replacement businesses, three car washes not including the gas stations that also have car washes. multiple dog groomers and hair salons all on 2600 S. from Draper to Mountain View Corridor? I think we could use some additional types of business.	1/9/2024 4:23 PM
794	Instead of fighting infrastructure, understand that growth is inevitable. Provide for roads and transportation needs before the houses come. Work better with state officials to get a highway headed from Riverton to I-15 (other than Bangerter, a more direct route).	1/9/2024 4:20 PM
795	Our city officials and administration are offensively pushing their religious beliefs.	1/9/2024 4:20 PM
796	Even in this survey there is a focus on "business" in Riverton. More focus on public needs and less focus on private business	1/9/2024 4:19 PM
797	Inform citizens prior to turning on the secondary water. Last year we were not informed. When I called they said they always turn the water on in April, the person had to be informed that it was March. It was March when I called and the water was turned on without any notification. We were fortunate to be home at the time, but we ended up having to replace the carpet in our basement.	1/9/2024 4:19 PM
798	just being aware of the city's needs. We don't see our representatives out and about talking to the community. I think people get stale in their positions. There is not enough communication about opportunities to vote or show up at meetings - unless we are looking for it actively, you don't get it. Send out info on where we should be looking to sign up for texts or emails. Go in to neighborhoods and talk to people. Try driving in the crappy traffic and see what people are actually experiencing.	1/9/2024 4:17 PM
799	A great place to live.	1/9/2024 4:17 PM
800	Stop trying to make Riverton a big city. It's losing its heritage. Make Riverton great again please. And fine people for always having garbage in their front yard. I live on 1830 west and there is about 5 houses that have broke down cars, trash and other stuff in their front yard. It's devaluing other people's property. And please put god back into our culture. Stop bowing down to the 5% atheists. America is being destroyed because we turned our back on god.	1/9/2024 4:16 PM
801	At Canyonview Park the park is VERY DARK AT NIGHT, even with the street lights. I feel that if the brightest LED lights were used it would really help light up the park. There are always people at the park at CANYONVIEW and it is scary that it is so very dark and the street lights don't do much to light it up, especially in the back corner of the park near the stone retaining wall. What if some solar lights were added.	1/9/2024 4:15 PM
802	Animal control. In my interactions with the animal control they didn't seem concerned with the issues brought forth. Kind of like a shrug as if they couldn't be bothered. I avoid calling even when there is a need.	1/9/2024 4:14 PM
803	I really enjoy good communication and it seems like through social media and texts that you to a good job with keeping us all informed.	1/9/2024 4:14 PM
804	Not sure.	1/9/2024 4:13 PM
805	I wish the Mayor would set up a separate social media presence for his run for political office. I 100% do not care or support him in his run for Senate, but I follow him on Soc Med for Riverton City business. I'm sick of hearing about his alliances with MAGA scum.	1/9/2024 4:12 PM

815	Sometimes the members of city government seems to be at odds with each other. As Riverton continues to grow there will be even more chances for differing opinions. I would like all members of city government to be more united in doing what is best for the city without so much division. Differing opinions are expected, but working together for the good of the city should also be expected.	1/9/2024 4:07 PM

859	thank you for listening and your service.	1/9/2024 3:52 PM
860	It would be nice if the city would start implementing more sustainable living solutions. An idea would be to start a community garden and a place for the city to compost. So have all the grocery stores, restaurants, coffee shops etc donate food scrapes and coffee grounds to be composted. That way the city could use that compost to plant tree and use in the parks etc. And if the community wanted to have a garden they could use that as well.	1/9/2024 3:52 PM

885	Speed Enforcement on all major roads, we live at 13087 South 1300 West.... speeding is getting worse. We never see police officers writing tickets or enforcing the 30 mph speed limit on our street. I have made several suggestions on how to reduce speeding on 1300 West, to the Mayor and Police Chief and City Council, nothing has been done. Someone is going to get hit... When this happens KSL will be notified how inactive Riverton City is in controlling speeding in residential neighborhoods. Speed Enforcement should be the number one priority in Riverton, speeding - breaking the law is becoming the normal policy in Riverton. City Government needs to stop looking the other way and take accountability for your positions. Remember who pays your salary, benefits and job security, the people of Riverton deserve better service from our police department and law enforcement. 886	Lower secondary water rates for those of us with water friendly smaller landscapes. Not fair that I pay based on lot size yet my grass portion is so small, should look at actual water usage or size of landscaped area that requires water, not the entire lot.	1/9/2024 10:24 AM
887	We sometimes really can't account for our water bill. Why one month is so much more than another. I also signed up for the e-newsletter, but I don't receive it. Maybe a fluke, maybe a wider problem. Overall, I think you're doing great.	1/9/2024 10:08 AM

lighting especially on busy roads like 12600 and 13400 South. I realize these are state roads, however, something can be done to address this in Riverton City government meetings if you invite UDOT to the meetings. The over crowding of these roads (due to high-volume, over development of housing units) impacts the side roads like 11400 and 11800 South. The lighting on side roads and neighborhood streets could use help as well. Public transportation would be wonderful! Half size buses and/or mini vans to take people to and from the TRAX station in Daybreak to the surrounding areas would be ideal. We pay enough money in taxes to at the very least have a study done by UTA.

889	See list above	1/9/2024 6:00 AM
890	You already did it by getting rid of Chief Barfuss. There is a reason he leaves departments after 6-9 months. That's how long it takes him to destroy moral. Promote Shane Taylor to permanent Chief. He is local and supported.	1/8/2024 11:45 PM
891	Please put a roundabout or a light in to replace the 4 way stop intersection on Eagle Flight Road. This is ridiculous and pedestrians are going to get killed. A pedestrian bridge across that road should have gone in at the very beginning if you want it to be a walkable shopping center between the two sides. Very bad planning that the city should have never allowed. Also stop changing the zoning that gets promised when development goes in and then gets changed to a higher density when you feel that residents are no longer paying attention. When problems are submitted on the website there is no feedback from the city to know if or what is being done in response. The secondary irrigation pressure is horrible. Need more trees in the city-especially at the parks. -- and not just small trees, trees that will grow 40 - 60 feet.	1/8/2024 10:42 PM
892	Nothing. Keep up the great work! Keep our taxes reasonable	1/8/2024 10:00 PM
893	A better recycling program. A possible city sponsored gym/recreation center.	1/8/2024 9:57 PM
894	Stop trying to get rid of the Unified Fire Department! They're doing a fine job. There's something to be said for having a fire department that's tied with most of the valley. All of the equipment matches and the best part is communication is the same for when additional response is needed on a call.	1/8/2024 9:48 PM
895	Be more open to suggestions from our businesses. They are your ear to the public.	1/8/2024 9:29 PM
896	We live near a small park. It has horrible, weedy, gopher infested grass that is continuously being further ruined by teenagers riding dirt bikes and other motorized vehicles around through it. We have reported the behavior --which is prohibited, according to signage-- but nothing has ever been done to intervene, prevent, or enforce the rule. Between the ruined grass and gopher holes, the park has little to offer the community.	1/8/2024 8:40 PM
897	Better communication.	1/8/2024 8:27 PM
898	There are way too many people running red lights. I think that needs to be enforced better. I've seen people run red lights in front of the police and they do nothing	1/8/2024 7:19 PM
899	Get rid of the Town Days rodeo and do something different.	1/8/2024 7:14 PM
900	Sidewalk repair could be much better and weed control along the Jordan River could be improved. Cracks in the Jordan River paths could be fixed more often.	1/8/2024 7:05 PM
901	Keeping our Utilities and property taxes low	1/8/2024 6:51 PM
902	More outreach line these surveys to get an idea of how the public feels about proposals and changes.	1/8/2024 6:40 PM
903	Improve rec center fitness class options. I travel to Herriman and sometimes Kearns to get all the fitness options I want as far as group classes go.	1/8/2024 6:00 PM
904	Support Mayor Staggs for Senator and when he wins, get a Mayor in that's just as good as he is/was!	1/8/2024 5:47 PM
905	There is a reason no other utility company charges a "non-user" fee. I use a competitors service, yet still get billed Riverton's non-user fee. Could you imagine getting your cell phone bill and it included a competitors non-user fee... what would you do?	1/8/2024 5:40 PM
906	Soliciting citizen input.	1/8/2024 5:20 PM

Riverton Citizen Survey - December 2023

908	No comment	1/8/2024 4:59 PM
909	Purge the secondary water lines more often. The crap that builds in the lines seems to be building up more often.	1/8/2024 4:53 PM
910	Communication, More town meetings. Ask the people or meet the town council.	1/8/2024 4:52 PM
911	Please keep city utilities and fees low	1/8/2024 4:50 PM
912	We absolutely need weed control in so many areas of the city. I don't know what government entities are responsible for weed control in certain areas, but please use our tax dollars for upkeep, weed control and enforcement of such, rather than constructing new parks or buying more Christmas decorations. Please take care of what we already have before adding more spaces that will create additional weed patches! Islands, medians, and park strips are particularly bad. Thank you!	1/8/2024 4:09 PM
913	Construction painting and clean up of painting and construction.	1/8/2024 3:11 PM
914	Informing residents of changes, such as when our Riverton City bill was delayed and why. I had to call to find out. Celebrate any resident of Riverton who is maybe 90 or older. Have a brunch for them with the mayor and city council members. Or if not able to attend, bring the celebration to them! Appreciate longevity!	1/8/2024 2:48 PM
915	I think new home development would be considered to invite more young generation in Riverton. It will bring more active town eventually.	1/8/2024 2:20 PM
916	Notification of events and new policies. For example: Our entire neighborhood did NOT know about the recent changes involving Waste Management. Several of us got warnings. We don't understand why Riverton City would allow such a drastic change.	1/8/2024 1:58 PM
917	Pay our excellent mayor a decent and competitive wage. Based on what makes now, I think he could qualify for food stamps!! Please compare what he makes to the amounts that the city council persons make. I'm surprised he hasn't run for the council and quit the mayoral position!!	1/8/2024 12:45 PM
918	We feel you are practically perfect in every way.	1/8/2024 12:17 PM
919	See question 28	1/8/2024 12:16 PM
920	Provide better quality of water in the secondary water system. If our secondary water system was a private enterprise it would not be in business. Its an extreme disservice to the community to force residents to pay for an inferior product. When I lived in Davis County, Weber Basin water provided excellent quality of water at a much lower price. In fairness to the residents of Riverton, either improve the water quality or provide an opt out solution.	1/8/2024 12:13 PM
921	I like this survey. I have no comment right now, but I know if I did I would have a way to voice that opinion.	1/8/2024 11:41 AM
922	The city looks dirty, there is garbage everywhere, and poorly maintained sidewalks. I have a neighbor whose side sidewalk is not wheelchair accessible, I've called and put in a request to have them address it but nothing ever happens. Their apricot tree also blocks our view in spring and summer coming out of our circle.	1/8/2024 11:20 AM
923	I wish That I had a good suggestion for this, but I don't . It would be nice if we had better participation from our community in our Memorial day ceremony and the Veterans day program. we need a better way to get the word out.	1/8/2024 10:45 AM
924	racing on redwood road	1/8/2024 10:39 AM

926	Remove and replace park and rec director!	1/8/2024 9:23 AM
927	Upgrade the street lamp posts. They're falling apart in my neighborhood on Lampton view Drive!	1/8/2024 8:41 AM
928	Transparency - The experience I described was the only encounter I have had with a Riverton government official. I have since found out that Chief Barfuss got our police department accredited and was working on making many other improvements and he was fired for his efforts with no transparency to the public. This takes away a lot of faith I have in Mayor Staggs and other city officials - I am NOT IMPRESSED.	1/7/2024 10:38 PM

929	Friendlier traffic signal timing at some intersections, especially 13400S & 3600W.	1/7/2024 10:36 PM
930	I would like to see snow plows in neighborhoods more often	1/7/2024 9:55 PM
931	I really appreciate your hard work. I am proud to say I'm from Riverton and feel very fortunate.	1/7/2024 9:50 PM
932	Less contentious/polarizing views. The mayor seems to think he needs to pander to the far right. Let's just stop that nonsense. Be real, and honest.	1/7/2024 9:05 PM
933	Less high density housing approvals	1/7/2024 8:08 PM
934	Used to live in Herriman and they had dumpsters brought to our street once each year. They also had Christmas tree curb pickup and it was awesome. It's been 6+ years in Riverton and we still miss that service. We don't have a truck or trailer to bring items to the community dumpsters offered in spring.	1/7/2024 7:39 PM
935	A new mayor that is not embarrassing	1/7/2024 7:37 PM
936	Can't think of anything	1/7/2024 7:30 PM
937	Listening to the residents more	1/7/2024 6:59 PM

939	Better cop drive bys in the neighborhoods by the highschool	1/7/2024 6:40 PM
940	Following through. I worked with a local official to improve the winter parking regulations and the ball got dropped and nothing changed	1/7/2024 6:12 PM
941	Nothing I can think of	1/7/2024 6:04 PM
942	Some of the mayors ideas get a bit "out there" at times	1/7/2024 5:59 PM
943	Snow plow the off beaten roads like cul-de-sacs. Not charge so much for secondary water. It's not right to pay for it in the winter when we aren't using it. Lower property tax. I pay more because I'm by a school. I don't have school aged children so I shouldn't have to pay so much for others' children.	1/7/2024 5:49 PM
944	If there's anything you can do as a city government to encourage more health and happiness that would be noble. I'm thinking supporting restaurants with nourishing foods, encouraging walking and other moderate physical activities, reducing landfill trash, increasing recycling, encouraging electric vehicles, and discouraging polluting businesses. Thanks for all the good you do!	1/7/2024 3:46 PM

947	If we as a city are afraid of losing our rural, small town image; then private/public land use should be more heavily scrutinized. Some lands should've been converted into public green space, others; should've been enforced as previously approved.	1/7/2024 1:51 PM
948	Nothing comes to mind.	1/7/2024 1:42 PM
949	I'm so looking forward to the renovation of the community center and am curious what classes like ESL will become available.	1/7/2024 1:37 PM
950	Nothing at this time. Thank you	1/7/2024 1:10 PM
951	See above	1/7/2024 12:28 PM
952	Better traffic enforcement. We have individuals treat 12600 south as well as Redwood Rd like a drag strip in late evenings, no better on side streets most days. Also the street parking on 1630 West (newer townhomes), it has become almost impassable at times. Snow removal on residential streets. Most of the time neighbors use an ATV/UTV with a plow to remove snow on neighborhood roads and cul de sacs in a timely manner, neighbors doing it as I write this. I understand that parks are separate entities, but when I can drive through the park and not my street without the fear of getting stuck it seems backwards. We need improvements with the safety of our streets all around.	1/7/2024 12:14 PM
953	I think we need to move to metered secondary water. I love lawns and green as much as the	1/7/2024 11:54 AM

next person, but I see a lot of in necessary water waste and we are past our ability as a larger regional community to do so.

954	doing good just lower the prices of the water and sewage	1/7/2024 10:56 AM
955	No 15 minute, "smart cities" in the future. More single family homes to buy. Easier traffic flow for all the thousands of high density rentals.	1/7/2024 10:50 AM
956	Not sure	1/7/2024 10:46 AM
957	Stop trying to grow Riverton so more people will come here and instead make what we already have a priority.	1/7/2024 10:40 AM
958	I believe the city needs to do better with hiring the chief of police. Does not seem individuals are vetted and lack longevity in the position. This gives a negative perception of the police force to the residents. Having multiple police chiefs in a short span is not a good look.	1/7/2024 10:30 AM
959	I think Mayor Staggs is doing a great job. I would love to the government keep protecting our family values, minimize high density and protecting our kids.	1/7/2024 9:48 AM
960	Parking on neighborhood streets. Too many cars become a safety hazard.	1/7/2024 9:37 AM
961	I know you're working on it, but improve communication of some of the smaller community events or activites happening. The August nights are incredible, I love the 4 of July parade, 9/11 memorial is amazing. The smaller things that are available like Spring Cleaning event, dump coupon, and other service or gathering events would be good to increase awareness so people can appreciate living in Riverton even MORE! Thanks for all you do, my family and I love it here!	1/7/2024 8:22 AM

965	Better traffic control as much as possible. It is to difficult to just get to the store after four o'clock. Changing the city park over to a pedestrian park was a great thing. It's something to be proud of.	1/7/2024 12:56 AM
966	I appreciate the 4th of July celebration and Fireworks each year.	1/6/2024 11:26 PM
967	Have spring clean up days with dumpsters in neighborhoods	1/6/2024 11:12 PM
968	Don't replace things that don't need replacing like the pavilions in the parks. We heard the city overpaid for new ones that weren't necessary, but we don't know if this information was accurate.	1/6/2024 11:00 PM
969	Speed bumps and police patrol at the park and neighboring areas	1/6/2024 10:58 PM
970	Don't add any more speed bumps.	1/6/2024 10:46 PM
971	Enforcing the no trespassing along the ittigation canal. The fences are up, but the gates remain open. Signs clearly designate no trespassing. Yet people use it as attack to walk, run, ride bikes, ride atvs, side by sides, motorcycles, and cars and trucks. It is a daily occurrence behind my home. People even do family fishing along the banks in the summer. It needs to stop	1/6/2024 10:39 PM
972	The lady in charge of parks is not friendly. I don't remember her name. I have also interacted with Kevin. He is great.	1/6/2024 10:32 PM
973	Focus more on quality of life and less on keeping taxes low.	1/6/2024 10:14 PM
974	We need indoor and outdoor tennis in this area of the valley We need a good Sporting Goods alternative vs having to travel to Sandy or West Jordan	1/6/2024 9:43 PM
975	Secondary water quality is awful, just awful. It destroys my sprinkler system every year despite having a good filter in place. I would be willing to pay more for better quality water and more consistent pressure.	1/6/2024 9:04 PM
976	12600 s traffic is horrible.i appreciate the work on bangeter but we need held on our inner main streets. Need a rec center. Need a passport office.	1/6/2024 9:03 PM

Riverton Citizen Survey - December 2023

977	More police presence to help reduce crime and enforcement of running red lights and distracted driving.	1/6/2024 8:29 PM
978	Literally everything. The Riverton city government is small town and an old school boys club.	1/6/2024 8:20 PM
979	I feel like there's been issues with zoning and adhering to standards when houses are being built. I also would like to see certain areas of the city be off limits to sub dividing or allowing rentals such as vrbo, Airbnb, etc in already very established neighborhoods. Those tend to bring issues because of so many random people coming and going. It's off putting to have kids and have random homes with transient renters coming and going. Our neighborhood was rezoned without being told during covid when no meetings were being held. Very frustrating. Seems that transparency sometimes is only used when it's convenient.	1/6/2024 8:12 PM
980	See previous answer.	1/6/2024 8:08 PM
981	Stop approving high density housing in Riverton!	1/6/2024 8:02 PM
982	I think for the most part you're doing a great job!	1/6/2024 7:52 PM
983	More law enforcement presence west of Mountain View-proactive/community patrol	1/6/2024 7:49 PM
984	Keep with the good leadership that we've had	1/6/2024 7:40 PM
985	The staff are friendly and efficient. Our city council rep, McKay, is too extreme right wing. The city workers are great folks.	1/6/2024 7:39 PM

991	Landscaping/maintenance, pot holes/road conditions,	1/6/2024 6:00 PM
992	Nothing at the moment	1/6/2024 5:54 PM
993	Another person over parks and rec that treats the citizens like they are the ones who pay the taxes to have parks and rec instead of making it so difficult to reserve parks or renting rooms at the Sandra Lloyd bldg. I think that building should be more accessible to the community to use. The space needs to be better utilized. Hopefully with the remodel we as citizens will see change for the better.	1/6/2024 5:23 PM
994	Change the policy with plowing the circles for safety and fact that people need to be able to get out and drive to work. We need this city to transition to a movement fitness community, bring some dinning which offers healthy food options. Build up the options for walking and riding paths intertwined in the city and not just at the Jordan river trail.	1/6/2024 5:08 PM
995	Stronger separation between church and state. Its inappropriate to have representatives using their positions of power to spout their religious beliefs. It ostracizes members of our community.	1/6/2024 5:01 PM
996	We've lived here a long time and love it. The biggest complaint I have is dealing with a hoarder neighbor. We've interacted with code enforcement and yet the problem not only persists but I feel like it's getting worse. I'd like to be continually updated and kept in the loop regarding the issue.	1/6/2024 4:31 PM
997	Maybe more funding for police. Hopefully this would draw the best police officers here.	1/6/2024 4:05 PM

1005	Involving all of the high schools and other schools, not just Riverton High School.	1/6/2024 2:42 PM
1006	Charge property taxes to have funds available for public spaces and community events	1/6/2024 2:40 PM
1007	Thanks for all you do!	1/6/2024 2:35 PM
1008	Animal control. You never get a live person and always feel like nothing is happening unless you make yourself a really big pain in the ass.	1/6/2024 2:09 PM
1009	More affordable homes for young families, lowering taxes and fees. no more townhomes, condos, or apartments!	1/6/2024 2:01 PM
1010	Stronger gun control to keep children safe, have safe storage programs, suicide prevention programs	1/6/2024 1:52 PM
1011	The increase in 55+ communities seems fishy, especially since you are allowing duplexes with them on 3600w and 11800 S. I thought that wasn't allowed. And that the city can just take away the 55+ designation without a second thought and now we have high density housing that wouldn't have been allowed in the first place. Tricky little work around that makes me very distrusting of Riverton City officials.	1/6/2024 1:52 PM
1012	Enforce code. Enforce residents and businesses to keep their property attractive. Stop allowing residents to split their houses into rentals. Allow designated apartment buildings but not trashy duplexes and top/bottom rentals.	1/6/2024 1:49 PM
1013	Keeping sidewalks clean and weed free in non-incorporated areas. Example: Weeds on 134th and Eagle Flights couldn't even see the corner at all, nobody could even use the sidewalk.	1/6/2024 1:46 PM
1014	Reduce the cost of secondary water and not having to pay for all year long similar I like what South Jordan does, where their cost is reasonable. Riverton is ridiculous for the cost we have to pay for secondary water all year long.	1/6/2024 1:35 PM
1015	Enforcement of sidewalk clearing in the winter	1/6/2024 1:21 PM
1016	Stop using other cities as a benchmark for spending. We should control our spending based on the unique factors of our city.	1/6/2024 1:17 PM
1017	1 - Reduce noise pollution. - The city could champion this important initiative through the state to other cities and counties. 2 - Offer affordable dumpster (as an example, West Jordan offers a residential dumpster reservation for \$75 to their residents). 3 - Facilitate a system in which secondary water could be opted out or locked. 4 - Expand Glass recycling locations. - There is only one. 5 - Implement Billboards in busy areas, to educate residents on important topics and/or City initiatives. Billboards tend to have the highest number of views.	1/6/2024 1:07 PM
1018	Mayor Stags should take the time to actually learn from others and listen to other state agencies before spreading misinformation. And quit using your position to try to move up. I'm super tired of the grandstanding and superiority complex many of our elected officials have. So please listen to learn and understand, instead of thinking you always need to be right. You have council members for a reason. Use their insight and you could be an amazing mayor.	1/6/2024 12:51 PM
1019	only what I listed above	1/6/2024 12:48 PM
1020	Update some street lights.	1/6/2024 12:25 PM
1021	See #28. Many events do not cost the city other than to plan and execute them. The city has spent serious money on the remodeled park and Dome Building only to not use them efficiently and/or cost too much to rent by the general public. Knowing the truth with the Police Department and why the new Chief of Police was quietly exited? Uniformity with building permits, subdivisions, new and existing subdivisions.	1/6/2024 12:08 PM
1022	Question 25 sucked i only wanted to prioritize 3 of the 7 and I don't want electronic communication of any kind.	1/6/2024 12:02 PM
1023	Better cohesive city planning	1/6/2024 12:01 PM

Riverton Citizen Survey - December 2023

1025	Overall I think Riverton City is doing a great job. So happy I moved here.	1/6/2024 11:37 AM
1026	Bring in a better variety of businesses. We don't need a car wash or auto parts store on every block.	1/6/2024 11:14 AM
1027	When we changed billing companies for utilities..it seemed like they werent quite ready for the change. We werent and still cant send our payments electronically from our credit union..Transwest. Looks like for a number of years everything was fine and now they have to mail payments. Therefore payments take longer to post. Also it seems like out water bills take longer to reach us? Today is a week after my bill has posted and im not able to view the bill itself? Not a major concern but we are all creatures of habit and things changed..Thanks	1/6/2024 10:52 AM

1032	Maintain good police and fire protection.	1/6/2024 9:52 AM
1033	Less high density housing for sure - what in the world are you thinking? I don't care how we compare to Riverton - I care that we have too much of it already. I'd like to see more police presence. I never see them unless I call for help.	1/6/2024 9:31 AM

1044	Transparency with what's going on with police chief and city manager revolving door.	1/6/2024 7:24 AM
1045	Just keep considering resident input and principles of responsible growth. I'm all for making this a great place to live but we seem to be growing faster than we can handle...again that could be I'm just feeling the effects of the herriman population. I'm pretty generally satisfied with my life in Riverton and the city government	1/6/2024 7:20 AM
1046	Citing taxes & not over spending	1/6/2024 6:51 AM
1047	Do not let city council change our voting to ranked voting Do not let McCay change state flag	1/6/2024 1:46 AM
1048	Better informing the community of events and community resources	1/6/2024 1:12 AM
1049	Adding City Council agendas to the newsletters, emails, etc. PRIOR to the meetings rather than talking about what was passed after the meetings. I feel the prior should be the responsibility of the City Council members and I don't receive anything from them except when they're up for re-election! Also, be transparent and upfront, e.g., secondary water meters that you said were going to be used to inform us on our water usage so we'll use less but I feel like you installed them so you can charge us for the amount of water we use that crosses the usage line you decide to establish.	1/6/2024 12:06 AM

Riverton Citizen Survey - December 2023

1050	I would love better roads connecting East to west. I would love a commuter lane down 126000. Sprucing up 126000 while doing it would be awesome.	1/5/2024 11:43 PM
1051	Transparency. Provide the honest truth about the corruption in the police force that has caused two chiefs to be forced out. We won't forget about this when it comes time to vote.	1/5/2024 11:08 PM
1052	Improve cost of secondary water, paying year round for 5 months and only to have it shut off arbitrarily and earlier than the hot fall Temps is frustrating. Follow thru with sidewalk plan and then open Trestle Lane asap in Spring (it's been closed for decades)!	1/5/2024 10:19 PM
1053	Limit the high density apartment complexes.	1/5/2024 9:48 PM
1054	Everything! Getting rid of the police chief for no reason and bringing in an idiot was a terrible idea! We lost all our good officers because the mayor didn't listen to employees	1/5/2024 9:31 PM
1055	Better communication between city & citizens.	1/5/2024 9:16 PM
1056	As far as I can tell, our city government does a wonderful job at connecting with the community and listening to our needs. Thanks for all you do!	1/5/2024 9:11 PM
1057	Build a recreation center that offered more than any other recreation center in the valley such as: pool, water slide, changing tables for adult sized person, indoor archery lanes, basketball, pickle ball, weights, indoor track, cardio, indoor skeet/trap range, indoor Rifle Target range, and indoor pistol target range. If you are going to spend it on city parks do something other cities haven't done and make the park accessible for everyone, including families with special needs teens and young adults. I know parents who takes their special needs child or teenager to the park and then leave after 10 minutes because the special needs person they brought need their diaper changed. No park in Salt Lake County offers a place to change them and the parent is disgusted by the thought of using the family restroom floor.	1/5/2024 9:09 PM
1058	You guys are doing great! Thanks!	1/5/2024 8:53 PM
1059	No more building high rises, people are living in sardine cans or lots where one can touch both houses with both hands. Where are the kids that used to play all evening, running around, play catch the flag, riding their bikes. This is only found in the older established areas...Riverton used to be a great place to raise kids, now not so moore. Thank you for all you do!	1/5/2024 8:27 PM
1060	I love Riverton! So impressed with the efforts of our city government.	1/5/2024 8:03 PM
1061	Homes with overgrown vegetation, trees crossing over property boundaries, hoarder situations need to be addressed.	1/5/2024 7:59 PM
1062	Leading in water conservation and encouraging residents to do more. Water use is going to become a bigger issue.	1/5/2024 7:37 PM
1063	Stop building high density housing.	1/5/2024 7:35 PM
1064	Improve the awareness of the needs in the older neighborhoods of Riverton, and not focusing on growth, and continuing to cause more traffic issues. Also standards or some monitoring of older neighborhoods having more than 1 family and trash people accumulate in their yards. Reducing property values.	1/5/2024 7:25 PM
1065	Nothing	1/5/2024 7:24 PM
1066	Please see above	1/5/2024 7:22 PM
1067	Stop elected officials from acting like they own everything.	1/5/2024 7:06 PM
1068	Go back to the original parade route	1/5/2024 6:58 PM
1069	communication with contract service for trash and recycling has been difficult, recycling pickup on 11800 south is not consistent. Map on website is vague and blurred.	1/5/2024 6:51 PM
1070	Support for youth organizations like scouting or stem. Tired of all money going to sports programs.	1/5/2024 6:51 PM
1071	I recently needed to report that my street was skipped for recycling. There was no one to report to. The automated system was a failure I am now forced to throw the recycling in the trash for two weeks. It is better to hire someone to receive calls. The system didn't recognize our account number A long process that didn't resolve the issue. Please change this!	1/5/2024 6:49 PM

Riverton Citizen Survey - December 2023

1072	Streets	1/5/2024 6:36 PM
1073	Stop so many multi-housing projects	1/5/2024 6:34 PM
1074	Greater clarity around city vs. resident responsibility for secondary water supply. And, greater clarity about whom to contact for questions / concerns with the secondary water supply.	1/5/2024 6:24 PM
1075	I'm excited about the community center being built and any future community classes available to the public.	1/5/2024 6:20 PM
1076	Reduce property taxes. I'm tired of not making much progress on my mortgage because of property tax increases	1/5/2024 6:19 PM
1077	Twisting neighboring cities arms when doing streets and utility work. Herriman City.	1/5/2024 6:11 PM
1078	Would love to see annual bike races again- The Tour de Riverton hasn't been going for a few years. Maybe a superhero themed half marathon/ 5 k. Or fitness groups like Stroller Strides or Yoga in the Park. Corporate baseball/ softball tournaments. Jordan River kayaking classes. Would love to see walking paths and more trees and benches in every park, along with something showing mileage of a lap around the park. Would love to see community events where you utilize the walking trails in Riverton (see Sandy city's book it puts out every year- it will blow you away.) Would love to have an outdoor amphitheater for the arts. Perfect location would be in that big field behind the Old Dome Meeting Hall. Would love to have a new outdoor pool that doesn't keep changing its hours- Maybe open from noon-8 daily in the summer. Wish we had our own rec center, but pretty sure that's not happening. Quit focusing on "historic Riverton". Move forward. Some of us haven't lived here long enough to be nostalgic. Build new modern facilities and get some kind of Rec Center like Rush, Classic Skating, Boondocks, Layton surf and swim, Cherry Hill, or other out here. Delton Bowling and the new movie theaters are the extent of entertainment.	1/5/2024 6:10 PM
1079	Reevaluate the traffic pattern for westbound traffic coming off the southbound Bangerter hwy. Vehicles turning off Bangerter heading west have a short merge area (in the lane adjacent to the south side of In and Out Burger). Can traffic be allowed to continue through the light at 4030 west? Instead of being forced into a right turn. This would allow for a greater merge lane especially during 5 o'clock traffic.	1/5/2024 6:08 PM
1080	I can't think of anything	1/5/2024 5:55 PM
1081	The path for information is pretty good and I like the app. I would like to see council members make more in person introductions at city events. Perhaps during city days, they could have a booth for answering questions of council members and getting updates. Or perhaps during other events council and members of different departments could have hiring fairs and education on what services can be found and where.	1/5/2024 5:47 PM
1082	Better distribution of services	1/5/2024 5:43 PM
1083	More public transportation. Need buses	1/5/2024 5:31 PM
1084	Animal control	1/5/2024 5:28 PM
1085	Safer roads	1/5/2024 5:25 PM
1086	Save money for us all. Thanks	1/5/2024 5:24 PM
1087	Less government equals less taxes. Lay some employees off.	1/5/2024 5:22 PM
1088	Doing a great job. Thanks for seeking feedback!!!	1/5/2024 5:09 PM
1089	Keep up the good work. Help businesses remain viable and those tax dollars rolling in.	1/5/2024 5:04 PM
1090	Add More signals or road crossing signals to park access	1/5/2024 4:56 PM
1091	Screen new businesses more closely before allowing them here. There are some new ones that scam people.	1/5/2024 4:53 PM
1092	Bring back the car parade - that was awesome!	1/5/2024 4:48 PM
1093	Reduce taxes	1/5/2024 4:47 PM
1094	I am quite happy with our city government and have a hard time coming up with improvements for the government itself.	1/5/2024 4:45 PM

Riverton Citizen Survey - December 2023

1095	God centered first and foremost. Constitution based and trustworthiness. None of this big government little people stuff.. Thank you for your interest in we the people and our feelings. God bless!	1/5/2024 4:37 PM
1096	Some of the city sidewalks are overgrown with weeds and don't get snow removal. It is difficult to walk when the sidewalk is covered in weeds and snow. School zone pick up can be a bit crazy and citizens often use neighborhood streets and school alley ways as their personal drop off and pick up when they don't live in the said neighborhood causing traffic jams.	1/5/2024 4:34 PM
1097	1. Maybe have evenings that are open to the public to visit with the mayor and city council. 2. Online renewal for pet licensing instead of having to go through Stoneridge.	1/5/2024 4:26 PM
1098	reminding businesses and residential areas to keep properties clean and taken care of	1/5/2024 4:25 PM
1099	Would love to see some community gardens, and some dog parks. I would also like a different option to travel other than 13400 S, it's so busy!!! I would also love more local places instead of chains all the time.	1/5/2024 4:25 PM
1100	Intervention re; concerns noted in #28	1/5/2024 4:12 PM
1101	Keep taxes low	1/5/2024 4:10 PM
1102	Don't read ALL of the veteran's names on Memorial Day. It is a day to remember those who died in the service of their country. We have other times to honor them all. Bag the carnival. Brings in too much riff-raff. Love food trucks and movies in the park. Bring back Sunday night concerts!!	1/5/2024 4:03 PM
1103	More time to pay water / garbage bill	1/5/2024 3:41 PM
1104	Not allowing the bigger lots in riverton whether seen from the street or not to have many cars and junk on the property that don't run , they just sit there, turns into a junkyard like . Even if they are covered with a tarp it don't run not being driven they go bye bye	1/5/2024 3:34 PM
1105	Budgeting for lower taxes	1/5/2024 3:33 PM
1106	Don't have any feedback.	1/5/2024 3:14 PM
1107	Lowering taxes on people who are working hard to help provide job opportunities.	1/5/2024 3:10 PM
1108	Making the whole city feel like it is a part of the city not just the east side	1/5/2024 3:04 PM
1109	Repeal efforts to try to control women's bodies. Riverton City is not a doctor.	1/5/2024 2:52 PM
1110	Listening to citizens. Meetings for citizen input are a complete waste of time. Decisions are made before citizen input, so why waste time for both the council and the citizens having irrelevant meetings.	1/5/2024 2:49 PM
1111	Riverton will always be a suburban city and shouldn't try to fit a square peg in a round hole by building dense office buildings next to single-family homes. The commercial area at 126th/Redwood needs to be treated as one giant campus with interconnected vehicle access and walking trails. If you do have to upzone on east side of city, have it close to the main City Park.	1/5/2024 2:32 PM
1112	Code enforcement!!!! I have complained over 40 times about the usage of the area at 1300 W. 11790 S. And the backyard usage at the corner of stone ridge Ln, and 1300 W. No response from code enforcement, the owners seem to make a minor attempt, but quickly stop. NO RESPONSE from code enforcement, is it me that's wrong, or them????? GRRRR Thanks for listening.	1/5/2024 2:20 PM
1113	Bring back the city text alert option.	1/5/2024 2:10 PM
1114	Better transparency with taxation and spending published online in real time	1/5/2024 1:52 PM
1115	More transparency	1/5/2024 1:51 PM
1116	Perks for residents at a community center. Do we even have one?	1/5/2024 1:47 PM
1117	All good. Mayor Staggs is amazing and our city government runs smoothly because of him. Thank you Mayor!	1/5/2024 1:38 PM
1118	Keep motorized vehicles, including skateboards, off Jordan River trail.	1/5/2024 1:25 PM

Riverton Citizen Survey - December 2023

1119	Stop allowing high density housing and more access roads east /west from foothills area and west to access east side. 13400 and 12600 not enough.	1/5/2024 1:11 PM
1120	in my estimation you are doing well.	1/5/2024 1:10 PM
1121	More focus on helping community and less on development and politics	1/5/2024 12:55 PM
1122	It would be nice if Riverton City could influence whoever manages the Jordan River Trail to take better care of it. The cracks are too big for road bikes, making it only usable for fat tire biking.	1/5/2024 12:49 PM
1123	I don't know the inner workings of the city government to comment on ways it can improve. I pray for honest, loyal, hard working leaders. Thanks for all you guys do!	1/5/2024 12:42 PM
1124	We need to start our own Fire department and get out if the corruption of the UFA.	1/5/2024 12:31 PM
1125	Road maintenance and upkeep.	1/5/2024 12:24 PM
1126	Be careful to avoid FOMO and the latest trends and look at the long term impacts that will last	1/5/2024 12:15 PM
1127	Integrity of council members. Conflict of interest between personal business and city business...zoning of properties.	1/5/2024 11:35 AM
1128	Subdivision streets sealing	1/5/2024 11:11 AM
1129	The only suggestions I have is to have better pressure in the secondary water system, more frequent mowing at our parks, and better control over crowds at the July 4 parade so people don't move towards the center of the street and crowd the parade floats.	1/5/2024 11:08 AM
1130	Less close housing developments and less crowded streets.	1/5/2024 10:57 AM
1131	I am very happy so far. Like I said before I wish that Riverton had a main street with local businesses. Since we don't have that what about something similar to what South Jordan has near their city offices that sort of looks like a main street area.	1/5/2024 10:48 AM
1132	Code enforcement, poorly maintained residential properties with overgrown yards, junk, old vehicles etc. This is an issue in older areas of Riverton.	1/5/2024 10:16 AM
1133	Remember that the will of the people should govern. Riverton has a habit of ignoring the will of the people in favor of developers and business interests.	1/5/2024 10:13 AM
1134	Make residents keep at least front yard clean Less apartments per acre	1/5/2024 9:03 AM
1135	Ridiculous amounts of money for an unsafe parade and free events for people who don't live here	1/5/2024 8:55 AM
1136	Be proactive in all departments. Take complaints seriously rather than giving excuses. Honor promises made in city council meetings. Many empty promises made especially with development. The city seems to be run by developers rather than the city.	1/5/2024 8:33 AM
1137	Sometimes the mobile app is difficult to find what you need.	1/5/2024 7:58 AM
1138	Surveys for spending money like this.	1/5/2024 7:18 AM
1139	I believe there have been problems in the police department. I believe it's organization that could be better run and needs more outside objective supervision. I understand a lawsuit was settled for wrongful termination at least once. That's not how I want to spend my tax dollars	1/5/2024 6:51 AM
1140	Mountain View Village was an amazing idea but the execution was botched. Traffic through MVV seems to have been an after thought and the city should have seen the traffic nightmare that was coming. Was there no oversight of the developer? Something must be done. Citizens are going elsewhere just to avoid the traffic. The city gets a D- for how they allowed this to happen.	1/5/2024 6:35 AM
1141	Idk	1/5/2024 5:24 AM
1142	Lower taxes	1/5/2024 12:16 AM
1143	More complete details about events on your Facebook page. Electronic billboard messages change too rapidly to see completely before I get close enough to read them.	1/5/2024 12:09 AM
1144	July 4 more engaging activities for children	1/4/2024 11:36 PM

Riverton Citizen Survey - December 2023

1145	N/a	1/4/2024 11:28 PM
1146	A moratorium on high-density town homes and apartment developments! Proper infrastructure and roadways to support the excessive populous and traffic created by poor city management and planning. Stop allowing building to take place on every inch of open land around 134000 south. More East/West roadway infrastructure MUST be put in place to accommodate the already excessive amount of high density housing being allowed by Riverton and Herriman city government.	1/4/2024 11:14 PM
1147	Teach city employees to be more customer service oriented. It shouldn't always be about the money and that's it. You don't need to be so cold	1/4/2024 11:12 PM
1148	The soccer program is not great. In my opinion, it needs to be more kid involved in less parent involved. I wish they had a league that my five year old could participate in without needing me to be there hands on like this smart soccer.	1/4/2024 11:08 PM
1149	Increased pay for crossing guards. There aren't enough guards to cover all the areas within our city. That's a serious issue when trying to keep these previous children safe. Surrounding cities pay more and I believe we'd have better retention with a pay increase. I've been a crossing guard in Riverton for 6 years and the pay has never increased.	1/4/2024 10:36 PM
1150	Get police detectives who are actually willing to help and not just sit around passing judgement on people who come to them for help with fraudulent people. We asked for help with a fraud investigation and they wouldn't even look up the person's criminal record on their computers. And please hire someone in the court that treats community members respectfully. A family member was treated very rudely by the clerk/secretary twice; we pay her salary too!	1/4/2024 10:08 PM
1151	Patrol parking on the side streets near Riverton high and replace the no parking sign that has been removed by teenagers	1/4/2024 9:55 PM
1152	Let's make sure if we do plantings, that they are planted for the size will get to. Plantings are done for how cute they look when small or how many plants can we charge the city for by over planting. Then we have take them out when too large for space. Example corner of redwood and 12600	1/4/2024 9:38 PM
1153	Better communication with traffic violations. I had a hard time getting questions answered after receiving a citation.	1/4/2024 9:13 PM
1154	Doing a pretty great job!	1/4/2024 8:49 PM
1155	Animal control services need improvement. The process of licensing my pets was difficult, delayed and lost my information after paying. Poor communication and delayed in returning calls and messages.	1/4/2024 8:35 PM
1156	More police and traffic control at large events like the parade and fireworks. More parking at the city park for town days.	1/4/2024 7:55 PM
1157	More community activities. Celebrate our community! Decorate better for CHRISTMAS! Herriman, Draper & Sandy do this well! Food truck's in the park ALL Summer with a GOOD farmers market! Herriman's "Hungry Herriman" is OUTSTANDING!! We spend every Monday night there. Make us want to spend our money in Riverton.	1/4/2024 7:22 PM
1158	Increase the amount of Target stores in Riverton.	1/4/2024 7:00 PM
1159	Communication on happenings in the city. Tell us how our police dept is working and what they are doing. Same with fire deot. We love to see them in the midst of what is happening.	1/4/2024 6:59 PM
1160	Better enforcement of basic laws while driving, especially as running red lights is concerned. I have almost been hit multiple times by people running blatant red lights. I'm also frustrated with people running stop signs and speeding through neighborhoods.	1/4/2024 6:48 PM
1161	They are great!	1/4/2024 6:46 PM
1162	I have been impressed with what I have seen. No complaints.	1/4/2024 6:43 PM
1163	X	1/4/2024 6:33 PM
1164	The new bike lanes going in near MVV are tiny and dangerous. Feels like a check box being ticked off and not an actual amenity.	1/4/2024 6:22 PM
1165	Christmas lights. You vastly underutilized your lights you have this last Christmas season!	1/4/2024 6:10 PM

Riverton Citizen Survey - December 2023

1166	Less housing	1/4/2024 6:07 PM
1167	If you want to ticket us for filling our trash cans get the bigger trash cans back. It is going to cause a big problem we will have garbage everywhere because we won't be able to fill our cans.	1/4/2024 5:50 PM
1168	The light on 134th and Monarch Meadows needs to be patrolled or the lights are off. So many near misses there with red light runners headed west. (McDonald's and CVS intersection) Is it Riverton or Herriman you get the bounce around with complaints. Also a light on 126th and western hills needs a light!! A very big priority. I have heard rumors on what is being done there and no it needs a light. You put a barrier there and how is our entire neighborhood supposed to get home? Just because 131st ish is going in its going to cause a mess for residents. Also for Silvercrest and brundisi. That's the route we would all take. Herriman doesn't want crossing guard there but with the barrier rumored to go in there would creat havoc down that road. Please survey it. There is also businesses starting to go up to the north of it and the people coming put of garage grill try to turn east during rush hour and make some damning decisions on their lives. Please please look into it. I'm sure every Riverton resident that lives west of mountain view corridor would agree there needs to be a light. Also be mindful if the times you send someone out to survey. Notify the residents when these meetings will happen talking about that intersection. You'll have a crowd there to discuss.	1/4/2024 5:40 PM
1169	Mayor Staggs could be less far-right and represent all his constituents, as well as many of the council members.	1/4/2024 5:12 PM
1170	Not a thing, firing that piece of garbage chief barfuss was the best thing you've done in years	1/4/2024 4:26 PM
1171	Snow removal in neighborhoods	1/4/2024 3:48 PM
1172	I believe they could improve activities for young adults to help stay active. I would really like to see adult sports in the city. There are a lot of cities that offer flag football, softball, and other sports. I play in an adult hockey league and constantly hear that there is not enough ice rinks in the valley to support the growing sport. I believe Riverton could find space to develop a small recreation center.	1/4/2024 3:43 PM
1173	Communication - but I believe our city does that very well.	1/4/2024 11:41 AM
1174	Transparency would be nice. The top 2 police officers were shown the door with no explanation to what happened. The mayor needs to go.	1/4/2024 10:11 AM
1175	City officials and police department leadership	1/4/2024 9:04 AM
1176	Water	1/3/2024 8:52 PM
1177	It is great!	1/3/2024 8:39 PM
1178	I can't think of anything. I love this city.	1/3/2024 4:48 PM
1179	Employees. Seems that you pride yourself on overworking and under paying the staff who actually make the city look good!	1/3/2024 1:39 PM
1180	Centennial Park is being turned into a haven for motorbikes and ATV's. The grass is being torn up. Something needs to be done to prevent kids (and adults) from driving motorized vehicles all over the park.	1/3/2024 9:28 AM
1181	Getting info for all events or important notifactions out quicker/better advance notice.	1/3/2024 9:08 AM
1182	None	1/2/2024 11:54 AM
1183	Clarity and open communication regarding city government issues IE police department issues	1/2/2024 3:23 AM
1184	Handing out more speeding tickets. Someone needs to set a speed trap on 3600 West just north of the hospital.	1/1/2024 10:54 PM
1185	The city's Christmas light displays were really bad this year. The lights on the corner of Redwood and 12600 S were never working right and most of the time they weren't even lit up. It's embarrassing. I do light shows on my house every year and I'd be happy to lend a hand in the future so that we have a working display (contact me at compukidmike@gmail.com)	1/1/2024 9:43 PM
1186	Love your parks!! Plant more trees around playgrounds for shade.	1/1/2024 2:41 PM

Riverton Citizen Survey - December 2023

1187	Great job overall doing good	12/31/2023 8:55 PM
1188	There are a ton of people at the events....either expansion or more time for each event! There has been a few events where we drove away cause we couldn't find a place to park	12/31/2023 7:49 PM
1189	Better Advertising the services provided by Riverton	12/31/2023 12:20 PM
1190	If we are going to revitalize downtown, I would like to modernize our city hall and support infrastructure. We should prepare to be part of the incoming business that will be part of The Point in Bluffdale and be ready to participate in the growing economy of the Salt Lake valley.	12/31/2023 10:39 AM
1191	More police to patrol neighborhoods. And stricter enforcement on noise ordinance. and cars that line the streets causing hazardous one car at a time roads.	12/31/2023 7:34 AM
1192	Change back to express bill pay for the water billing department. It's been an absolute cluster paying on two portals and the new site is confusing and doesn't alert me when Bill is due.	12/31/2023 6:51 AM
1193	Updates more often and reminders before events	12/30/2023 11:34 PM
1194	Removing Trent Staggs from office	12/30/2023 9:33 AM
1195	The Riverton City website is very weak. It does a bad job communicating what's happening in the city, and could be a much more useful resource. The system used to register for and pay for activities is also very bad.	12/30/2023 9:30 AM
1196	Additional opportunities for individual communities to meet law enforcement. Expand the length of the 4th of July parade to provide more space for us to watch it. Snow removal on side streets.	12/30/2023 8:24 AM
1197	Not be so concerned what people have parked, build, etc on their own property	12/30/2023 7:08 AM
1198	Not turning us into a big city	12/29/2023 6:51 PM
1199	Don't mandate the garbage can lids to be completely closed. That's ridiculous.	12/29/2023 6:17 PM
1200	Hire more law enforcement and have their presence patrolling around neighborhoods.	12/29/2023 12:02 PM
1201	Not sure	12/29/2023 11:21 AM
1202	I love my city	12/29/2023 7:21 AM
1203	More patrol in the neighborhoods to prevent vandalism or theft.	12/29/2023 3:05 AM
1204	Unknown	12/28/2023 11:59 PM
1205	Nothing comes to mind.	12/28/2023 10:57 PM
1206	Stop building high density houses.	12/28/2023 10:31 PM
1207	I think the city government is doing a great job! I really appreciate the transparency and approachable-ness of our people!	12/28/2023 10:16 PM
1208	Put up leash law signs in all of the parks.	12/28/2023 8:08 PM
1209	Get rid of the trump lovers	12/28/2023 6:50 PM
1210	Planning/development of east side of 126000	12/28/2023 4:09 PM
1211	Same as #28	12/28/2023 3:51 PM
1212	Fewer high density housing	12/28/2023 1:16 PM
1213	Fix the billing for water. It's been a disaster since it moved to the new system.	12/28/2023 10:10 AM
1214	Better personal skills at the city hall when I have gone or interacted with the city hall it is very disjointed and lacks a friendly atmosphere. The staff act put out when you need help or have a city issue.	12/28/2023 8:38 AM
1215	Code enforcement could be more active, (bad looking yards, vehicles parked on streets long periods).	12/28/2023 8:15 AM
1216	Stop increasing fees. Things are so expensive overall, and we are getting buried in fees and increased costs. I have loved the leadership's ability to keep fees low, but now seeing an	12/28/2023 8:10 AM

abandonment of this lately and it's concerning.

1217	The roads are terrible. Traffic is out of control! Most times it's impossible to get out of our neighborhood. Getting onto 12600 S from Western Hills drive needs a light. I have seen so many crashes here and nothing changes. Adding all the businesses that will be coming north of this area are only going to make it worse. The least you could do is paint lines so that people leaving the neighborhood going left don't block off the ones trying to go right. Designate the difference to make our lives easier. It's a terribly designed area and it's being ignored. Please change it. Traffic is the #1 reason I want to move out of Riverton (far west anyways).	12/28/2023 8:09 AM
1218	Better balance in city development!!!	12/28/2023 2:06 AM
1219	Trax/Light Rail would be great	12/27/2023 11:38 PM
1220	I have been very impressed with the friendliness and competence of the city staff. Well done! Thank you for being kind and helpful.	12/27/2023 8:59 PM
1221	Weed control along streets	12/27/2023 6:37 PM
1222	We are in a good shape, keep cost and fees low rather then spending on new projects maintain what we have	12/27/2023 5:58 PM
1223	Limit high density housing. Attract commercial/business to grow sales tax base.	12/27/2023 2:20 PM
1224	Easier ways for citizens to comment on upcoming development projects.	12/27/2023 11:26 AM
1225	Build a Recreation Center for the young families and old people to be able to Gather together and socialize While Excersising and playing in. I think it would be special to be able to see my neighbors enjoying each others company. Especially during the long winter months.	12/27/2023 10:58 AM
1226	Roads	12/27/2023 10:40 AM
1227	More transparency about what is going on with the Police Department. Multiple Chiefs in 3 years and personnel issues. City needs to let the citizens know what is going on. Transparency and trust is key.	12/27/2023 9:54 AM
1228	The police department needs to watch for people running red lights. They will sit out on a road that no one travels and give tickets for speeding there (4000 west) and let people run red lights that could actually kill others.	12/27/2023 9:37 AM
1229	I think the city council members are great and truly try to make a difference. My experiences with city employees have been more disappointing. I'd love to see more research and listening to residents before changes and decisions - like new parks. The canyonview neighborhood park was a big disappointment and a poor choice for our specific location with so many older kids accessing it. More research of our specific area would have been good.	12/27/2023 9:05 AM
1230	Neighborhood clean up. Sandy city and Salt Lake City have a clean up every year. Citizens place there debris and junk on the curb of a certain week and the city hauls it off.	12/27/2023 8:44 AM
1231	Great job everyone!!! We love living in Riverton in part because of all of our interactions with city employees. Admin, city planning, traffic, parks and rec, PR, receptionists, police, and firefighters. So many great interactions over the past 11 1/2 years! We have been impressed with how kind, helpful, and excellent you all are at your jobs! Thank you for making Riverton a great place to live!	12/27/2023 8:26 AM
1232	I can't think of anything. I am impressed with the administration and the direction the town is going.	12/27/2023 8:03 AM
1233	Informing communities of city meeting agendas and their impact- increasing involvement in participation in decisions being made by the city.	12/27/2023 8:01 AM
1234	Getting taxes down.	12/27/2023 7:30 AM
1235	Fairness with the thru street situation off 13400 and east of 2700 west.	12/27/2023 7:12 AM
1236	Better timing of traffic lights to help Ease backups. East to west highway alternative. And communication with the idiot mayor of Draper. That huge apartment complex being built on 123 and the I-15 ramp should be fun with added traffic at that horrible intersection. Thousands of cars from those apartments with a single lane road to get to Highway. The common sense around here is not so common anymore. Can't wait to move.	12/27/2023 3:13 AM

Riverton Citizen Survey - December 2023

1237	The features within the city app needs to be updated more frequently. For example it still takes you to xpress bill pay for utilities. It also still shows a reported problem at my address that is a year and half old.	12/27/2023 12:51 AM
1238	Please make anonymous tipping on the website easier. I tried putting in a tip that somebody on Facebook openly admitted to running over somebody's mailbox while drunk driving (both really bad). It was ridiculously hard and even then I never know if it was actually submitted. For example, it required a map pin and I had no idea where the exact location of the run-over mailbox was.	12/27/2023 12:31 AM
1239	Again, elected officials caring about people and not themselves. Some of them only care about how they look to the media and do things just to get their name out there. It's pretty ridiculous how some believe I'm small government, yet their actions prove otherwise and they try and interject themselves into things they have no business doing.	12/27/2023 12:27 AM
1240	The 4th of July parade was rough last year! Why can't we have it on redwood road like we used to? There were way more spots to watch back then! The Murray parade shuts down state street why can't we shut down redwood? Or expand the parade route to end at RHS. So we can have more viewing spots. My spot that I reserved a week in advance got stolen because there just isn't enough spots for everyone! Also please do not have 10 minute pauses in the parade. It should consistently flow. People were leaving thinking it was over!	12/26/2023 11:53 PM
1241	Safety in neighbors with bringing back speed bumps!	12/26/2023 11:51 PM
1242	The planning commission could be more friendly and helpful to small businesses	12/26/2023 11:22 PM
1243	Public safety and infrastructure should be the primary focus. Make sure those are taken care of before you worry about the fluff.	12/26/2023 11:00 PM
1244	Just the extreme retail signage problem.	12/26/2023 10:41 PM
1245	Actually listening and following through with problems. Not throwing their hands up and turning a blind eye to problems. Forget speeding tickets on busy roads their hardly worth dealing with. Keep neighborhood roads safe! It's kids lives!	12/26/2023 10:22 PM
1246	Try to attract more small business where the money stays in our city and helps us all grow. Quit trying to bring large corporate companies into town, this will bring crime and destroy the quality of life we have in our town.	12/26/2023 10:12 PM
1247	I think the cult of Trump is poisoning our country and it saddens me that the city government can't see this.	12/26/2023 9:51 PM
1248	See above	12/26/2023 9:37 PM
1249	Maje it Easier to get information about building rules- offsets, etc	12/26/2023 8:48 PM
1250	Some city codes are very outdated or seem to be in place just to have "control" and are too picky. Having one person having all the control with what is approved with permits is a faulty process. One persons opinion should not decide what can or can't be approved with permits.	12/26/2023 8:06 PM
1251	I liked the old Riverton Rock signs. I don't like the new blue industrial signs. The rocks and landscaping needs to be better kept up. The rocks are sliding and the weeds aren't kept up like they used to be. The Spirit Corner needs to be more useful and changed to a water wise landscape.	12/26/2023 7:58 PM
1252	Better animal control including code enforcement by officers, a dog park, more code enforcement for junky vehicles parked on the road or removal of cars when the snow storms come in. And more transparency about why police chiefs keep leaving?	12/26/2023 7:54 PM
1253	I think Riverton city Government does a good job.	12/26/2023 7:36 PM
1254	1300 west isa mess and all the high density housing.	12/26/2023 7:23 PM
1255	Na	12/26/2023 6:42 PM
1256	Stay focused on running our city, improving the quality of living in our great city and stay out of upper level politics. Let the Governor and legislators and our representatives in Congress take care of politics. Local government should focus on its citizens and what matters to us in our everyday lives.	12/26/2023 6:23 PM
1257	I want more police patrol in neighborhoods... rarely see police making themselves visible in	12/26/2023 6:20 PM

	areas that are not high traffic.	
1258	Friendlier staff when people call.	12/26/2023 6:03 PM
1259	Longer route for town day parade	12/26/2023 5:59 PM
1260	Saying no to poor business developments and high density housing.	12/26/2023 5:01 PM
1261	Great place to live!	12/26/2023 4:46 PM
1262	A little better communication regarding the city council agenda -- what's being considered and what action is being taken.	12/26/2023 4:38 PM
1263	Better patrolling in schools and neighborhoods.	12/26/2023 4:34 PM
1264	Hold city members accountable for using golf carts and other motorized items on the walking paths. Too many drivers run red lights at 11800 S and 4510 W. Itv is very scary. The Midas Creek area in Park Haven has not been resolved in regards to the open space.	12/26/2023 4:14 PM
1265	Eliminate taxes and fees	12/26/2023 3:26 PM
1266	Just don't ever go woke. Just keep up the good job you are doing.	12/26/2023 3:09 PM
1267	Dog park	12/26/2023 3:06 PM
1268	Actually enforcing the code with fines	12/26/2023 2:48 PM
1269	The Holly days is ridiculous now. This has been a tradition since my kids were tiny. They went this year and it was so sad, I don't believe we will come again. Not sure why you have to change everything, the cookies, scones and hot chocolate all have been changed, as my kids said, they are gross now. The wagon ride has been gone since the new park opened, this was one of our favorites.	12/26/2023 2:42 PM
1270	Spend more time and money on training on something like the STAR program. The Support Team Assisted Response (STAR) Program is an alternative response team that includes behavioral health clinicians and paramedics to engage individuals experiencing mental health distress and substance use disorders.	12/26/2023 2:25 PM
1271	Better communication, or easier ways for us to get communication from government.	12/26/2023 2:22 PM
1272	Utility department sucks	12/26/2023 2:00 PM
1273	Lower taxes	12/26/2023 1:59 PM
1274	Population control.	12/26/2023 1:59 PM
1275	The Mayor uses his position for political ambitions. The position of Mayor and Trent's ambitions to move 'up the ladder' should be kept separate. Example: Look at his Twitter ACCOUNT" @MayorStaggs, NAME: Mayor Trent Staggs, BIO: Republican Candidate for US Senate in Utah - Mayor of Riverton. Instead, the mayor uses his "Mayor" social media account to attack anyone who doesn't think like him.	12/26/2023 1:56 PM
1276	I believe the employed people in Riverton City are doing a great job. We as citizens need to acknowledge that more! We can all help to make it better by getting involved, picking up after ourselves, giving praise to those who work smarter, not harder.	12/26/2023 1:11 PM
1277	We love Riverton Please watch out for increased crime, drugs, gangs etc. WE DO NOT WANT TO BECOME A WEST VALLEY.	12/26/2023 12:48 PM
1278	Coding	12/26/2023 12:44 PM
1279	Work on keeping consistency with employees. It seems that there is a revolving door with department heads and police.	12/26/2023 12:43 PM
1280	I've had a issue on my street for years that's never been taken care of and would like remedy sometime	12/26/2023 12:41 PM
1281	No more high density housing.	12/26/2023 12:23 PM
1282	The city made a huge mistake firing Chief Barfuss. The inner workings of the police department are a joke. The officers have very little policy wise to follow. They're like a bunch	12/26/2023 12:17 PM

Riverton Citizen Survey - December 2023

of teenagers returning home from summer camp that need to be disciplined by their parents.
Joke.

1283	Stop high density zoning.	12/26/2023 12:15 PM
1284	I would like to see tax cuts. Taxes are too high so please cut them.	12/26/2023 12:01 PM
1285	If the city code enforcement is going to come out and give notice to one person/house. They should give the same warning to other people/houses that are violating the same code. I feel like they babysit specific people/houses.	12/26/2023 12:00 PM
1286	Leave the lights on at the Riverton City Park Pickleball courts until 11. Add more Pickleball courts. Pave the canal trails.	12/26/2023 11:29 AM
1287	road improvements and beautification of neighborhoods.	12/26/2023 11:28 AM
1288	Cleanup the weeds in the middle of the road. It makes us look trashy. Almost every median on every major road has weeds growing through.	12/26/2023 11:14 AM
1289	Letting residents build metal detached garages over 1200 sq ft. Dumbest code ever. My property, my decision.	12/26/2023 11:13 AM
1290	It's my opinion that sometimes the city is so fiscally careful that the team or services are limited. There's been a significant amount of turnover at the city, which makes me wonder if the compensation structures are competitive. And things like snow removal seem like they could be improved by spending a little bit more. Don't get me wrong, I'm very thankful for low fees, but I think they could be increased slightly to provide more services or better care for the city team - which I think is an outstanding group of people.	12/26/2023 10:56 AM
1291	As stated above, remembering that not all citizens are right leaning Christians and making decisions that reflect what is best for EVERYONE WHO LIVES HERE and not just that group.	12/26/2023 10:52 AM
1292	There is a sign under the stop sign at Dunhammer and 12600 South that states to yield to those making UTurns. It is very difficult to know if those turning left onto Dunhammer are making a U Turn or just turning left. Legally, those making U turns should yield to those making a right turn. Also, it would be very helpful to have a traffic light installed there.	12/26/2023 10:49 AM
1293	Traffic on 12600 so. Not being a garbage can Nazi, with what's coming up on April 1 Fix Roads etc. in a timely matter My subdivision has sink holes, I have reported and never got fix so don't know why we have a place to put in orders for repair stuff don't get done.	12/26/2023 10:48 AM
1294	Stop making houses everywhere and build up a real good cultural center facility	12/26/2023 10:47 AM
1295	Keep schools safe and free from woke ideologies. Keep porn books out of schools. Keep CRT out schools and government. Make sure all first responders are well compensated and teachers too. I am neither of these things but I respect it. In person elections should be mandatory. Mail in ballots are BS. Voter ID required. Encourage and support the state to support closing the border.	12/26/2023 10:44 AM
1296	Slowing development and better infrastructure.	12/26/2023 10:42 AM
1297	Lower property taxes. Air quality in the SLC valley.	12/26/2023 10:36 AM
1298	See answer 28	12/26/2023 10:26 AM
1299	Code enforcement. I know this is hard and might cause undue frustration for citizens but sometimes I think some reminders might be helpful as far as parking, pets, etc. It's sad that you sometimes might have to remind people of common respect for things people do that they don't realize are affecting the neighbors.	12/26/2023 10:22 AM
1300	Keeping our mayor from running for other government offices!	12/26/2023 10:21 AM
1301	None.	12/26/2023 10:16 AM
